Dates are subject to change. All payments must be posted by Enrollment Services by the scheduled due date. The enrollment of students whose accounts remain unpaid may be canceled at the discretion of the University.

METHODS OF PAYMENT

SMU’s excellence is a joint investment among students, their families and the University. SMU offers several payment options and extended payment plans that can help with expenses during the college years. Students and parents have the option of paying by cash (do not mail cash), check, money order, cashier’s check, credit card (American Express, Discover and MasterCard) or direct wiring of funds, or with the assistance of financial aid. In addition to state and federal sources of financial assistance, SMU offers various financing plans, which are administered by the SMU Division of Enrollment Services. For more information on payment plans and financial aid options, see pages 34–42.

SMUPAY

SMU provides a secure website through which you can make electronic check (eCheck) and electronic credit card (American Express, Discover and MasterCard) payments to your SMU accounts. Payments made online will post to the student and/or miscellaneous account immediately. At the time of electronic payment, a receipt will be provided. Please visit smu.edu/bursar/smupay.asp to log into SMUpay.

Note: Credit card (American Express, Discover and MasterCard) payments will be processed through Nelnet Business Solutions, Inc. If you choose this option, a service charge fee will be added for each transaction. The service charge fee is 2.75 percent and is subject to change with a 30-day notice.

Make sure pop-up blocker is off. SMUpay requires Microsoft Internet Explorer 8 or newer, Mozilla Firefox 17 or newer or Google Chrome 24 or newer with JavaScript, Cookies and Secure Sockets Layer (SSL) enabled.

eCHECK PAYMENTS (no service charge fee)
Requirements for nonchecking accounts: For savings account routing numbers, contact your financial institution. Deposit slips may not include the correct routing number. Not all payments from brokerage/investment accounts can be made online; please check with your account representative.
Checks written from credit card accounts, commonly called convenience or credit advance checks, may not allow electronic transactions. Contact your financial institution to determine whether ACH transactions are allowed.

**STUDENTS**
Begin processing by logging on to https://my.SMU.edu. Under Student Self-Service, select Student Center. Under Finances, select Account Summary (click on the amount for the account and term you would like to view). Click on SMUpay (Make a Payment, Setup Authorized Payer, View Bill), click on View Accounts, change Select Action from the drop down for the account you want to view or pay.

**FACULTY/STAFF**
Begin processing by logging on to https://my.SMU.edu. Under Employee Self-Service, select Account Summary (click on the amount for the account and term you would like to view). Click on SMUpay (Make a Payment, Setup Authorized Payer, View Bill), click on View Accounts, change Select Action from the drop down for the account to view or pay.

**AUTHORIZED PAYER (SMUPAY: VIEW BILLS AND MAKE PAYMENTS)**
Students can add Authorized Payers on their SMUpay account. Authorized Payers can view a student’s bills, statements and unbilled activity, and make payments. When students add an Authorized Payer, the added payer will receive an email that will contain the User ID and URL required to complete the Authorized Payer setup. The Authorized Payer will need to get the temporary password from the student. Parents and others can access a student’s account once they have been added as an Authorized Payer. Students should visit smu.edu/bursar/smupay.asp for instructions on adding an Authorized Payer. Instructions for resetting a login name and password can also be found on this website.

**GUEST PAYERS**
Guest Payers can make a payment, but they will not be able to view a student’s account information. Only the student and any Authorized Payers (see above) that the student adds to his or her account can view the student’s account activity. Guest payers begin processing a payment by visiting smu.edu/bursar/smupay.asp. Be sure to enter the correct SMU student ID number (eight-digit number) in order for the payment to be posted to the correct account. Please visit smu.edu/bursar/smupay.asp for Guest Payer instructions.

**DOMESTIC WIRE PAYMENTS**
The account listed is for wire transfer payments only. ACH transactions are not allowed on this account. If you are trying to make an ACH transaction, please use the appropriate payment process listed previously. Please provide the information listed to your bank when processing a wire payment.

Students make the payment for the student account in SMUpay and then select SMU Peer Transfer. The payment will post to the student account within 24 hours of the payment status being updated in peerTransfer to show as delivered.

TUITION REFUND INSURANCE
Tuition Refund Insurance can help refund your tuition, fees, room and board charges, up to the policy limits, if you are unable to complete the semester due to a covered medical reason such as an illness, accident or mental health issue. This insurance program complements and enhances SMU’s refund policy and we believe families will benefit from this added protection. Please visit tuitioninsuranceplan.com/smu for more information.

