Safety Procedures in Dedman College Buildings

Carr-Collins Hall
Evacuation: leave the building through nearest exit and assemble on the lawn in the law quad
Shelter-in-Place: use the stairs to move to first-floor corridor in the north half of the first floor

Clements Building
Evacuation: leave the building through nearest exit and assemble on the lawn west of the building
Shelter-in-Place: persons in the basement remain on the basement level and move to the central part of the building; persons on all other floors proceed to the exit at east end of building to go to basement level (this will entail leaving the building briefly to reach the basement entrance)

Dallas Hall
Evacuation: leave the building through nearest exit and assemble on the lawn south of the building
Shelter-in-Place: persons on 1st floor proceed into halls and remain there; move away from either end of the hallway as much as possible; persons on all other floors proceed to central area of basement level (Reading Room)

Dedman Life Sciences Building
Evacuation: leave the building through nearest exit and assemble on parking lot west of the building
Shelter-in-Place: proceed to one of the following rooms: 110 or 131

Fondren Science Building
Evacuation: leave the building through nearest exit and assemble on the parking lot south of the building
Shelter-in-Place: persons on 1st, 2nd, and 3rd floors proceed to one of the following rooms if not already there: 123, 133, 152 or 158; persons on basement level floor proceed to corridor outside rooms 055 and 059 and assemble there

Heroy Hall
Evacuation: leave the building through nearest exit and assemble on the lawn south of the building
Shelter-in-Place: proceed to room 153 and assemble there

Hyer Hall
Evacuation: leave the building through nearest exit and assemble on the lawn west of the building
Shelter-in-Place: proceed to the basement via the southeast stairwell

McFarlin Auditorium
Evacuation: leave the building through nearest exit and assemble by the fountain east of the building
Shelter-in-Place: proceed to the basement lobby area in the east portion of the building

Umphrey Lee Building
Evacuation: leave the building through nearest exit and assemble on parking lot south of the building
Shelter-in-Place: proceed to the basement level and assemble in the south corridor of the building
