Dates are subject to change. All payments must be posted to the student's account by the scheduled due date. The enrollment of students whose accounts remain unpaid may be canceled at the discretion of the University.

METHODS OF PAYMENT

SMU's excellence is a joint investment among students, their families and the University. SMU offers several payment options and extended payment plans that can help with expenses during the college years. Students and parents have the option of paying by cash (do not mail cash), check, money order, cashier's check, credit card (American Express, Discover and MasterCard) or direct wiring of funds, or with the assistance of financial aid. In addition to state and federal sources of financial assistance, SMU offers various financing plans, which are administered by the SMU Division of Enrollment Services. For more information on payment plans and financial aid options, see pages 32–41.

SMUPAY

SMU provides a secure website through which you can make electronic check (eCheck) and electronic credit card (American Express, Discover and MasterCard) payments to your SMU accounts. Payments made online will post to the student and/or miscellaneous account immediately. At the time of electronic payment, a receipt will be provided. Please visit smu.edu/bursar/smupay.asp to log into SMUpay.

Note: Credit card (American Express, Discover and MasterCard) payments will be processed through Nelnet Business Solutions, Inc. If you choose this option, a service charge fee will be added for each transaction. The service charge fee is 2.75 percent and is subject to change with a 30-day notice.

Make sure pop-up blocker is off. SMUpay requires Microsoft Internet Explorer 8 or newer, Mozilla Firefox 17 or newer or Google Chrome 24 or newer with JavaScript, Cookies and Secure Sockets Layer (SSL) enabled.

eCHECK PAYMENTS (no service charge fee)

Requirements for nonchecking accounts: For savings account routing numbers, contact your financial institution. Deposit slips may not include the correct routing number. Not all payments from brokerage/investment accounts can be made online; please check with your account representative.

Checks written from credit card accounts, commonly called convenience or credit advance checks, may not allow electronic transactions. Contact your financial institution to determine whether ACH transactions are allowed.

STUDENTS

Begin processing by logging on to <https://my.SMU.edu>. Under Student Self-Service, select Student Center. Under Finances, select Account Summary (click on the amount for the account and term you would like to view). Click on SMUpay (Make a Payment, Setup Authorized Payer, View Bill), click on View Accounts, change Select Action from the drop down for the account you want to view or pay.

FACULTY/STAFF

Begin processing by logging on to <https://my.SMU.edu>. Under Employee Self-Service, select Account Summary (click on the amount for the account and term you would like to view). Click on SMUpay (Make a Payment, Setup Authorized Payer, View Bill), click on View Accounts, change Select Action from the drop down for the account to view or pay.

AUTHORIZED PAYER (SMUPAY: VIEW BILLS AND MAKE PAYMENTS)

Students can add Authorized Payers on their SMUpay account. Authorized Payers can view a student's bills, statements and unbilled activity, and make payments. When students add an Authorized Payer, the added payer will receive an email that will contain the User ID and URL required to complete the Authorized Payer setup. The Authorized Payer will need to get the temporary password from the student. Parents and others can access a student's account once they have been added as an Authorized Payer. Students should visit smu.edu/bursar/smupay.asp for instructions on adding an Authorized Payer. Instructions for resetting a login name and password can also be found on this website.

DOMESTIC & INTERNATIONAL WIRE PAYMENTS

Western Union has partnered with SMU for International and Domestic wire payments. Flywire is also available for international wire payments. Please refer to the Bursars Office website for wiring instructions and information.

TUITION REFUND INSURANCE

Tuition Refund Insurance can help refund your tuition, fees, room and board charges, up to the policy limits, if you are unable to complete the semester due to a covered medical reason such as an illness, accident or mental health issue. This insurance program complements and enhances SMU's refund policy and we believe families will benefit from this added protection. Please visit tuitioninsuranceplan.com/smu for more information.