**FACTS ABOUT MEAL PLANS**

- All resident students must purchase a meal plan. First-year and second-year residential students are required to have an All Access 7 meal plan. After completing the first two years, a resident student may select from All Access 7 or Block 150 options.
- Resident students who are senior- or graduate-level may select the Senior Block 50 or any of the above listed meal plans.
- Each meal plan listed above is available to nonresident students.
- Meal plans may be used in the Umphrey Lee Center (RFoC@Lee), Arnold Dining Commons or in McElvaney Commons (Mac’s Place) by using access swipes.
- All members are allowed to bring guests, provided members are present at the time of transaction. Guests (up to 10 per term) of members on meal plans All Access 7 and Block 150 are admitted by using membership guest access swipes. Senior Block 50 guest’s door entry can be paid using Flex Dollars.
- Flex Dollars are stored-value, declining-balance programs that work on the same principles as a debit card.
• Flex Dollars may be used to purchase meals or commodities at any SMU Dining Services location on campus.
• Flex Dollar balances carry over from fall to spring terms. At the end of spring term all unused Flex Dollar balances are forfeited.
• Door rates for dining without a meal plan for the Umphrey Lee Center (RfoC@Lee) are: $7.85 (plus tax) for breakfast, $9.56 (plus tax) for lunch and $11.09 (plus tax) for dinner. Rates for continuous service periods between standard meal periods are calculated at the prior meal-period rate.
• A meal plan may be changed through the last day of add/drop, allowing one change per term for all plans. Unless a different meal plan is selected, students will be enrolled automatically in the spring for the same meal plan selected for the fall term.

PONY EXPRESS
• PONY EXPRESS is a prepaid stored-value account available to all students.
• The PONY EXPRESS account does not satisfy the mandatory meal plan requirement.
• Additional amounts other than the ones listed below may be purchased online at idcard.smu.edu.
• PONY EXPRESS account holders may present their SMU ID card in lieu of cash to make purchases throughout campus and at selected off-campus merchants.
• PONY EXPRESS accounts are honored at all dining facilities on campus at individual meal plan rates.
• PONY EXPRESS accounts may be canceled on or before the payment due date. After this time, accounts may not be canceled unless a student graduates or withdraws from SMU.
• PONY EXPRESS balances of less than $25 will not be refunded and any remaining balance will be forfeited to the University.
• Points will be carried over from term to term until a student graduates.
• Any credit remaining on the PONY EXPRESS account at the point of graduation will be refunded to the student after all debt to the University has been paid.
• PONY EXPRESS accounts with no posted activity over a 12-month period will be closed and any remaining balance will be forfeited to the University.
• Students can deactivate their SMU ID card by logging on to the ID website: http://idcard.smu.edu. Once the SMU ID card is reported lost, it will be canceled immediately. A new ID card may be ordered online. A $30 fee will be charged for each replacement SMU ID card.

## SMU HEALTH CENTER

The mission of the SMU Health Center is to provide quality, caring, cost-effective and convenient ambulatory healthcare and health education services in association with other University departments that promote healthy lifestyles and enhance academic productivity leading to satisfying and rewarding college experiences.

Beginning in fall 2013, a new fee for health services was charged to the student tuition account. The fee is mandatory for all undergraduate and graduate students enrolled at the Dallas and Plano campuses and is separate from any mandatory insurance costs.

For each term (fall and spring) the fee is:

- $100 per term for full-time undergraduates;
- $50 per term for part-time undergraduates;
- $50 for all graduate students.

This fee is only assessed to students who do not reside in a residence hall. Otherwise, this fee is incorporated in the student’s rent.

The fee allows the University to enhance healthcare facilities and services for students, including increased access to specialists and mental health counselors.

It is important to note that students also are required to maintain health insurance to cover the costs of specialty care, prescriptions, emergency care, inpatient care and other off-campus health services. This requirement
can be met either by purchasing the Student Health Insurance Plan (SHIP) or an alternative insurance plan that has comparable benefits.

All SMU students paying tuition and fees, including the Health Center Fee, are eligible for the following services at no additional cost and are distinct from those covered by SHIP or a student’s private health insurance. Students who are in programs that do not charge fees, including the General Student Fee and the Health Center Fee, can pay at time of service.

