SMU Student Handbook

Vol 6

1981-82

Dear Students:

On behalf of the student body, I would like to welcome you to S.M.U. I hope that this year will be a happy and successful one. One way to guarantee this is through involvement. Involvement in your classes, involvement with your teachers and fellow students, and involvement in campus organizations.

We have over 100 organizations on campus with which any student can and should become involved with. These organizations are created by students and depend upon your leadership and energies for their existence.

Student Government is the area I have become involved with and I urge all those students interested, to come by the office to see what your Student Association can do for you. In order to be more accessible to you, our student government office is located on the lower level of the Student Center. Several other organizations also have their offices there. This Activity Center is for you, so please make the most of it.

Please take time to read this FOCUS thoroughly. A lot of time and effort was spent preparing it for your use. It will be of great assistance to you throughout the coming year. Please feel free to come by the office if you have any questions or if there is anything we can do for you. Again, welcome to SMU and I wish you the best of luck in the coming year.

Sincerely,

Craig L. Massey

ACADEMICS

At one point during the year, the reality of academics is going to set in. Here are some guidelines to help students along.

ACADEMIC PROBATION

Students with less than a 2.00 average in any semester will be placed on academic probation. This means the student will probably only be allowed to take a maximum load of 12 hours. A student who does not attain at least a 1.00 average will be dropped from the university.

ADVANCE SCHEDULING

Scheduling occurs near the end of the semester. Students should consult an advisor to get a signed study list card. On the day of advance scheduling, students should go to the individual departments to sign up for the course. However, students who have completed advance scheduling must still attend registration at their assigned times or they will not be officially registered in the university.

AUDITING

Auditing a course is when a student visits a class but gets no grade or credit. Students must obtain permission from the instructor and their academic dean and then pay the cashier a fee before they can officially audit a course.

DOUBLE MAJORS

Students can simultaneously earn two baccalaureate degrees from two schools of the university with approval of the academic dean and the Provost. Since the requirements for both degrees must be met, students should meet with advisors in both schools at an early date to prepare a proposed plan of study.

EXPLANATION OF COURSE NUMBERS

The four digit number before a course title is the course number. The first digit indicates the level of the course. The second digit indicates the number of semester-hours received for the course. The third and fourth digits indicate the course for the departments.

GRADING

Grades in any course are determined by the student's class standing and his examination grade, combined in any way the instructor wishes. Class standing is determined by attendance and the quality of the student's work.

SMU is on a 4.0 grading system: A+, A, A- = 4; B+, B, B- = 3; C+, C, C- = 2; D+, D, D- = 1; F=0.

Ten other grade symbols and numeric symbols are used. Students should refer to the general Information Catalogue for an explanation of all grades used.

Pluses (+) and minuses (-) are recorded on the student's permanent record but do not affect his grade point average.

GRADUATION

Seniors must file an Application to Graduate form with their academic dean during their last semester at SMU. Applications should be filed by the deadline date in the University Calendar. A fee will be charged for late application.

INTERNATIONAL PROGRAMS

The university offers students the chance to live and study abroad. Regular programs are maintained in Paris and Madrid. Winter inter-terms are offered in Mexico, England, France, Germany and Russia. Summer programs are offered in Austria and England.

NAME AND ADDRESS CHANGE

All legal name changes should be reported to the Registrars Office. Student will need a certified copy of the legal document or a notarized affidavit.

Also all local and permanent address changes should be reported to the registrars office for mailing purposes.

PASS/FAIL

Students may take courses Pass/Fail. This means the students will get no grade, only a recorded pass or fail. Courses in your major or courses required for graduation may not be taken pass/fail. Students should always consult their advisor before taking a course pass/fail.

PRIVACY ACT

The Family Education and Privacy Act of 1974 is a federal law that gives students the right to inspect, to obtain copies, to challenge and to a degree control the release information contained in his or her education records. Guidelines of the act are available in the Dean of Student's office.

SCHEDULE CHANGES

Students can add courses, drop courses, and change sections without grade record or tuition billings through a specified day in the Fall and Spring.

Adds and drops cost \$5.00 each. Currently there is no charge for section changes.

After the add/drop period, courses can be dropped "Withdraw Passing" (WP) or "Withdraw Failing" (WF) to a certain date.

TRANSCRIPTS

Transcripts are available on request from the Registrars Office, Perkins Administration Building. Transcripts can not be released unless all financial and other obligations to the University are satisfied.

TRANSFERRING SCHOOLS WITHIN THE UNIVERSITY

Students must apply to the dean of their present school-of-record. Several weeks after the application is filed, students should call the deans office of their new school to see if the records were received.

UNIVERSITY SCHOLARS

University Scholars are selected after the freshman year and before the junior year for academic achievement. These students are put in a special academic program which is tailored to their individual concerns and needs. Interested students should apply to Franklin Balch, coordinator of the program.

CAMPUS SERVICES

A wide variety of services are available to SMU students on campus. If you need a tutor, help with career choices, or even if you want to get involved in student government, check here for opportunities that are available.

STUDENT ACTIVITY CENTER

The Student Activity Center is the hub of activity for all SMU student organizations. Permanent and temporary office space is provided for several student groups. The activities of more than eighty campus organizations are coordinated through this area. A staff of professional educators is also located in the Activity Center to assist students and student groups in maximizing their out-of-class experiences at SMU. The center is located in the east basement of the Student Center. Student Senate, Program Council, IFC and Panhellenic have their offices here.

ALCOHOL EDUCATION PROGRAM

Attitudes or opinions about drinking, though numerous, are seldom based on complete or correct information. SMU's comprehensive alcohol abuse prevention effort is *about not against* drinking, and has as its goals education for responsible consumption and assistance to problem drinkers. It endeavors to identify those factors which significantly influence a student's decision of whether and how to drink in addition to providing basic information and training which will enable students to recognize alcohol abuse early and understand the appropriate response to it.

STUDENTS' ATTORNEY

The Students' Attorney can help any student or student organization with legal problems and questions. You or your organization are only responsible for court costs, filing fees, actual expenses incurred and administrative fees.

The Students' Attorney does not accept cases in which either students or SMU is a litigating party; however, counsel is available in such cases. Room 207 in the Student Center from 9 a.m. to 1 p.m. Monday through Friday.

THE CAREER CENTER

The major emphasis of the Career Center, 208 Clements Hall, is to assist SMU graduating students and alumni in locating full time career oriented employment and making career decisions. The Center schedules interviews with recruiters from businesses, industries, governmental agencies and graduate schools located throughout the country. The Center provides workshops and counseling on career decision-making, job search strategy, interviewing procedures and resume preparation. The Center also assists students in finding off-campus jobs for part-time and summer employment.

HOUSING AND CONFERENCE CO-ORDINATION/RESIDENCE LIFE

The domain of the Office of Housing and Conference Coordination extends from the graduate quad, past the freshman quad and the upperclass quad to the Daniels and Tower student apartments.

Within this department, you will find 2,600 students housed in eighteen residence halls and four apartment units. To keep it running smoothly, you'll find hall managers, graduate hall directors, housekeepers, utility workers and a host of clerical and administrative staff.

HUMAN RESOURCE/WOMEN'S CENTER

The Human Resource/Women's Center is responsible for providing opportunities for productive growth in students, planning and coordinating workshops for students, faculty and staff such as assertiveness training and life planning, maintaining support services for women and students over 25, coordinating SMU's Volunteer Services program, and serving as a resource to students for information on community programs and services.

LIVING/LEARNING PROGRAM

To provide an opportunity for students to enrich and expand their classroom experience the Office of Residence Life combines efforts with academic departments to offer the Living/Learning Program. Students selected for this program live in Letterman Hall and have the opportunity to take two or three standard freshmen courses in the residence hall. This arrangement allows greater freedom for informal discussions during and after class with faculty as well as closer personal relationships with professors and peers.

MEDIA SERVICES

Media Services can assist students with their audio-visual needs. Students can:

- Check out or use many audio-visual programs owned by SMU.
- Check out audio-visual equipment for class or personal use. (Small fee for personal use.)
- Use production facilities for laminating, dry mounting, making overhead transparencies, etc.

These men are members of the SMU Department of Public Safety. The Department of Public Safety on campus handles all parking regulations, traffic control, public safety and enforcement of university policies. GREEK LIFE AT SMU

SMU offers a quality of Greek Life unparalleled by few universities. There are twenty-seven different fraternities and sororities from which to choose, all strong national organizations that perform many community service and charity functions. Incoming freshmen are exposed to Greek lifestyle early in the Fall Semester whereas Formal Rush place in early Spring.

The unusually high percentage of undergraduate Greeks at SMU credit to its quality of life and success. The fraternity and sorority system allow a student to associate with brothers and sisters whose friendship lasts a lifetime. Intramural competition, opportunities for leadership, personal growth, and above all the friends are but a small sample of the entities offered by SMU's Greeks.

The governing bodies for the Greek systems at SMU are the Interfraternity Council (IFC) and Panhellenic.

INTERFRATERNITY COUNCIL (IFC)

IFC is the coordinating and administrative body for SMU's 15 fraternities. The Interfraternity Council seeks to promote the interests of the university as well as the members of the individual fraternities. IFC consists of the President's Council—comprising the Presidents of all 15 fraternities at SMU which acts as the main legislative body. The Representative's Council consists of one elected member of each fraternity which acts as the screening Committee for programs acted upon by the IFC. Executive Committee is the supreme coordinating and policing body of the IFC and is comprised of five popularly elected and two appointed officials representing all SMU Greeks.

STUDENT GOVERNMENT

The SMU student body is represented within the university and to the outside community by the Student Senate and its officers. The Senate's powers and authority are established in the Student Body Constitution adopted in April 1980.

The function of the Senate is to govern the student body and represent the student body in all university decisions. The university has given Student Senate the sole responsibility to allocate the Student Activity Fee, adopt and enforce the Student Code, recognize all student organizations and allocate space in the Student Center. The Student Senate also has the responsibility to fund and coordinate the programming and activities of all student groups on campus.

STUDENT SENATE AND STUDENT OFFICERS

The student body officers consist of a President, Vice President, Secretary and Treasurer. The President, Vice President and Secretary are elected by a majority vote of the student body. The treasurer is appointed by the President.

The Student Senate consists of 35 Senators, elected from each school of the university, or at large positions, and the Student Body Officers.

Senators from each school (Arts, Business, The College, Engineering, Law, and Theology) are elected on a formula of one senator for every 300 students enrolled in the school. In September, the Freshman Class elects 4 freshman representatives.

In addition there are 6 at large senators representing the Advisory Board to the Provost, the Advisory Board for the Vice-President of Student Affairs, Black students, Mexican American students, International students, and women students. These representatives ensure all students access to student government.

