Dear friends and members of the SMU Mothers' and Dads' Clubs,

The 2016-17 year at SMU has been wonderful and we would like to invite you to help the Mothers' and Dads' Clubs finish the year strong. Our annual Gifts Campaign supports our Special Projects Fund and helps to make SMU the place it is today. Your gift, when combined with others, provides critical support to our sons and daughters and their SMU experience. All contributions to our Gifts Campaign go directly back to the students and make some amazing things possible! Here are just a few things that were made possible by past donations.

$100 x 100 donors provide
- Uniforms and food for our Peruna Handlers
- Programming for the Residential Commons communities
- Furnishings for the SMU Military Veterans Lounge
- T-shirts for all first-year students attending Mustang Corral
- Continued support for the Caswell Leadership Fellows Program

$200 x 100 donors provide
- Career Fair and Resumania programming to offer jobs and internships for students
- Funds to help students design, build and compete with a mini Indy race car
- Scoreboards for the intramural fields and support for Club Sports

$500 x 100 donors provide
- Support for SMU traditions like Pigskin Revue and Sing Song
- Critical financial support for deserving undergraduates
- Funding to send students to a minority leadership conference

Please join your fellow SMU moms and dads and make your gift today! You may return your tax-deductible gift by enclosing it with the completed form in the provided envelope, or donate online at smu.edu/momsanddads where our Gifts Campaign information is available. Your gift of any amount means our clubs can make a difference for more SMU students.

Thank you for being a part of supporting our SMU students and making the Second Century even better!
