SMU COMMON APPLICATION SUPPLEMENT

SMU is pleased to provide this supplement to the Common Application that will enable you to share additional personal and academic accomplishments with the Admission and Scholarship Committees. In designing this supplement, we have attempted to be mindful that the college search and application process is ideally an enjoyable and worthwhile experience. We look forward to learning about additional ways you would benefit from and contribute to the intellectual and personal diversity of the SMU community.

The Admission Committee takes a holistic approach when reviewing each applicant to SMU. A prospective student may wish to provide the Committee with information that he or she was unable to convey in the Common Application. Is there additional information that you would like the Admission Committee to consider when reviewing your application?

_____

_____

_____

SMU appeals to students for a variety of reasons, including the strength of academic opportunities, small class sizes, sense of community, location and attractive campus. Please comment on how or why you feel these characteristics or others make SMU a good collegiate fit for you.