SENATE COMMITTEES

All students are encouraged to apply for a Senate Committee. These committees are usually composed of students, student senators, faculty, and administrators and have responsibility for various areas that affect student life. Any student may apply for committee positions in the Student Government Office during September. All applicants will be interviewed by the screening committee and recommendations will be made to the Student Body President for appointments.

The Student Senate has several Standing and Ad Hoc committees including:

APPROPRIATIONS COMMITTEE: allocates over \$250,000 of the Student Activity Fee to student organizations with Senate approval.

COMMUNICATIONS COMMITTEE: charged with making the student body aware of the Senate and its actions.

ELECTION COMMITTEE: coordinates and runs the student body elections whenever required.

ISSUES AND GRIEVANCES COMMITTEE: offers students an outlet for student complaints and concerns. Grievance forms are available in the Student Government Office.

Students can also serve on Faculty Senate Committees (Athletics, Ethics and Tenure, Faculty Handbook, Libraries and University Scholarships) or Administration Committees (Goals and Priorities, Commission on the Status of Women, Convocations, Orientation, Space Utilization and University Calendar). These appointments are made by the Student Body President and all interested students should contact the Student Government Office in September regarding these positions.

ELECTIONS

Elections are held in the Spring for all positions except for Freshman Representatives which are elected in the Fall of each year.

TRIVIA & TRADITION

VARSIITY

Oh, we see the Varsity, Varsity, Varsity
As she towers o'er the hill over there
and our hearts are filled with joy
SMU — SMU
Alma Mater, we'll be true forever.

FIGHT SONG

Here's to the Red and the Blue
We're the Mustangs from SMU
Give a cheer, give a fight
There's a victory in sight
And our battle cry will be
Fight! Fight! Fight!
Spirit's the best in the land
And right to the end we'll stand
for the M-U-S-T-A-N-G-S
FIGHT! FIGHT! FIGHT!

SMU colors are Harvard Red and Yale Blue.

Peruna, SMU's miniature pony mascot, comes from the name of a patent medicine made from straight whiskey. The SMU song, "She'll be loaded with Peruna when she comes..." was adapted from an old mountain folk song. In memory of the original Peruna, killed in an accident in 1934, the "Statue of the Spirit of Peruna" was erected at Ownby Stadium.

Veritas liberabit vos — "The truth will set you free" — is SMU's motto. Robert Hyer, the first president of SMU, selected the phrase.

"Varsity" is the alma mater which is sung before the beginning of every game and at other special events.

The Varsity fight song was inspired as composer Rev. Lewis W. Stuckey drove down Preston Road on a cold, clear day with a view of Dallas Hall in the skyline.

Homecoming is probably SMU's most well-known tradition. In the beginning there was no election for the Homecoming Queen, she was appointed. The only beauty contest was the campaign for Duchess of SMU which had nothing to do with football. This election was sponsored by the Rotunda and nominees were put up by the various sororities and fraternities (much like the way homecoming is run today).

As late as 1945, classes were dismissed early on Friday in order that everyone could go to the Homecoming parade and the traditional all school dance was free for everyone.

With SMU being a Methodist university, no dances were allowed until 1940.

SMU was originally named TEXAS WESLEYAN UNIVERSITY in 1911. When the name was changed to SOUTHERN METHODIST UNIVERSITY in 1916, the need for a mascot came: Librarian Dorothy Amann won all school contest with the "MUSTANGS." The name came to her after watching the football players come onto the field "like a bunch of Texas Mustangs."

The wearing of the "freshman beanie" is an old tradition which has been modified over the years. In the beginning, upperclassmen sold green beanies to freshmen as "traditional freshman wear." If the freshman passed a coed he had to push the button atop his beanie. With the banning of hazing on campus, the beanie disappeared only to return as a tradition carried on by the Mustang Band. All freshman band members wear the red and blue beanie until SMU football team beats A&M or until the upperclass members decide.

The honor council and honor code is not a new idea to SMU. Way had in 1929, the then present honor council was abolished after it was decided that it was not needed at SMU.

In the beginning of SMU, girls had a very strict social life. Week night dates were allowed only as late as 7 p.m., with the freshman girls allowed none. They were allowed to date only on Saturday nights if accompanied by a Junior or senior girl and her date and only as late as 10 p.m.

Even up until 1971, parents had to sign a release form granting the permission for their child to stay out all night during the week. Girls had to sign out telling where they were going and with whom they went out a night. When they returned, they signed in. If a girl came in too late too many times, then she lost the privilege of going out.

Other ways for a girl to lose the privilege of dating during the week was not to make the grades or for her to keep a messy room. Every girl had her room graded for neatness by the dorm mother and these room grades were letter grades.

Guys were allowed in the girls dormitories but only as far as the lobby. ROTUNDA Beauties used to be chosen by popular vote which allowed a student to purchase for a penny a piece as many ballots as had pennies. Student Government was permanently organized at SMU on October 9, 1915.

The first airplane landing in the city of Dallas occurred on SMU campus.

Even before SMU officially opened in 1915, the school newspaper was published. At that time it was called SMU TIMES later changed to DAILY CAMPUS and finally THE DAILY CAMPUS.

April First commonly known as April Fool's Day was known as Piker's Day at SMU where seniors had the run of the campus. It was their last fling at childhood. No Piker's Day was complete without the kidnapping of the senior president by a band of freshmen.

"Powder and Patches" was the traditional girls revue where each sorority presented acts. "Frasity" was the fraternity production.

A latecomer to collegiate football, SMU didn't have a team until 1911 and didn't come up with a horse until 1932.

an easy way to get them out of your hair. Or sometime you might just want to get lost in a crowd.

For more detailed and extensive information grab a copy of "D" Magazine, look in the Dallas Morning News and read "The Guide," call the Dallas Visitor Information Center, 747-2355, the Dallas Chamber of Commerce, 651-1020, or SMU information.

FILMS

Putting on the 51 weekend movies and speakers, the Program Council must be the busiest group on campus. They've done a great job in the past, and they're working hard to bring more diversified programming to the SMU student body.

to San Diego, Calif., to play in the Holiday Bowl. Expectations for this year are even greater.

In the fall, football captures the spotlight. The home games are played in TEXAS STADIUM in Irving. You can either drive or ride a bus. Each year the bus situation changes, so be sure to check with the athletic department or the dorm desk for details.

Springtime brings on basketball. Last year our team got a new coach, Dave Bliss, who has high expectations for this year.

The two top varsity athletic teams at SMU are swimming and tennis. The swimming and diving teams are among the best in the nation, capturing the Southwest Conference each year for the last 20-plus years. Swim meets are held in Perkins Natatorium.

The tennis team also does exceptionally well each year. The tennis players win the SQC regularly. Catch some of the action at the VARSITY COURTS (located behind Moody).

Other sports that play a part in athletics include golf, cross-country, track, soccer and ice hockey.

Usually, a valid ID will get any student into the games. MAKE SURE YOUR ATHLETIC FEE STICKER IS ON YOUR ID. For extra tickets check the athletic ticket office in the lobby of Moody Coliseum.

Three tennis courts are located on the Intramural field. One older court lies behind the Computer Center. Lighting is provided on some courts until 10 p.m.

INTRAMURAL RULES

Eligibility Guidelines

All students regularly enrolled in any department of the University and regularly attending classes are eligible to compete in Intramurals except as otherwise specified herein. "Regularly enrolled" means that the student has paid his activity fee and is carrying at least twelve hours. A senior needing less than twelve hours to graduate may participate that semester in the activity if the activity fee is paid. Once this rule or its intent has been involved, that student can no longer participate as an undergraduate. Co-op engineers who are in the field working may compete providing they are located close enough to do so.

A. Eligibility to represent an organization is determined as follows:

1) Housing Unit—Reside in unit or be assigned there by Housing Office.

- 2) Fraternity—Be on list in Men's IM Office.
- 3) Professional School—Be enrolled in that school.
- 4) Student Organization—Be on official roster.

B. Eligibility is limited to five years participation in the undergraduate program.

C. Each student may represent only one team in any sport. Exception: During the spring semester, freshmen who pledge a fraternity/sorority may continue to play for their floor and also be eligible for their fraternity/sorority. R.A.'s and S.A.'s are encouraged to participate for their floors but they may elect to play for their fraternities/sororities.

D. Graduate students may participate in the graduate league only. Exception: Each upperclass team may use one graduate student or faculty member, who must have affiliation with the group.

E. To compete in any games of the championship nature, an individual must have participated in the following number of regular season games or matches:

7 game season — 3 games
5-6 game season — 2 games
4 or less game season — 1 game

F. Medical clearance by a family doctor or the SMU health clinic is a basic foundation of eligibility.

G. The following are ineligible in that sport for one year (two consecutive regular semesters):

1. Any student who has participated in a collegiate sport as a varsity Squadman during the previous year.
2. Any junior college transfer who lettered the previous year.
3. Any junior varsity player.
4. Students who do not have their athletic scholarships renewed, or voluntarily give them up.

H. The following are ineligible—as specified:

1. Varsity award winners from any four-year institution are ineligible in that sport or similar sport (baseball/softball).
2. All the members of any SMU athletic team is "in season" as defined by the coach, SWC, or NCAA. Varsity athletes that are "in season" may participate in other Intramural sports with permission from their coaches.

Officials

Perhaps the most difficult task in any Intramural Program is officiating an activity which involves one's own friends or peers. But each year students who get paid approximately \$3.00 per game, officiate touch football, basketball, volleyball, soccer, softball, and other activities. Students are always encouraged to sign up for officiating in the Intramural Office. Often additional jobs are available outside the University, such as city leagues, church leagues, schools, and industrial leagues. This is certainly a very necessary segment of the Intramural Program, and all the participants are indebted to the following for their excellent work during 1979-80.

YOUR BANK ACCOUNT SHOULDN'T HANG YOU UP.

As a student, you know how hard it is to live on a limited budget. You can spend all your time worrying about your bank account instead of using it.

But if you open a special SMU student account at Capital Bank, your troubles are over.

We provide up to \$100 for overdraft protection on your checking account. You also get 400 personalized checks — free of charge.

There's no service charge, either. Which means you'll save around \$72 a year.

For your convenience, we have a 24-hour **IMPACT** automatic teller, which lets you make cash withdrawals at anytime of the night or day. And you can use our drive-in bank at Capital Bank West, located just across the freeway.

All these benefits are yours from August 1, 1981 to July 31, 1982 for a one-time charge of only \$44.95 when you open or renew your account.

Just walk into our lobby and introduce yourself as an SMU student. We're located at Mockingbird and Central, east of Ownby Stadium.

SOUTHERN METHODIST UNIVERSITY

I. POLICY STATEMENT

A. The following special traffic rules and regulations have been enacted by the university for the safety and security of the SMU community and apply to all students, faculty and staff members.