Primary care medical services at the Health Center at no additional cost, including:
- Medical appointments during weekday hours
- Access to a convenient pharmacy on premises
- Influenza vaccinations

Counseling and Psychological Services (CAPS), including
- Psychological evaluation and short-term therapy
- Initial psychiatric medication evaluation
- 24-hour crisis on-call services

Health Education programs, including
- Alcohol and other drug evaluation and education
- Nutrition counseling and education
- Sexual health and relationships consultation and education

**MANDATORY HEALTH INSURANCE**

SMU is committed to the health and well-being of all students. The SMU Health Center is here to serve and provide students with medical care while attending the University. In order to ensure that students have appropriate healthcare coverage, a mandatory health insurance requirement was passed by the President’s Executive Council in February 2008. This mandatory health insurance policy requires domestic students, both undergraduate and graduate, enrolled in nine or more credit hours to maintain insurance coverage as a condition of enrollment. All international students enrolled in one or more credit hours must enroll in the Student Health Insurance Plan (SHIP), unless they receive a special waiver personally granted by the SMU Insurance Department.

SMU has partnered with Academic HealthPlans and BlueCross BlueShield of Texas to offer those students in need of health insurance coverage a student-focused, comprehensive medical plan designed to provide convenient and affordable access to medical care whether students are at school, at home or traveling or studying abroad. To view the SHIP benefits brochure, please visit ahpcare.com/smu.

SMU’s mandatory policy requires those students with enrolled status mentioned above to provide documentation of comparable current insurance coverage or to enroll in the SHIP on a term basis. Students will do so by selecting the “Health Insurance” button in the Student Center component of my.SMU.edu after they have enrolled for classes each
Domestic students already maintaining their own private coverage must waive SHIP coverage prior to the deadlines, which are August 28 for fall 2015 and January 22 for spring/summer 2016, to avoid automatic enrollment into SHIP and thereby having the semi-annual premium of $1,221 applied to the student’s University account.

**FINANCIAL POLICIES**

Students are individually responsible for their financial obligations to the University. All students are charged tuition based on their primary academic career at the University.

A student whose University account is overdue or who in any other manner has an unpaid financial obligation to the University may be denied the recording and certification services of the Office of the University Registrar, including the issuance of a transcript or diploma, and may be denied readmission until all obligations are fulfilled. The Division of Enrollment Services may stop the registration, or may cancel the completed registration, of a student who has a delinquent account or debt, and may assess all attorney’s fees and other reasonable collection costs (up to 50 percent) and charges necessary for the collection of any amount not paid when due. Matriculation in the University constitutes an agreement by the student to comply with all University rules, regulations and policies.

Once the outstanding debts have been paid, the student will need to obtain clearance from a member of the Division of Enrollment Services before being allowed to register, request a transcript or receive a diploma from the University.

Arrangements for financial assistance from SMU must be made in advance of registration and in accordance with the application schedule of the Division of Enrollment Services, Financial Aid. A student should not expect such assistance to settle delinquent accounts.

**Payment of Accounts**

Payment of tuition, fees, room, board and all other charges is done online through the SMUpay option in my.SMU.edu. Students select the method of payment (either electronic check or credit card).

A check returned dishonored or a credit card payment returned as a chargeback will constitute nonpayment of account and must be replaced by cash, cashier’s check or money order. This nonpayment may result in withdrawal from the University and the requirement that the payment of the student’s account for future terms be made by cash, cashier’s check or money order prior to enrolling. A $30 charge will be assessed each time a payment is returned.
Students registering must ensure that payment for the full amount of charges is posted to their account by the payment due date showing on their bill. The initial term payment due dates also are published on the Bursar’s website. Billing notifications to view the bill are sent to the student’s SMU email address and to the designated email address of the Authorized Payer(s) when a bill is generated. The billing notification will provide instructions on how to view the bill online through SMUpay. If notification has not been received two weeks prior to the due date, the student and/or designated Authorized Payer(s) should contact the Office of the University Bursar. Payments made in person or mailed must be received by the Office of the University Bursar, located on the first floor of the Blanton Student Services Building, no later than 4 p.m. CST on payment due date. Payments made online via electronic check or credit card must be posted no later than 11:59 p.m. CST on the payment due date. Students and/or those paying on behalf of the student who pay online automatically receive an electronic confirmation of payment; students and/or designated Authorized Payer(s) paying through other methods also can verify receipt of payment online. Students enrolling after the payment due date must pay at the time of enrollment.

