BIBLICAL LANGUAGES AT PERKINS

Welcome new Perkins students! We, the faculty in Division I, are excited to welcome you to our community of faith and learning. We want to encourage you to consider studying a Biblical language (Greek or Hebrew) at Perkins, for it will immeasurably enrich your ability to interpret the Bible. Furthermore, we recommend that, if possible, you begin this study during your first year. This will allow you to complete these languages and take upper-level classes later in your academic program. Especially if you are considering Ph.D. work in New Testament or Hebrew Bible, it is very important to begin your language study as early as possible. You may take biblical languages as pass/fail or letter grade. If you would like more information, please feel free to contact us.

Sincerely,
Members of Division I