B. The parking plan is designed to provide space as conveniently as possible within the limits of space available. Operating a motor vehicle on campus is a privilege and is conditioned, in part, on complying with these rules and regulations.

C. Students, faculty, staff and employees are expected to be familiar with and abide by these regulations at all times. The fact that a violation notice is not issued when a vehicle is illegally parked does not mean or imply that the regulation or law is no longer in effect. The responsibility for obtaining knowledge of the laws and regulations in force rests with the motor vehicle operator.

D. Because traffic and parking violations impede the proper functioning of the university, penalties are provided for the violation of these regulations. Penalties consist of fees and for six violations, the loss of the privilege of operating or parking a vehicle on campus. Persons having registered vehicles are responsible for advising other users of the vehicle of the university traffic and parking regulations. It is the responsibility of the vehicle operator to find a legal parking space within the assigned parking zone. Lack of convenient parking space is not justification for violation of parking rules. Adequate space is always available at the W-5 parking lot (Moody Coliseum).

E. Questions regarding interpretation or clarification of these regulations should be directed to the University Department of Public Safety, located in Patterson Hall, telephone 692-2400.

F. All appropriate Texas Criminal Laws and Motor Vehicle Laws, in addition to the university regulations are in effect on SMU property. Careful adherence to all regulations is required to protect pedestrians and vehicles and to provide access for emergency vehicles. The university peace officers have jurisdiction to enforce the regulations with the authority to remove or impound any vehicle operated or parked in violation of the regulations.

II. DEFINITIONS

For the purpose of interpretation, certain definitions are in effect. "Campus area" or "university property" includes all properties owned by Southern Methodist University, all laboratories and apartments, and all housing administered by the SMU Housing Office. "Motor vehicle" includes automobiles, trucks, motorcycles, motorbikes, and motor scooters. All pertinent state and local laws apply to motor vehicles and bicycles on the campus.

III. MOTOR VEHICLE REGISTRATION

A. PROCEDURES

1. Motor vehicles parked at any time on university property or street, by faculty, staff or students, except visitors, must display a decal permit which is obtained when the vehicle is registered with the Department of Public Safety Office. The decal must be permanently affixed to the left rear bumper so that it is plainly visible from the rear of the vehicle. If the vehicle has no bumper, the decal must be displayed on the outside of the rear windshield on the lower left. On motorcycles, the decal should be displayed in any conspicuous place. Vehicle decals must not be falsified, forged, altered, or transferred to any vehicle other than the one for which it was originally issued.

2. There are six types of decals issued by SMU:

a. **RESIDENT PERMITS.** Vehicles of persons who reside in university dorms, fraternities, sororities, and auxiliary housing units (Daniels, Tower, Lawyers Inn, etc.) are authorized to park in the resident area indicated on the map, except male freshmen.

b. **COMMUTERS** may park in any area indicated in blue on the map and generally includes the lot on University Boulevard at Arline Extension, lots north and south of the coliseum, lot at north side of Highland Park Methodist Church.

c. **FACULTY AND STAFF** are issued green decals and are for the areas indicated by green on the map.

d. **SENIORS AND GRADUATES** may request a distinguishing decal authorizing vehicle parking along University Boulevard between Boaz and Arline, along Arline Road on the west side between McFarlin and Daniels, and the lot at Hillcrest and Daniels. The decals will be brown and are authorized for any commuter lot in addition to the reserved senior/graduate areas. Resident senior/graduates may be issued either a senior/graduate or resident decal, according to the individual's choice.

e. HANDICAPPED PERSONS:

1. Handicapped persons will be provided parking space as convenient as practical to their destinations. Individuals should inform the Public Safety Office of their class location. Unattended vehicles in spaces reserved for handicapped persons will be towed away at the owners/operators expense.

2. Spaces designated for handicapped persons can be used only by vehicles displaying an appropriate permit. The regulation applies AT ALL TIME (24 hours per day, seven days per week) and vehicles improperly parked in such spaces will be towed away or immobilized by wheel locks.

f. MALE FRESHMEN:

1. Male freshmen are authorized to park ONLY at Owenby Stadium parking lot or on the parking lot at Moody Coliseum (W-5) as indicated in RED on the parking map. Male freshmen may park in commuter areas between the hours 5 p.m. and 7 a.m., and on weekends and holidays. Male freshmen are designated according to the records in the University Registrar's Office.

g. FEMALE RESIDENT OF NORTH QUAD:

Payton Parkway and the 6200 block of Bishop (north and south bound) are reserved for female residents of the north quad. The justification for the special provision is the personal safety of females. The provision to segregate the parking by sex has been approved by the HEW and endorsed by the Student Senate. Female students may park at the Student Center at night but vehicle parking is controlled on a 2-hour basis starting at 7 a.m. which means that by 9 a.m. the vehicles must be moved.

3. Registration of a vehicle is accomplished by presenting to the Department of Public Safety verification of the vehicle license number and the driver's license number and the appropriate fee listed below. Each person who desires to register a vehicle in the university must complete a vehicle registration card, declare ownership and university status, and sign the registration card. No person will register a vehicle belonging to another SMU faculty member, staff person, or student. The decal should be affixed to the vehicle in the required manner within 24 hours of issuance. If the

decal permit is damaged, mutilated, or lost, it must be replaced promptly.

4. A vehicle which has not been registered may be parked on campus only after special temporary permit has been issued by the Department of Public Safety and the expiration date indicated on the permit.

5. No fee will be charged for the registration of the vehicle of students who are enrolled in university non-credit courses.

6. Only one vehicle may be registered by persons who reside on the university campus. At the discretion of the Director of the Department of Public Safety, in exceptional cases, resident students may register more than one vehicle, following procedures outlined in their section.

7. Commuters to the campus may register more than one vehicle, but only one such vehicle may be on the campus at one time. When subsequent vehicles are registered, it will be necessary to present the current license receipts or titles of all vehicles. When any person registers more than one vehicle, he must complete a certification stating that only one of the vehicles will be on campus at a time. Violation of the certification will nullify the registration.

8. Faculty and staff parking fees for permanent decals must be deducted from the individual's pay on a regular basis. Individuals desiring to pay in advance may be issued temporary decals for a period not to exceed 12 months not extended beyond August 31 of any year. Payroll deductions will be continued unless the individual desires to cancel the vehicle parking decal and he returns the decal and assigned parking gate card to the Department of Public Safety.

9. Giving false information regarding registration is a violation of university policy.

10. A temporary vehicle decal may be issued in unusual circumstances for short periods. The temporary decal is designed for use while the registered vehicle is being repaired, or when the vehicle will only be on campus a few days, or for informal short, non-credit courses.

B. FEES: The fees for vehicle registration are as follows:

1. Students (more than 9 credit hours)	\$30.00
2. Students (9 or less credit hours)	15.00
3. Commuter's extra permit	2.00
4. Replacement of lost or damaged decal	2.00
5. Faculty and staff	4.00 monthly
6. Faculty and staff (Persons who reserved spaces)	6.00 monthly
7. Contract employees with personal vehicles	2.00 monthly
8. Deposit for parking gate trip card	5.00
9. Summer registration	5.00
10. Temporary decal	2.00 monthly
11. Carpooling (3 persons)	1.00 per month
12. Carpooling (2 persons)	2.00 per month
13. Dedman Center (W-5 lot)	12.00 annually

C. REFUNDS OF VEHICLE REGISTRATION FEES:

Vehicle registration fees will be refunded under certain circumstances, according to the following:

1. Seniors graduating at the end of a fall semester will be refunded one-half the registration fee. Request must be made within thirty days after graduation.

2. Students who maintain their status as registered SMU students but who are studying away from the campus will be refunded one-half the registration fee.

3. Students who withdraw from the university under extenuating circumstances involving extreme hardship will be refunded a portion of the registration fee at the discretion of the Director. They must make application at the Department of Public Safety within one month after withdrawal.

4. **CARPPOOLING:** Faculty/Staff who carpool will be given specific reserved parking spaces in preferred locations at reduced cost. All parking in the carpool will be assigned to reserved numbered spaces. In the event that circumstances require more than one carpool to a given date, the vehicles may be parked at Dedman W-5 lot.

5. **INDIVIDUALS** may elect to park at the Dedman Center W-5 lot ONLY at reduced cost.

IV. TRAFFIC AND PARKING REGULATIONS:

The university parking and traffic regulations, state laws and city ordinances are in effect on the SMU Campus at all times.

A. MAJOR VIOLATIONS: \$20.00 penalty fee

1. The maximum permissible speed on campus streets is 20 MPH. Speed on all parking lots is 5 MPH.

2. Pedestrians have ROW (right of way) at all intersections and marked crosswalks.

3. A motor vehicle shall not be operated while any person is sitting on, holding on to, or otherwise positioned on the outside of the vehicle, except pick-up trucks.

4. When loading or unloading heavy or unusually heavy items, a note shall be placed on the dash of the driver's side, signed by the driver, stating the situation (loading or unloading) and the time of day. A maximum of twenty (20) minutes parking will be granted in those instances. However, the vehicle must be parked in a parking space or loading zone and must be removed immediately upon the completion of the loading or unloading operation. The procedure does not convey the right to park in a FIRE LANE or a space designated for a HANDICAPPED person.

5. It shall be a violation for any person to drive to, through or beyond a barricade or a road block on the campus that is officially erected.

6. Parking in a fire lane. **

7. Blocking a driveway. **

8. Double parking. **

9. Parking in handicapped person area. **

10. Parking in crosswalk or yellow painted zones—(NO PARKING ZONE)

11. Merging traffic violation.

12. Failing to give right of way to a pedestrian.

13. SMU faculty, staff or student knowingly declaring himself as a visitor to

regain a campus.

** Tow-away action (\$20.00)

B. MINOR VIOLATIONS: \$10.00 penalty fee

CAMPUS PARKING AND TRAFFIC REGULATIONS

6. Failure to display a decal properly.
7. No valid vehicle identification decal.
8. Improper use of traffic citation.
9. Bicycle violations.

10. Students, faculty, or staff may not park in any area designated for VISITORS.

C. OTHER REQUIREMENTS:

1. Parking is regulated by posted signs and curb markers.
2. Student residents who register vehicles may not park vehicles in commuter areas between 7 a.m. and 5 p.m., Monday through Friday.
3. Vehicles registered by commuters may not be parked in the zone for campus residents or other prohibited areas.
4. All registered vehicles (except vehicles belonging to male freshmen) may use the time-controlled parking space on the north, south and west sides of the Student Center.
5. Spaces provided for HANDICAPPED persons are indicated by posted signs.
6. In the event of conflict between traffic signs and the printed regulations, the signs or markings will be enforced.
7. Hours of restriction:

(a) During the hours of restrictions, vehicles may be parked only in the parking zone to which the vehicle has been assigned and for which a decal has been issued. The hours of restrictions are Monday through Friday, 7 a.m. to 5 p.m. On Saturday and Sunday and official school holidays, only posted restrictions are in effect.

