## **SOUTHERN METHODIST UNIVERSITY**

### **The Vision of Southern Methodist University**

To create and impart knowledge that will shape citizens who contribute to their communities and lead their professions in a global society.

### **The Mission of Southern Methodist University**

Southern Methodist University will create, expand and impart knowledge through teaching, research and service, shaping world changers who contribute to their communities and excel in their professions in a global society. Among its faculty, students and staff, the University will cultivate principled thought, develop intellectual skills and promote an environment emphasizing individual dignity and worth. SMU affirms its historical commitment to academic freedom and open inquiry, to moral and ethical values, and to its United Methodist heritage.

### **Description of the University**

As a private, comprehensive university enriched by its United Methodist heritage and its partnership with the Dallas Metroplex, Southern Methodist University seeks to enhance the intellectual, cultural, technical, ethical and social development of a diverse student body. SMU offers undergraduate programs centered on the liberal arts; excellent graduate and continuing education programs; and abundant opportunities for access to faculty in small classes, research experience, international study, leadership development, and off-campus service and internships, with the goal of preparing students to be contributing citizens and leaders for our state, the nation and the world.

SMU comprises seven degree-granting schools: Dedman College of Humanities and Sciences, Edwin L. Cox School of Business, Dedman School of Law, Bobby B. Lyle School of Engineering, Meadows School of the Arts, Perkins School of Theology, and Annette Caldwell Simmons School of Education and Human Development.

Founded in 1911 by what is now the United Methodist Church, SMU is non-sectarian in its teaching and is committed to the values of academic freedom and open inquiry.

At its opening session in 1915, the University had two buildings, 706 students, a 35-member faculty and total assets of \$633,540.

Today, the University has more than 100 buildings, a total enrollment averaging more than 10,000 the past 10 years, a full-time faculty of 740 and assets of \$2.6 billion – including an endowment of \$1.5 billion (market value, May 31, 2015).

Offering only a handful of degree programs at its 1915 opening, the University presently awards over 100 baccalaureate degrees in more than 90 programs, with in five schools. The university also offers a variety of graduate programs in all of its seven schools.

Of the 11,643 students enrolled for the 2015 fall term, 6,411 were undergraduates and 5,232 were graduate students. The full-time equivalent enrollment was 6,281 for undergraduates and 3,791 for graduate students.

Nearly all the students in SMU's first class came from Dallas County, but now more than 50 percent of the University's undergraduate student body comes from outside Texas. In a typical school year, students come to SMU from every state; from more than 100 foreign countries; and from all races, religions and economic levels.

Undergraduate enrollment is 50 percent female. Graduate and professional enrollment is 46 percent female.

A majority of SMU undergraduates receive some form of financial aid. In 2015–2016, 73 percent of first-year students received some form of financial aid, and 25 percent of first-year students received need-based financial aid.

Management of the University is vested in a board of trustees of civic, business and religious leaders – Methodist and non-Methodist. The founders' first charge to SMU was that it become not necessarily a great *Methodist* university, but a great *university*.

### **Academic Accreditation**

## **PERKINS SCHOOL OF THEOLOGY**

### **The Mission of Perkins School of Theology**

The primary mission of Perkins School of Theology, as a community devoted to theological study and teaching in the service of the church of Jesus Christ, is to prepare women and men for faithful leadership in Christian ministry.

Perkins School of Theology affirms its relationships to the community of learning that is Southern Methodist University, to the universal church (inclusive, ecumenical and global), to the United Methodist Church specifically and to its particular geographical and cultural setting in the southwestern United States.

These relationships are sources of strength and avenues of service for the school as it pursues its twin tasks of theological reflection and theological education to the glory of God.

### **History and Facilities**

The School of Theology has been an integral part of Southern Methodist University since the latter's founding in 1911. It grew out of a movement led by Bishop Seth Ward of the Methodist Episcopal Church, South, to establish a theological school west of the Mississippi. Dr. E.D. Mouzon, dean of the Theological Department of Southwestern University and later bishop, became its first dean in 1914. With the opening of the University in the following year, the school of theology began its work as the church's official theological school for the region west of the Mississippi. When ownership of the University was vested in the South Central Jurisdiction of the Methodist Church at the Uniting Conference of 1939, the school of theology became the official theological school of that jurisdiction.

Dean Mouzon was followed by Deans Hoyt M. Dobbs (1917), Paul B. Kern (1920), James Kilgore (1926), Eugene B. Hawk (1933), Merrimon Cuninggim (1951), Joseph D. Quillian, Jr., (1960), James E. Kirby (1981), Robin W. Lovin (1994) and William B. Lawrence (2002).

For more than a century, the generosity of alumni and friends of the school have made possible higher learning through real experience leading to vital ministry.

Originally housed in Dallas Hall, the school occupied Kirby Hall (which is now Florence Hall in the Law School) from 1925 to 1950. Beginning in 1945, the University received a series of large gifts from Lois and Joe J. Perkins of Wichita Falls, Texas that made possible the relocation and expansion of the School of Theology and provided major endowment for its support. Six of the eight buildings on the present site in the southwest corner of the University campus were provided by these gifts. The Board of Trustees responded by naming the school Perkins School of Theology.

The new campus, occupied in 1950, consisted of the chapel, Kirby Hall, four dormitories (Smith, Perkins, Martin and Hawk halls) and Bridwell Library. A few years later, Selecman Hall was added.

Bridwell Library, the library of Perkins School of Theology, is also Southern Methodist University's principal bibliographic resource for the fields of theology and religious studies. The library houses more than 380,000 volumes in religion and related fields. In addition to the general collection, Bridwell Library Special Collections include approximately 52,000 rare books and manuscripts. Particular strengths of the special collections include theology, church history, textually and historically significant editions of the Bible, *Methodistica*, *Wesleyana* and early printing. To enhance public and scholarly awareness and appreciation of the collections, Bridwell presents exhibitions and hosts lectures, conferences and workshops.

Completed in 1950, the original Bridwell Library building was a gift of Joseph Sterling Bridwell and his daughter Margaret Bridwell Bowdle of Wichita Falls. In the 1950s and early 1960s, they also made it possible for Bridwell to begin acquiring rare books. In 1973, the philanthropic organization Bridwell founded, the J.S. Bridwell Foundation, funded the doubling of the size of the library building. In the late 1980s, another major Bridwell Foundation gift permitted the renovation of the library. At the same time, a gift from Charles N. Prothro in honor of his wife, Elizabeth Perkins Prothro, made possible the addition of exhibition galleries to the library building. Today, the library facilities include computer lab and wireless service, reference and periodical reading rooms, graduate student carrels, and special-needs stations.

In 2009, Perkins School of Theology completed the construction of one new building and the renovation of two others. This project, which involved an investment of more than \$14 million, provides state-of-the-art instructional technology and fully accessible facilities for all persons. The new building, Elizabeth Perkins Prothro Hall, is a Leadership in Energy and Environmental Design certified building, constructed to meet or exceed standards of environmental concern. It contains principal classrooms, lecture halls, a computer lab for student use and a preaching lab. It also contains a refectory for Perkins' community meals and a great hall for dinners and other public gatherings. The renovated Kirby and Selecman halls are the primary locations of faculty, staff and administrative offices. These three buildings, along with Bridwell Library and Perkins Chapel, form the theology quadrangle at the Bishop Boulevard entrance to Southern Methodist University.

### **Community Life**

Theological reflection and education for ministry are the purpose of the school. However, these imply a concern for the total development of people in the community. This concern is manifest not only in the classroom and library, but also in a wide range of activities and associations, which make up the life of the school.

Worship is a central element in the life of the school. Brief services of worship led by students and faculty are held daily. The principal worship services of the school are held on Wednesdays and Thursdays. These services are planned by a committee of faculty and students and include elements from the many worship traditions represented in the Perkins community. Community lunches are held Tuesday through Friday during the term. Common meals, celebrating holidays or highlighting special groups or themes, take place several times each year. Individual resident hall groups also get together for meals and social events.

There are a number of student organizations and groups. Every regularly enrolled student is a member of the Perkins Student Association, which assumes responsibility for those aspects of student life and government that are not directly under the jurisdiction of the Perkins faculty. An elected PSA council governs the association. Student representatives also serve on the standing committees of the faculty. Committees of the PSA council deal with social justice, social life, ecumenical affairs, academic concerns and worship. Several active student groups are recognized and funded by the PSA council, including Black Seminarians Association, L@s Seminaristas, the Order of St. Luke, Affirming Religious Community and International Students of Perkins.

Seminary Singers is a choral group open to all Perkins students, under the leadership of the Master of Sacred Music program. The group sings in the weekly chapel services and on other occasions throughout the year.

Special programming and events for the Perkins community, as well as other groups and activities for Perkins students and their families, are organized under the leadership of the PSA council and the director of student services.

## DEGREES OFFERED

Perkins offers a variety of degree programs. Education for church leadership is provided through the Master of Divinity program, intended primarily, although not exclusively, for persons seeking ordination. The Master of Arts in Ministry program has as its main objective the preparation of people for specialized church ministry. The Master of Sacred Music program is offered in cooperation with the SMU Meadows School of the Arts for the education of leaders in church music. A student seeking ordination as a deacon within the United Methodist Church may pursue required courses within any of the above degree programs. The Master of Theological Studies program is primarily for people who wish to engage in serious theological study, especially for those considering a doctoral degree. The Master of Theology program is designed for students to fulfill one or more of three goals: enhancing the practice of ministry through advanced study of a particular theological or pastoral discipline, examining a specific aspect of the Christian religion/traditions or function of Christian ministry, and preparing for more advanced study at the doctoral level. The Doctor of Ministry degree program provides advanced education for church leadership and is available for students who hold the M.Div. or an equivalent degree. The Doctor of Pastoral Music degree is intended to provide an environment for the vocational renew of practicing and experienced church musicians, and equip them for changes in the profession of church music in the areas of liturgy, cultural diversity, theological perspectives, congregational song, contextual musical analysis, and additional skills related to the performance of music in worship.

Perkins also cooperates in the Graduate Program in Religious Studies of Dedman College, which offers the M.A. and Ph.D. degrees. These degree programs are intended chiefly for those interested in college and university teaching and scholarship in religious studies. Further information concerning them can be obtained from the director of the Graduate Program in Religious Studies.

## **HOUSTON-GALVESTON EXTENSION PROGRAM**

Students who are admitted to study for the M.Div., M.A.M., or M.T.S. degrees may enroll in classes held at St. Paul's United Methodist Church in Houston and Moody Memorial First United Methodist Church in Galveston. Under this program, students may earn a significant portion of their degree requirements in weekend and evening classes. A typical class will be offered in a four-week module on Thursday evenings, alternate Friday evenings and alternate Saturdays. Thus, students may be able to complete a minimum of two courses per term.

Most courses in the Houston-Galveston program are taught by full-time Perkins faculty. All classes earn degree credit and meet the same requirements as comparable courses taught in Dallas. The Bridwell Library provides a reserve shelf for required and recommended texts. Computer links to the Bridwell catalog are available, and most research materials can be delivered to students in Houston or Galveston within a few days. Other libraries in the Houston area also have extended privileges to Perkins students. Community life is enhanced through regular worship and social events.

Students applying to begin their studies in the Houston-Galveston program must meet the requirements for admission to their respective degree programs as detailed in this catalog. Non-degree seeking applicants are also accepted.

Students must complete at least 24 hours of study on campus in Dallas. Students in all degree programs may need to take more than the minimum number of hours in Dallas in order to complete certain required courses in a timely fashion. Prospective students are encouraged to consult with the Office of Admissions and Financial Aid at 1-888-THEOLOG (843-6564) or 214-768-2293 or [theology@smu.edu](mailto:theology@smu.edu), regarding course offerings and degree requirements.

## **THE ADMISSION PROCESS**

Requirements for admission to each of the Perkins degree programs are outlined in the more detailed descriptions of each program found in the next section of this catalog. Persons seeking admission should contact the Office of Admissions and Financial Aid well in advance of the term in which they wish to matriculate, since the process of admission takes some time.

Applications for the M.Div., M.A.M., M.S.M., M.T.S. and Th.M. programs are available from the Office of Admissions and Financial Aid and should be completed and returned to that office, with the necessary supporting materials, by May 1 for fall admission and November 1 for spring admission. Deadlines for the extension program are July 1 and December 1.

Information and applications for the D.Min. and D.P.M. programs may be obtained from the program director.

### **Admission by Transfer**

The procedures and standards for admission for students who wish to transfer from other theological schools are the same as for all new students. In such a case, the student's academic record in seminary as well as in undergraduate study or other graduate programs will be considered. A transcript of academic credits and a letter of good standing will be required from the theological school of record. The design of the Perkins M.Div. curriculum is such that transfer into that program after more than a year of study elsewhere is ordinarily not encouraged.

A student may apply for transfer credit from schools accredited by the Association of Theological Schools. The work must have been completed within the past seven years and earned a grade of 2.000 or better. The registrar in consultation with the associate dean of academic affairs will determine, in each case, the number of credit hours that a student may transfer to a Perkins degree program and their allocation to the requirements of the program. The maximum number of hours that will ordinarily transfer toward a degree is as follows: 30 credit hours for the M.Div., 24 credit hours for the M.A.M. and 21 credit hours for the M.T.S. By action of the University Senate of the United Methodist Church, only online courses offered by an official United Methodist seminary or Asbury Theological Seminary may count toward a degree for a candidate seeking ordination in the United Methodist Church. Transfer credit toward the M.S.M. degree is discussed under the requirements for admission to that program in the next section of this catalog.

Courses in United Methodist studies, including history, doctrine, polity and evangelism, required for United Methodist ordination are transferable only from theological schools approved by the United Methodist University Senate.

### **Admission With Advanced Standing**

Students who wish to enter Perkins following the completion of a graduate theological degree at another school accredited by the Association of Theological Schools may be eligible for advanced standing. Advanced standing reduces the number of hours required for completion of a Perkins degree. In each case, a transcript of academic credits is required. The transcript must show the awarding of a degree in the last seven years with a grade of 2.000 or better. No more than half of the credits required for the degree already completed and no more than half of the credits required for the Perkins degree may be granted on the basis of advanced standing. A student interested in the possibility of advanced standing should notify the registrar prior to the beginning of coursework.

