Important Notes

- A student may take only one (1) course per term on a pass/fail basis.
- Twelve (12) hours is the maximum total term credit hours that may be declared pass/fail and count toward a degree.
- A student must indicate his/her intention to take a course pass/fail no later than the 12th day of classes (the 4th day of classes in summer sessions; the 2nd day of classes in intersession terms).
- No pass/fail agreement is necessary for a course defined as pass/fail.
- Under the pass/fail option, passing (P) grades are C- and above and failing grades (F) are D+, D, D- and F.
- A student who declares a course pass/fail is not entitled to know the regular letter grade.
- The Pass/Fail grading basis is irrevocable once the Registrar’s Office receives the Pass/Fail Option Declaration, and a pass/fail grade cannot be changed to a regular letter grade (or vice versa) after the pass/fail grade has been assigned.
- The grade of P in a class declared pass/fail is not calculated in the grade-point average; however, the credits are included in the total number of term credit hours earned.
- The grade of F in a class declared pass/fail is calculated in the grade-point average; however, the credits are not included in the total number of term credit hours earned.
- Courses taken to satisfy General Education or University Curriculum requirements and, in most cases, to satisfy requirements for the major or minor cannot be taken pass/fail.