(b) When restrictions are not in effect, vehicles bearing a correct SMU vehicle identification decal may park in any parking space which is not in violation of state and local statutes or controlled by signs or curb markings indicating special provisions.

D. ENFORCEMENT AND CONTROL:

1. Citations will be issued to violators by the Department of Public Safety for violation of traffic and parking regulations and affixed to the vehicle.

2. A sixth violation will result not only in the fee for the violation but also in the suspension of parking privileges. During the suspension period, an individual may not park any vehicle on campus nor may anyone else park the banned vehicle on campus. The W-5 (coliseum lot) is available for vehicles which have been suspended or banned from the campus. Any vehicle located on campus after suspension may be removed from the campus (towed away) at the owner/operator's expense.

3. Each violation of the vehicle suspension order will result in a penalty fee of \$25.00. Additional violations may be submitted for university judicial action.

4. If it should be necessary for an illegally parked vehicle to be moved, the towing charge will be assessed to the vehicle owner/operator.

5. Visitors on the campus are expected to observe SMU parking and traffic regulations and to park only in spaces marked "visitor." In the event a visitor receives a citation for parking in a reserved area, he should supply his name and address on the citation and return it promptly to the Department of Public Safety. Visitors who violate traffic laws and ordinances may be cited to the City of University Park Traffic Court.

6. Violation of registration provisions including fraudulent registration, displaying a fictitious decal, or displaying a decal which has been issued for another vehicle, or registering in the individual's name a vehicle for use by another member of the university community will result in the suspension of parking privileges.

7. Vehicles in violation of major parking violations as indicated in paragraph 4-A are subject to immediate impounding. Improperly parked vehicles which interfere with the usual staff functioning (maintenance, delivery, emergency vehicles, etc.) will be impounded and removed from the campus. Other improperly parked vehicles which damage lawns or other landscape will be removed from the campus.

E. MOTORCYCLES: There are special regulations and state statutes applying to motorcycles, motor scooters, and motorbikes. As other motor vehicles, they must be registered at the Department of Public Safety Office and must display a registration decal. The same penalties for violations of regulations apply to them and parking and traffic regulations are identical with certain additions and exceptions:

1. Motorcycles may be driven only on the streets and driveways of the campus and are explicitly prohibited from sidewalks, lawns, flower beds, and shrubbery, from inside of buildings except garages, and from areas where they are prohibited by posted signs.

2. Motorcycles may be parked in any area authorized by appropriate registration decals for automobiles, and may also be parked in designated triangular spaces near intersections where angle parking is provided for automobiles.

3. Motorcycles may not be parked in the lanes, inside any building except garages, on sidewalks, or lawns, in driveways or loading zones, within ten feet of any building wall, in bicycle parking area or where official signs prohibit.

4. No more than one passenger may be transported on a motorcycle.

F. BICYCLES: Bicycles must be ridden in accordance with state and local laws pertaining to them. The Department of Public Safety will provide a synopsis of such laws. Additionally, certain regulations are in effect on the campus.

1. As a deterrent to theft, and to aid in prompt identification of a lost or stolen bicycle, the Department of Public Safety will issue a FREE registration decal to an owner supplying the serial number of the bicycle. Registration of bicycles is mandatory.

2. A bicycle may be ridden, parked or stored on any campus street or lawn or other areas where pedestrians may walk except sidewalks (state law) inside buildings except garages, any landscape improvements not open to pedestrian use including masts, flower beds, hedges, shrubbery, any outside area designated for other than pedestrian use, where official signs prohibit parking or riding.

3. The operator of a bicycle must give right of way to pedestrians at all times.

4. Bicycles may not be secured to any tree, shrub or plant, or any structure NOT designated as a bicycle rack or locking facility except a chain-link fence.

5. Bicycles may not be left unattended on any sidewalk, street, driveway, loading zone, fire lane, building, porch or patio, or pedestrian mall.

6. Violations of these regulations will result in the bicycle being removed to the Department of Public Safety Office where the owner may retrieve it after showing proper owner identification.

7. All violations of campus bicycle regulations are considered minor traffic violations and penalty fees will be assessed accordingly.

G. RESOLVING CITATIONS: The following disciplinary action will be taken for violations of the parking and traffic regulations.

1. The operator of a vehicle in violation of regulations will receive a traffic citation either in person or attached to the vehicle. He may present the citation at the Depart-

ment of Public Safety within fifteen days after the citation is issued for all vehicles registered with the SMU Dept. Public Safety. A traffic violation fee is a university fee and must be paid promptly at the Department of Public Safety Office or after fifteen days from the issue date at the Cashier's Office. Failure to pay the traffic violation fee will result in delays for students in receiving degrees and transcripts and in refusal of permission to register.

2. APPEALS:

a. A traffic citation may be appealed by contacting the University Department of Public Safety Office within fifteen days of the date of the citation if the facts are questioned by the person receiving the citation.

b. An appearance bond of \$2.00 will be collected from a person who desires to appeal a citation. Should he or she fail to appear at the scheduled hearing, the bond will be forfeited. Upon the appearance for an appeal hearing, the appeal fee of \$2.00 will be returned to the individual prior to the hearing. An individual may appear before the appeal hearing in person, be represented by a friend or submit a written statement. The time and date of the hearing is scheduled by the hearing chairman and will not be changed.

c. Individuals who desire to question the regulations or any provision of the parking and traffic plan should discuss the matter with the Public Safety Office or the Dean of Students.

d. The Traffic Appeals Board renders a finding on the facts of the case regarding whether or not the individual violated the parking regulations as stated. The Appeals Board cannot change regulations or grant relief if the appellant admits that the vehicle was in violation.

e. Traffic cases filed in University Park City Court may not be appealed to the SMU Traffic Appeals Board.

3. SUSPENSION OF PARKING PRIVILEGES:

a. When six parking and traffic citations are received by an individual, the vehicle parking privileges will be suspended for the remainder of the academic year (to August 31). During the parking suspension period, an individual may not park any vehicle on campus except at Moody Coliseum W-5 parking lot nor may the suspended vehicle be parked on campus by anyone else.

b. Vehicles which have been suspended from the campus will be impounded if located on campus.

c. Violation of the vehicle parking suspension will result in a penalty fee of \$25.00.

d. The second parking suspension will usually be considered permanent suspension.

4. VISITORS PARKING:

a. A visitor parking lot is located on Dyer Street at County Drive. A coin operated control gate (50 cents) permits visitors to park without a time limit.

b. Visitors may park in the commuter area of Moody Coliseum.

c. Visitors who receive a citation for parking in a restricted area may return the citation promptly to the University Department of Public Safety with the name and address on the citation.

d. Visitors who violate traffic laws and ordinances may be cited to University Park City Traffic Court.

e. A visitor is defined as being an individual with no official connection with the university as a student, faculty member or staff employee, or their spouses, children, brothers, sisters, or parents.

I. GENERAL INFORMATION:

1. All university officers are duly commissioned peace officers of the State of Texas. Upon request of an officer of the university, any person on the campus is required to identify himself with the proper identification.

2. All thefts, accidents and other offenses that occur on campus should be reported to the University Department of Public Safety immediately. Accident reports should be made prior to moving the involved vehicles. One-vehicle accidents and reportable vehicles must also be reported promptly. STUDENT CODE OF SMU

Southern Methodist University's Student Code exists to provide its Student Body with a definitive explanation of those University Policies that most closely affect student life. The Student Code is written by students for students and is the foundation for the student body's relationship to the rest of the University. All students are expected to be knowledgeable of, and abide by the rules set forth in this Student Code.

I. Policies Pertaining To All Students

A. Rights and Responsibilities

The responsibilities and rights of students contained in this Student Code and all other legislation of the Student Senate are established by students for students. The policies are based on the University's concern for the mental and physical health and well-being of the members of the University community, and the University's desire to encourage development of each individual's sense of personal responsibility.

1. Responsibilities of the Student

(a) Students will at all times respect the rights of others, maintain a responsible behavior conducive to the teaching and learning environment, and uphold the dignity of the University.

(b) All local, state and federal laws shall be upheld by the SMU community.

(c) Enrollment into SMU is considered implicit acceptance of the Student Code and all University policies.

1. Students assuming leadership roles shall accept special responsibility to uphold and support the Student Code.

2. If behavior is in violation of or deemed irresponsible in accordance with the Student Code, University policy, or any law upheld by SMU, disciplinary and/or civil action shall be taken. (See section on University Judicial System).

2. Rights of the Students

(a) Students are afforded essential rights and freedoms as outlined in the Student Bill of Rights (See Appendix A).

(b) "We recognize the right of individuals to dissent when acting under the constraint of conscience and after exhausting all legal recourse, to law should be shown by refraining from violence and by accepting the costs of disobedience."¹

3. Student Grievances

(a) The Issues and Grievance Committee is established by Student Senate to deal with individuals' concerns, questions, or problems. The committee can be contacted through the Student Body President.

(b) Grievance concerning discrimination (including but not limited to race, sex, religion, or ethnic origin) should consult the office of the Dean of Student Life.

B. Alcohol Policy

Because Southern Methodist University is an educational facility, the consumption of alcoholic beverages is discouraged. However, it is realized that individuals 19 or more years of age have the right to make their own decisions concerning alcohol so long as they comply with State and local law, and University Policy. Responsible drinking behavior is demanded at all times. It must be understood that intoxication is synonymous with alcohol abuse and will not be tolerated.

1. Students must abide by the following state and local laws:

(a) It is unlawful for anyone to buy or sell alcoholic beverages in the city of University Park, as it is designated a dry area.

1. In a dry area, possession of more than 24 bottles of beer or more than one quart of hard liquor is prima facie evidence of intent to sell.

(a) prima facie is defined as the presumption of guilt of an offense unless disproved by some evidence to the contrary.

2. The charging of admission fee to any campus activity or event is prohibited if alcohol in any form is present and/or being served.

(b) It is unlawful for any person under 19 years of age to possess, purchase or consume alcoholic beverages except when accompanied by a parent or adult spouse.

(c) It is unlawful for any person to sell or give an alcoholic beverage to a person under 19 years of age.

(d) Legal intoxication is defined as a blood alcohol level of .1% or above.

1. Public intoxication is subject to a fine by both University Park and Dallas Police Departments.

2. The first offense for Driving While Intoxicated (DWI) is subject to a \$200 fine and/or loss of license for one year.

2. The University Alcohol Policy has been approved by, and shall be interpreted and implemented by the President of the University.

(a) It is the policy of SMU that the University prohibits the consumption of alcoholic beverages in public places on campus.

1. Public is defined as all part of campus except within the confines of a student's room or Greek house.

(a) certain cases of exceptions such as residence floor parties are subject to the Residence Hall Private Party Guide-lines which are available from RAs and the Office of Residence Life.

