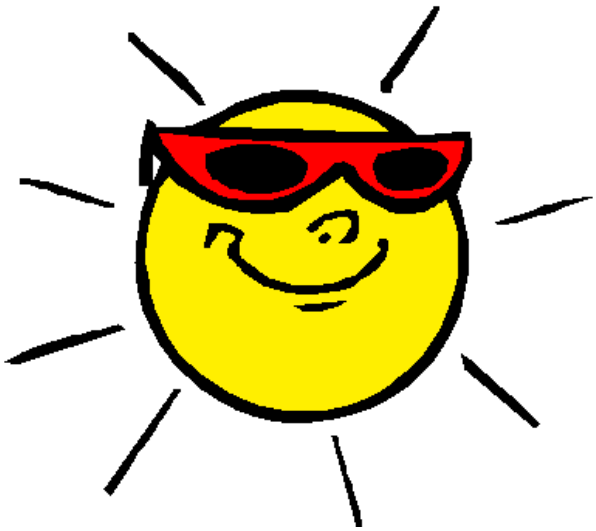
The SAMSA Source

April 21, 2011

Summer's almost here!

And here are some things to remember to have a great fall semester when you return:

- Did you elect new officers? Send their names, titles, and email addresses to samsa@smu.edu.
- Keep an eye out for important emails this summer. Workstation applications, A Night at the Club, and more will be coming up quickly!
- Don't forget to complete the Authorized Signature Form at the Comptroller's office so you can start writing checks right away.
- Staying in Dallas? Stop by and say "hi" to the SAMSA staff—no, we don't get a summer vacation!



Teambuilder du Jour—Puzzle Pieces

Take a piece of poster board and cut it into abstract, unique shapes—one shape per participant. Each participant gets a shape and decorates it with their name, their position in the organization, and colors/designs that describe their personality. After everyone is done decorating, have the group members take turns showing their piece, and explaining how they decorated it, to the group. Then put the pieces together to "solve" the puzzle. Discuss how each member of the team is an important part of the puzzle, and when put together they create something great. Display the completed puzzle in your office or workspace.