### **Admission With Advanced Placement Without Credit**

A student who, by means of coursework prior to entering Perkins, has achieved competence in a given field equivalent to that normally gained through one or more of the required courses in an academic division may seek advanced placement in the work of that division. Advanced placement is granted without credit, and it does not reduce the amount of credit that must be earned in the division or in the degree program as a whole, but it enables the student to use his or her time to better advantage. A transcript of academic credits is required and, in some cases, an oral or written assessment of competence may be required. Students interested in the possibility of advanced placement should notify the associate dean for academic affairs in writing as early as possible and no later than the beginning of their first term at Perkins. Courses taken by advanced placement to satisfy the general requirements in a division may not be counted toward the hours of elective work required in the M.Div. degree program.

### **Withdrawal, Re-entry and Readmission**

A student who withdraws from school for any reason for part or all of a regular academic year and who has been away from the University for less than three years must apply in writing to the associate dean for academic affairs for re-entry. A student who withdraws from school for any reason for part or all of a regular academic year and who has been away from the University for three years or more must re-apply through the office of admissions for readmission. For the re-entry and readmission of a previously enrolled student, the Committee on Student Development may be consulted. The committee may require information about the student beyond that which was furnished at the time of admission.

The faculty may, at any time, require the withdrawal of any student whose conduct is, in the judgment of the faculty, inconsistent with the standards of the school and the University or with the objectives of the degree program in which the student is enrolled.

### **Change of Degree Program**

A student who is currently enrolled in the M.Div., M.A.M., M.S.M. or M.T.S. program and who wants to transfer to another of these programs must formally put forward a Request for Change of Degree form through the Office of Admissions for admission to the new degree program. The Office of Admissions should be consulted regarding the appropriate procedure. The transfer of credit hours is subject to the direction and approval of the registrar and the associate dean for academic affairs. Ordinarily, credit is fully transferable between programs. A current student wanting to change degrees to the Th.M. degree program must formally apply for admission to the new degree program, meeting the requirements for the Th.M. degree program.

### **Combined Degree Programs**

One may pursue two Perkins professional master's degrees concurrently in any of several combinations. A student considering such an option should consult with the director of student services.

### **Admission of Non-degree seeking Students and Auditors**

People who have a B.A. or equivalent degree and who wish to take courses for credit but who do not wish to enter a degree program may seek admission to Perkins as a non-degree seeking student. The student must submit a completed application (available from the Office of Admissions and Financial Aid) along with official transcripts of all undergraduate and graduate academic work, two letters of reference and an explanation of the proposed plan of study indicating the courses desired.

Admission as a non-degree seeking student is for one year (two terms) only. A student desiring to continue beyond the one-year limit must formally ask the director of student services to continue beyond the two terms. Admission as a non-degree seeking student does not guarantee, nor does it preclude, later admission to any degree program offered by Perkins. Non-degree seeking students are not eligible for any form of financial assistance from the school.

Students enrolled in other degree programs at Southern Methodist University may be permitted to register for Perkins courses upon the approval of their respective deans. They must have at least junior class status and an average GPA of 3.000 or higher and should contact the registrar for specific information about the process.

People desiring to audit a course must secure permission from the registrar and the course instructor, and must pay an audit fee before completing registration.

### **OTHER PROGRAMS OF STUDY**

In addition to its degree programs, Perkins offers various other programs of study, formal and informal. Some of these may be pursued in conjunction with a degree program, while others are independent. Some lead to ordination while others are simply opportunities for continuing education. All are described in the following sections of this catalog: Special Programs for Academic Credit, Areas of Concentration and Services in Continuing Education.

# MASTER OF DIVINITY

---

## PURPOSE

The Master of Divinity degree is designed primarily for students who plan to be ordained clergy and serve in Word, sacrament, service and order. It may also equip a person for other specialized ministries.

## REQUIREMENTS FOR ADMISSION

The number of new students to be admitted each year is determined by policies of selection established by the faculty. The following considerations are decisive:

1. Seriousness of purpose, emotional stability and likelihood of satisfactory performance in the degree program and of responsible membership in the Perkins and Southern Methodist University community.
2. Presence of and potential for growth in those emotional, moral and spiritual qualities requisite for the profession of ministry and the absence of patterns of personal behavior tending to be seriously disabling to ministry.
3. Academic ability as shown by a minimum GPA of 2.750 (on a 4.000 scale) in a well-balanced curriculum. Normally, an applicant must hold the B.A. or equivalent degree from a college or university accredited by a regional accrediting body (MSA, NASC, NCA, NEASC-CIHE, NEASC-CTCI, SACS, WASC-Jr. or WASC-Sr.). An applicant with a degree from an unaccredited school may be considered if the case is exceptional. It is particularly important that the student have an adequate liberal arts preparation. In keeping with the recommendations of the Association of Theological Schools concerning pretheological studies, the following 60 hours of liberal arts coursework are highly recommended for admission to the M.Div. degree program:
  - a. Three credit hours of philosophy (preferably historical or introductory courses or logic).
  - b. Twelve credit hours of English (especially courses that include grammar, composition and creative writing).
  - c. Three credit hours of history.
  - d. Three credit hours of social science.
  - e. Thirty-nine additional hours of liberal arts.

The following are considered highly desirable for admission to the M.Div. degree program:

- Three credit hours of a natural science or mathematics.
  - Six credit hours of a foreign language.
  - Six credit hours in religion (such as Bible, church history, history of religions, theology or ethics).
4. A reasonable program of financial support that will enable the student to be devoted properly to the main business of his or her theological training.

Persons who have already graduated from college or who are considering the ministry as a second career are given special consideration by the admissions committee, especially with regard to the adequacy of their pretheological curriculum.

Beyond the evidence of ability furnished by transcripts, applicants may be asked to demonstrate their preparation for theological study by adequate performance on either the GRE graduate school entry exam or the Miller Analogies Test.

To supplement the data furnished by transcripts, letters of reference and other written material, a personal interview with the director of student services or with a person designated by the director may be required of the applicant.

## REQUIREMENTS FOR GRADUATION

The M.Div. program requires 73 credit hours of academic credit: 64 credit hours of coursework and nine credit hours earned through the satisfactory completion of a supervised internship. Each M.Div. student will also enroll in a spiritual formation group for two terms, normally the first year of study, for one credit hour for the second term.

### Course Requirements

Students may use electives to concentrate in an area of theological studies, to study Hebrew and/or Greek, and/or to complete requirements for ordination. The course requirements, totaling 64 credit hours, are as follows:

## Grade Requirements

A minimum cumulative GPA of 2.000 on all coursework is required for graduation to the M.Div. degree. A minimum cumulative average of 2.000 is likewise required for continuation beyond the second term and for continuation in school beyond the fourth term.

## Admission to Candidacy

M.Div. students will be reviewed for admission to formal candidacy for the degree in the spring term following the completion of 27 credit hours of academic work. A student will be admitted to candidacy provided he or she is not on probation and is not disqualified for having given insufficient evidence of fitness for ministry (described in the Fitness for Ministry section). Admission to formal candidacy signifies that the student is proceeding satisfactorily in his or her work and may be considered for the degree upon completion of all the requirements, but it does not oblige Perkins to grant the degree.

## Ordination Requirements

Students preparing for ordination should become aware as early as possible of any specific educational requirements their denomination or judicatory may expect them to satisfy in the course of their M.Div. work (e.g., in the biblical languages or in denominational history, doctrine, polity and evangelism). They should explore, with their academic advisers, how best to deal with these expectations.

The requirements of the current United Methodist *Book of Discipline* concerning work in United Methodist history, doctrine and polity may be met by satisfactorily completing the following three courses: **HX 7365** United Methodist History (three credit hours), **ST 7034** United Methodist Doctrine (1.5 credit hours) and **CA 7013** United Methodist Polity (1.5 credit hours). These courses are not required for the M.Div. degree; they are provided as a means of satisfying these requirements of the church in the context of the programs. The *Book of Discipline* also indicates that these requirements may be met in ways other than through regular coursework, and students may wish to explore these other options.

In the United Methodist Church, the provisions for education and preparation for all forms of professional status in ministry are expressed in detail in the books *The Christian as Minister: An Exploration into the Meaning of God's Call* (2009–2012), General Board of Higher Education and Ministry, The United Methodist Church, Nashville, Tennessee, and *Understanding God's Call: A Ministry Inquiry Process* (2009), GBHEM, The United Methodist Church, Nashville, Tennessee.

## Spiritual Formation

All students completing the M.Div. are required to register for the program in spiritual formation. Students are required to attend a daylong orientation held in conjunction with the new student orientation program and are then enrolled in formation groups. These groups meet weekly throughout the fall and spring terms during the first year of the program. Led by facilitators in groups of five to 10, students share in a formative experience designed to provide them with the framework of a common experience, emphasizing the following:

- The opportunity to explore the vital connection between spiritual formation and ministry.
- Opportunities to explore the central genius of spiritual traditions.

- The development of a critical capacity that will allow the student to evaluate those traditions theologically.
- Broad-based exposure to a variety of spiritual disciplines.
- Experience in prayer and devotion.

Students are evaluated and given credit by the group facilitators on the basis of attendance and engagement with the subject matter of the formation process. Students should register in both the fall and spring of the first year. Exceptions to this rule must be requested in writing from the director of spiritual life and formation.

### **The Master of Divinity Internship**

The M.Div. program requires the satisfactory completion of a supervised internship carrying nine credit hours of academic credit. While the student registers for four and one-half hours of internship course credit during each of two consecutive terms, the internship degree requirement is satisfied only upon completion of the nine credit hours.

The following courses are recommended in preparation for the internship course: two courses in biblical studies, **XS 6310** The Church in Its Social Context, **HX 6305** and **6306** The Christian Heritage I and II, **ST 6301** and **6302** Interpretation of the Christian Message I and II, **PR 6300** Introduction to Preaching, **WO 6313** Introduction to Christian Worship, and participation in a spiritual formation group. United Methodist students, who are required by the *Book of Discipline* to take courses in United Methodist history, doctrine and polity, are advised but not required to take these courses prior to the internship. Comparable advice is given to students from other traditions.

M.Div. students may choose either a full-time or part-time internship. Both are nine months long, over the fall and spring terms of one academic year. Full-time is defined as a minimum of 35 hours per week (inclusive of the internship seminar) of work in the internship setting. Part-time is defined as a minimum of 25 hours per week (inclusive of the internship seminar) of work in the internship. A third option is a full-time Clinical Pastoral Education residency, which is 12 months long. All interns receive a stipend.

All internships are negotiated through the Perkins Intern Office. The placement process begins in September when prospective interns are invited to apply for internships beginning in August of the following year. Students complete an application and interview with an intern faculty member who will work with the student to secure an appropriate placement. Students are encouraged to pursue placement possibilities for discussion in the initial interview with the intern faculty member. Internship placements include church, agency and hospital chaplaincy settings. Serious consideration is given to the denominational preference of students during the placement process.

While interns are not prohibited from taking additional Perkins courses beyond the internship course or from holding employment outside the internship placement, the intern faculty will consult individually with students to help them make the choice between full-time and part-time internship in order to balance life and learn successfully on internship.

Students who hope to do internships outside the immediate five-state area (Texas, Arkansas, Louisiana, New Mexico and Oklahoma) must initiate an early conversa-

tion with an intern faculty member, preferably in the first year of their degree program.

**Note:** Student pastors who are appointed as the sole or senior pastor of a church may choose to apply for either the full-time or part-time internship. The student pastor's salary replaces the required internship stipend.

The Clinical Pastoral Education internship requires completion of a CPE residency (usually four CPE units and 12 months long) at a site accredited by the Association for Clinical Pastoral Education. An intern faculty supervisor will be assigned to the CPE intern and will consult with the CPE supervisor regarding satisfactory completion of the internship requirement. Students considering a CPE internship should be aware of the following:

1. A student may not receive both six elective hours of credit in pastoral care for an introductory unit of CPE (**PC 7639**) and nine credit hours for a CPE residency internship.
2. Many CPE programs require students to complete an introductory unit before they apply for a residency.
3. Many CPE residencies begin and end in August.

During internship, students do ministry under supervision and reflect theologically on their experiences. As the interns become more competent and self-confident in carrying out the tasks of ministry and gain theological, emotional and spiritual maturity in their understanding of it, they prepare themselves to provide resourceful, faithful Christian leadership in the world.

The design of the Perkins Intern Program assumes interns to be adult learners who can assess and value their past experiences and vocational goals and build on these creatively and systematically in pursuing the learning opportunities offered at their particular internship site. To that end, the internship course curriculum specifies a set of required competencies under each of three categories: *be aware, think theologically and lead faithfully*.

The Perkins Intern Program faculty partners with pastoral staff and laity at congregations and agencies and with mental health professionals experienced in church family systems to provide supportive supervision for students during internship. The mentor pastor and lay teaching committee assigned to each intern receive orientation and training as part of the intern program.

A student's internship begins with a required two-day Intern Orientation conducted in August by the intern faculty.

### **Fitness for Ministry**

Beyond the formal academic requirements, each student is expected to show evidence of personal fitness for ministry. This fitness may be defined positively as the presence of emotional, moral and spiritual qualities requisite for the profession of ministry. A lack of fitness for ministry may be demonstrated by patterns of personal behavior that inhibit effective ministry. Examples of such patterns include irresponsibility in social and/or professional relations and emotional instability. Formally, the presence of patterns of personal behavior tending to be seriously disabling to ministry may be grounds for the faculty to disqualify a student from graduation with the M.Div. degree, or, if the prognosis justifies it, to defer awarding the degree until such time as the disabling pattern is overcome.

It should be emphasized that personal fitness for ministry is not defined narrowly in terms of a particular form of piety or style of personal behavior nor does Perkins assume the role that belongs properly to those agencies of the church that evaluate candidates for ordination. When asked, it assists such agencies in their evaluations.

### **Time Limit**

All degree requirements must be completed within seven calendar years from the time of initial registration.

# MASTER OF ARTS IN MINISTRY

---

## PURPOSE

The Master of Arts in Ministry degree program is intended to prepare students for specialized church ministry. The goal of the program is to increase students' knowledge about the church and its ministries and to foster their ability to work meaningfully and creatively in a specialized area of church ministry. Presently, the M.A.M. program has five specialized ministry tracks. All tracks share a common core of required courses in theology, Bible, church history and the social context of ministry. The tracks have additional specialized requirements and a supervised internship appropriate to the area of specialization. The program provides the basic educational requirements for ordination as a deacon in the United Methodist Church.