(b) Intoxication does not excuse violations of University Policy. Such drinking rather than being considered a mitigating factor, will be considered further proof of irresponsible and inappropriate conduct.

Violations are heard by Judiciary, University Park Police and/or Dallas Police Department. All cases are also dealt with by the Alcohol Abuse Prevention Program.

3. Problem cases related to alcohol should be referred immediately to counseling and the University Alcohol Advisor. This is completely separate from any disciplinary action.

C. Drugs

The Drugs Policy is in adherence to all federal, state, and local laws. The law regarding the possession and delivery of marijuana is as follows:

1. Except as authorized, a person commits an offense if he knowingly and intentionally possesses a usable quantity of marijuana. An offense is:

(a) A felony of the third degree if he possesses more than four ounces.

(b) A Class A misdemeanor if he possesses between two and four ounces.

(c) A Class B misdemeanor if he possesses two ounces or less.

2. Penalties

(a) A third degree shall be punished for a term of not more than 10 years or less than two years in the Texas Department of Corrections. In addition, the individual is subject to a fine not to exceed \$5,000.

1. Hazing is strictly prohibited by SMU University Policy and Student Code. Hazing can lead to, or in itself be a violation of Texas Criminal Law or Civil Law.

2. Hazing can be defined as:

or the Vice President for Administration (for non-student, off-campus originated).

N. Speaker Policy

1. Southern Methodist University recognizes that freedom of speech is regarded as basic and indispensable to a viable educational community.

2. While ultimate responsibility and authority rests with the President of the University, the assumption of responsibility by a student organization which invites a speaker to campus is also essential. Therefore, the following guidelines must be followed:

(a) The proper advance arrangements must be made for use of campus facilities. Coordination with the Program Council is encouraged.

(b) Any potential campus and/or Dallas security requirements must be ascertained prior to the invitation. Before negotiations begin, security needs, if warranted, must be discussed with the SMU Department of Public Safety.

O. Protests and Demonstrations

1. Peaceful demonstrations may be held on campus provided that 3 criteria are met:

(a) The normal function of the University must not be disrupted.

(b) Respect for the rights of others must be maintained.

(c) Proper channels must be used to seek audiences to express grievances.

2. Visitors to the SMU campus will normally be welcomed, however, non-SMU personnel must abide by all University & civil regulations. The University reserves the right to order from the campus any non University protestors disrupting the campus.

3. Appropriate persons and officials are encouraged to discuss the grievances of demonstrating students or recognized student organizations with the group or its representatives.

4. Permits to carry out demonstrations must be secured from the Director of the Department of Public Safety three days prior to the demonstration. Any question should be directed to the Vice President of Student Affairs.

P. Response to Official Notice

1. Students are expected to respond immediately to any request from a University official who properly identifies himself as such.

2. When asked for their ID card, students are expected to identify themselves properly and to comply with the request of the officer, administrator, or member of faculty.

3. If, after responding, a student feels that the authority made an unfair request, he/she may submit a formal complaint to the Student Senate Grievances Committee.

Q. Exceptions to Student Code Policies

Exceptions to policies contained in the Student Code are made by the Student Senate. Procedures for obtaining exceptions to the policies may be obtained through the Office of the Student Body President.

II. Policies Pertaining To Resident Students

The University community establishes and maintains residence halls with the intent of enhancing student life and fostering a learning community. In order to provide an optimum environment while housing large numbers of students, it is necessary to provide some guidelines which establish minimal expectations of the behavior of residents.

I.A. Visitation

1. Visitation is defined as the privilege of entertaining guests of the opposite sex in one's living quarters on campus. All University residence halls have visitation which varies according to the types of residences.

2. Visitation shall be determined by a two-thirds vote by secret ballot of the residents of each dormitory floor, Greek house, or individual apartment complex.

3. In traditional residence halls, men and women visitation in each other's rooms must be escorted by a host or hostess. On leaving the room, the guest must be escorted to the lobby. The host or hostess is responsible for the actions of his/her guests. All participants in visitation must abide by the guest policy.

4. All University housing units must fall within the following limitations in implementing the visitation policy:

(a) Freshman Residence Hall (Boaz, Cockrell-McIntosh, Morrison-McGinnis, Letterman, and McElvaney)

1. Until the end of the first week of classes, hours of visitation are subject to the Office of Residence Life.

2. After the first two weeks of classes:

Friday—Saturday 12:00 noon—2:00 a.m.
Sunday—Thursday 12:00 noon—12 midnight

(b) Traditional Upperclass Residence Halls (other than limited visitation floors), Greek housing, and auxiliary housing.

1. Each floor in upperclass residence halls, each Greek house and each auxiliary apartment will determine the hours of visitation by a two-thirds secret ballot of the residents.

(c) Upperclass limited visitation floors

1. Any upper-class person may request to be assigned to an upperclass visitation floor when making his/her housing request. The visitation hours must receive a two-thirds majority secret ballot vote and must fall within the following limitations:

Sunday—Thursday 12:00 noon—12 midnight
Friday—Saturday 12:00 noon—2:00 a.m.

B. Quiet Hours

The hours from 7:00 p.m. to 7:00 a.m. are the official minimum daily quiet hours for students living in residence halls. The atmosphere at this time should be conducive to study or sleep. This is to be observed by all students and their guests.

C. Guests

1. Guests may stay in a room of a student overnight in the residence halls if there is an unoccupied bed or if the consent of both roommates is procured.

2. Guests may stay in the dorm rooms for four days without the approval of the dorm director. For visits longer than four days, approval of the Dorm Director is required.

3. No permanent guests may stay in any of the residence halls. Guests are not permitted to reside in the basement or any other part of any building without authorization from the director of said building or the Office of Residence Life.

D. Bicycles and Motorcycles

Students may not keep bicycles, mopeds, or motorcycles in their rooms or in the entrance areas to buildings.

E. Safety Regulations

SMU makes considerable effort in both time and money to assure that its residence community is kept safe and secure. To this end, Department of Public Safety officers patrol all residence areas from 11:00 p.m. to 7:00 a.m.

1. By having entrance doors locked in the residence halls after closing hours, SMU ensures that its residence halls are reasonably secure.

2. Policies concerning fire prevention and the general safety of resident students have been developed by the Office of Residence Life. It is the responsibility of all students to obtain a copy of these regulations.

3. The Residence Life staff is constantly available for assistance in any emergency situation.

F. Alcohol

1. No kegs are allowed in traditional residence halls.
2. Alcohol policy for housing is consistent with Student Code policy. (For further reference, see Student Code Alcohol Policy).

G. Violation of Residence Hall Regulations

If a student fails to respond appropriately, these guidelines will be enforced via administrative action and/or Judicial action. (For further reference, see section on Judiciary).

H. Residence Hall Regulations

The University establishes and maintains residence halls with the intent of enhancing student life and fostering a learning community. In order to provide an optimum environment while housing large numbers of students, it is necessary to provide some guidelines which establish minimal expectations of the behavior of residents regarding these regulations. However, if a student fails to respond appropriately, these guidelines will be enforced via administrative action and/or university judicial hearing boards. The Office of Residence Life has the right to decide which track would be most productive. Consult your residence staff if you have any questions.

Residence Hall Regulations and Potential Administrative Action via the Office of Residence Life: Such action is considered the equivalent of a Level I Hearing. The normal course of action will be by the Residence Hall Judicial Board System. Actions by these boards may include:

4. At all times the office of Residence Life has the right to change your housing assignment in order to remedy a detrimental situation or create a more productive residential environment. Additionally, the University reserves the right to cancel a residence contract in the interests of order, health, discipline, or other extreme situations. When such action is provoked by the student, the termination will be deemed a breach of contract by the resident and monies will not be refunded. This procedure will be implemented with notification of the Dean of Student Life, the Director of Residence Life and the residence staff and the alleged offender.

The University Judicial System

Introduction

Responsibility for student discipline is vested in the President by the Board of Trustees. To exercise this responsibility, the President has established the University Judicial Council. Upon the recommendation of the University Judicial Council, the President has accepted the following document delineating the judicial system for students at SMU.

Section One:

Philosophy and Purpose

A university is a complex institution. It is distinctive from anything else in society and therefore, the focus of its norms is distinctive. Further, a private university is an elite institution. Admittance and attendance is a privilege granted on the assumption that the applicant shares the university's values and goals and is committed to its purpose. Thus, a contractual relationship is implicitly established between these parties. If, subsequently, the parties to this agreement recognize that a serious difference now exists between them, the student may withdraw or the university may withdraw the privilege of attendance. The judiciary is a means for considering this question and determining an answer.

The judiciary at SMU is a community judicial system established to insure a system of due process to provide protection to the accused individual, and to help induce maturity and learning by erring students while enforcing the behavior requirements deemed necessary to an academic institution. It also exists to protect the balance between the rights of the accused and those of the University community as a whole. Because of the nature of SMU, the emphasis is on learning and behavioral change. For the same reasons, the judiciary is not an adversary system of antagonists striving to beat one another. It is more in the nature of a community seeking to learn if error has occurred and if so, deciding how best to act so in the future there will be less error. Its watchwords are: serious in purpose, considerate in process, appropriate in response.

Judicial Code

Members of the University Judiciary, pledge themselves to the following code:

To insure that the policies of the University are maintained by conducting a fair hearing of violations of rules and policies of the University.

To provide an appropriate response and, as needed, penalize persons found guilty of violations of University regulations and policies.

Members of hearing boards shall maintain an impartiality about the matter and/or person under consideration. When unable to do so, they should readily withdraw from the consideration of that matter.

The Hearing Board shall not act as an advocate for the students nor for the University.

Members shall maintain confidentiality of all details pertinent to a matter and all actions related to a hearing. Similarly, they shall refrain from comment on the actions, or persons involved in a judicial hearing.

Members who may have been approached by other persons in an attempt to influence a judicial decision shall report such activity to the chair of the Judicial Council and the Dean of Student Life.

Board members who find they are unable to meet the requirements of the judicial system, shall inform the judicial officer and submit a registration to the Judicial Council.

6. A student, group or organization may distribute written material on campus with prior approval providing such distribution does not disrupt the regular operation of the University.

7. No student will be denied admission to the University on account of racial heritage, ethnic origin or on the basis of sex.

8. Student accused of violating institutional regulations or local laws retain the following rights:

(a) Upon seizures or arrest by University officials a student will be informed of his rights in accordance with all federal, state, and local laws.

(b) No form of harassment will be used by arresting officers to coerce admissions of guilt or information about the conduct of other suspected persons.

(c) No searches or seizures of student living quarters or private property will be ordered unless such an order is issued upon probable cause.