FACTS ABOUT MEAL PLANS

- All resident students must purchase a meal plan. First-year and second-year residential students are required to have The Works meal plan. After completing the first two years, a resident student may select from The Works or Block 150 options.
- Resident students who are senior- or graduate-level may select the Senior Block 50 or any of the above listed meal plans.
- Each meal plan listed above is available to nonresident students.
- Meal plans may be used in the Umphrey Lee Center (RFoC@Lee), Arnold Dining Commons or in McElvaney Commons (Mac's Place) by using access swipes.
- All members are allowed to bring guests, provided members are present at the time of transaction. Guests (up to 10 per term) of members on meal plans The Works and Block 150 are admitted by using membership guest access swipes. Senior Block 50 guest's door entry can be paid using Flex Dollars.
- Flex Dollars are stored-value, declining-balance programs that work on the same principles as a debit card.
- Flex Dollars may be used to purchase meals or commodities at any SMU Dining Services location on campus.
- Flex Dollar balances carry over from summer to fall to spring terms.
- Door rates for dining without a meal plan for the Umphrey Lee Center (RFoC@Lee) are: \$8.08 (plus tax) for breakfast, \$9.88 (plus tax) for lunch and \$11.46 (plus tax) for dinner. Rates for continuous service periods between standard meal periods are calculated at the prior meal-period rate.
- A meal plan may be changed through the last day of add/drop, allowing one change per term for all plans. Unless a different meal plan is selected, students will be enrolled automatically in the spring for the same meal plan selected for the fall term.

PONY EXPRESS

- PONY EXPRESS is a prepaid stored-value account available to all students.
- The PONY EXPRESS account does not satisfy the mandatory meal plan requirement.
- Additional amounts other than the ones listed below may be purchased online at idcard.smu.edu.
- PONY EXPRESS account holders may present their SMU ID card in lieu of cash to make purchases throughout campus and at selected off-campus merchants.

- PONY EXPRESS accounts are honored at all dining facilities on campus at individual meal plan rates.
- PONY EXPRESS accounts may be canceled on or before the payment due date. After this time, accounts may not be canceled unless a student graduates or withdraws from SMU.
- PONY EXPRESS balances of less than \$25 will not be refunded and any remaining balance will be forfeited to the University.
- Points will be carried over from term to term until a student graduates.
- Any credit remaining on the PONY EXPRESS account at the point of graduation will be refunded to the student after all debt to the University has been paid.
- PONY EXPRESS accounts with no posted activity over a 12-month period will be closed and any remaining balance will be forfeited to the University.
- Students can deactivate their SMU ID card by logging on to the ID website: <http://idcard.smu.edu>. Once the SMU ID card is reported lost, it will be canceled immediately. A new ID card may be ordered online. A \$30 fee will be charged for each replacement SMU ID card.

SMU HEALTH CENTER

The mission of the SMU Health Center is to provide quality, caring, cost-effective and convenient ambulatory healthcare and health education services in association with other University departments that promote healthy lifestyles and enhance academic productivity leading to satisfying and rewarding college experiences.

Beginning in fall 2013, a new fee for health services was charged to the student tuition account. The fee is mandatory for all undergraduate and graduate students enrolled at the Dallas and Plano campuses and is separate from any mandatory insurance costs.

For each term (fall and spring) the fee is:

- \$100 per term for full-time undergraduates;
- \$50 per term for part-time undergraduates;
- \$50 for all graduate students.

This fee is only assessed to students who do not reside in a residence hall. Otherwise, this fee is incorporated in the student's rent.

The fee allows the University to enhance healthcare facilities and services for students, including increased access to specialists and mental health counselors.

It is important to note that students also are required to maintain health insurance to cover the costs of specialty care, prescriptions, emergency care, inpatient care and other off-campus health services. This requirement

can be met either by purchasing the Student Health Insurance Plan (SHIP) or an alternative insurance plan that has comparable benefits.

