TIPS TO REDUCE RISK TO YOURSELF AND OTHERS

- If you see something, say something. Report suspicious people or activities. Call SMU Police or report anonymously online or at 214-SMU-2TIP.
- Call 911 and seek medical help immediately if you think your drink may have been drugged, or if you or a friend is in danger due to alcohol or substance use.
- Be aware of your surroundings. Giddy-Up offers free rides on campus from 7 p.m. to 3 a.m. daily, 214-768-1111. SMU Police also are available to provide secure rides on campus, 214-768-3388. SMU Rides provides service off and on campus, with fees charged to the rider's SMU ID, 214-768-7433.

LIVE RESPONSIBLY

- Don't harm or take advantage of others. <u>SMU's Title IX (Sexual Misconduct) policy</u> and the federal law <u>Title IX</u> prohibit sexual violence, including sexual assault. Sexual assault also is a crime punishable by imprisonment. Sexual assault will not be tolerated at SMU.
- **Respect others' limits.** Both parties should communicate their expectations on physical contact to ensure consent at each step. Consent means voluntary, clear, continuous, mutually understandable permission, given by words or actions, regarding one's willingness to engage in sexual activity. "No" means "No," and when uncertain, "No" is always the default answer. Being intoxicated is no excuse for failure to obtain consent.
- A person cannot give consent if he or she is incapacitated due to alcohol or drug use, or is asleep or unconscious. An individual also may be unable to give consent due to an intellectual or other disability. Past consent does not imply future consent. Silence or an absence of resistance does not imply consent. Consent to engage in sexual activity with one person does not imply consent to engage in sexual activity with another person. Consent can be withdrawn at any time. The use of coercion, force or the threat of either invalidates consent.