(d) Every student shall be granted a fair hearing before an impartial judiciary body of his peers. This hearing shall include confrontation of witnesses against the accused, process for the appearance of witnesses against the accused, process for the appearance of witness in his favor, and the assistance of counsel of his choosing in a Level III hearing, (or a friend or family member at a Level I or II hearing). (See Judicial Proceedings Section).

9. The preceding enumeration of rights and freedoms shall not be construed to deny or disparage others retained by students in their capacity as members of the University or as citizens of the community at large.

Appendix B

Violations and Penalties

The following violations have been established and defined by the Student Senate:

B. Irresponsible Conduct:

The student's conduct is deemed irresponsible and unacceptable to the student community. Penalties include any or more of the following: Restitution, fine, creative discipline, and/or disqualification from office.

C. Irresponsible Conduct With Aggravating Circumstances:

The student's conduct is deemed irresponsible and unacceptable to the student community and involves significant infringements on the personal or property rights of others. Repeated violations of any Student Code or University policy may be deemed aggravating circumstances. Penalties include any one or more of the following: Creative discipline, fines, disqualification from office, suspension and/or restitution.

D. Dishonesty:

Dishonesty will be deemed a serious offense subject to the range of penalties given in category "C".

Dishonesty may be defined essentially as one of the following offenses but not limited to these:

1. Forgery
2. Falsification of records
3. Knowingly furnishing false information to the University or its officials

The Organization of the Judiciary

Selection of Hearing Board Members

The selection of the members and the procedures to be used are the responsibility of the Judicial Council who shall insure an equal opportunity to all candidates and shall establish and maintain criteria appropriate to the positions and boards for which persons are being considered.

Level One Hearing Boards

There are four places in which a level one hearing or its equivalent may occur.

(1) The University Hearing Boards

The University Judicial Council shall appoint, each year, 10 undergraduate students to serve as student judiciary members. Three of these 10 students will be designated as permanent chairpersons for the Level One boards. These 10 students shall be listed alphabetically by surnames on two lists, one for the three chairpersons, the other for the 7 remaining students. The first two on the latter list, along with the first person on the other list, will constitute the hearing board for the first case assigned. The next case assigned to Level One will receive a board composed of the next two students on the students' list, and the second chairperson listed, and so on in rotation as each new case is assigned.

(2) The Interfraternity Council Judiciary

The Interfraternity Council Judiciary Board shall be comprised of the President of the IFC, who shall act as a non-voting Chair, four persons appointed from the membership of the IFC, and one person appointed from the Student Judiciary. This board shall hear cases involving rush violations which occur on fraternity premises, or in close proximity thereto.

(3) Freshmen Resident Hall Judicial Boards

Each individual freshman resident hall shall provide for a judicial board. Membership shall consist of four students from the hall who are to be chosen at random from the total hall population, and shall serve for one hearing. A fifth member of the freshman resident hall board will be drawn on a rotating basis from 10 members of the existing Level I Student Judiciary, and will serve as chairperson of the resident hall board.

The upperclass halls also have a residential judicial system based on this pattern. The North Quad Board is coordinated by the Vice President of the North Quad Residence Hall Association. The board consists of eight residents who are selected via a process supervised by the RHA Vice President and the Area Coordinator.

Appeals from Residential boards and the IFC board go to a Level II board.

(4) The Traffic Appeals Board

The President will name the chairperson and the University Judicial Council will appoint, in consultation with the chairperson, four faculty members, four students, and one administrator to serve each year. A hearing can be held by three of these members if both faculty and students are represented. This board will hear cases involving appeal of citation from the Traffic and Safety Office. This is the board of final appeal for traffic citations.

Level Two Hearing Boards

The University Judicial Council shall appoint 15 undergraduate students (three shall be designated as permanent chairpersons for Level Two boards), five faculty members, and five representatives from the administration to serve on this joint board. They shall be listed alphabetically by surnames on two lists, one for the five chairpersons, the other ten remaining students; the faculty shall also be listed alphabetically, and the administrators shall be listed in same manner. In alphabetical order, the first chairperson listed, the first two students, the first faculty member, and the first administrator shall constitute a hearing board of five members to hear the first case assigned.

Level Two hearing boards shall act as an appeal board for cases from Level One and as a hearing board for new cases assigned to them.

Graduate Hearing Boards

The School of Law, the Perkins School of Theology, the graduate schools in Humanities and Sciences, Business Administration, SEAS, and Arts shall appoint each year hearing boards, as may be necessary and appropriate, composed of administrators, faculty and students to hear cases involving graduate students in their respective graduate schools.

The rosters of the persons appointed to these boards shall be sent to the University Judicial Council during the first month of the academic year. As with all other hearing boards, the result of a graduate hearing board may be appealed to the Judicial Council.

The University Judicial Council

The Judicial Council, as the basic unit responsible for judicial action in response to student disciplinary problems, is accountable to the President of the University. This Council shall be composed to three administrators, five students, and three faculty (of whom at least one shall be from the School of Law).

Selection of student members shall be accomplished in the spring of the year and appointment shall be for the succeeding academic year. Student members may, with the agreement of the other Council members, be appointed to succeed themselves. All applicants will be interviewed by the Council. Final selection of student candidates for the Council will be made in conjunction with two representatives of the Student Senate who shall participate as voting members with the Council. The roster of selected candidates will be sent to the President of the University for review and approval. The roster of student appointees to the Council will then be sent to the Student Senate for review and action. Approval may be a majority of senators sitting. Rejection must be by a 75% majority of the Senate. Failure to act within 10 days enacts automatic approval. Council members may not serve simultaneously on any other judicial body or in the Student Government.

Faculty appointments are for three years and shall be staggered so ordinarily one 3-year appointment is made each year. The appointment procedure shall parallel that used for selecting student members.

The terms of service for administrators are the same as those for the faculty. Administrators are recommended by the Council and appointed by the President.

Replacement of members leaving early will be for the balance of the current term.

Council

The Judicial Council has four basic responsibilities:

1. Administrative Body of the Judiciary: As such, it is responsible for the establishment and maintenance of the judicial hearing boards and the operating procedures of the judicial system. These decisions are by a majority of members present.

2. Level Three Hearing Board: The members of such a hearing board are drawn from the University Judicial Council. All members (eleven) may serve at any hearing but an official quorum must consist of at least seven members which include at least one student, one faculty member, and one administrator.

This board convenes solely as an appeal board to hear cases referred from Level II hearing boards, the Traffic Appeals Board, or the Honor Board (academic dishonesty). Appeals of cases from Level II will be reviewed by the University Judicial Council or its designates before an appeal is accepted for a hearing at Level III.

Appeals of Traffic Appeals Board decisions shall be limited to questions on procedure, regulations, or policy. Questions of fact shall be resolved by the Traffic Appeals Board and are not subject to appeal.

3. Student Government Constitution: Constitutional questions concerning the Student Government may be resolved by the Judicial Council. Such questions must be brought as a written petition to the Council for consideration. If the Council agrees to hear the question, it will meet as a Level III Board at which both sides will be represented and a binding deci-

sion will be rendered. Petition for such a hearing may originate from any Student Government Officer or Senator or by popular referendum.

4. Special Investigate Authority: The University Judicial Council has the power to name a Special Investigate Committee in cases in which an alleged offense presents a highly volatile context; e.g. group tensions, sex discrimination or an inter-racial situation. The powers of the Special Investigate Committee shall be defined at the time of its appointment by the University Judicial Council. Both the students who bring a charge and those accused shall submit to the Vice President for Student Affairs two names of persons within the SMU community, who are not involved in the incident, to serve on the Special Investigate Committee. The Office of the Vice President for Student Affairs shall appoint a fifth member to the Committee and shall select one of the five as chairperson. The Special Investigate Committee will act in an advisory capacity to the appropriate judiciary hearing board to which the case is assigned. Any of the parties involved may petition the University Judicial Council for the establishment of a Special Investigate Committee and the Council shall determine its necessity.

Section Three:

Basic Procedures

• Delegation of Authority: The Vice President for Student Affairs may delegate any part of all his authority from time to time, to any person or several persons, wherever in these procedures the Vice President for Student Affairs is designated by the University Judicial Council.

• Assignment of Cause: If the Vice President for Student Affairs or his designate determines that a rule or regulation has been violated, he shall assign cases to one of the several hearing boards described in section two. As a general policy cases assigned to Level I Boards fit one or more of the following criteria: (1) the alleged offense is of narrow impact and/or first offense, (2) the alleged offense relates to rules established by residence halls or student organizations, or (3) the alleged offense, although major, is appropriate for one of the Level One hearing boards. As a general policy, cases assigned to one of the Level Two hearing boards fit one or more of the following criteria: (1) the alleged offense is major, (2) the alleged offense has resulted in a substantial interference with the proceedings of the University, (3) the offenses are unacceptably repeated, or (4) the alleged offense caused an unacceptable infringement upon the personal or property rights of others.

These criteria serve as guidelines and the judgment of the Vice President for Student Affairs is the final determinant as to the University's response to any student behavior. Normally, the following types of offenses will be handled by the criminal court system and will not go through the University judiciary structure: (1) homicides; (2) armed robbery and/or abuse of firearms law; (3) rape cases; (4) aggravated assault; (5) DWI resulting in injury to other persons or property; (6) felony thefts with extenuating circumstances; and (7) major or habitual offenders of the state and/or federal laws pertaining to the use and possession of narcotics, dangerous drugs, and marijuana. In the preceding instances the University reserves the right to consider these cases in its judiciary as well as referring them to off-campus authorities. Cases of academic dishonesty and traffic citations are assigned to their respective boards of jurisdiction.

It should be noted that the University reserves the right to evaluate the off-campus conduct of its community members and to respond to it appropriately. Such a response can include judicial action. This action does not conflict with prevailing laws concerning double jeopardy.

• Notice of Violation: The Vice President for Student Affairs or his designate shall give notice in writing to the student of the complaint against him. Such notice shall contain the particulars with respect to the facts constituting the offense, the time and place of hearing, and the particular hearing board to which the case is assigned. This delay may be waived by the mutual agreement of the accused and the Vice President for Student Affairs or his designate.

● **Guilty Pleas:** A student may choose to plead guilty to the offense with which he has been charged; in which case, the student may agree on an appropriate punishment with the Vice President for Student Affairs or his designate. All such agreements reached will be reviewed at the end of each semester by the Judicial Council.

● **Vacation Periods and Emergencies:** The Vice President for Student Affairs or his designate may choose to hear a disciplinary problem in an "Administrative Hearing" during vacation periods, or in emergency situations which may arise during the school year. The term "emergency" implies an inability to convene a judicial hearing board within feasible time. Appeal may be taken by the student to Level III of any administrative hearing decision.

Conduct of the Hearing

● Commencement

No hearing shall begin until at least three days have elapsed exclusive of the day of service of notice on the accused. This period may be waived at the mutual agreement of the accused and the Vice President for Student Affairs or his designate.

