

# Senior Information Sheet

## Student Information

Student's Name:

Student ID Number:

E-mail Address:

Major(s) and Minor(s):

Anticipated Graduation Date:

Will you attend the World Languages and Literatures graduation ceremony in May?

## Scholarship, Activities and Future Plans

Scholarships and Awards received while at SMU and any fellowships/awards received for graduate school:

Extracurricular Activities participated in while at SMU (organizations, offices, honors, etc.):

Post graduation plans (graduate school, employment- please be specific)

## Program Evaluation

In your opinion, which language courses were the “most effective” and/or “least effective”?  
What would you suggest to improve the courses? Were there courses you wished that we would have offered, but did not?

Would you consider the language faculty under whom you studied quality instructors? Did you have the sense that they were invested in whether you learned course material?

Were you given accurate and helpful advice from our departmental advisor or your language specific advisor? How could the WLL Department improve advising?

We would love to include you in our WLL alumni emails and highlight how you might be using your language skills after graduation. If you would like to be contacted, please list your preferred email address as well as any information on how you intend to use your language skills post graduation.