All SMU students paying tuition and fees, including the Health Center Fee, are eligible for the following services at no additional cost and are distinct from those covered by SHIP or a student's private health insurance. Students who are in programs that do not charge fees, including the General Student Fee and the Health Center Fee, can pay at time of service.

Primary care medical services at the Health Center at no additional cost, including:

- Medical appointments during weekday hours
- Access to a convenient pharmacy on premises
- Influenza vaccinations

Counseling and Psychological Services (CAPS), including

- Psychological evaluation and short-term therapy
- Initial psychiatric medication evaluation
- 24-hour crisis on-call services

Health Education programs, including

- Alcohol and other drug evaluation and education
- Nutrition counseling and education
- Sexual health and relationships consultation and education

MANDATORY HEALTH INSURANCE

SMU is committed to the health and well-being of all students. The SMU Health Center is here to serve and provide students with medical care while attending the University. In order to ensure that students have appropriate healthcare coverage, a mandatory health insurance requirement was passed by the President's Executive Council in February 2008. This mandatory health insurance policy requires domestic students, both undergraduate and graduate, enrolled in nine or more credit hours to maintain insurance coverage as a condition of enrollment. All international students enrolled in one or more credit hours must enroll in the Student Health Insurance Plan (SHIP), unless they receive a special waiver personally granted by the SMU Insurance Department.

SMU has partnered with Academic HealthPlans and BlueCross BlueShield of Texas to offer those students in need of health insurance coverage a student-focused, comprehensive medical plan designed to provide convenient and affordable access to medical care whether students are at school, at home or traveling or studying abroad. To view the SHIP benefits brochure, please visit ahpcare.com/smu.

SMU's mandatory policy requires those students with enrolled status mentioned above to provide documentation of comparable current insurance coverage or to enroll in the SHIP on a term basis. Students will do so by selecting the "Health Insurance" button in the Student Center component of my.SMU.edu after they have enrolled for classes each term. Domestic students already maintaining their own private coverage must waive SHIP coverage prior to the deadlines, which are September 7 for fall 2016 and February 7 for spring and June 7 for summer 2017, to avoid automatic enrollment into SHIP and thereby having the semi-annual premium of \$1,304 applied to the student's University account.

FINANCIAL POLICIES

Students are individually responsible for their financial obligations to the University. All students are charged tuition based on their primary academic career at the University.

A student whose University account is overdue or who in any other manner has an unpaid financial obligation to the University may be denied the recording and certification services of the Office of the University Registrar, including the issuance of a transcript or diploma, and may be denied readmission until all obligations are fulfilled. The Division of Enrollment Services may stop the registration, or may cancel the completed registration, of a student who has a delinquent account or debt, and may

assess all attorney's fees and other reasonable collection costs (up to 50 percent) and charges necessary for the collection of any amount not paid when due. Matriculation in the University constitutes an agreement by the student to comply with all University rules, regulations and policies.

Once the outstanding debts have been paid, the student will need to obtain clearance from a member of the Division of Enrollment Services before being allowed to register, request a transcript or receive a diploma from the University.

Arrangements for financial assistance from SMU must be made in advance of registration and in accordance with the application schedule of the Division of Enrollment Services, Financial Aid. A student should not expect such assistance to settle delinquent accounts.

Payment of Accounts

Payment of tuition, fees, housing and dining, and all other charges is done online through the SMU^{pay} option in my.SMU.edu. Students and/or authorized guests can select the method of payment (Electronic check, credit card-Amex, Discover, and MasterCard, Western Union-international and domestic wires, Flywire-international wires only).

A check returned dishonored or a credit card payment returned as a chargeback will constitute nonpayment of account and must be replaced by cash, cashier's check or money order. This nonpayment may result in withdrawal from the University and the requirement that the payment of the student's account for future terms be made by cash, cashier's check or money order prior to enrolling. A \$30 charge will be assessed each time a payment is returned.