● Extension Time

The chair of the hearing board to which a matter is assigned may in his discretion grant extensions of time as may be reasonably necessary to permit the accused student sufficient time to prepare his defense. The chair may also in his discretion grant an extension to the complainant so that additional evidence may be made available to the hearing board.

If after the hearing has commenced the hearing board discovers the need for more preparation, the chairperson shall recess the hearing to a later time. The hearing board may then direct any further investigation necessary for its proper disposition of the case.

Inability to obtain witnesses shall not be justification for undue delay in commencing a hearing.

● Change in Allegations

Any change in the allegation against a student shall be regarded as a new complaint subject to the process for handling complaints in the first instance.

● Quorum-Level One and Two

All members of the hearing board shall be present throughout the hearing. If less than the required number are present at the opening of the hearing, the hearing shall be postponed until a full board can be convened. Should a vacancy occur during the hearing, the hearing shall recess until all members can be present. These requirements may be waived upon agreement of all parties. All members may vote, and all determinations shall be by majority vote. A failure to vote shall be registered as a not guilty vote.

● Quorum-Level III Judiciary Board

At least seven members, including at least one student, one faculty member, and one administrator, shall be present throughout the hearing, only members who have been present throughout the hearing may vote and all determinations shall be by majority vote. A failure to vote shall be treated as a not guilty vote. On the question of guilt or innocence, a tie vote shall be treated as vote to acquit.

● **Disqualification:** Any member of a hearing board, upon considering any challenges from the accused concerning his impartiality, may withdraw voluntarily. In such cases, the accused may waive the quorum and the hearing proceed. If the accused chooses not to waive the quorum, the next person in rotation shall serve on that board and the hearing will be rescheduled.

● **Joinder and Severance:** Several students accused of participating in a common offense may be tried together; if a student wishes to be tried separately, he should request severance of his case during the initial meeting about hearing arrangements with the Office of Student Life. If denied by the dean, he may appeal this decision to the chair of the University Judicial Council for a decision.

Open Hearings

In the interest of the university community and the assurance of a fair hearing for the accused, all hearings ordinarily shall be open but restricted to current members of the community. Other persons may be present only at the request of the accused or the Office of Student Life (Chair shall decide).

Either the accused or the Office of Student Life may request a closed hearing (i.e. limited to participants only) or speak to such a request. After hearing such a request, and the possible comments of the other party, the board in closed session shall decide. The hearing will remain open only if in the board's judgment, the community's need to know is greater than the accused's desire for privacy.

Reporting of Proceedings

1. Summaries of the results of judicial hearings shall be provided periodically by the Office of Student Life.

2. No publication of any individual report or summary of activity will carry personal names or other personally identifying details.

3. Nothing will be published about any judicial hearing until the final official disposition or appeal is resolved.

4. Should the accused and/or guilty party (parties) "go public" regarding a hearing, this action will free the University to comment on any such statements and/or the matter being discussed.

● **Right of the Accused to Have Companions-Level One and Two:** The accused may at his option have with him at the hearing two members of his immediate family and a friend. The friend, if selected, must be a student, faculty member or administrator from within the University community. Persons from outside the University may be permitted only with the mutual agreement of the University.

● **Representation by an Attorney:** The accused may not be represented by an attorney at any hearing below Level III.

At A Level III hearing, an attorney may be present under the following conditions:

1) The Office of Student Life is to be notified of such intent as soon as the student is informed that an appeal has been granted and the name of the attorney must be filed with the Dean as soon as an attorney has been selected.

2) The attorney must contact the Office of Student Life at least 72 hours prior to the hearing for a review of the procedures and policies of the SMU Judicial System.

3) The Office of Student Life also has the option of an attorney present and/or presenting the case.

● **Rules of Evidence:** Rules of evidence shall be informal, and the hearing board shall have discretion with respect to admissibility of testimony and documents. The standard of proof is that a conclusion of guilt shall be sustained by clear and convincing evidence, which is more than a mere preponderance of evidence but less than the strict criminal law standard of proof beyond a reasonable doubt.

● **Order of Testimony and Documents:** The parties shall present to the chair a list of witnesses and documents prior to the hearing. Ordinarily, the complainants shall proceed first with their case followed by the presentation of the accused.

● **Presence at the Hearing-Confrontation of Witnesses:** The accused shall have the right to be present during the entire hearing and shall have the right to question any witnesses as he may choose.

● **Decorum:** The chair shall maintain order for the proper conduct of the hearing. When necessary the chair may expel disruptive individuals or adjourn the hearing to a later time to assure the full development of the facts in a calm, deliberate setting.

● **Findings:** The hearing board shall conduct its discussions in executive session but shall announce its findings in open hearing. The findings shall be announced as either guilty or not guilty of the alleged offense, and if guilty, the penalty assessed.

Section Four:

Records

The following policies concerning records and the release of information are in compliance with the Family Education Rights and Privacy Act of 1974 (the Buckley Amendment).

The records of hearings shall be prepared by the chair of the hearing board and filed by him/her in the Office of the Vice President for Student Affairs. These records shall be available to members of various hearing boards which constitute the University Judiciary system and may be made available to bonafide members of the University community upon request.

Records in the Office of Student Life shall contain all information; data, correspondence, findings and records of official action concerning student discipline.

a) A judiciary case will remain in a student's folder until that folder is destroyed three years after graduation.

b) If a case originates at Level I and involves a Level I offense, the information will stay within the University community.

c) If a case originates at Level II and involves a Level II offense, the case will remain a part of the student's folder until destroyed three years after graduation. This information is used to answer recommendation forms where questions related to disciplinary action are asked.

Appeals

Level One Hearings

All cases heard by Level One hearing boards may be appealed by the accused to Level Two where the matter shall be heard de novo in the same manner as those cases heard in the first instance by the Level Two hearing boards. A request for an appeal to a Level Two hearing board must be submitted in writing via a "Reason(s) for Appeal" form available in the Office of Student Life. This appeal form must be completed and submitted to that office within 72 hours of the original hearing. Summary statements will be included in the findings of the original hearing board as a matter of record for the appeal process. Therefore, students wishing to exercise the appeals alternative should use discretion in their decisions.

Traffic Appeals Board

The Traffic Appeals board will hear cases involving appeal of citations from the Traffic and Safety Office. Appeals must be made to the Chair of the Board, through the Traffic and Safety Office, within 15 days after issuance of the citation.

Level Two Hearings

All cases heard by Level Two hearing boards may be appealed by the accused student to the University Judicial Council where, if the appeal is granted, the matter shall be heard de novo in the same manner as those heard in the first instance by the Level One and Level Two hearing boards.

Honor Board Hearings

Appeals are to be filed in writing with the Dean of Student Life who shall decide. If an appeal is granted, it will be heard by a Level III Hearing Board.

Level Three Hearings—Finality of Decision

The Level Three Hearing Board may assess its own penalty and it serves as the board of final appeal. At Level III the student may be represented by an attorney in accordance with the guidelines specified in Section 3 above.

Rehearings

At the urging of the accused and upon presentation of significant new evidence, the Dean of Student Life, after consultation with the chair of the board, and the chair of the University Judicial Council, may order a case to be reheard. The rehearing will be at the same level as the original hearing. After such a rehearing, the accused shall be entitled to the same rights of appeal as in any case.

Only the accused may request a rehearing. If a student has been charged and tried and found not guilty, the individual may not be retried for the same incident at any future date.

A. Penalties:

The following penalties may be implemented individually or in any combination thereof by the Hearing Boards.

1. **Expulsion:** Separation from the University on a permanent basis. This condition will be permanently noted on the student's academic transcript. This penalty is automatically reviewed by the President of the University and does not go into effect until approved by him.

2. **Suspension:** Mandatory separation from the University for an assigned period of time and under such conditions as deemed necessary by the judiciary with regard to such factors as the student's campus visiting privileges and terms of the student's readmission to the University. Organizations or groups also may be suspended from the University by a Hearing Board.

3. **Fine:** A student may be fined any amount not exceeding \$250.00.

4. **Disqualification from holding official student positions:** A student may be restricted from representing the University in any intercollegiate activity or may be restricted from participation in any University activity or organization.

5. **Restitution:** Compensation for damages to persons or property caused by the student's actions to be paid to the appropriate person or institution.

6. **Creative Discipline:** Procedures designed by the judiciary in consultation with the student and the office of Student Life in an effort to fit the discipline to the individual and the circumstances surrounding the particular case. The objective is education and rehabilitation.

7. **Judicial Reprimand:** A student may be given a judicial reprimand which is formal notice by the judiciary that the student has violated Student Code and/or university policy or has otherwise acted irresponsibly and if found guilty of further offense, his case will be considered much more serious.

8. **DV Transcript Record:** When so designated by the Hearing Board, the indicator DV (Disciplinary Violation) and the date will be recorded on the academic transcript of a student. This notation will remain until three years after the student is graduated from the University.

B. Probated Penalties:

A student's penalty may be probated. If the student violated the terms of the probation during the time period specified by the judiciary, the probation may be lifted and the penalty put into effect. If the terms of the student's probation are violated, the student's case will then be reviewed by that judiciary which issued the probated penalty.

ACADEMIC DISHONESTY

Academic dishonesty may be defined as a student's misrepresentation of his academic work or of the circumstances under which his work is done. This includes plagiarism in all papers, projects, take home exams, or any other assignments in which the student represents the resulting work as being his own. It also includes cheating on examinations, unauthorized access to test materials, and aiding another student to cheat or participate in an act of academic dishonesty. Failure to prevent cheating by another may be considered as participation in the dishonest act.

The Constitution of The Honor Council of Southern Methodist University

Preamble

We, the students of Southern Methodist University, recognizing the desirability for an atmosphere of trust among members of the academic community, in order that the University might educate men and women of good character, establish the Honor Council of Southern Methodist University. All academic work within the University community shall be subject to the guidelines of the Honor Code. In order to promote the integrity and secure the academic rights of each member of the University, the following Constitution of the Honor Council is established.

Article I — Purpose and Scope

The Council is created to encourage and preserve the honor and integrity of the students enrolled in the University. It seeks to protect the innocent and punish the guilty so as to promote the general integrity of the University.

Section 1—The Honor Council shall oversee the academic conduct of all undergraduate students of Southern Methodist University. Any giving or receiving of aid on academic work submitted for evaluation without the express consent of the instructor, shall constitute a breach of the Honor Code. This applies to all work submitted for evaluation unless specifically released from the Honor Code.

Section 2—Any student, full or part-time, enrolled in any undergraduate school of the University, shall be under the jurisdiction of the Honor Council and subject to its penalties.

Article II — Construction

Section 1—The Honor Council shall be composed of twenty-two (22) members in the following manner:

Three representatives from the Freshman class

Five representatives from the Sophomore class

Six representatives from the Junior class

Eight representatives from the Senior class

Section 2—Honor Council members must be SMU students enrolled in at least 12 hours.