If proceeds from state and federal loans are to be used to pay a student account, the funds must be posted to the student account in the Office of the University Bursar by the payment due date.

**Schedule Changes**
A student who drops a course during the scheduled add/drop period, but remains enrolled in other courses, will not be charged tuition and fees for the dropped course. (Undergraduate students pay the same tuition for 12-18 credit hours.) There will be no reduction in tuition charges for any course(s) dropped after the scheduled add/drop period. A student who drops all courses will be canceled or withdrawn, depending on the date of the transaction.

**Late Payment Fee**
Students whose accounts are not cleared by the payment due date or at the time of enrollment are subject to a late payment fee of $50 for balances between $250 and $999.99, and $150 for balances between $1,000 and $5,000. Balances over $5,000 are charged 3 percent of the outstanding balance, not to exceed $750. Also, after the monthly payment due date has passed, a 1.5 percent past due fee will be assessed on the unpaid student and/or miscellaneous account each month until the balance is paid. The enrollment of students whose accounts remain unpaid after the payment due date may be canceled at the discretion of the University.

**Direct Charge Policy**
SMU permits students to have purchases from the SMU Bookstore charged directly to their miscellaneous student account. Charges are billed monthly and are due on the date specified on the bill. Students with outstanding balances on their miscellaneous account will be charged 1.5 percent monthly on the past due balance. Students who have an outstanding balance during their tenure at SMU may lose the privilege to use direct charge from the SMU Bookstore. Students with repeated delinquencies on the account and/or returned checks will lose the privilege for the remainder of their matriculation at SMU.
Student Refunds

If the proceeds from student loans have been received by SMU prior to the first day of class and the student is eligible for a refund, the Office of the University Bursar will automatically begin processing refunds at the time the proceeds are posted to the student’s tuition account. Federal regulations state that the earliest date a refund can be processed, if the funds are on the tuition account, is 10 calendar days prior to the first day of class. Additionally, federal regulations require SMU to process refunds within 14 calendar days from the first day of class of a student’s primary academic career. If loans are received after the first day of class, students need to allow up to 14 calendar days from the date the proceeds are applied to the tuition account for a refund to be processed.

Any outstanding debts to the University that include Title IV funds must have an Authorization to Credit Account form (ACA) and/or an Authorization to Credit Account Parent form (ACAP) on file in order to transfer funds to cover current award year debts. Students need to sign the ACA form and the federal parent PLUS borrower needs to sign the ACAP form, located in the Forms Library on the Bursar’s website. Any outstanding debts to the University that do not include Title IV funds will be deducted from the credit balance prior to issuing the refund.

SMU has signed a contract with TouchNet, a payment gateway vendor that will offer both paper check refunds and ACH deposits. Only paper checks are currently issued through Touch Net. TouchNet will not only serve as a refund vendor but will also provide a user friendly system for parents and students to easily make payments, view their bill and set up authorized payers.

Refunds are continuously processed throughout the year as financial aid is applied to student accounts. Students may call or visit the Office of the University Bursar in the Division of Enrollment Services to check on the status of a refund 14 calendar days after funds have been applied to the tuition account.

Withdrawals from the University

A student who wishes to withdraw (resign) from the University before the end of a term or session must initiate a Student Petition for Withdrawal form and secure approval from his/her academic dean or director. The academic dean’s office or director’s office will then submit the form to the Office of the University Registrar. The effective date of the withdrawal is the date on which the Student Petition for Withdrawal is processed in the University Registrar’s Office. Discontinuance of class attendance or notification to the instructors of intention to withdraw does not constitute an official withdrawal.

Medical withdrawals and mandatory administrative withdrawals allow a prorated refund of tuition and fees and have conditions that must be met prior to re-enrollment at SMU. Medical withdrawals can be authorized only by a licensed physician or psychologist counselor in the SMU Health Center. Mandatory administrative withdrawals can be authorized only by the vice president for student affairs. As a matter of University policy, and in compliance with federal regulations, retroactive medical withdrawals cannot be granted. The last day for a medical withdrawal is the last day of class instruction for the term from which the student is withdrawing.