Students registering must ensure that payment for the full amount of charges is posted to their account by the payment due date showing on their bill. The initial term payment due dates also are published on the Bursar's website. Billing notifications to view the bill are sent to the student's SMU email address and to the designated email address of the Authorized Payer(s) when a bill is generated. The billing notification will provide instructions on how to view the bill online through SMU^{pay}. If notification has not been received two weeks prior to the due date, the student and/or designated Authorized Payer(s) should contact the Office of the University Bursar. Payments made in person or mailed must be received by the Office of the University Bursar, located on the first floor of the Blanton Student Services Building, no later than 4 p.m. CST on payment due date. Payments made online via electronic check or credit card must be posted no later than 11:59 p.m. CST on the payment due date. Students and/or those paying on behalf of the student who pay online automatically receive an electronic confirmation of payment; students and/or designated Authorized Payer(s) paying through other methods also can verify receipt of payment online. Students enrolling after the payment due date must pay at the time of enrollment.

If proceeds from state and federal loans are to be used to pay a student account, the funds must be posted to the student account in the Office of the University Bursar by the payment due date.

Schedule Changes

A student who drops a course during the scheduled add/drop period, but remains enrolled in other courses, will not be charged tuition and fees for the dropped course. (Undergraduate students pay the same tuition for 12-18 credit hours.) There will be no reduction in tuition charges for any course(s) dropped after the scheduled add/drop period. A student who drops all courses will be canceled or withdrawn, depending on the date of the transaction.

Late Payment Fee

Students whose accounts are not cleared by the payment due date or at the time of enrollment are subject to a late payment fee of \$50 for balances between \$250 and \$999.99, and \$150 for balances between \$1,000 and \$5,000. Balances over \$5,000 are charged 3 percent of the outstanding balance, not to exceed \$750. Also, after the monthly payment due date has passed, a 1.5 percent past due fee will be assessed on the unpaid student and/or miscellaneous account each month until the balance is paid. The enrollment of students whose accounts remain unpaid after the payment due date may be canceled at the discretion of the University.

Direct Charge Policy

SMU permits students to have purchases from the SMU Bookstore charged directly to their miscellaneous student account. Charges are billed monthly and are due on the date specified on the bill. Students with outstanding balances on their miscellaneous account will be charged 1.5 percent monthly on the past due balance. Students who have an outstanding balance during their tenure at SMU may lose the privilege to use direct charge from the SMU Bookstore. Students with repeated delinquencies on the account and/or returned checks will lose the privilege for the remainder of their matriculation at SMU.

Student Refunds

If the proceeds from student loans have been received by SMU prior to the first day of class and the student is eligible for a refund, the Office of the University Bursar will automatically begin processing refunds at the time the proceeds are posted to the student's tuition account. Federal regulations state that the earliest date a refund can be processed, if the funds are on the tuition account, is 10 calendar days prior to the first day of class. Additionally, federal regulations require SMU to process refunds within 14 calendar days from the first day of class of a student's primary academic career. If loans are received after the first day of class, students need to allow up to 14 calendar days from the date the proceeds are applied to the tuition account for a refund to be processed.

Any outstanding debts to the University that include Title IV funds must have an Authorization to Credit Account form (ACA) and/or an Authorization to Credit Account Parent form (ACAP) on file in order to transfer funds to cover current award year debts. Students need to sign the ACA form and the federal parent PLUS borrower needs to sign the ACAP form, located in the Forms Library on the Bursar's website. Any outstanding debts to the University that do not include Title IV funds will be deducted from the credit balance prior to issuing the refund.

SMU has signed a contract with TouchNet, a payment gateway vendor that offers both paper check refunds and ACH deposits. Students can sign up for an electronic refund by logging into their Student Center and clicking on the MySMURefund link.

Refunds are continuously processed throughout the year as financial aid is applied to student accounts. Students may call or visit the Office of the University Bursar in the Division of Enrollment Services to check on the status of a refund 14 calendar days after funds have been applied to the tuition account.