Section 3—The members shall be chosen as follows:

(a) The Screening Committee of the Student Senate shall accept applications from all interested students.

(b) The Screening Committee shall accept or reject each applicant based on the following criteria:

1. The applicant must currently be enrolled in 12 hours with an overall G.P.A. not less than 3.00.

2. The applicant must never have violated the Honor Code or have been convicted by a Level II or higher Judiciary board.

3. New applicants must have written references from at least three faculty members. Applicants who are already members of the Honor Council must have at least one written reference.

4. Any other criteria the Screening Committee, with the approval of the Honor Council, deems necessary.

(c) The Screening Committee shall further investigate those applicants meeting the above criteria by contacting the chairman of the applicants' major departments, and/or the applicants' advisor and current instructors.

(d) The approved applicants shall be presented to the Student Senate for election.

(e) Each Senate member shall vote for as many applicants as there are positions available in the class under consideration. If any one candidate receives more than fifty percent of the vote, a second vote shall be held among the remaining candidates. Otherwise, a plurality will constitute election.

(f) The Senate shall reserve the power to reject any applicant by majority vote even if approved by the Screening Committee.

(g) Should there be fewer applicants elected than the number required for a given class, the Senate shall fill the vacancies with current applicants from the other classes.

Section 4—Each senior, junior, and sophomore representative shall serve a term of one year beginning on April 1 and ending March 31. Election of these representatives shall be held by March 29. The Freshman representatives shall be selected before the second week of November and serve until March 31.

Section 5—If a vacancy should occur, the Screening Committee will call for applications from the class in which the vacancy is created within one week of the notification of vacancy. If no applications are received within one week, the Screening Committee shall call for application from the entire student body.

Section 6—The Council shall have the power to impeach, suspend or otherwise discipline its own members as set forth in the By-Laws.

Article III — Hearings

Section 1—Upon receipt of an accusation of an Honor Code violation from student or faculty, the President of the Honor Council shall call for an investigation by a committee of two Council members within two days. Investigations shall be limited to those who might have been a part of, or witness to, the alleged violation. These Council members shall act as prosecutors in the case of a hearing. These Council members acting as investigators and subsequently prosecutors shall not discuss the facts of any case in question with other Council members. The accused shall be notified of any and all Council action.

Section 2—Hearings shall be called no later than 10 days after receipt of accusation.

Section 3—When a hearing is called, the President shall select five members of the Council, excluding the prosecutors, to act as a hearing board. The President or Vice President shall act as presiding officer and shall not have a vote.

Section 4—No one shall be allowed to sit on the hearing board or act as prosecutor if he or she is related by blood or marriage to the accused or is a member of the same social fraternity or social sorority as the accused.

Section 5—The Council, by majority vote, may declare any member ineligible to sit on the hearing board on other grounds. The accused may challenge any member's eligibility and the Council will make judgment by majority vote.

Section 6—All hearings shall be private unless the accused requests an open hearing. If more than one accused is involved, all of those accused must request open hearings before an open hearing can be held; otherwise the hearing shall be private.

Section 7—The President shall administer the following oath to all who give testimony before the hearing board:

"I, _____, on my honor do solemnly swear to tell the truth, the whole truth and nothing but the truth."

Section 8—When a hearing is called, the verdict shall be "guilty" or "not guilty". A four out of five vote, or three out of four in case of one abstention, must be rendered to convict the accused. Abstentions shall not prohibit a verdict of guilty, but upon receiving two or more abstentions, the President shall call for a new hearing with new members. The presiding officer shall not vote. Written notice of a decision of guilty will be sent to the guilty student, the Academic Dean of the School in which the guilty student is enrolled, the University registrar, the Dean of Student Life, the instructor, and the parents of the guilty student. If the guilty student can prove financial independence, then the parents of the guilty student will not be notified. The notices shall be made no later than two days after final determination of the case has been made. A copy of all correspondence must also be kept in the permanent files of the Honor Council which shall be kept in the Dean of Student Life's office.

Section 9—All business conducted on investigations, hearings, business meetings, and other official Council functions shall be held in strictest confidence among the members of the Council. In addition, any person, excepting the accused, participating in the hearings or informed of the results shall keep all knowledge in the strictest confidence.

Section 10—If a student should withdraw from the University after a charge has been made and before a hearing has been held, an investigation shall be completed and the facts recorded. The accused must appear before the hearing board prior to being allowed to re-enter the University.

Section 11—Should a faculty member personally decide a case, and the Honor Council has not received an accusation, two routes of appeal are available to the accused student; the Honor Council route and the Academic route.

Appeals to the Honor Council must be made in writing no later than 3 days after the faculty decision. If the Academic route is chosen, the student shall appeal first to the Chairman of the Department, then the Dean of the School, the Provost, and finally the Faculty Committee on Ethics and Tenure. If the Honor Council route is chosen, the President of the Honor Council will proceed as prescribed by Article III, Section 1. Should a hearing be called and the Hearing Board reach a decision different from that of the instructor, the presiding officer shall personally present the evidence leading to the decision to the instructor, but the instructor shall make the final determination. However, the Honor Council may request an investigation by the Faculty Committee on Ethics and Tenure. Should the Honor Council uphold the instructor's original decision, the accused student may appeal as prescribed in Article III, Section 12. Once one route of appeal has been selected, the other is eliminated.

Section 12—All requests for appeal of the hearing board's verdict shall be submitted to the Dean of Student Life in writing no later than 72 hours after the hearing board decision. In consultation with the Chairperson of the All-University Judiciary Board, and the President of the Honor Council, the Dean of Student Life will direct the Chairperson of All-University Judiciary to convene a hearing board with new members no later than 72 hours after the appeal request is accepted. The appeal shall be heard de novo and the prosecutors from the original hearing shall remain the same. Punishment determined in the first hearing shall be suspended during appeal. There shall be only one appeal.

Section 13—Grounds for appeal shall be the following:

1. Substantial new evidence
2. Significant procedural irregularities
3. Insufficient evidence for a conviction of guilty

Section 14—All records of Board decisions and all Board correspondence shall be kept confidentially and permanently in the Honor Council file.

Article IV — Penalties

Section 1—The minimum penalty for cases involving material submitted for course credit shall be a recommendation of 'HV' (Honor Violation) for the course in question, to be administered by the instructor for the course. The 'HV' shall be averaged as a grade of 'F' in the student's cumulative average; the 'HV' shall remain on the transcript until three years after graduation; the 'HV' shall then become a 'WF' on the transcript. Should the faculty member not accept the recommended penalty, the Honor Council may request an investigation by the Faculty Senate and/or the Provost.

Section 2—In addition to the minimum penalty above, the following penalties may be given:

(a) a personal reprimand from the Honor Council, to be kept in the student's file in the Office of Student Life and in the Honor Council office.

(b) a probated suspension from the University for not less than a term ending five years from the date of the hearing

(c) suspension from the University, for a term to be set by the hearing board.

No other penalties other than the above shall be administered.

Section 3—The board may recommend that no penalty be given only in the most extraordinary and unusual circumstances.

Section 4—Penalties shall be decided by the hearing board in closed session. All penalties shall be decided by a four out of five vote, or three out of four in case of one abstention. The criteria on which decision should be based are:

(a) previous record

(b) premeditation

(c) truthfulness and cooperation in the investigation and hearing.

Section 5—

(a) Impeding the investigations of the Council, lying to the Council, or in any way failing to cooperate with the Council shall constitute violations of the Honor Code.

(b) Failure to issue a personal warning or to report to the instructor or to the Honor Council when a known or suspected violation has occurred shall constitute a violation of the Honor Code.

(c) Any student, except the accused, shall keep all knowledge of the accused's case confidential or shall stand in violation of the Honor Code.

Section 6—In cases not involving material submitted for course credit, including those outlined in Section 5, above, the minimum penalty shall be a personal reprimand from the Council. A copy along with a complete explanation of the violation shall be kept on the University's record in the Office of Student Life as well as the Council's files. In addition to this minimum penalty, those penalties outlined in Section 2 above may be given.

Article V — Officers

Section 1—The Honor Council shall have the following student officers:

A PRESIDENT who must be a senior

A VICE PRESIDENT who must be a junior or senior

Section 2—The President and Vice President shall be elected by a majority of those voting, using a secret ballot. If no majority is achieved on the first ballot, a runoff election shall be held between the two candidates with the most votes.

Section 3—The President of the Student Body shall preside over the meetings of the Honor Council until the Council elects its own President.

Section 4—It shall be the duty of the President to preside over every meeting and hearing, to arrange for the hearing of any student accused, to select the five members of each hearing board, to handle all correspondence involving the verdict of the hearing board, to take minutes at every hearing, and to handle any other duties common to the office. The President shall also administer the following oath to each new member of the Council: "I do solemnly pledge,

on my honor, to obey and uphold the Constitution and By-Laws of the Honor Council and to perform my duties to the best of my ability." The President of the Student Body shall administer the above oath to the newly elected President of the Honor Council upon his or her election.

Section 5—It shall be the duty of the Vice President to summon the accused and witnesses in all hearings, to take minutes at each meeting, to keep permanent records of all minutes, hearing, or meeting, and to assume the duties of President when necessary.

Section 6—If the new office of President or Vice President should be vacated, new officers shall be elected immediately and the vacant position on the Council filled per Article II, Section 5.

Article VI — Meetings

Section 1—Regular meetings of the Honor Council shall be held the first Wednesday of each month.

Section 2—Special meetings may be called by the President at any time.

Section 3—Two-thirds of the members shall constitute a quorum.

Section 4—All meetings shall be conducted according to Robert's Rules of Order, Revised.

Article VII — Publicity

Section 1—Each new student entering the University will be informed by the Honor Council as to the functions of the Honor System and his or her obligations to the Honor Code.

Section 2—All new students shall be provided with a copy of this Constitution and By-Laws of the Honor Council upon entering the University.

Section 3—Each student must acknowledge his or her understanding of and agreement to abide by the Honor System by signing a formal pledge prior to his or her official registration in the University.

Section 4—A shortened form of the formal pledge shall appear on any work submitted for evaluation. This pledge shall be: "On my honor, I have neither given nor received unauthorized aid on this work." and shall be signed by the student submitting the work.

Article VIII — Amendments

Section 1—Amendments may be proposed by a student senator, faculty senator, member of the Council, or by petition of no less than ten percent of the student body.

Section 2—Amendments to this Constitution shall require a two-thirds vote of the Student Senate, the approval of the Dean of Student Life, and the Provost of the University.

Article IX — Ratification

This Constitution shall take effect immediately upon a two-thirds majority vote of the Student Senate, the approval of the Dean of Student Life, and the approval of the Provost of the University.
