Student Organization Spotlight: Program Council

Program Council has held over 20 events this year with some of the largest yet to be finished, including the 3OH!3 concert, Sing Song, and helping produce the Bush Block Party. Over the past year, PC has had attendance of over 4,000 students at all events combined. President Jonathan Machemehl says the secret to Program Council's success is that "we embrace the idea of 'PC Love,' which is encouraging and supporting each other, and helping each other out even when it does not pertain to their job description."