Withdrawals from the University

Housing and Dining

The Housing Agreement is made for both fall and spring terms or either one or both of the five-week summer sessions. Should a student move from the residence hall at any time, the remainder of the rent for the term(s) or five-week summer session(s) will be due. For more specific information, read the Housing Agreement form or consult with the Department of Residence Life and Student Housing. A percentage of dining charges may be refunded based on the date of official withdrawal from the University.

FEDERAL AID RECIPIENT CANCELLATION AND WITHDRAWAL POLICY

Return of Federal Student Aid

The Higher Education Amendments of 1998 establish the principle of "earned aid/ unearned aid" for administration of federal student aid. A student "earns" federal aid in proportion to the percentage of the term completed. Unless a student completes at least 60 percent of a term, SMU and/or the student may be required to return "unearned" aid. For example, a student who completes 30 percent of the term has "earned" 30 percent of federal aid; however, SMU and/or the student may have to return the "unearned" 70 percent of aid. Students who complete 60 percent of a term is considered to have earned 100 percent of their aid for that term.

A student who receives a refund from financial aid for noninstitutional expenses (books, transportation, living or personal expenses) may be required to return the unearned portion of that refund. Financial aid or loan funds that have been

“earned” will be repaid according to the terms of the promissory note(s). SMU must report to the U.S. Department of Education a student who owes a repayment. Generally, the student is ineligible for federal aid until repayment is made.

Attribution of Refunds to Aid Programs

- For a financial aid recipient whose SMU charges are reduced, SMU must use the refund to reimburse the aid accounts from which payments were made. Federal, state and institutional policies govern the attribution of the refund to appropriate sources.
- Federal: SMU will distribute the federal portion of the refund, if any, to repay disbursements made from federal accounts in the following priority sequence: Federal Direct Unsubsidized Loans, Federal Direct Subsidized Loans, Federal Perkins Loan, Federal Direct PLUS Loans Federal Pell Grant and Federal SEOG.
- Institutions/Other: Any portion of the refund not attributed to federal Title IV programs will be returned to nonfederal funding sources in the following priority sequence: state grant, SMU gift aid, private gift aid, private loan and student/parent.
- In no case will funds returned to a source exceed the disbursement for that payment period made from the source.

SMUPREPAYMENTPLAN(ONESINGLEPAYMENTUPFRONTFORALLTERMS)

SMU allows a matriculated undergraduate full-time (12–18 credit hours) student to prepay a minimum of two years and up to five years of tuition and general student fees at the current year rate. It covers fall and spring terms only.

The prepayment amount is due on the payment due date for the fall term; or, if the current fall term has already been paid in full by the payment due date, the remaining terms must be fully paid by the last day of October of the current academic year.

Scholarships and grants may not be used to reduce the prepayment amount.

If the student withdraws or is dismissed from SMU, the unused credit in the prepayment account will be refunded to the signatory on the Enrollment form, after the student's account has been paid in full.

For information on the SMU Prepayment Plan, please inquire by emailing Christina Harris-Cain at christinah@smu.edu.

TAX EXCLUSION

Gift Tax Exclusion

Under the Internal Revenue Code, Section 2503(e)(2)(A), a direct transfer of funds to an educational institution such as SMU to be applied to cover the present and/or future costs of tuition for a college or university student does not count as a "gift" for federal gift tax purposes, including the \$14,000 per year exclusion. Please contact your personal tax adviser for more information.

LOANS

SMU and other investment partners offer your family several loan options featuring low-interest rates and long-term payments. Some loans are awarded on the basis of documented financial need, others on the basis of creditworthiness and income. All loans must be repaid; they are not gift aid.

SMU FAMILY ASSISTANCE LOAN

Made possible in part by the generous gifts of the John and Sue Patrick Foundation Loan Fund and the Murray Case Sells Student Loan, SMU’s innovative loan program offers creditworthy families with documented income the opportunity to stabilize and control college costs. It features a low-interest rate with a fixed monthly payment and repayment of two years for every year that you may borrow, up to

eight years. Parents and students must co-sign the loan.

