<td><strong>ENGAGED LEARNING</strong></td>
<td>ENGGAGED LEARNING FELLOWSHIP</td>
<td>Individual Project</td>
<td>An Engaged Learning Fellowship (ELF) is a student's SMU legacy work. The student engages in capstone-level scholarly research, civic engagement, professional internships or other creative project that intentionally links classroom education with real-world experience. Students propose projects, make them happen, present findings in public forum and turn in final product. SMU records ELFs on student transcripts and commencement booklets.</td>
<td>Up to $2000 per student</td>
<td>Nov 15-Feb 15 (REGULAR DECISION)</td>
<td>Sep/Oct for Dec grads (during Family Weekend)</td>
<td>Semester of graduation</td>
<td>Y</td>
<td>CE OC IL W</td>
<td>- SMU undergraduates - Preferably upperclassmen - Sophomores and freshman can apply if project is capstone-level and lasts up to graduation</td>
</tr>
<tr>
<td></td>
<td>BIG IDEAS PITCH CONTEST</td>
<td>Group Project</td>
<td>Students think up big ideas that provide value to society and are viable and sustainable. They form teams and pitch their ideas at the Big Ideas Pitch Contest for seed money and three months to build a prototype or pilot of their idea. Winning teams present their work at the Demo Day fair.</td>
<td>Up to $1000 seed money per group project</td>
<td>Monday before Contest - 5pm</td>
<td>Sep 23</td>
<td>Late Jan, following year</td>

**ENGAGED LEARNING BEYOND THE CLASSROOM**

Scholarly Research, Civic Engagement, Professional Internships, Creative Projects, Entrepreneurship

- Scholarly research
- Civic engagement
- Professional internships
- Creative project

- President Clinton's global university network offers platform for students to address some of the world's wicked problems, including:
  - Education
  - The environment
  - Health
  - Human rights
  - Poverty alleviation

**BIG IDEAS**

Campus-wide innovation and entrepreneurship program that prepares students to think big about making an impact and funds two annual pitch contests, empowering students to:

- Dream up big ideas that provide value to society, with special focus on community
- Make prototypes of their ideas
- Launch their ideas as businesses

**CGIU**

President Clinton's global university network offers platform for students to address some of the world's wicked problems, including:

- Education
- The environment
- Health
- Human rights
- Poverty alleviation
