REGISTRATION FORM A ADDENDUM

SINGLE HOUSING

Two changes have come to our attention since the design completion of our 2014 Course of Study School catalog. One of these changes is the availability of single rooms. The residence hall we are appointed to this summer now has a limited number of single rooms available. To look at the layout of the residences please view them at this web site http://www.smu.edu/StudentAffairs/Housing/ResidenceHalls/Mary%20Hay.

Please complete and return this form if you would like to request single housing. Requests are filled on a first-come, first-served basis and your registration process must be paid in full and complete. Payment of single room upgrade does not guarantee a single room and this amount will be refunded if the university cannot accommodate your request. Single rooms have community baths. You will be assigned to a double occupancy room with a roommate if single rooms run out.

Guest Policy: Guests are not allowed in residences unless prior arrangements have been made. Guest fee: $835 for one session, $1680 for two sessions regardless of duration of stay.

______ Yes, I am requesting single housing (if available). I will be at COSS for one session - $200.

______ Yes , I am requesting single housing (if available). I will be at COS for two sessions - $400.

Please enclose $200 for one session or $400 upgrade for two sessions. This is in addition to housing fee.

Amount enclosed ________________

DEDMAN CENTER FOR LIFETIME SPORTS

The second change is the Dedman Center for Lifetime Sports has revised their process for conference use of their facilities. Subsequently, the pricing process has changed and membership is not automatic as in years past. Students are now given the opportunity to become a member and use the SMU gym facilities by paying $20 if you are here for one session (two weeks) or $40 if you are here for two sessions (four weeks).

Please complete and return this form to COSS if you would like to have access to the Dedman Center for Lifetime Sports for either one or both sessions.

______ Yes, I am requesting Dedman membership for one session - $20.

______ Yes, I am requesting Dedman membership for both sessions - $40.