The five tracks are

1. **Christian Education:** Intended primarily for those preparing for professional leadership as directors or as ministers of Christian education.
2. **Urban Ministry:** Intended for those preparing to work in community ministries in urban and peri-urban settings.
3. **Social Justice:** Intended for those preparing to lead ministries in congregations, communities, the public realm and other creative situations addressing systematic injustice.
4. **Evangelism and Mission:** Intended for those preparing to lead congregations and Christian organizations to engage in evangelistic ministries and mission outreach.
5. **Christian Spirituality:** Intended for those preparing to engage and reflect critically on Christian spirituality and to walk with others in ministries of spiritual formation.

## REQUIREMENTS FOR ADMISSION

The requirements for admission to the M.A.M. degree are the same as those for the M.Div. program.

## REQUIREMENTS FOR GRADUATION

### Course Requirements

The M.A.M. degree requires 49 credit hours of academic credit, which includes 42 credit hours of coursework and six credit hours in a supervised internship in a setting appropriate to the area of specialization. Students are also required to participate in a spiritual formation group for two terms, normally beginning during the first year of study, for one credit hour of credit earned in the spring term.

The required 49 credit hours are distributed as follows:

These hours replace all or part of the unrestricted electives from each of the five tracks listed above.

**Spiritual Formation**

All students completing the M.A.M. degree are required to register for the program in spiritual formation. Students are required to attend a daylong orientation held in conjunction with the new student orientation program and are then enrolled in formation groups. These groups meet weekly throughout the fall and spring terms during the first year of the program.

Led by facilitators in groups of five to 10, students share in a formative experience designed to provide them with the framework of a common experience, emphasizing the following:

- The opportunity to explore the vital connection between spiritual formation and ministry.
- Opportunities to explore the central genius of spiritual traditions.

- Broad-based exposure to a variety of spiritual disciplines.
- Experience in prayer and devotion.

Students are evaluated and given credit by the group facilitators on the basis of attendance and engagement with the subject matter of the formation process. Students should register in both the fall and spring of the first year. Exceptions to this rule must be requested in writing from the director of spiritual life and formation.

**The Master of Arts in Ministry Internship**

The M.A.M. program requires the satisfactory completion of a supervised internship in a church or agency setting appropriate to the student's area of specialization. The internship is nine months long, over the fall and spring terms of one academic year, and it carries six credit hours of academic credit. While the student registers for three hours of internship course credit during each of the two consecutive terms, the internship degree requirement is satisfied only upon completion of the six credit hours.

The following courses are recommended in preparation for the internship course: **XS 6310** The Church in Its Social Context, two courses in biblical studies, spiritual formation and at least one of the foundational courses for the student's specialized degree track.

All internships are negotiated through the Perkins Intern Office. The placement process begins in September when prospective interns are invited to apply for in-

ternships beginning in August of the following year. Students complete an application and interview with an intern faculty member. Students without suitable existing employment will work with the intern faculty to secure a placement in a teaching congregation or agency setting appropriate to their degree track. Students are encouraged to pursue placement possibilities for discussion in the initial interview with the intern faculty member.

The M.A.M. internship is part-time, requiring 20 hours per week (inclusive of the internship seminar) of work in the internship setting. All interns receive a stipend.

During the internship course, students do ministry under supervision and reflect theologically on their experiences. As the interns become more competent and self-confident in carrying out the tasks of ministry and gain theological, emotional and spiritual maturity in their understanding of it, they prepare themselves to provide resourceful, faithful Christian leadership in the world.

The design of the Perkins Intern Program assumes interns to be adult learners who can assess and value their past experiences and vocational goals and build on these creatively and systematically in pursuing the learning opportunities offered at their particular internship site. To that end, the internship course curriculum specifies a set of required competencies under each of three categories (*be aware, think theologically and lead faithfully*), tailored to the student's particular degree track.

The Perkins Intern Program faculty partners with staff and laity at congregations and agencies and with mental health professionals experienced in church family systems to provide supportive supervision for students during internship. The mentor pastor and lay teaching committee assigned to each intern receive orientation and training as part of the intern program.

A student's internship begins with a required two-day Intern Orientation conducted in August by the intern faculty.

### **Grade Requirements**

A minimum cumulative GPA of 2.000 is required for graduation. The same average is required for continuation in the program beyond the first year.

### **Admission to Candidacy**

M.A.M. students will be reviewed for admission to formal candidacy for the degree in the fall term following the completion of 18 credit hours of academic work. A student will be admitted to candidacy provided that he or she is not on probation and is not disqualified for having given insufficient evidence of fitness for ministry (described in the Fitness for Ministry section below). Admission to formal candidacy signifies that the student is proceeding satisfactorily in her or his work and may be considered for the degree upon completion of all the requirements, but does not obligate the seminary to grant the degree.

### **Fitness for Ministry**

Beyond the formal academic requirements, each student is expected to show evidence of personal fitness for ministry. This fitness may be defined positively as the presence of emotional, moral and spiritual qualities requisite for the profession of ministry. A lack of fitness for ministry may be demonstrated by patterns of personal behavior that inhibit effective ministry. Examples of such patterns include irresponsibility in social and/or professional relations and emotional instability. Formally, the presence of patterns of personal behavior tending to be seriously disabling to

ministry may be grounds for the faculty to disqualify a student from graduation with the M.A.M. degree, or, if the prognosis justifies it, to defer awarding the degree until such time as the disabling pattern is overcome.

It is to be emphasized that personal fitness for ministry is not defined narrowly in terms of a particular form of piety or style of personal behavior. Nor does Perkins assume the role that belongs properly to those agencies of the church that evaluate candidates for ordination or for professional service to the church. When asked, it assists such agencies in their evaluation of candidates.

### **Time Limit**

All requirements for the M.A.M. degree must be completed within five calendar years from the time of initial registration.

### **Ordination Requirements**

Students preparing for ordination should become aware as early as possible of any specific educational requirements their denomination or judicatory may expect them to satisfy in the course of their M.A.M. work. They should explore, with their academic advisers, how best to deal with these expectations. Students who are preparing for ordination as deacons in the United Methodist Church should take as their electives **HX 7365** United Methodist History, **ST 7034** United Methodist Doctrine, **CA 7013** United Methodist Polity, **WO 6313** Introduction to Christian Worship, and **EV 7307** Theory and Practice of Evangelism.

# MASTER OF SACRED MUSIC

---

## PURPOSE

The Master of Sacred Music degree program is jointly sponsored by Perkins School of Theology and the Division of Music of Meadows School of the Arts for the preparation of professional music and arts leadership in the church and, if one chooses, ordination as a deacon. Recognizing the existence of several models of professional church music leadership, this program provides a wide range of graduate-level training in performance, professional and academic skills.

High priority is placed upon the preparation of the church musician as enabler of congregational singing and conductor of various ensembles in both the church and the community. Professional church music courses, supervised practicum, worship leadership opportunities, conducting projects and other work offered in the School of Theology and the Division of Music provide opportunities to learn a wide range of literature, performance practices and skills and to apply this learning in both academic and churchly settings.

The program is enriched not only by the theological context in the School of Theology and relationship with Meadows School of the Arts, but also by the diverse and vibrant worship life and artistic opportunities in the Dallas area, one of the fastest growing metropolitan areas in the United States. Congregations reflect many ecumenical and cross-cultural possibilities that enrich the academic experience including a wide range of worship styles and more new organ installations in that last three decades than any other city in the world. Performance venues for symphony, opera and choral music, as well as spaces for dance, theatre and other artistic exhibitions make this one of the major hubs for the arts in the United States. An M.S.M. graduate should demonstrate the following aspirational goals:

- Musical, theological, liturgical and contextual discernment, including the ability to make sound musical and theological judgments about works performed, (e.g., questions of validity, quality and contextual appropriateness on the twin levels of text and music) and the capability to situate a musical work in a local context.
- Musical skills, including advanced accomplishment in an applied area appropriate to a faith community's piety, demonstrated through the voice, keyboard and choral rehearsal technique, and informed by the history and analysis of the genres of church music as well as by sensitivity to the ways current technologies can aid the realization of the music's goals in its contexts.
- Pedagogical process, including an understanding of faith formation through music for musicians of all types and ages, and application of processes for engaging musical participation by choirs and the congregation in worship.
- An understanding of the discipline of sacred music within a larger theological and cultural framework.
- Clarity toward a theology that positions music in all its dimensions as praise to God and service to neighbor, as biblically based offering and prophecy, and as proclamation of Gospel.
- Interpersonal sensitivity and organizational skills, including the ability to foster professional interpersonal relationships, Christian community in musical ensembles, and skills to effectively administer a music and worship ministry that supports the mission of a congregation in its context.

## REQUIREMENTS FOR ADMISSION

Applicants for the M.S.M. program must hold a Bachelor of Music or Bachelor of Music Education degree, or its equivalent, from a regionally accredited institution. Their undergraduate preparation must include credited work in choral conducting and at least 30 credit hours of courses in the liberal arts.

A cumulative GPA of at least 3.000 (on a 4.000 scale) is required for admission to the Division of Music. Admission to the School of Theology further requires that a minimum GPA of 2.750 be achieved in the student's liberal arts work. The concentration in liturgical musicology requires a cumulative GPA of at least 3.500 for admittance and requires that the student maintain at least a 3.500 GPA for all graduate work. Although one application is made through Perkins School of Theology, successful applicants for the M.S.M. program are accepted by both the Division of Music in the Meadows School of the Arts and the Perkins School of Theology.

The applicant is expected to bring capabilities in one of the seven concentrations offered, demonstrating potential for success for study at the graduate level. Admission to the applied concentrations (choral conducting, keyboards, organ, and composition and arranging) requires that the applicant demonstrate performance capabilities by a personal audition (for organists and for keyboards) or by an online Web link (for choral conductors). All academic concentrations (music education, worship arts and liturgical musicology) include applied instruction in choral conducting and organ and a keyboard proficiency exam. In addition, the application should include a description of previous experience or written work that demonstrates the applicant's ability to pursue graduate level work in the chosen concentration.

Applicants who already hold graduate degrees in music (Master of Music, Master of Music Education or other comparable degree) or who have completed some coursework at the graduate level may, upon the approval of the director of the program, apply up to nine credit hours (or the equivalent) of nonperformance graduate musical or theological study toward the M.S.M. degree. However, this work must also meet the approval of the Committee on Graduate Studies of the Division of Music (if the work is in music) or of the registrar of the Perkins School of Theology (if the work is in theology). Applicants who have already earned a graduate degree in music may also qualify for the Master of Theological Studies degree with a concentration in church music and worship, a program that focuses specifically on church music skills and repertoire and on theological studies. Applicants interested in such options should consult with the director of the M.S.M. program.

With the approval of the appropriate admissions committees, a student may pursue a second M.M. degree following the completion of the M.S.M. The applicant must satisfy the audition requirements of the Division of Music faculty in the Meadows School of the Arts. Depending on the field of study chosen for the M.M., an additional master's degree usually requires only one additional year because of the overlap in the programs. Hours in the M.S.M. may also apply toward the M.Div., Master of Theology or M.A. degrees offered by the Perkins School of Theology. Consultation with the director of the M.S.M. program is recommended.

## REQUIREMENTS FOR GRADUATION

### Planning a Program of Study

The course of study includes some work taken in common by all M.S.M. students and some work that is designed to serve the individual student's particular needs and interests. Each student elects one of seven options for concentration. All entering students must take graduate placement examinations administered by the Division of Music. These examinations aid in determining the student's strengths and weaknesses in the areas of music history, literature, theory, aural perception and, for choral conductors, keyboard proficiency. The results are used by the student and his or her adviser in planning a proposed course of study for the degree. After successfully completing 12 credit hours of approved coursework, each student, in consultation with his or her adviser, will prepare and submit a Proposed Course of Study to the director of the M.S.M. program. Any subsequent alterations to this proposal must be submitted in writing for approval.

### Course Requirements

The requirements for the M.S.M. total 48 credit hours, and they may be completed in two years (usually including summers) depending on the results of the Graduate Placement Examinations. Placement exams in music history and theory will be administered during the week before classes begin in Meadows School of the Arts. Those pursuing an additional graduate music degree in Meadows School of the Arts or fulfilling the requirements for deacon's ordination in the United Methodist Church will require up to an extra year of study.

Students are also required to participate in a spiritual formation group for two terms during the first year of study. The required supervised practicum includes musical/liturgical leadership in a local congregation and work with a church music mentor.

The 48 credit hours for the M.S.M. are distributed as follows:

**Notes**

- For United Methodist students pursuing deacon's orders, the 12 credit hours under "Theological Studies" may count toward the 24 credit hour requirement. It may be possible to use hours under "Perkins or Meadows Electives" to satisfy more of the 24-hour requirement.
- The prerequisite course for WO 6313, XS 6310 The Church in Its Social Context, is not required for the M.S.M. degree.
- Elective courses for the choral or organ concentration will be determined in consultation with the student's adviser on the basis of the outcome objectives of the M.S.M. program and the student's competency to meet these objectives.
- Candidates in the M.S.M. choral concentration must take a keyboard proficiency exam before classes begin during their first year. Those who are unable to pass the proficiency exam must take **PERB 5107, 5108** Keyboard Skills for

Choral Conductors. Information on the exam will be sent to all incoming students in this concentration.

- A portion of the hours for the organ concentration under “Perkins or Meadows Electives” may be used for choral conducting, depending on the placement evaluation. No more than three elective hours of applied study in Meadows may be counted toward the M.S.M. degree requirements.
- Private vocal instruction for M.S.M. students will be offered only for those who have also been accepted into the Master of Music in voice major as a concurrent degree program or by audition with the voice faculty. Private vocal instruction for M.S.M. students is subject to the availability of voice faculty.

During the student’s final term of enrollment, he or she will be given a set of comprehensive written examinations covering the major areas of study and related fields. Satisfactory performance on these examinations and a minimum cumulative GPA of 3.000 or a grade of *B* on all M.S.M. work are required for graduation.

Students seeking ordained deacon status in the United Methodist Church will need 12 additional credit hours beyond the required coursework for the M.S.M. degree. For specific information, students should contact the director of the M.S.M. program.

