Join SMU Staff Association on September 22, 2021 from 10 - 11 AM for our kick-off "lock & key" meet and greet event.

Participants will be given either a lock or a key and an ice breaker question in this fun anxiety-free approach to socialize and meet new colleagues. Guests will mingle about the indoor and outdoor spaces in search of their unique lock and key combination that has the potential to unlock cool prizes. Each match will win you a raffle ticket. After a match is found, a new lock or key will be given to continue socializing, making new friends, and earning more raffle tickets to increase your odds of winning.

Participation is KEY to UNLOCKING new connections!

Current university COVID-19 policies will apply.
