

View Student Degrees

1. Click the **Records and Enrollment** link.

2. Click the **Graduation** link.

3. Click the **Student Degrees** link.

4. Enter the desired information into the **ID** field.

5. Click the **Search** button.

6. Degree information is displayed. Click the **Degree Honors** link.

7. Honors information is displayed. Click the **Degree Plan** tab to view a student's major.

8. Click the **Degree Sub-Plan** link.

9. **Note:** Not all majors have sub-plans. If the student has more than one degree click back on the **Degree** tab and review the next row of information.

10. **End of Procedure**