### **Entrance Exams and Proficiency Requirements**

All students will be required to take entrance exams in music history and music theory before beginning their first term of study. If exams are not passed, the following courses are required in the respective areas:

- **MUHI 5100** Music History Review (music history).
- **MUTH 6124, 6125** Graduate Theory Review (music theory).

### **Spiritual Formation**

All students completing the M.S.M. are required to register for the program in spiritual formation. Students are required to attend a daylong orientation held in conjunction with the new student orientation program and are then enrolled in formation groups. These groups meet weekly throughout the fall and spring terms during the first year of the program.

Led by facilitators in groups of five to 10, students share in a formative experience designed to provide them with the framework of a common experience, emphasizing the following:

- The opportunity to explore the vital connection between spiritual formation and ministry.
- Opportunities to explore the central genius of spiritual traditions.
- The development of a critical capacity that will allow the student to evaluate those traditions theologically.
- Broad-based exposure to a variety of spiritual disciplines.
- Experience in prayer and devotion.

Students are evaluated and given credit by the group facilitators on the basis of attendance and engagement with the subject matter of the formation process. Students should register in both the fall and spring of the first year. Exceptions to this rule must be requested in writing from the director of spiritual life and formation.

## **The Supervised Practicum**

Students enroll in the course CM 8120 Supervised Practicum during the spring term of their first or second year. Students should have secured positions in a local church setting by no later than the second year of study. The Sacred Music Office provides assistance in securing placement in view of each student's pedagogical and financial needs. A professor in the Sacred Music Program will serve as a liaison between Perkins and the student's church so that the student has sufficient support to meet the requirements of the practicum.

In the second or third year, with the approval of the M.S.M. faculty, the student will present a service of worship in her/his church to complete CM 8120. This service becomes the graduate project for the M.S.M. degree and will be given a pass or fail grade by an evaluating M.S.M. faculty member.

## **Admission to Candidacy**

M.S.M. students will be reviewed for admission to formal candidacy for the degree in the fall term following the completion of 18 credit hours of academic work. A student will be admitted to candidacy provided that he or she has achieved a grade average of 3.000, is not on academic probation and is not disqualified for having given insufficient evidence of fitness for ministry (described in the Fitness for Ministry section below). Admission to formal candidacy signifies that the student is proceeding satisfactorily in his or her work and may be considered for the degree upon completion of all the requirements, but it does not oblige the seminary to grant the degree.

## **Fitness for Ministry**

Beyond the formal academic requirements, each student is expected to show evidence of personal fitness for ministry. This fitness may be defined positively as the presence of emotional, moral and spiritual qualities requisite for the profession of ministry. A lack of fitness for ministry may be demonstrated by patterns of personal behavior that inhibit effective ministry. Examples of such patterns include irresponsibility in social and/or professional relations and emotional instability. Formally, the presence of patterns of personal behavior tending to be seriously disabling to ministry may be grounds for the faculty to disqualify a student from graduation with the M.S.M. degree. If the prognosis justifies it, the committee may choose to defer awarding the degree until such time as the disabling pattern is overcome.

It should be emphasized that personal fitness for ministry is not defined narrowly in terms of a particular form of piety or style of personal behavior, nor does Perkins assume the role that belongs properly to those agencies of the church that evaluate candidates for ordination. When asked, it assists such agencies in their evaluations.

## **Time Limit**

All requirements for the M.S.M. degree must be completed within seven calendar years from the time of initial registration.

## **FINANCIAL AID**

In addition to the financial aid described elsewhere in this catalog, a limited number of scholarships, fellowships and work grants are available specifically to M.S.M. students. Inquiries should be addressed to the director of the M.S.M. program. In addition, most M.S.M. students are employed by a local congregation as a part of the supervised practicum requirement for the M.S.M. degree.

# MASTER OF THEOLOGICAL STUDIES

---

## PURPOSE

The Master of Theological Studies degree program is designed to provide a basic understanding of the theological disciplines as a foundation for further graduate study, for enhancement of lay leadership roles or for personal enrichment. The degree requirements are designed to ensure some breadth of exposure to the various disciplines of theological study, while at the same time allowing each student to fashion a plan of study that serves her or his particular interests and goals.

## REQUIREMENTS FOR ADMISSION

The requirements for admission to the M.T.S. program are the same as those for the M.Div. program, excluding the experience requirement (item 2 in the list of requirements).

### Thesis or Summative Project

In the final year of study, the student must complete either a written thesis or a summative project. Students completing a thesis receive three credit hours of credit. The thesis normally focuses on a topic in the student's chosen area of concentration. Students who choose to complete a summative project do so in conjunction with a course in which they are enrolled. The summative project integrates the student's

learning and provides evidence of growth. The project may be completed in a number of formats, such as a paper, a public lecture, a website or a pilot project. No additional credit hours are given for a summative project.

**Time Limit**

All requirements for the degree must be completed within six calendar years of the time of initial registration.

**CONCENTRATION IN CHURCH MUSIC AND WORSHIP**

This degree offers basic theological, liturgical and church music education to students who have already completed graduate work in some area of music and are seeking a vocation in church music in the parish (perhaps as an ordained deacon in the United Methodist context) or are preparing for graduate study at the doctoral level in church music. A Master of Music, Master of Music Education or equivalent degree is required for admission. Those with a B.M., B.M.E. or equivalent degree need to pursue the M.S.M. because of the basic graduate courses that are offered in Meadows School of the Arts. Generally, the following courses are suggested, allowing for some variations according to denominational background, professional goals and previous coursework:

# MASTER OF THEOLOGY

---

## PURPOSE

The Master of Theology program is designed for students to fulfill one or more of three goals: enhancing the practice of ministry through advanced study of a particular theological or pastoral discipline, examining a specific aspect of the Christian religion/traditions or function of Christian ministry, and preparing for more advanced study at the doctoral level. Students may choose to focus within one of the following broad divisions:

1. The Biblical Witness.
2. The Heritage and Context of Christianity.
3. The Interpretation of the Christian Witness.
4. The Theology and Practice of Ministry.

Students who successfully complete this program will be able to:

- Demonstrate advanced understanding of their stated area of focus.
- Identify and evaluate the primary methods of research in the stated area of focus.
- Formulate useful research questions and develop research strategies in the stated area of focus.

## REQUIREMENTS FOR ADMISSION

1. The successful completion of an Association of Theological Schools-accredited degree at the master's level requiring at least two years of full-time study or the equivalent credential from an institution outside the U.S. or Canada.
2. Academic ability, as shown by a minimum GPA of 3.000 (on a 4.000 scale) in a previous master's-level program.

## REQUIREMENTS FOR GRADUATION

### Course Requirements

The Th.M. program requires 24 credit hours. Given the open nature of the inquiry that students in the Th.M. program will pursue, there are no explicitly required courses. The student will prepare a plan for study establishing the parameters of study for the degree program, including a specific area of focus and courses to be taken, to be approved before final enrollment. These courses will meet the following guidelines:

- All courses will be at the 7000 level or above.
- At least two courses will be at the 8000 level.
- One course may be a directed reading course. This course will require a minimum of one research paper of at least 5,000 words.

Th.M. candidates must maintain a *B* (3.000) GPA in order to continue in the program and graduate. Students may choose one of two options to fulfill the requirements of the program:

1. A thesis of 12,500 to 18,750 words (50–75 pages) on a topic related to the student's plan of study. If the thesis option is chosen, an approved thesis proposal is required to proceed after the completion of 12 credit hours of coursework.

Preparation of the thesis will count three hours toward the completion of the degree.

2. A portfolio that includes written and other material submitted in fulfillment of the student's course requirements. The material chosen must represent all the courses taken and cover all aspects of the approved plan for study. The portfolio must include at least two research papers of not less than 5,000 words (20 pages) each.

### **Assessment**

The school will review theses and portfolios in aggregate to assess the overall success of students in the program and to identify areas where instruction and other aspects of the academic experience can be improved.

### **Advising**

In order to facilitate the needs of applicants, the associate dean for academic affairs will serve as initial reader of the applicants' plans for study and will assist successful applicants in covenanting with a final adviser and thesis supervisor as needed.

### **Thesis Supervision and Review**

The Committee on Academic Programs will prepare thesis guidelines for the approval of the faculty. The associate dean for academic affairs will arrange for orientation of thesis advisers.

### **Time Limit**

All requirements for the Th.M. degree must be completed within five calendar years from the time of initial registration.

# DOCTOR OF MINISTRY

---

## PURPOSE

The Doctor of Ministry degree provides the opportunity for advanced study that integrates theological reflection and ministerial practice with a contextual focus for people in professional ministry within the church.

## AREAS OF STUDY

The six areas of concentration within the D.Min. program are evangelism, pastoral leadership, spiritual formation, urban ministry, missional church studies, and preaching and worship. Two-week seminars are offered during the summer and January terms. Each student will complete a project practicum and a project thesis that focus on an aspect of ministry within the student's selected concentration. Courses are also offered at Singapore's Trinity Theological College during the summer term.

## ADMISSIONS REQUIREMENTS

The professional nature of the D.Min. requires that students have leadership responsibilities in their ministry setting. Application deadlines are March 15 for June admission and October 1 for January admission. Applicants wishing to enter the D.Min. program must have:

1. An Association of Theological Schools-approved M.Div. degree or equivalent with a cumulative GPA in the master's-level program of at least 3.000 on a 4.000 scale (grade of *B* or 80). In cases of demonstrated extraordinary ability in the practice of ministry, applicants with a lower grade average may be considered for conditional admission with the requirement to complete the first term with a grade of *B* or better in order to be granted full admission and continuation in the program.
2. Significant experience and demonstrated competence in ministry, as attested by three references. A minimum of three years of full-time experience following completion of the M.Div. degree (or its equivalent).
3. The ability to reflect theologically and communicate effectively as reflected in a short essay addressing the proposed area for study. The essay should include (a) a statement of objectives in pursuing the D.Min. degree, (b) a statement of the proposed area of study for the professional practicum and project thesis and (c) the anticipated contribution of the professional practicum and project thesis to the applicant's ministry.

Generally, international applicants who hold a religious worker visa (R-1), or in some cases an F-1 or J-1 visa, may be considered for admission on a case-by-case basis. International applicants must demonstrate proficiency in English with a minimum score of 600 paper-based or 250 computer-based score on the TOEFL English language proficiency test. International applicants should be in touch with the director of the D.Min. program prior to submitting application.

## REQUIREMENTS FOR GRADUATION

### Course Requirements

The course requirements are as follows:

<i>Required Courses</i>	<i>Credit Hours</i>
<b>DM 9370</b> The Person and Role of the Minister	
<b>DM 9380</b> Seminar in Practical Theology	
<b>DM 9392, 9394</b> Professional Project I, II (taken in sequence)	
<b>DM 9396</b> Doctor of Ministry Practicum	
<b>DM 9398</b> Doctor of Ministry Project (thesis)	
Four seminar courses, one each term, for a total of 12 hours	
	<b>30</b>

### THE DOCTOR OF MINISTRY COMMITTEE

During the first year of study, the student will invite, in consultation with the director of the D.Min. program, three people to serve on a committee to supervise the approved project practicum and the written project thesis. The committee will consist of an adviser, a reader and a field supervisor. Either the adviser or the reader must be a member of the Perkins regular faculty, with the other committee member selected from the regular or adjunct faculty. It is recommended that a Perkins regular faculty member serve as adviser. The field supervisor should be recognized as having gifts and experience in ministry that are applicable to the practicum and be available to consult with the student during the practicum as well as to evaluate the student's practicum. The entire committee will guide, read and evaluate the student's professional practicum and project thesis. When the professional project is completed satisfactorily as determined by the committee in consultation with the director of the D.Min. program, the student will participate in an oral evaluation on the school campus by the committee on the professional project thesis. At a minimum, both the student and adviser must be physically present for the oral evaluation. It is recommended that all committee members be physically present with the student for the evaluation. All committee members must be present for the evaluation, either in person or by electronic means.

### PROJECT PRACTICUM AND THESIS

The professional project practicum and thesis combine research, a designed ministerial field experience and a written doctoral-level project that addresses both the nature and the practice of ministry and has the potential for application in other ministry contexts.

1. The professional project is an approved practicum experience and written thesis that articulates the theological and theoretical rationale for the practicum with theological reflection on the experience.
2. The professional project in both its parts (practicum and written thesis) should demonstrate the student's ability to identify a specific theological topic in ministry, organize an effective research model, use appropriate resources, evaluate the results and reflect the student's depth of theological insight in relation to ministry.
3. The written project thesis must be submitted in an approved style and format.

4. Upon completion of the professional project and with the student's D.Min. committee's permission, the student will sit for an oral examination administered by the project committee and open to the public covering the project and the student's integration of her or his theology and practice of ministry. This examination will take place on campus, with at a minimum the student and adviser present. Other committee members may participate via electronic means if necessary.

At completion of the doctoral project and successful oral evaluation, the completed written project thesis will be accessioned in Bridwell Library.

The D.Min. degree requires 30 credit hours total for graduation: 24 credit hours of coursework, the project practicum (three credit hours) and a professional project thesis (three credit hours). Successful completion of the D.Min. will 1) demonstrate an understanding of the theological disciplines informing the exercise of ministry in the contemporary church and world, and 2) demonstrate, in writing and application, the integration of theory and practice through seminars, the practicum and the professional project. The D.Min. can be completed in three calendar years. All degree requirements must be completed within six years from the time when coursework began. Under special circumstances, the director of the D.Min. program may be petitioned in writing for an extension. People who do not complete the degree within eight years of initial matriculation will be required to repeat all coursework. All financial obligations must be met before graduation.

### **INQUIRIES AND SUBMISSION OF APPLICATION**

Inquiries, applications and transcripts should be sent to the director of the Doctor of Ministry, Perkins School of Theology, Southern Methodist University, PO Box 750133, Dallas TX 75275-0133. Appointments can be made by calling 214-768-3161 or writing to [DMin@smu.edu](mailto:DMin@smu.edu). # DOCTOR OF PASTORAL MUSIC

---

## PURPOSE

The Doctor of Pastoral Music (D.P.M.) degree is intended to provide an environment for the vocational renewal of practicing and experienced church musicians, and equip them for changes in the profession of church music in the areas of liturgy, cultural diversity, theological perspectives, congregational song, contextual musical analysis, and additional skills related to the performance of music in worship.

