**GENERAL RECOMMENDATIONS:**

1. Complete all 3000-level courses before beginning 4000-level courses. No 3000-level courses may be taken after you have begun the 5000-level.
2. Complete 4395 before your senior year.
3. Study abroad for a summer, semester or both is strongly recommended.
4. Students interested in graduating with distinction should begin the application process their junior year.
