Dear members of the SMU Mothers' and Dads' Clubs,

From the little things to the big things, the day-to-day and the momentous, gifts to our Annual Gifts Campaign help make SMU the special place it is today. Your gift, when combined with others, provides critical support for our students' SMU experience. These are just a few of the things made possible by Gifts Campaign contributions to The Mothers' and Dads' Clubs Special Projects Fund.

We hope you will consider a gift of any amount to our Annual Gifts Campaign. Join your fellow SMU moms and dads and make your gift today!

What will you make possible at SMU?