Withdrawing students living in SMU housing must check out of the
residence halls with the Department of Residence Life and Student Housing per established procedures.

**Room and Board**

The Housing Agreement is made for both fall and spring terms or either one or both of the five-week summer sessions. Should a student move from the residence hall at any time, the remainder of the rent for the term(s) or five-week summer session(s) will be due. For more specific information, read the Housing Agreement form or consult with the Department of Residence Life and Student Housing. A percentage of board may be refunded based on the date of official withdrawal from the University.

**TUITION AND FEES SCHEDULE FOR CANCELLATION/WITHDRAWAL**

A student who officially cancels his or her enrollment or withdraws from the University is charged only a portion of tuition and fees based on the effective date of the cancellation or withdrawal. Please refer to the following tables for the schedule:

FEDERAL AID RECIPIENT CANCELLATION AND WITHDRAWAL POLICY
Return of Federal Student Aid
The Higher Education Amendments of 1998 establish the principle of
“earned aid/unearned aid” for administration of federal student aid. A
student “earns” federal aid in proportion to the percentage of the term
completed. Unless a student completes at least 60 percent of a term, SMU
and/or the student may be required to return “unearned” aid. For example,
a student who completes 30 percent of the term has “earned” 30 percent
of federal aid; however, SMU and/or the student may have to return the
“unearned” 70 percent of aid. (After the 60 percent point has passed, the
student is credited with earning 100 percent.)
A student who receives a refund from financial aid for noninstitutional expenses (books, transportation, living or personal expenses) may be required to return the unearned portion of that refund. Financial aid or loan funds that have been “earned” will be repaid according to the terms of the promissory note(s). SMU must report to the U.S. Department of Education a student who owes a repayment. Generally, the student is ineligible for federal aid until repayment is made.

### Attribution of Refunds

- For a financial aid recipient whose SMU charges are reduced, SMU must use the refund to reimburse the aid accounts from which payments were made. Federal, state and institutional policies govern the attribution of the refund to appropriate sources.
- Federal: SMU will distribute the federal portion of the refund, if any, to repay disbursements made from federal accounts in the following priority sequence: Federal Direct Unsubsidized Loans, Federal Direct Subsidized Loans, Federal Perkins Loan, Federal Direct PLUS Loans Federal Pell Grant and Federal SEOG.
- Institutions/Other: Any portion of the refund not attributed to federal Title IV programs will be returned to nonfederal funding sources in the following priority sequence: state grant, SMU gift aid, private gift aid, private loan and student/parent.
- In no case will funds returned to a source exceed the disbursement for that payment period made from the source.

You can meet with a Student Account Adviser in the Blanton Student Services Building or call 214-768-3417 for assistance.

SMU PREPAYMENT PLAN (ONESINGLEPAYMENTUPFRONTFORALLTERMS)
SMU allows a matriculated undergraduate full-time (12–18 credit hours) student to prepay a minimum of two years and up to five years of tuition and general student fees at the current year rate. It covers fall and spring terms only.

The prepayment amount is due on the payment due date for the fall term; or, if the current fall term has already been paid in full by the payment due date, the remaining terms must be fully paid by the last day of October of the current academic year.
Scholarships and grants may not be used to reduce the prepayment amount.

If the student withdraws or is dismissed from SMU, the unused credit in the prepayment account will be refunded to the signatory on the Enrollment form, after the student’s account has been paid in full.

For information on the SMU Prepayment Plan, please inquire by emailing Christina Harris-Cain at christinah@smu.edu.

TAX EXCLUSION
Gift Tax Exclusion
Under the Internal Revenue Code, Section 2503(e)(2)(A), a direct transfer of funds to an educational institution such as SMU to be applied to cover the present and/or future costs of tuition for a college or university student does not count as a “gift” for federal gift tax purposes, including the $14,000 per year exclusion. Please contact your personal tax adviser for more information.

Plus $4,000 for child care for each child 5 years old and under and $2,000 for child care for each child 6 – 12 years old of a working spouse or a single student.

LOANS

SMU and other investment partners offer your family several loan options featuring low-interest rates and long-term payments. Some loans are awarded on the basis of documented financial need, others on the basis of creditworthiness and income. All loans must be repaid; they are not gift aid.