To fulfill this purpose, the D.P.M. degree has the following objectives:

1. Students will be able to identify critical issues in pastoral ministry related to worship and church music and implement holistic strategies for improvement in relationships and performance.
2. Students will be able to evaluate research that integrates various musical traditions with recent developments in liturgy, culture and worship, ritual studies, and hymnody.
3. Students will be able to demonstrate refined skills in an applied area including, but not limited to, organ service playing, keyboards in worship, congregational song, choral conducting, guitar, and percussion, in conjunction with their primary focus.
4. Students will be able to apply these methodologies and performance skills in the context of their social location, including their congregation and community. Church musicians serve congregations faithfully throughout the United States and beyond. While continuing education events are numerous, few programs exist for the church musicians that allow them to retune their vocation in the context of the changing demands of the music ministry. The Doctor of Pastoral Music is designed for experienced church musicians who have achieved a Master of Sacred Music degree or its equivalent and who are devoted to increasing their effectiveness in and broadening their vision of the pastoral dimensions of music ministry. Classes are held in concentrated formats that allow students to maintain their positions in congregations or other church-related institutions. The Doctor of Pastoral Music program offers:
  - An experienced and diverse faculty from Perkins School of Theology and Meadows School of the Arts

## THE DOCTOR OF PASTORAL MUSIC COMMITTEE

During the first year of study, the student will invite, in consultation with the director of the Doctor of Ministry Program, three people to serve on a committee to supervise the approved project practicum and the written project thesis. The committee will consist of an adviser, a reader and a field supervisor. Either the adviser or the reader must be a member of the Perkins regular faculty, with the other

committee member selected from the regular or adjunct faculty. It is recommended that a Perkins regular faculty member serve as adviser. The field supervisor should be recognized as having gifts and experience in ministry that are applicable to the practicum and be available to consult with the student during the practicum as well as to evaluate the student's practicum. The entire committee will guide, read and evaluate the student's professional practicum and project thesis.

When the professional project is completed satisfactorily as determined by the committee in consultation with the director of the Doctor of Ministry Program, the student will participate in an oral evaluation on the school campus by the committee on the professional project thesis. At a minimum, both the student and adviser must be physically present for the oral evaluation. It is recommended that all committee members be physically present with the student for the evaluation. All committee members must be present for the evaluation, either in person or by electronic means.

## **PROJECT PRACTICUM AND THESIS**

The professional project practicum and thesis combine research, a designed ministerial field experience and a written doctoral-level project that addresses both the nature and the practice of ministry and has the potential for application in other ministry contexts.

1. The professional project is an approved practicum experience and written thesis that articulates the theological and theoretical rationale for the practicum with theological reflection on the experience.
2. The professional project in both its parts (practicum and written thesis) should demonstrate the student's ability to identify a specific theological topic in ministry, organize an effective research model, use appropriate resources, evaluate the results and reflect the student's depth of theological insight in relation to ministry.
3. The written project thesis must be submitted in an approved style and format.
4. Upon completion of the professional project and with the student's Doctor of Pastoral Music committee's permission, the student will sit for an oral examination administered by the project committee and open to the public covering the project and the student's integration of her or his theology and practice of ministry. This examination will take place on campus, with at a minimum the student and adviser present. Other committee members may participate via electronic means if necessary.

At completion of the D.P.M. thesis and successful oral evaluation, the completed written project thesis will be accessioned in Bridwell Library. A summary of the thesis proposal and its results will be posted on the D.P.M. website.

The D.P.M. degree requires 39 credit hours total for graduation. All degree requirements must be completed within seven years from the time when coursework began. Under special circumstances, the director of the D.P.M. program may be petitioned in writing for an extension. People who do not complete the degree within eight years of initial matriculation will be required to repeat all coursework. All financial obligations must be met before graduation.

### MEXICAN-AMERICAN AND HISPANIC-LATINO/A CHURCH MINISTRIES PROGRAM

The Mexican-American and Hispanic-Latino/a Church Ministry Program was founded in 1974 to prepare church leaders with the knowledge and skills for effective ministry in Spanish-speaking contexts and cultures. The program remains committed to recruiting, preparing and providing continuing education for people in ministry with Latino/as. It is at the heart of Perkins School of Theology's leadership as a vibrant center of Hispanic-Latino/a theological thought and writing and a vital advocate before the general church with and in behalf of Hispanic-Latino/a congregations and ministries.

The Mexican-American and Hispanic-Latino/a Church Ministry Program provides to pastors and laity its short-term, intensive training programs (on and off the Perkins campus in Dallas) through the Course of Study School; the Spanish Language Licensing School in Spanish; the Lay Missioner and Pastor-Mentor Training Program for Developing Hispanic Ministries; and continuing education events, symposia, consultations and lectures. Some of its academic program areas include oversight of the concentration in Hispanic studies and support of L@s Seminaristas, a student organization for Perkins students focused on ministry with Hispanics. The program publishes the journal *Apuntes: Theological Reflections from the Hispano-Latino Context*.

#### Hispanic Summer Program

In collaboration with several other seminaries, Perkins sponsors the Hispanic Summer Program, which takes place for two weeks each summer at a different site in the United States or Puerto Rico. Hispanic students, as well as others who are bilingual and who are interested in Hispanic ministries, may attend this academic program and take a maximum of one course for three credits. Courses in the Hispanic Sum-

mer Program cover a wide range of the theological curriculum, and they are always taught with the Latino church in mind. The program provides students with the opportunity to study and reflect with other seminarians who are from across the nation and Puerto Rico and who are preparing to do ministry in the Hispanic context. Perkins students who are accepted into the program pay a reduced registration fee.

### **International Studies**

Students with sufficient Spanish language skills may be able to do a term of studies in Costa Rica or an internship in Mexico or Central America. Immersion experiences in Mexico, Central America and South America are also periodically offered through the Global Theological Education program.

### **Spanish Language**

Perkins does not offer instruction in Spanish for credit. Students are encouraged to seek instructional programs in Dallas and/or attend a Spanish-language school in Cuernavaca, Mexico, or elsewhere. The director of the Mexican-American and Hispanic-Latino/a Church Ministries Program maintains information on these opportunities and assists students in making appropriate plans to gain the necessary competence.

## **GLOBAL THEOLOGICAL EDUCATION**

Through cultural immersion courses, the Global Theological Education Program offers students a study of theology, Scripture, missions, ministry or interreligious relationships in a cultural context different from the students' own, usually outside the United States. These courses give special attention to the role of theological reflection in an environment affected by globalization in all its dimensions through a focused, on-site study in a particular cultural environment and region of the world.

## **SPIRITUAL FORMATION**

The Spiritual Life and Formation Program is an aspect of a multidimensional theological education and thorough preparation for ministry offered at Perkins School of Theology, which includes personal spiritual formation through an experience of a variety of spiritual disciplines. It provides the student with basic familiarity with the complex landscape of spiritual practice, with an awareness of the diversity of forms of spirituality throughout history. It trains the student in the ability to integrate the spiritual, theological and social dimensions of life, fostering an awareness of the ongoing dialog with spiritual traditions of other faiths, coupled with sensitivity to contexts of race, gender and ethnicity in spiritual life and practice. The program helps the student develop the ability to facilitate the spiritual growth of others, as it sharpens the theological and critical capacity to evaluate trends in spirituality.

Led by facilitators in groups of five to 10, students participate in a formative process designed to provide them with the framework of a common experience, emphasizing contemplative practice, prayer and devotion, with a broad-based exposure to a variety of spiritual disciplines. It is an educational setting that provides an opportunity to explore the vital connection between spiritual life and Christian ministry.

## AREAS OF CONCENTRATION

## **CONCENTRATION IN URBAN MINISTRY**

With its main campus in Dallas and a program in Houston-Galveston, Perkins School of Theology is well situated to equip church leaders to serve as transforming agents in an urbanizing world. In the 21st century, ministry will require understanding the dynamics that create tension and oppression in our society, a willingness to hold up the vision of God's justice and a commitment to work for righteousness in the social, economic and political realms of life.

The concentration in urban ministry is available to students enrolled in the M.Div. degree program and is intended especially for those called to engage communities in articulating and living the Gospel personally and socially in ways that bring healing to the lives of men, women and children.

The concentration is administered through the Urban Ministry Steering Committee, which designates the list of courses meeting concentration requirements. Students who declare their intent to pursue the concentration normally will be advised by the urban ministry concentration adviser. The concentration adviser is Harold Recinos.

### **Competencies**

Students pursuing the concentration will be expected to work toward developing the following competencies:

## **CONCENTRATION IN WOMEN'S AND GENDER STUDIES**

### **Overview**

The concentration in women's and gender studies is offered through the Women's and Gender Studies Program and jointly based in SMU's Dedman College Graduate Program and Perkins School of Theology. It is an interdisciplinary graduate-level concentration designed to enhance the lives of students, both female and male, by facilitating the integration of theories about gender and knowledge about the roles and achievements of women, both past and present, in the global society. The courses are designed to provide comparative and historical perspectives on women, gender and feminism. The concentration draws upon courses from a variety of disciplines, including anthropology, history, literary studies, media and film, and theology. The Perkins concentration adviser is Evelyn Parker.

### **Concentration Requirements**

1. Formal registration for the concentration through the Dedman College and/or Perkins School of Theology registrar. This shall include a proposed program plan for completion of the concentration developed with an adviser from the Women's and Gender Studies Program or the Perkins concentration adviser. To qualify, Perkins students must have signed approval from their academic adviser. Candidates must have at least 24 credit hours remaining in their degree program and a GPA of 3.000 in order to register. M.Div. candidates should not yet have applied for internship.

Seminars and other activities provide opportunities for laity from the region to engage together in study, worship, reflection and fellowship. Members of the Perkins faculty provide principal leadership for the week.

### **CONTINUING EDUCATION PROGRAMS**

In addition to Ministers Week and Perkins Theological School for the Laity, the Perkins Office of External Programs offers a variety of programs for clergy, laity and church professionals, including the Faith Calls: Theological Programs for Young People; United Methodist certification programs in youth ministry, children's ministry, Christian education, church music and older adult ministry; and traveling lay schools of theology in various locations, including Anchorage and Houston. The office also offers various programs on topics including prayer practice, preaching and worship leadership. ### **THE COURSE OF STUDY SCHOOL**

In the summer of 1947, Perkins School of Theology joined with the Division of Ordained Ministry of the General Board of Higher Education and Ministry to become a site for a Regional Course of Study School. The program provides a basic theological education for licensed United Methodist local pastors who choose not to enroll in a graduate-level seminary degree program for their theological education so that they may answer a call to ministry. Perkins is one of eight seminaries with a Regional Course of Study School offering noncredit-bearing instruction and is one of two seminaries offering the Spanish curriculum.

Licensed local pastors are required by the United Methodist Church to complete the basic course of study. Boards of ordained ministry of the various conferences may assist their students with the cost of room and board, textbooks, and travel. The Division of Ordained Ministry of the United Methodist Church pays tuition while Perkins provides facilities and administrative costs, covered in part through nominal registration fees paid by students.

The 20 required courses in the basic five-year curriculum are offered in English and Spanish in the summer. A listing of courses offered, preclass assignments, updated notices and the Course of Study School catalog are available online at [www.smu.edu/Perkins/PublicPrograms/COSS](http://www.smu.edu/Perkins/PublicPrograms/COSS).

Students seeking ordination through the Advanced Course of Study School have the opportunity to take the 32 hours of required graduate theological study at Per-

kins by attending the regularly scheduled seminary courses. Students wishing to take Advanced Course of Study School courses in Spanish can take the two courses scheduled in the summer. Application for advanced and basic courses is through the Course of Study School Office. Questions should be addressed to the Course of Study School Office at [COSS@smu.edu](mailto:COSS@smu.edu) or 214-768-2362.

### **FAITH CALLS: THEOLOGICAL PROGRAMS FOR YOUNG PEOPLE**

Faith Calls is a faith formation program where high school students and college-aged young adults can explore practices that nurture and shape their faith and challenge them to respond to God's call to service and leadership. The program seeks to nurture a diverse group of young people into practical theologians with skills for critical reflection about their faith and society. In partnership with local churches, service organizations, parents and community volunteers, Faith Calls fosters a support system for young people through mentoring and leadership training. The program will focus on the following:

- Faith exploration: offers young people opportunities to explore deeply their faith questions, theological curiosities through study, dialogue and reflection.
- Faithful practices: invites young people to participate in ancient faith practices and develop meaningful spiritual practices of their own that help them connect to God's presence and activity in the world.
- Faithful witness: offers young people the opportunity to discover and utilize their gifts and graces for ministry and vocation and the opportunity to become grounded in an identity that expresses their Christian witness.
- Faithful leaders: a cloud of witnesses who surround and support young people within a beloved community to nurture their gifts for leadership in the church and the world.

For more information, students should contact the program director at 214-768-2390. Those who wish to be on the mailing list can send their name and address to Faith Calls, Office of External Programs, PO Box 750133, Dallas TX 75275-0133, or send an email to [theoexternalprograms@smu.edu](mailto:theoexternalprograms@smu.edu)

### **GLOBAL THEOLOGICAL EDUCATION**

Through cultural immersion courses, the GTE program offers students a study of theology, scripture, missions, ministry or interreligious relationships in a cultural context different from the students' own, usually outside the United States. These courses give special attention to the role of theological reflection in an environment affected by globalization in all its dimensions through a focused, on-site study in a particular cultural environment and region of the world.

Perkins School of Theology is home to five centers approved by the Office of the Provost for teaching and research.

The central mission of the **Center for the Study of Latino/a Christianity and Religions** is to promote a deeper understanding of the varieties of religious life and expression within the Latino/a communities in the United States and in Latin America. Building upon the rich history of its Mexican-American and Hispanic-Latino/a Ministry Program, Perkins seeks to strengthen its engagement with Latino/a realities through its educational programs, the generation and conduct of research, and the dissemination of knowledge. The director is Dr. Hugo Magallanes, associate professor of Christianity and cultures.

The **Center for Evangelism and Missional Church Studies** (formerly the Center for Missional Wisdom) joins with congregations and church leaders to understand the unique challenges they face in sharing the gospel, as well as to cultivate new and relevant forms of witness both locally and internationally. Through lecture series, workshops, the creation of curriculum resources and focused study groups, the center is dedicated to working with God's church to share the Gospel with the world. Dr. Robert Hunt, professor of Christian mission and interreligious relations, was appointed director in 2013.

