Paul Steed Travel Award Criteria

Criteria:

- Graduate students at all levels to present at professional conferences
- Professional, polished, conference-length paper/poster presentation in final draft form
- Well-developed analysis/presentation (commensurate with position in the program)
- Will privilege innovative research/approaches
- Author's role in research/paper
- Importance of presentation to student's career
- Advisor's signature/approval
- Student in good standing with the program

Steed Award Decision Procedures

- Graduate Awards Committee makes recommendations on all graduate student awards, to the Chair
- Chair has final authority on whom/how much to award
- If no one qualifies, no awards will be given