SMU FAMILY ASSISTANCE LOAN
Made possible in part by the generous gifts of the John and Sue Patrick Foundation Loan Fund and the Murray Case Sells Student Loan, SMU’s innovative loan program offers creditworthy families with documented income the opportunity to stabilize and control college costs. It features a low-interest rate with a fixed monthly payment and repayment of two years for every year that you may borrow, up to eight years. Parents and students
must co-sign the loan.

The University will lend up to $10,000 per term with a maximum credit line of $80,000. If families choose to reduce their loan request at any time, SMU will reduce the number of monthly payments accordingly. Interest charges accrue only on advances as they are made and borrowers may prepay any part of the loan at any time without penalty. Refer to the following table for examples of monthly payments.

GUIDELINES FOR NEED-BASED AID

Under SMU’s “shared investment” concept, we believe that both parents and students have a primary responsibility to contribute toward educational expenses to the extent that they are reasonably able. In order to be considered for need-based assistance, certain requirements must be met, as set forth in the following SMU, state and federal guidelines.

SMU GUIDELINES FOR NEED-BASED AID
We consider undergraduate students to be dependent upon their families, and each family must supply financial data to be considered for SMU need-based aid.

For federal funding purposes, a student may qualify as independent or self-supporting if he or she meets one or more of the following criteria:

- The student is an orphan or a ward of the court.
- The student is a U.S. military veteran.
- The student provides more than half of the financial support for a dependent other than a spouse.
- The student is married.
- The student turns 24 years of age before December 31 of the academic year for which aid is sought.
- The student was in foster care after age 13.
- The student was an emancipated minor by the court in the student’s state of legal residence.
- The student was under legal guardianship as determined by a court in the student’s state of legal residence.

The University reserves the right to alter from year to year the combination of gift funds and self-help (loan and work) included in need-based aid packages, based on the student’s documented financial need, funding availability, policies of the Board of Trustees, and federal and state laws and regulations. In general, the amount of self-help will increase as a student advances toward graduation.

STATE AND FEDERAL GUIDELINES
To be eligible for federal or state financial assistance, a student must meet the following criteria:

- Be in good standing and make satisfactory progress in the selected course of study leading to a degree or certificate
- Not be in default on any student loan or have borrowed in excess of the loan limits
- Not owe a refund on grants previously received from the federal government or the state of Texas
- Be registered with the Selective Service, if required to do so
- Be a U.S. citizen or an eligible nonresident (for federal programs) and be a Texas resident as defined by Texas program regulations (for state programs)

Students selected for verification must submit requested documents that may include tax transcripts. They should be submitted in a timely manner to
be considered for available funds. Verification must be completed prior to disbursement of funds.

GRANTS

Grants are gift aid awarded on the basis of documented financial need. The partners who invest in your education include SMU, the federal government and the state of Texas (for legal residents as specified by the state program). If a student qualifies for need-based aid, SMU awards loans and employment opportunities, then gift aid. As a matter of SMU policy, the loan components of the aid package will increase as the student progresses. Grant aid can vary each year depending upon the information provided on Free Application for Federal Student Aid (FAFSA) and CSS/PROFILE® applications. FAFSA and CSS/PROFILE® must be filed by April 15 each year to receive SMU need-based grants for undergraduate students.

EMPLOYMENT

National studies indicate that college students who work part-time find it beneficial not only in supplementing finances, but also in learning skills such as time management. They also remain in school at a rate significantly higher than nonworking students, according to a U.S. Department of Education survey. Earnings for the following employment programs are paid biweekly to the student and are not applied to University invoice costs. For information on current job openings, visit the Student Employment Office website at www.smu.edu/enrollmentservices/financialaid/typesofaid/studentemployment.

FEDERAL WORK-STUDY PROGRAM
The Federal Work-Study (FWS) program offers on- and off-campus community service along with on-campus work opportunities to eligible students.

Eligibility: Must file a Free Application for Federal Student Aid (FAFSA) as part of the application process for FWS assistance, awarded as a part of a need-based financial aid package

ON-CAMPUS EMPLOYMENT
On-campus employment is available to students based solely on the desire to work on campus.
Eligibility: SMU students

INTERNATIONAL ACADEMIC SCHOLARSHIPS

INTERNATIONAL STUDENT AID
SMU offers a limited number of undergraduate academic scholarships to students who are citizens of foreign countries and who have outstanding academic records.