The **Center for Religious Leadership** provides training in the theology of leadership and practical skills for leadership. This training is based in an understanding of leadership as a spiritual vocation cultivated, strengthened and lived out within communities of faith and the other contexts in which the church exists, including legal, business, political, social and cultural contexts. The center draws on the skills of the SMU faculty from Perkins School of Theology, Cox School of Business and Dedman School of Law, along with church leaders (both lay and clergy) and business and nonprofit leaders. Bishop D. Max Whitfield is the appointed director.

The **Center for Methodist Studies at Bridwell Library** was established in 1984 to encourage research, study and reflection upon the Methodist movement, including the sources that influenced its origin, the forces that shaped its development and the features that determine its character and influence. To foster these goals, the center sponsors and supports a variety of programs, publications and exhibitions. J.S. Bridwell Foundation Endowed Librarian Roberta A. Schaafsma is the director of Bridwell Library.

The **Perkins Center for Preaching Excellence** at SMU exists to foster excellence in preaching through innovative courses at Perkins, continuing education events, mentoring relationships, peer groups focused on preaching and coaching for individuals and church staffs. The Hardin Family Preaching Mentor Program pairs seasoned practitioners from the area with Introduction to Preaching students. Peer groups throughout the Southwest bring together groups of pastors who meet monthly to work on their preaching skills. The Geo. W. and Nell Ayers LeVan Endowed Chair of Preaching and Worship and Altshuler Distinguished Teaching Professor Dr. Alyce M. McKenzie is the center's director.

## **THE COUNCIL OF SOUTHWESTERN THEOLOGICAL SCHOOLS**

For several years, a number of seminaries in the Southwest cooperated in various joint activities. In the summer of 1958, their cooperative work was put on a permanent basis by the organization of the Council of Southwestern Theological Schools Inc. The current members of the council, in addition to Perkins, are as follows: Austin Graduate School of Theology, Austin Presbyterian Theological Seminary, Baptist Missionary Association Theological Seminary, B. H. Carroll Theological Institute, Brite Divinity School, Dallas Theological Seminary, the Episcopal Theological Seminary of the Southwest, George W. Truett Seminary, Houston Graduate School of Theology and Oblate School of Theology. The council is also affiliated with the Multicultural Alliance.

Students and/or those paying on behalf of students who pay online automatically receive an electronic confirmation of payment; students and/or designated authorized payer(s) paying through other methods can also verify receipt of payment online.

Students enrolling after the payment due date must pay at the time of enrollment. Students whose accounts are not cleared by the payment due date or at the time of enrollment are subject to a late payment fee of \$50 for balances between \$250 and \$999.99, and \$150 for balances between \$1,000 and \$5,000. Balances more than \$5,000 are charged 3 percent of the outstanding balance, not to exceed \$750. Also, after the monthly payment due date has passed, a 1.5 percent past due fee will be assessed on the unpaid student and/or miscellaneous account each month until the balance is paid. The enrollment of students whose accounts remain unpaid after the payment due date may be canceled at the discretion of the University. Students are individually responsible for their financial obligations to the University.

All refunds except federal parent PLUS loans, prepayment accounts, the SMU Monthly TuitionPay Payment Plan and international wires will be made payable to the student. A credit card payment will only be refunded to the student if federal student loans have been applied to their account. International wires will be refunded by wire to the originating wire account less a \$35 wire-processing fee. The PLUS loan borrower can request the refund to be processed to the student by submitting a Parent PLUS Release form, located on the Bursar website. If the refund is issued by check, the student may request, in writing, that the refund be sent to another party.

Any outstanding debts to the University will be deducted from the credit balance prior to issuing a refund. Any outstanding debts to the University that include Title IV funds must have an Authorization to Credit Account form and/or an Authorization to Credit Account Parent form on file in order to transfer funds to cover current award year debts. Students need to sign the ACA form and the federal parent PLUS loan borrower needs to sign the ACAP form.

Any outstanding debts to the University that do not include Title IV funds will be deducted from the credit balance prior to issuing a refund. All other debts should be paid directly by the student.

A student whose University account is overdue or who in any other manner has an unpaid financial obligation to the University will be denied the recording and certification services of the Office of the Registrar, including the issuance of a transcript or diploma, and may be denied readmission until all obligations are fulfilled. The Division of Enrollment Services may stop the registration, or may cancel the completed registration, of a student who has a delinquent account or debt, and may assess all attorney's fees and other reasonable collection costs (up to 50 percent) and charges necessary for the collection of any amount not paid when due. Matriculation in the University constitutes an agreement by the student to comply with all University rules, regulations and policies.

Arrangements for financial assistance from SMU must be made in advance of registration and in accordance with the application schedule of the Division of Enrollment Services, Financial Aid. A student should not expect such assistance to settle delinquent accounts.

During the registration process, students will be prompted to read and agree to the Student Rights and Responsibilities, which provides information regarding financial rights and obligations, SMU's Honor Code, the Code of Conduct, and the student appeals and complaints process.

Students who elect to register for courses outside of their school of record will pay the tuition rate of their school of record.

## **REFUNDS FOR WITHDRAWAL FROM THE UNIVERSITY**

**Note:** No refunds are made without an official withdrawal. Policies for official withdrawal, including medical and mandatory administrative withdrawal, are found under Withdrawal From the University in the Academic Records and General and Enrollment Standards section of this catalog.

Reduction of tuition and fees is determined by the effective date of the withdrawal and is based on the schedule listed in the *Financial Information Bulletin*, which can be accessed online at [www.smu.edu/bursar](http://www.smu.edu/bursar) ("Policies and Forms" link).

**Note:** For students receiving financial aid (scholarships, grants or loans), when the withdrawal date qualifies for reduction of tuition and fees charges, the refund typically will be used to repay the student aid programs first and go to the student/family last. Further, government regulations may require that SMU return aid funds whether or not the University must reduce its tuition and fees (based on the *Financial Information Bulletin*); hence, a student whose account was paid in full prior to withdrawal may owe a significant amount at withdrawal due to the required return of student aid. Therefore, students who receive any financial aid should discuss, prior to withdrawal, the financial implications of the withdrawal with the Financial Aid Advising Office.

Medical withdrawals and mandatory administrative withdrawals allow a prorated refund of tuition and fees.

### **SMU Monthly Payment Plan**

The SMU TuitionPay Payment Plan administered by Higher One allows term charges to be paid in monthly installments. Students can enroll in a payment plan at [www.tuitionpaymentplan.com/smu](http://www.tuitionpaymentplan.com/smu). Higher One consultants are available at 877-279-6092 to answer questions or help with the online enrollment process.

Annual payment plans are available in 12-month, 10-month and eight-month formats. Term payment plans are available in four-month, five-month and six-month formats. The summer payment plan is three months. Payment plan options are not available for intercession terms including JanTerm, MayTerm and August terms.

### **SMU Prepayment Plan**

The SMU Prepayment Plan (a single payment up front for all terms) allows families to avoid the effects of tuition and fee increases by paying for two, three or four years in one single payment at the current rate of tuition and fees. Questions should be addressed to the Division of Enrollment Services, Southern Methodist University, PO Box 750181, Dallas TX 75275-0181; phone 214-768-2799.

### **GRADUATE AND PROFESSIONAL STUDENT AID**

University grants, scholarships, fellowships and assistantships are awarded in the school or department in which the graduate student will enroll. Schools and departments that offer master's or Ph.D. degrees offer a significant number of tuition scholarships and teaching or research assistantships each year. For more information, students should contact the appropriate school or department.

Grants and loans for Texas residents, private and federal loans, and employment programs may be available by filing the Free Application for Federal Student Aid. The FAFSA may be completed online at [www.fafsa.gov](http://www.fafsa.gov). The SMU Title IV school code number is 003613.

More information is available online at [www.smu.edu/financial\\_aid](http://www.smu.edu/financial_aid).

### **SCHOOL OF THEOLOGY FINANCIAL AID**

Financial aid in the form of grants is made available to students in the M.Div., M.A.M., M.S.M. and M.T.S. programs. Aid is granted, upon application, solely on the basis of demonstrated need as determined from use of the Free Application for Federal Student Aid.

In addition to financial aid grants, a number of tuition scholarships are available each year for members of each entering class of M.Div., M.A.M., M.S.M. and M.T.S. students. These awards are granted on the basis of academic excellence, qualities of character and leadership, and vocational clarity. Applicants for admission are considered for these awards based on the policies of the Office of Admissions and Financial Aid.

Each applicant for financial aid is expected to have a reasonable plan of financial self-help. Information on scholarships available from sources outside the school is available in the Perkins Office of Admissions and Financial Aid. Each student is responsible for securing the appropriate applications and applying for scholarships.

Grants are applied only to courses necessary to a specific degree program. In the event that financial aid is granted by the school to a student and that student withdraws, drops or fails a course, aid ordinarily will not be granted for those or similar hours.

## RESIDENCE ACCOMMODATIONS

---

The University prides itself on offering a full living and learning experience for its resident students. The mission of the Department of Residence Life and Student Housing is to advance the goals and objectives of the University by creating residential communities that empower residents to value learning, citizenship and leadership. To this end, RLSH seeks opportunities to promote an intellectual culture in SMU's residential communities that complements an already flourishing campus social culture. RLSH is responsible for residence halls, 11 Residential Commons and 10 SMU-owned Greek chapter houses. This responsibility includes making sure that facilities are well maintained and that students have opportunities to grow personally and excel academically.

### HOUSING POLICY FOR ALL STUDENTS

All incoming first-year undergraduate students are required to live on campus during their first two years at SMU. Exceptions may be granted on the basis of a financial, medical or personal hardship at the discretion of the dean of RLSH to those students from Dallas/Fort Worth who live with a parent or legal guardian in the primary residence of the parent or guardian. For housing purposes, the *two years* means the first two years of college. Incoming transfer students who are over the age of 16 and under the age of 20 are required to live on-campus for their first year at SMU. For 2016–2017, upperclass and graduate students are not required to live on campus but may apply on a space-available basis.

### Applications for Residence

New graduate students should submit the completed application and housing license agreement to RLSH with a check or money order for \$100 made payable to Southern Methodist University for the nonrefundable housing deposit. Notification of assignment will be made by RLSH. The housing license agreement is for the full academic year (fall and spring terms). Room charges for the fall term will be billed and are payable in advance of the term for students who register before August 1, and room charges for the spring term will be billed and are payable in advance of that term for students who register before December 1. Students who register after these dates must pay at the time of registration. Room charges for the full academic year will be due and payable should a student move out at any time during the school year. Accommodations for shorter periods are available only by special arrangement with RLSH before acceptance of the housing license agreement. It is important that applicants become familiar with the license agreement, as it is a legally binding document.

### Graduate Residence Accommodations

The Department of Residence Life and Student Housing operates one apartment residence hall designated for graduate students. Hawk Hall, a one-bedroom-apartment facility, houses single graduate students and married students (graduate and undergraduate) with families. Families with no more than two children may be housed in Hawk Hall.

### **Special Housing Needs**

Students having special housing needs because of a disability should contact the SMU Office of Disability Accommodations and Success Strategies in order to establish eligibility for accommodations. When applying for housing, students should also submit information to RLSH regarding a request for accommodations. DASS and RLSH will work together with the student on their specific situation to make necessary accommodations.

### **General Housing Information**

Each apartment is equipped with a telephone, local telephone service, voice mail system and wireless Ethernet connections to the University's computer system. All residence halls are air-conditioned and some have individually climate-controlled rooms. Washing machines and dryers are located in all residence halls. Meal plans are not required in the graduate hall. For more information, students should visit [www.smu.edu/housing](http://www.smu.edu/housing) or contact the Department of Residence Life and Student Housing, Southern Methodist University, PO Box 750215, Dallas TX 75275-0215; phone 214-768-2407; fax 214-768-4005; [housing@smu.edu](mailto:housing@smu.edu).

# ACADEMIC RECORDS AND GENERAL AND ENROLLMENT STANDARDS

---

The standards herein are applicable to all students at the University and constitute the basic authority and reference for matters pertaining to University academic regulations and records management. Enrollment in the University is a declaration of acceptance of all University rules and regulations. A complete *University Policy Manual* is available at [www.smu.edu/policy](http://www.smu.edu/policy). Additional information regarding rules and regulations of the University can be found in this catalog. Undergraduate students must follow the University-wide requirements that are in effect for the academic year of matriculation to SMU. The applicable requirements of majors and minors are those in effect during the academic year of matriculation to SMU or those of a subsequent academic year. Students may not follow a catalog for an academic year in effect prior to their matriculation term. Students who are not enrolled for three or more years will return to SMU under the current catalog.

## GENERAL POLICIES

### Confidentiality of Education Records

The Family Educational Rights and Privacy Act of 1974 is a federal law that grants students the right to inspect, obtain copies of, challenge, and, to a degree, control the release of information contained in their education records. The act and regulations are very lengthy, and for that reason, SMU has issued its own FERPA-based guidelines that are available at the University Registrar's Office FERPA website [www.smu.edu/FERPA](http://www.smu.edu/FERPA). Policy 1.18 of the *University Policy Manual* also discusses this law.

In general, no personally identifiable information from a student's education record will be disclosed to any third party without written consent from the student. Several exceptions exist, including these selected examples: 1) information defined by SMU as directory information may be released unless the student requests through my.SMU Self-Service that it be withheld, 2) information authorized by the student through my.SMU Self-Service may be released to those individuals designated by the student and 3) information may be released to a parent or guardian if the student is declared financially dependent upon the parent or guardian as set forth in the Internal Revenue Code. Additional information is available at [www.smu.edu/LegalDisclosures/FERPA](http://www.smu.edu/LegalDisclosures/FERPA).

### Student File Number

The University assigns each student an eight-digit SMU identification number, which is used to verify each student's identity and is provided without additional charges. The student should furnish the SMU ID number on all forms when requested, as this number is the primary means the University has to verify the identity for each student's academic records and transactions related to the records.

