Partial List of Works in Progress:

The Works of John Wesley Volume 15, *Domestic, Moral, Political and Economic Writings*, Kingswood Books. Co-editor. A volume in the Wesley Works Project, *The Bicentennial Edition of the Works of John Wesley*. I am editing, preparing materials, and writing introductions and notes for this volume. I had a grant to support this work over the summer of 2021 and expect to have this to the series editor in late 2023 or early 2024

"The Influence of Ursula Niebuhr on the Thought of Her Husband Reinhold Niebuhr." I have published one article and have made four academic presentations on this material. I am working on a final article—partly written—that is a summative piece outlining the overall influence of Ursula Niebuhr on her husband's thought and summarizing the evidence for their co-authorship of some of Reinhold Niebuhr's later work. I have release time approved to finish this material in 2023.
