Undergraduate Petition for Advance Approval of Transfer Work
For Students Under the General Education Curriculum

Policy Notes: Transfer courses from regionally accredited institutions, for which advance approval has been obtained and in which a grade of C- or higher has been earned, may apply toward an SMU degree. A maximum of 30 hours may be transferred in after matriculation at SMU. A written petition must be on file in the Registrar’s Office and in the school of record.

All approvals are subject to policies as stated in the SMU undergraduate catalog. To receive SMU credit for the course, the student must have an official transcript with the final grade sent electronically to transfer@smu.edu or mailed to the University Registrar, P.O. Box 750181, Dallas, TX 75275-0181. Foreign transcripts must be evaluated by a third-party evaluator.

The level of the transfer course is determined by the transfer institution, not by SMU. Grades earned in transfer coursework approved to count toward a specific major or minor will not count toward the student’s major or minor GPA.

I understand the final transferability/applicability of transfer credit will be confirmed after SMU receives my final transcript from the above institution.