### Name Change

A student who has a change in name must provide to the University Registrar's Office his or her Social Security card or the form issued by the Social Security Administration. A valid passport may also be used to complete a name change. Enrollment or records services for the student under a name different from the last

enrollment cannot be accomplished without one of the above documents. All grade reports, transcripts and diplomas are issued only under a person's legal name as recorded by the University Registrar's Office.

### **Email and Mailing Addresses, Telephone, and Emergency Contact**

Each student must provide the University Registrar's Office with a current home address, telephone number and local mailing address as well as the name, address and telephone number of a designated emergency contact. Students enrolling at SMU authorize the University to notify their emergency contacts in the event of a situation affecting their health, safety, or physical or mental well-being, and to provide these contacts with information related to the situation.

Students are expected to keep current all their addresses and telephone numbers, including emergency contact details, through my.SMU, the University's Web-based self-service system. Students may be prevented from enrolling if their information is insufficient or outdated. Changes to parent information should be reported by contacting [records@smu.edu](mailto:records@smu.edu), and the email should include the student's full name and SMU student ID number.

The University issues all students an email address. Students may have other email addresses, but the University-assigned email address is the official address for University electronic correspondence, including related communications with faculty members and academic units.

Official University correspondence may be sent to students' mailing addresses or SMU email addresses on file. It is the responsibility of students to keep all their addresses current and to regularly check communications sent to them since they are responsible for complying with requests, deadlines and other requirements sent to any of their mailing addresses on file or to their SMU email.

### **Cell Phones**

The University requests that students provide cellular telephone numbers, as they are one means of communicating with students during an emergency. Cellular telephone numbers may also be used by University officials conducting routine business. Students who do not have cellular telephones or do not wish to report the numbers should provide this information to the University through my.SMU Self-Service. Students may be prevented from enrolling if their cellular telephone numbers are not on file or if they have not declared "no cell" or "prefer not to report" in my.SMU.

### **Ethnicity**

SMU requires that a valid ethnic group category be on file for all students. SMU's policies and the Family Educational Rights and Privacy Act of 1974 protect the confidentiality and privacy of this information. A student's ethnic group category can be viewed in my.SMU, Self-Service Student Center.

**U.S. Citizens or Permanent Residents.** Ethnicity is self-determined. Students of multiple ethnic backgrounds may select multiple ethnic group categories. If the ethnic group value is incorrect, the student should go to the University Registrar's Office in the Laura Lee Blanton Student Services Building and complete an Ethnic/Racial Category Update Form.

**International Students Living in the U.S. While Attending School.** Selecting an ethnic group category is not required unless the student becomes a U.S. citizen or permanent resident.

## Transcript Service

A transcript is an official document of the permanent academic record maintained by the University Registrar's Office. The permanent academic record includes all SMU courses attempted, all grades assigned, degrees received and a summary of transfer hours accepted. Official transcripts and certifications of student academic records are issued by the University Registrar's Office for all students. Copies of high school records and transfer transcripts from other schools must be requested from the institutions where the coursework was taken.

Transcripts are \$12.25 per copy. Additional copies in the same request mailed to the same address are \$3.50. Additional copies mailed to different addresses are \$12.25 a copy. PDF transcripts are \$16.00 per email address and are available only for students who attended after summer 1996.

**Note:** No incomplete or partial transcripts, including only certain courses or grades, are issued.

Transcripts cannot be released unless the student has satisfied all financial and other obligations to the University. Instructions for requesting a transcript to be mailed or picked up on campus are available at [www.smu.edu/registrar](http://www.smu.edu/registrar) ("Transcript Requests" link). A student may request his or her official transcript through the online my.SMU Student Center. Requests are processed through the National Student Clearinghouse. Telephone and email requests are not accepted. Students or their specified third party can pick up their transcripts at the University Registrar's Office, 101 Blanton Student Services Building.

Transcripts may be released to a third party as specified by the student on the Student's Consent for SMU to Release Information to Student's Specified Third Party form accessible at [www.smu.edu/LegalDisclosures/FERPA/Forms](http://www.smu.edu/LegalDisclosures/FERPA/Forms).

**Note:** Chapter 675, S.B. 302. Acts of the 61st Texas Legislature, 1969 Regular Session, provides as follows: *Section I.* No person may buy, sell, create, duplicate, alter, give or obtain; or attempt to buy, sell, create, duplicate, alter, give or obtain a diploma, certificate, academic record, certificate of enrollment or other instrument which purports to signify merit or achievement conferred by an institution of education in this state with the intent to use fraudulently such document or to allow the fraudulent use of such document. *Section II.* A person who violates this act or who aids another in violating this act is guilty of a misdemeanor and upon conviction is punishable by a fine of not more than \$1,000 and/or confinement in the county jail for a period not to exceed one year.

## Veterans

The University Registrar's Office certifies veterans each term for their benefits under federal programs, including the Yellow Ribbon Program. Most academic programs at SMU qualify for U.S. Department of Veterans Affairs benefits, making an SMU education accessible and affordable. Veterans are required to provide specific documents before they can be certified with the VA's Veterans Benefits Administration. Specific information regarding the certification process is available from the University Registrar's Office at [www.smu.edu/registrar](http://www.smu.edu/registrar) ("Veterans Affairs" link).

## Final Examinations

Final course examinations shall be given in all courses where they are appropriate, must be administered as specified on the official examination schedule and shall not be administered during the last week of classes. Exceptions to the examination schedule may be made only upon written recommendation of the associate dean of academic affairs, who will allow exceptions only in accordance with guidelines from the Office of the Provost.

## Complaint Procedures for Students With Disabilities

The complaint procedures for students with disabilities are available in the Disability Accommodations & Success Strategies office and online at [www.smu.edu/Provost/ALEC/DASS](http://www.smu.edu/Provost/ALEC/DASS). Additional information is found under Students With Disabilities in the Perkins Graduate Programs Policies and Procedures section of this catalog.

## Credit Hour Loads

The unit of measure for the valuation of courses is the credit hour. Based upon the federal definition of a credit hour, each credit hour requires one hour of direct faculty instruction and a minimum of two hours of preparation on the part of students per week for approximately 15 weeks a semester. Most courses are valued for three credit hours, i.e., three contact hours per week and at least six hours of preparation. For three credit hour courses deployed via different course types, modes of delivery, or calendars, total number of direct contact hours should be equal to or greater than 45 hours with the total of out of class work total equal to or greater than 90 hours. Courses that deviate from this standard must provide documentation illustrating how the number of contact hours and/or work outside the course equate to this standard within the term in which the course is offered.

Normally, the maximum course load is 13 credit hours per term. With the permission of the Committee on Student Development or of the associate dean for academic affairs acting for the committee, a student with an average grade of *B* (3.000) or above may register for up to 14.5 credit hours, and a student with an average grade of *A-* (3.700) or above may register for as many as 16 credit hours. No student may register for more than 16 credit hours. A student in good standing may register for CM 8012, 8013 Seminary Singers, in addition to 13 credit hours of other coursework, without seeking the permission of the committee.

**Cautionary Note:** Federal financial aid agencies and some other agencies require a minimum number of hours of enrollment for full-time status and do not make exceptions for internship, co-op or student-teaching enrollments. Students on financial aid should consult a Financial Aid Office adviser regarding minimum enrollment requirements for their situation.

**Minimum and Maximum Course Loads.** Minimum and maximum course loads allowed are based on the school of record.

## Stop Enrollment/Administrative Withdrawal

Insufficient or improper information given by the student on any admission or enrollment form – or academic deficiencies, disciplinary actions and financial obligations to the University – can constitute cause for the student to be determined ineligible to enroll or to be administratively withdrawn.

## Transfer Courses From Other Institutions

Additional policies for transfer coursework are found in the Admissions section of this catalog.

## ENROLLMENT POLICIES

### Course Scheduling and Enrollment Cycles

When students enter Perkins and into a specific degree program, they are assigned an academic adviser. Students should consult with their adviser or the associate dean for academic affairs for course scheduling, schedule changes, petitions, degree requirements and other such academic concerns. The Perkins director of academic services monitors academic progress and maintains degree plans for all Perkins students. Students should schedule a conference with the Perkins director of academic services prior to their final year as a student to ensure that they are meeting all University and graduation requirements.

Each student is personally responsible for complying with enrollment procedures and for ensuring the accuracy of his or her enrollment. Students are expected to confirm the accuracy of their enrollment each term. Students who discover a discrepancy in their enrollment records after the close of enrollment for the term should immediately complete an Enrollment Discrepancy Petition. Petitions are to be submitted to the appropriate records office within six months of the term in which the discrepancy appeared; contact information for submission of an Enrollment Discrepancy Petition can be viewed on the University Registrar's Office website at [www.smu.edu/EnrollmentDiscrepancy](http://www.smu.edu/EnrollmentDiscrepancy). Petitions submitted later than six months after the discrepancy may not be considered.

### Schedule Changes

The deadline for adding courses, dropping courses without grade record and changing sections for each enrollment period is listed on the Perkins Academic Calendar, which is available at [www.smu.edu/Perkins/FacultyAcademics](http://www.smu.edu/Perkins/FacultyAcademics) ("Academic Services" link). Students are encouraged to seek assistance from their advisers when considering whether to add or drop a course. A student may drop a course with a grade of *W* (Withdrawn) through approximately midterm by using the my.SMU Self-Service Student Center. The specific deadline is listed on the Perkins Academic Calendar.

After the deadline date on the Perkins Academic Calendar, the student may not drop a class. All schedule changes must be processed by the deadline date specified on the Perkins Academic Calendar. **Note:** Schedule changes are not complete for official University record purposes unless finalized in the University Registrar's Office.

**Student-Athletes.** Students must consult with the Athletic Compliance Office prior to dropping a course. In the consultation, the student will review the effects the drop might have on his or her athletic participation and financial aid. After the consultation, the Athletic Compliance Office will update my.SMU to allow the student to process the drop, if necessary. The consultation is advisory; students are responsible for their enrollment. For assistance regarding scholarships or other aspects of being a student-athlete, students should contact the Office of the Assistant Athletic Director for Student-Athlete Development.

**International Students.** Students must consult with the International Student & Scholar Services office prior to dropping a course. If dropping a course will cause the

student to be enrolled in fewer than the required number of hours to remain a full-time student, the student's immigration status could be affected. After the consultation, the International Student & Scholar Services office will update my.SMU to allow the student to process the drop, if necessary. The consultation is advisory; students are responsible for their enrollment.

**Students on Merit or Need-based Financial Aid.** Students should consult with their financial aid adviser and the director of student services at Perkins prior to dropping a course. If dropping a course will cause the student to be enrolled in fewer than 12 hours, the student's financial aid status may be affected. After the consultation, the student may drop a course through my.SMU Self-Service. The consultation is advisory; students are responsible for their enrollment. Questions regarding this procedure or financial aid should be directed to the Office of the Associate Financial Aid Director and the director of student services at Perkins.

### **Withdrawal From the University**

Policies on refunds for withdrawal from the University are found in the Financial Information section of this catalog and in the *Financial Information Bulletin*, which can be accessed online at [www.smu.edu/bursar](http://www.smu.edu/bursar) ("Policies and Forms" link). No refunds are made without an official withdrawal.

Students should be aware of the difference between a *drop* and a *withdrawal* and remember that they have different deadlines and separate financial policies. The deadlines for each are posted each term on the Perkins Academic Calendar. A *drop* occurs when a student removes one or more courses from his or her schedule and remains enrolled in at least one credit hour for the term. A *withdrawal* occurs when removing the course or courses will result in the student being enrolled in **zero** hours for the term.

If a student removes all courses from his or her schedule **prior to the first day of the term**, the transaction is considered a *cancellation* and does not result in financial penalty or impact the student's transcript.

A student who wishes to withdraw (resign) from the University before the end of a term or session must initiate a Student Petition for Withdrawal form and secure approval from his/her school's records office. The records office will then submit the form to the Office of the University Registrar. The effective date of the withdrawal is the date on which the Student Petition for Withdrawal is processed in the University Registrar's Office. Discontinuance of class attendance or notification to the instructors of intention to withdraw does not constitute an official withdrawal.

The enrollment of students who withdraw on or before the fifth day of regular classes as listed on the Perkins Academic Calendar will be canceled. Courses and grades are not recorded for canceled enrollments; however, the student will owe a portion of his/her tuition and fees. Additional information is available in the *Financial Information Bulletin*, which can be accessed online at [www.smu.edu/bursar](http://www.smu.edu/bursar) ("Policies and Forms" link). A student who withdraws after the fifth class day will receive the grade of *W* in each course in which he or she enrolled.

Medical withdrawals and mandatory administrative withdrawals allow a prorated refund of tuition and fees and have conditions that must be met prior to re-enrollment at SMU. Medical withdrawals can only be authorized by a licensed physician or psychologist counselor in the SMU Memorial Health Center. Mandatory administrative withdrawals can be authorized only by the vice president for student affairs. As a matter of University policy, and in compliance with federal regulations,

retroactive medical withdrawals cannot be granted. The last day for a medical withdrawal is the last day of class instruction for the term from which the student is withdrawing.

Withdrawing students living in SMU housing must check out of the residence halls with the Department of Residence Life and Student Housing per established procedures.

**Audit Enrollment (Course Visitor)**

Individuals desiring to audit (visit) a class, including those concurrently enrolled for regular coursework, must consult with the Perkins director of academic services first and then must process an Audit Permit form. Audit Permit forms must be completed, approved and received in the University Registrar’s Office no later than the last day to enroll for the term. Forms are available at [www.smu.edu/registrar](http://www.smu.edu/registrar) (“Forms Library” link). Space must be available in the class. The following regulations are applicable:

- 1. Classroom recitation and participation are restricted; availability of course handouts, tests and other materials is restricted; no grade is assigned and no credit is recorded; no laboratory privileges are included.
- 2. The individual’s name does not appear on class rosters or grade rosters.
- 3. Regular admission and enrollment procedures are not conducted for auditors.
- 4. The audit fee is nonrefundable.
- 5. If credit is desired, the course must be enrolled for and repeated as a regular course, and the regular tuition must be paid.

**Absence Due to Illness**

SMU’s Memorial Health Center does not provide documentation for granting excused absences from class. If students are absent for illness, they should talk to their professors about how they might catch up with the material missed. If students are seriously ill and require hospitalization or an extended absence, students should talk to their professors and the associate dean to decide how to deal with the interruption in their studies.

**Interpretation of Course Numbers**

Each SMU course has a four-digit course number. The first number indicates the general level of the course.