The University will lend up to \$10,000 per term with a maximum credit line of \$80,000. If families choose to reduce their loan request at any time, SMU will reduce the number of monthly payments accordingly. Interest charges accrue only on advances as they are made and borrowers may prepay any part of the loan at any time without penalty. Refer to the following table for examples of monthly payments.

GUIDELINES FOR NEED-BASED AID

Under SMU's "shared investment" concept, we believe that both parents and students have a primary responsibility to contribute toward educational expenses to the extent that they are reasonably able. In order to be considered for need-based assistance, certain requirements must be met, as set forth in the following SMU, state and federal guidelines.

SMU GUIDELINES FOR NEED-BASED AID

We consider undergraduate students to be dependent upon their families, and each family must supply financial data to be considered for SMU need-based aid.

For federal funding purposes, a student may qualify as independent or self-supporting if he or she meets one or more of the following criteria:

- The student is an orphan or a ward of the court.
- The student is a U.S. military veteran.
- The student provides more than half of the financial support for a dependent other than a spouse.
- The student is married.
- The student turns 24 years of age before December 31 of the academic year for which aid is sought.
- The student was in foster care after age 13.
- The student was an emancipated minor by the court in the student's state of legal residence.
- The student was under legal guardianship as determined by a court in the student's state of legal residence.

The University reserves the right to alter from year to year the combination of gift funds and self-help (loan and work) included in need-based aid packages, based on the student's documented financial need, funding availability, policies of the Board of Trustees, and federal and state laws and regulations. In general, the amount of self-help will increase as a student advances toward graduation.

STATE AND FEDERAL GUIDELINES

To be eligible for federal or state financial assistance, a student must meet the following criteria:

- Be in good standing and make satisfactory progress in the selected course of study leading to a degree or certificate
- Not be in default on any student loan or have borrowed in excess of the loan limits
- Not owe a refund on grants previously received from the federal government or the state of Texas
- Be registered with the Selective Service, if required to do so
- Be a U.S. citizen or an eligible nonresident (for federal programs) and be a Texas resident as defined by Texas program regulations (for state programs)

Students selected for verification must submit documentation as requested by the Office of Financial Aid. Supporting documentation may include, for example, signed copies of tax returns or official tax transcripts from the U.S. Internal

Revenue Service. All documentation should be submitted in a timely manner to be considered for available funds. Verification must be completed prior to disbursement of funds.

GRANTS

Grants are gift aid awarded on the basis of documented financial need. The partners who invest in your education include SMU, the federal government and the state of Texas (for legal residents as specified by the state program). If a student qualifies for need-based aid, SMU awards loans and employment opportunities, then gift aid. As a matter of SMU policy, the loan components of the aid package will increase as the student progresses. Grant aid can vary each year depending upon the information provided on Free Application for Federal Student Aid (FAFSA) and CSS/PROFILE® applications. FAFSA and CSS/PROFILE® must be filed by April 15 each year to receive SMU need-based grants for undergraduate students.

SMU OPPORTUNITY GRANT

Awards: Vary annually based on a family's finances as demonstrated by the CSS/PROFILE®

Funding Partner: SMU

Eligibility: Awarded on the basis of financial need demonstrated by the CSS/PROFILE® as part of an aid "package" after self-help and other gift aid are determined

FEDERAL PELL GRANT

FEDERAL SUPPLEMENTAL EDUCATIONAL OPPORTUNITY GRANT AWARD

Awards: Up to \$4,000; vary in number depending on allocation to SMU

Funding Partner: Federal government

Eligibility: Priority given to Pell Grant recipients; awarded as part of aid "package" to those who meet federal and SMU criteria

TUITION EQUALIZATION GRANT (TEG)

Awards: Vary in amount; awards up to \$3,364 in 2016–2017 vary in number depending on allocation to SMU and time of application

Funding Partner: State of Texas

Eligibility: Must demonstrate financial need and meet the residency rules of the Texas Higher Education Coordinating Board and maintain three-quarter time enrollment. Awards are based on the availability of funds as determined by the Coordinating Board.

