The Student Activities Source

Don't forget to attend a Finance Meeting!

Attendance is required if your organization wants to request a Spring Semester budget.
The meeting will help your organization design the spring budget request properly.
Two executive officers of every organization must attend and sign in. The meeting schedule is:

Monday, October 3: 8 AM
Monday, October 3: 12 PM
Wednesday, October 5: 5 PM
Thursday, October 6: 6 PM

All meetings are in the Hughes-Trigg Theater.

Teambuilder du Jour—Stand Up

Start this activity in pairs. Two people sit on the floor, back-to-back, and link elbows. The pair must then stand up without unlinking their arms or touching their hands to the floor. Repeat the exercise with groups of three, then four, and more as time allows. The more people in the group, the more difficult the exercise is. To add a challenge, do not allow the participants to talk. To add a competitive element, see which groups or pairs can stand up and sit down three times the fastest.
Discussion questions can include:

- Was it frustrating to add difficulty to this exercise?
- Was it more difficult when you weren't allowed to talk? Why or why not?
- Did competing motivate you to do the exercise well? Why or why not?