By definition in Department of Homeland Security (DHS) regulations, international students may work only on campus while in the United States as a student. Maximum hours worked during full-time enrollment are 20 hours per week. Between periods of enrollment (summer, winter, etc.), a student may work 40 hours per week.

Inquiries concerning financial assistance for graduate study should be sent to the graduate division of the SMU school in which the student hopes to enroll.

SMU SATISFACTORY PROGRESS POLICY FOR FEDERAL, STATE AND INSTITUTIONAL FINANCIAL AID ELIGIBILITY
The Higher Education Act of 1965, as amended October 6, 1983, mandates that institutions of higher education establish minimum standards of “satisfactory progress” for students receiving federal financial aid. The standards outlined below also are used for state and institutional funds. SMU has a selective admission policy and strict academic standards for continued enrollment. If a student is admitted to SMU and allowed to continue enrollment, the student is considered to be making satisfactory progress.
toward the chosen degree for financial aid programs, provided the student maintains a 2.000 GPA and completes 75 percent of all classes attempted. Graduate students must maintain a 3.000 GPA, unless otherwise required by the academic department, and a 60 percent completion rate.

RIGHT TO APPEAL
If the rate of course completion at the end of any term of enrollment is less than that mentioned above or the GPA is below the required minimum, the student is no longer eligible to receive financial aid funds. A student who is no longer eligible to receive aid due to academic progress has the right to submit an appeal to the Office of Financial Aid. Each appeal is reviewed by the SMU Financial Appeals Committee to determine if financial aid can be awarded. If approved, aid will be awarded for a single term basis and academic progress will be reviewed for improvement at the end of each term. Awards will be made only if there are mitigating circumstances. The time limit for completion of a baccalaureate degree is six 12-month academic years or a maximum of 180 attempted hours.

For maximum utilization of financial aid resources, the University reserves the right to interchange the sources for all scholarships and grants. SMU policy limits maximum payments from SMU-funded scholarships, grants and benefits to a total of tuition and fees.

INTERTERM PROGRAMS ON THE DALLAS CAMPUS

JanTerm
January 4–13, 2016 (8 class days)
janterm@smu.edu
smu.edu/janterm

MayTerm
May 12–27, 2016 (11 class days)
mayterm@smu.edu
smu.edu/mayterm

Interterm programs allow motivated students to take one course in a condensed timeframe, while enjoying a smaller class size and reduced tuition. “JanTerm” is held just prior to the start of the regular spring term, and “MayTerm” is scheduled immediately following the spring term. Interterm programs enable students to catch-up, make-up, or get ahead, and to stay on track for graduation.

JanTerm and MayTerm courses are separate and in addition to the course load carried during the fall and spring semesters. Some 40 to 50 courses in a variety of subjects are offered during these mini-terms, which are announced...
several months in advance. Some courses may be used to fulfill University Curriculum (UC) requirements while others count toward a major, minor, elective or prerequisite. Courses are taught by dedicated SMU faculty and adjunct professors who are willing to give up their breaks to teach during these condensed time frames.

Any SMU student in good standing is eligible to enroll in JanTerm or MayTerm courses through my.SMU. It may also be possible for non-SMU students to be admitted as a visiting or nondegree student. Students should be aware that this is a rigorous undertaking and should not enroll unless they are prepared to commit the time and energy necessary to successfully complete an entire course through this intensive format and to attend every class session.

Interterm programs are offered at a discounted tuition rate (based on the previous summer’s per credit hour tuition rate). No other fees are assessed with the exception of travel costs, housing and special fees for travel courses held outside Dallas. SMU students should consult with their financial aid adviser for assistance regarding applicable academic and financial aid. Most SMU Merit Scholarships (such as the President’s Scholars, Hunt Scholars, Provost, Rotunda, etc.) are available in pro-rated amounts for 3 or 4 credit-hour courses during Interterm programs. Students receiving SMU Opportunity Awards may also be eligible for a modest amount of funding; however Federal and State funds are not available for JanTerm, but may be available during MayTerm IF the student is also attending another SMU summer term.

Students living in SMU Residential Commons who wish to remain on campus during an InterTerm program may be able to stay in their current room (during JanTerm) or move to another location (during MayTerm). Arrangements and fees are handled by SMU RLSH; for more information and to request InterTerm housing, please contact RLSH at housing@smu.edu.