Renewal Requirements: Must maintain Satisfactory Academic Progress (SAP) and complete at least 75 percent of hours attempted (minimum 24 hours) with a minimum 2.500 cumulative GPA

EMPLOYMENT

National studies indicate that college students who work part-time find it beneficial not only in supplementing finances, but also in learning skills such as time management. They also remain in school at a rate significantly higher than nonworking students, according to a U.S. Department of Education survey. Earnings for the following employment programs are paid biweekly to the student and are not applied to University invoice costs. For information on current job openings, visit the Student Employment Office website at www.smu.edu/enrollmentservices/financialaid/typesofaid/studentemployment.

FEDERAL WORK-STUDY PROGRAM

The Federal Work-Study (FWS) program offers on- and off-campus community service along with on-campus work opportunities to eligible students.

Funding Partner: Federal funds matched by SMU

Eligibility: Must file a Free Application for Federal Student Aid (FAFSA) as part of the application process for FWS assistance, awarded as a part of a need-based financial aid package

ON-CAMPUS EMPLOYMENT

On-campus employment is available to students based solely on the desire to work on campus.

Eligibility: SMU students

INTERNATIONAL ACADEMIC SCHOLARSHIPS

INTERNATIONAL STUDENT AID

SMU offers a limited number of undergraduate academic scholarships to students who are citizens of foreign countries and who have outstanding academic records.

By definition in Department of Homeland Security (DHS) regulations, international students may work only on campus while in the United States as a student. Maximum hours worked during full-time enrollment are 20 hours per week. Between periods of enrollment (summer, winter, etc.), a student may work 40 hours per week.

Inquiries concerning financial assistance for graduate study should be sent to the graduate division of the SMU school in which the student hopes to enroll.

SMU SATISFACTORY PROGRESS POLICY FOR FEDERAL, STATE AND INSTITUTIONAL FINANCIAL AID ELIGIBILITY

Federal regulations require that students meet specific Satisfactory Academic Progress (SAP) requirements to maintain eligibility for financial aid. Students are evaluated annually, prior to the start of the summer term, to verify academic progression. The following information describes various measurements used to determine satisfactory academic progress and the minimum SAP requirements to retain eligibility for federal, state, and institutional financial aid programs.

****NOTE**** Most SMU merit-based scholarships require a minimum GPA that is greater than standard requirement. For more information on the retention requirements for your specific academic scholarship, please refer to your academic advisor or academic catalogue.

Standards of Measurement:

Qualitative Measure of Satisfactory Academic Progress: Cumulative GPA

All careers & academic programs are measured at the end of the spring term each year (unless otherwise stated). Measurement is based on the following.

- Undergraduate Students: Minimum cumulative GPA of 2.000 or higher.
- Graduate Students: Minimum cumulative GPA of 2.000 for all program unless otherwise required by the academic department or graduate program of study. Academic departments may require a minimum cumulative GPA which is greater than 2.000 for all students enrolled in a specific programs of study. The GPA used to determine SAP for any specific program will be stated in each school's academic catalog. If there is no GPA requirement listed for the school or program, a GPA of 2.000 will be used.

Quantitative Measure of Satisfactory Academic Progress: Completion Rate

Schools are required to ensure that students are progressing toward completing their degree at a reasonable rate. The rate of completion is measured as follows: Completion rate = Total number of earned hours ÷ Total number of hours attempted.

- Undergraduate: Required completion rate of 75%.
- Graduate: Required completion rate of 60%.

Program/Time Limits:

- 150% Hour Limit: Students, both undergraduate and graduate, are not allowed to attempt more than 150% hours required to complete their degree. Students exceeding the 150% are not eligible to receive federal, state and institutional aid.
- Changing Majors: A student who has attempted 150% of the hours needed to earn his/her degree because the student has changed majors, is an example in which professional judgment can be used to allow additional hours to be attempted.
- Transfer Hours: Hours transferred to SMU from other institutions that meet the degree plan course requirements and are accepted for transfer credit will be included in the 150% calculation.
- Maximum term limits: Undergraduate students are limited to 12 terms or six academic years. Graduate students are limited to the time frame determined by the specific academic program. Information on program length can be found in the course catalog for your programs of study. Maximum term limits for Doctoral programs are determined on a case by case basis with advisement from the academic department. Students attending less than full time will be allowed extra terms to complete their degree.

RIGHT TO APPEAL

If the rate of course completion at the end of any term of enrollment is less than that mentioned above or the GPA is below the required minimum, the student is no longer eligible to receive financial aid funds. A student who is no longer eligible to receive aid due to academic progress has the right to submit an appeal to the Office

of Financial Aid. Each appeal is reviewed by the SMU Financial Appeals Committee to determine if financial aid can be awarded. If approved, aid will be awarded for a single term basis and academic progress will be reviewed for improvement at the end of each term. Awards will be made only if there are mitigating circumstances. The time limit for completion of a baccalaureate degree is six 12-month academic years or a maximum of 180 attempted hours.

For maximum utilization of financial aid resources, the University reserves the right to interchange the sources for all scholarships and grants and adjust funding based on changes in a family's or individual student's finances. SMU policy limits maximum payments from SMU-funded scholarships, grants and benefits to a total of tuition and fees.

INTERTERM PROGRAMS ON THE DALLAS CAMPUS

JanTerm

January 9–19, 2017 (8 class days)

janterm@smu.edu
smu.edu/janterm

MayTerm

May 18–June 2, 2017 (11 class days)

mayterm@smu.edu
smu.edu/mayterm

Interterm programs allow motivated students to take one course in a condensed timeframe, while enjoying a smaller class size and reduced tuition. "JanTerm" is held just prior to the start of the regular spring term, and "MayTerm" is scheduled immediately following the spring term. Interterm programs enable students to catch-up, make-up, or get ahead, and to stay on track for graduation.

JanTerm and MayTerm courses are separate and in addition to the course load carried during the fall and spring semesters. Some 50 to 60 courses in a variety of subjects are offered during these mini-terms, which are announced several months in advance. Many courses may be used to fulfill University Curriculum (UC) requirements while others count toward a major, minor, elective or prerequisite. Courses are taught by dedicated SMU faculty and adjunct professors who are willing to give up their breaks to teach during these condensed time frames.

Any SMU student in good standing is eligible to enroll in JanTerm or MayTerm courses through my.SMU. It may also be possible for non-SMU students to be admitted as a visiting or nondegree student. Students should be aware that this is a rigorous undertaking and should not enroll unless

they are prepared to commit the time and energy necessary to successfully complete an entire course through this intensive format and to attend every class session.

Interterm programs are offered at a discounted tuition rate (based on the previous summer's per credit hour tuition rate). No other fees are assessed with the exception of travel costs, housing and special fees for travel courses held outside Dallas. SMU students should consult with their financial aid adviser for assistance regarding applicable academic and financial aid. Most SMU Merit Scholarships (such as the President's Scholars, Hunt Scholars, Provost, Rotunda, etc.) are available in pro-rated amounts for 3 or 4 credit-hour courses during Interterm programs. Students receiving SMU Opportunity Awards may also be eligible for a modest amount of funding; however Federal and State funds are not available for JanTerm, but may be available during MayTerm IF the student is also attending another SMU summer term.

Students living in SMU Residential Commons who wish to remain on campus during an InterTerm program may be able to stay in their current room (during JanTerm) or move to another location (during MayTerm). Arrangements and fees are handled by SMU RLSH; for more information and to request InterTerm housing, please contact RLSH at housing@smu.edu.