1000–1999	First-year
2000–2999	Sophomore
3000–3999	Junior
4000–4999	Senior
5000–5999	Senior or Graduate
6000–9999	Graduate

The second digit specifies the number of credit hours; exceptions are noted below.

<i>Digit</i>	<i>Credit Hours</i>
0	0, .5 or 1.5

The third and fourth digits are used to make the course number unique within the department.

## GRADE POLICIES

A student's grades are available to him or her through my.SMU Student Center. Additional information is found under Grade Policies for Master's Programs in the Perkins Graduate Programs Policies and Procedures section of this catalog.

### Grade Scale

The grade of a student in any course is determined by the instructor of the course. The following grades are authorized for recording on the student's official graduate academic record maintained by the University Registrar's Office.

<i>Grades</i>	<i>Description</i>	<i>Grade Points per Term Hour</i>
A	Excellent Scholarship	4.000
A-	Excellent Scholarship	3.700
B+	Good Scholarship	3.300
B	Good Scholarship	3.000
B-	Good Scholarship	2.700
C+	Fair Scholarship	2.300
C	Fair Scholarship	2.000
C-	Fair Scholarship	1.700
D+	Poor Scholarship	1.300
D	Poor Scholarship	1.000
D-	Poor Scholarship	0.700
F	Fail	0.000
P, CR	Pass, Credit	*
I	Incomplete	*
NC	No Credit Received	*
X	No Grade Received in Registrar's Office	*
WP/W	Withdrawal Passing/Withdrew	*

**Note:** Asterisks denote grades not included in a student's GPA.

### Grade of F or W

Failing is graded *F*. If the student's work is incomplete, poor quality and not acceptable, a grade of *F* will be given. After such a grade, credit may be obtained only by repeating the course.

The grade of *W* carries no grade value. Students desiring to withdraw from a course must make their intention known to the Perkins director of academic services before the last day for withdrawing as indicated in the Perkins Academic Calendar. Any request for an exception to this rule must be addressed, with supporting evidence, to the associate dean for academic affairs.

The grade of *W* cannot be recorded unless completion of the official drop or withdrawal process has occurred by the applicable deadline *during the term of enrollment*. Only the grade of *W* may be recorded if the student has officially dropped courses from the schedule or withdrawn (resigned) from the University for the term. The grade of *W* may not be revoked or changed to another grade because the act of officially dropping/withdrawing is irrevocable.

## **Grade of Incomplete**

A student may temporarily receive a grade of Incomplete (*I*) if a substantial portion of the course requirements have been completed with passing grades, but for some justifiable reason acceptable to the Committee on Student Development, the student has been unable to complete the full requirements of the course.

The grade of *I* is granted by the committee only on written request by the student and only on the rare occasion when the student has suffered a serious illness or has experienced some other untoward hardship that the committee judges to be adequate grounds. The student's written request must be submitted to the associate dean for academic affairs no later than the deadline specified in the school's official calendar for the submission of all written work.

The grade of *I* is normally changed to a final grade within 30 days. At the time a grade of *I* is given, the instructor must stipulate in my.SMU the requirements and completion date that are to be met and the final grade that will be given if the requirements are not met by the completion date.

The maximum period of time allowed to clear the Incomplete is 30 days. If the Incomplete grade is not cleared by the date set by the associate dean for academic affairs or by the end of the 30-day deadline, the grade of *I* will be changed to a grade of *F*.

The grade of *I* is not given in lieu of a grade of *F* or *W*, or other grade, each of which is prescribed for other specific circumstances.

The grade of *I* in a course does not authorize a student to attend or enroll in the course during a later term. Graduation candidates must clear all Incompletes prior to the deadline on the Official University Calendar, which may allow less time than 12 months. Failure to do so can result in removal from the degree candidacy list and/or conversion of the grade of *I* to the grade of *F*.

## **Grade Point Average**

A student's grade point average (cumulative GPA) is computed by multiplying the credit hours of each course attempted by the grade points earned in the particular course and then dividing the total number of grade points by the total number of hours attempted, excluding those hours for which grades are shown with an asterisk on the grade chart. The GPA is truncated, not rounded, at three decimal places.

## **Grade Changes**

Changes of grades, including change of the grade of *I*, are initiated by the course instructor and authorized by the associate dean of academic affairs. If a student requests a grade change, the instructor may ask the student to provide the request as a written petition, which may become an official part of any further process at the instructor's discretion. Changes of grades may be made only for the following authorized reasons: to clear a grade of *I*, to correct a processing error or to reflect a re-evaluation of the student's original work. A change of grade will not be based on additional work options beyond those originally made available to the entire class.

Changes of grades of *I* should be processed within a calendar year of the original grade assignment. Other changes of grades must be processed by the end of the next regular term. No grade will be changed after 12 months or after a student's graduation, except in cases where a grade is successfully appealed – provided that written notice of appeal is given within six months following graduation – and in extenuat-

ing circumstances authorized by the academic dean and approved by the University Registrar's Office.

### **Grade Appeals**

The grade appeal procedure for Perkins students is contained in the student handbook.

## **SATISFACTORY PROGRESS POLICIES**

### **Academic Probation**

Academic probation is a serious warning that the student is not making satisfactory academic progress. A student on academic probation is still eligible to enroll and is considered in good standing for enrolling in classes and for certification purposes. Academic probation is not noted on the permanent academic record; however, a student on academic probation may be subject to certain conditions during the period of probation and will be subject to academic dismissal if he or she does not clear academic probation. For academic probation periods and guidelines, students should see the Academic Probation sections below under the appropriate school of record.

A student who fails a course or whose cumulative, fall or spring term grade average falls below a grade of *C* will be placed on academic probation. In this circumstance, the student will receive written correspondence from the chair of the Committee on Student Development or the associate dean for academic affairs suggesting a plan of study designed to improve his or her academic performance. Such a plan of study may include, in addition to a reduced course load, a reduction in non-academic activities, special tutoring, remedial work in reading or writing, or such other provisions as may seem appropriate in each case.

Students on probation may be required to reduce their academic course load and may be required to take a noncredit reading/study skills course. A student who, while on probation, fails a course or fails to achieve a minimum GPA of *C* on his or her work in any given term shall be liable to dismissal from school. Likewise, a student with a pattern of recurring probation shall be liable to dismissal. The student is automatically removed from probation upon successfully completing an academic term in which he or she does not fail any classes and when his or her cumulative or fall or spring term grade average is *C* or higher.

### **Academic Dismissal**

Academic dismissal is final, with no possibility of reinstatement or readmission to the University. Academic dismissal is recorded on the student's permanent academic record.

### **Academic Petitions and Waivers**

Petitions and/or requests for waivers concerning University requirements, graduation requirements and the evaluation of transfer work should be submitted to the associate dean's office or Perkins director of academic services.

### **Transfer Coursework**

Policies for transfer coursework are found in this catalog in the Admissions section and under Transfer Courses From Other Institutions in the General Policies section.

## **GRADUATION POLICIES**

### **Apply to Graduate**

Students must file an Application for Candidacy to Graduate with their school's records office no later than the last day of the first week of the term in which they will complete all degree requirements. Applications are filed through my.SMU Self-Service Student Center by the deadline date on the Official University Calendar.

Students who file an application after the published deadline may be required to pay a nonrefundable late fee. Late applications may be denied after the start of the next term, and the Application for Candidacy to Graduate applied to the next conferral date. Students taking coursework at another institution and transferring the course(s) back to SMU are responsible for ensuring that the Perkins director of academic services office receives their official transcript in order for their degree to be conferred for the anticipated graduation term.

SMU has three degree conferral periods for most programs: fall (December), spring (May) and summer (August). In addition, students who complete their degree requirements during a Jan Term (January) will have their degrees conferred at the conclusion of the intersessions.

### **Commencement Participation**

An All-University Commencement Convocation is held in May for students enrolled and on schedule to complete degree requirements during the spring term. Students enrolled and on schedule to complete all degree requirements during the following summer session may also participate in the University Commencement Convocation, although their degrees will not be conferred until August. Students may also participate in the afternoon ceremony at Highland Park United Methodist Church following the University commencement.

An All-University December Commencement Convocation is held each year for students completing degree requirements during the fall term. Students who completed degree requirements during the previous summer session may also participate. Students on schedule and enrolled to complete all degree requirements during the following Jan Term (January) intersession may also participate in the December ceremony, although their degrees will be conferred in January.

A student may participate once in either the All-University Commencement Convocation in May or the All-University December Commencement Convocation for a given degree, but not both.

To participate in a ceremony, a student must apply online and file with their school's records office an Application for Candidacy to Graduate or Intent to Participate Form.

### **Statute of Limitations for Degree Plans**

A student who has been readmitted to the University following an absence of more than three years will be expected to meet all current requirements for graduation.

## **PERKINS GRADUATE PROGRAMS POLICIES AND PROCEDURES**

### **The Academic Year**

The academic year is divided into fall and spring terms. In addition, Perkins holds a summer term and a January interterm. All course requirements for the M.Div., M.A.M., M.S.M., M.T.S. and Th.M. degrees may be satisfied during the regular academic year, although courses fulfilling certain requirements in these programs are normally available in the summer term as well.

### **Course Loads**

Students holding pastoral charges or other employment requiring 20 hours or more per week should consider carefully, with their academic advisers, the advantages and disadvantages of a reduced course load. A load of nine credit hours per term may be advisable in such circumstances. Students considering any further reduction in course load should keep in mind, among other things, the effects of such a reduction upon their overall curricular planning and the time limit established in each degree program for the completion of all degree requirements.

In considering course load, students should be guided by the principle that the number of hours of a student's time to be devoted to any course per week should be approximately four times the number of credit hours of credit assigned to the course. For example, a three-term-hour course should occupy about 12 hours of the student's time each week, counting the time spent in class. Assignments are made accordingly.

### **Coursework**

Regular attendance is expected in all classes. In the event of unavoidable absences, students are responsible for securing from their colleagues any information about lectures or assignments missed, and, if their absence is unexcused, they assume the risk of missing quizzes or other graded in-class work. A student who anticipates an unavoidable extended absence from school should notify the associate dean for academic affairs, who will in turn notify the instructors involved. An excessive number of unexcused absences may result in a reduction in the student's grade or failure of the course, despite successful completion of all the assigned reading and written work. In no case will a student be allowed credit for a seminar if she or he is absent for as much as 25 percent of the seminar sessions, even if the absences are excusable.

All course assignments are to be completed on time. Work submitted late may be accepted at the instructor's discretion, and the student may incur a penalty in grade. Students are advised to consult the instructor in advance if circumstances make it impossible to meet an assignment deadline.

The calendar calls for a designated reading and writing period at the end of each term, during which time formal classes will not be held. This period is an integral part of the term's work, and students are expected to use it for research, writing and study in connection with the term's courses.

Final examinations are held on the dates indicated in the calendar. An examination schedule is published toward the end of each term. According to University regulations, no student may take a final examination ahead of the scheduled date. If it is not possible for a student to take an examination at the regular time, a postponement may be granted by the Committee on Student Development, or by the

associate dean for academic affairs acting for the committee, if the student submits to the associate dean a written request approved by the instructor.

### **Grade Requirements**

A cumulative grade average of *C* (2.000) or above is required for graduation in the M.Div., M.A.M., M.T.S. and Th.M. programs, and a grade of *B* (3.000) is required for the M.S.M. program.

Students with course grades below 2.000 are in serious difficulty. Additional information is found in the Grade Policies section of this catalog.

### **Academic Responsibility**

Each student at Perkins is expected to adhere to rigorous standards of academic honesty. Plagiarism and other acts of academic dishonesty are regarded as serious offenses and are treated accordingly. The faculty has adopted a statement on academic responsibility for the general guidance of students in these matters; a copy is outlined in the student handbook. Students are advised to consult with their course instructors if they have any questions about expectations and procedures in this regard. Each student is required to adhere to the Honor Code as referenced in the Student Rights and Responsibilities statement.

### **Students With Disabilities**

Students with disabilities, including learning disabilities, should know that their instructors at Perkins welcome being informed of the situation, particularly as it might bear upon a student's coursework. Upon request, and within reasonable limits, alternative arrangements may be worked out between instructor and student regarding examinations and other assignments, when that seems appropriate. A written statement from a health professional attesting to the disability is required. A student who wishes to pursue this possibility should notify the instructor(s) concerned well in advance. For further information and counsel, students should consult the associate dean for academic affairs and SMU's Office of Disability Accommodations and Success Strategies Office at 214-768-1470.

### **Special Courses**

Perkins students may register for graduate-level courses in other schools of the University after consultation with the associate dean for academic affairs. M.Div. students may register for a total of nine credit hours and M.T.S. students for six credit hours.

It is possible, in exceptional situations, to register for a reading course. Ordinarily, no more than one reading course may be taken during a student's program of study. The student must have completed the required coursework in the pertinent field, the course must be on a subject not covered by regularly scheduled courses and the procedure for application must be completed by the end of the advance registration period in the term preceding that in which the reading course is to be taken. Reading courses do not count toward the 24 hours of study on campus in Dallas required of students enrolled in the Houston/Galveston program. Further information may be obtained from the registrar.

After matriculation at Perkins, a student may take one or more courses at another Association of Theological Schools member school and have the credit transferred to her or his Perkins degree program. However, these courses must be approved in advance by the Committee on Student Development or by the associate dean, acting

for the committee. The total number of hours transferred to a Perkins degree program from courses taken before and after matriculation should not exceed the maximum allowed for students transferring from another institution. Additional information is found under Admission by Transfer in the Admission section of this catalog.

### **Exceptional Cases**

The faculty has invested the Committee on Student Development with authority to act upon all requests for exceptions to these regulations and for any variation from regular academic procedures. All requests are to be addressed in writing to the committee and submitted to the associate dean for academic affairs.

Docent tours of the collection are available to school, University and adult groups. The Meadows Museum, in addition to its collection, houses a museum store and special event rooms. Additional information is available at [www.meadowsmuseumdallas.org](http://www.meadowsmuseumdallas.org).

## OFFICE OF INFORMATION TECHNOLOGY

---

The Office of Information Technology is responsible for providing computing and communications services to support academic and administrative needs of students, faculty, staff, alumni and patrons of the University. These services include an SMU email account, access to enrollment and financial data online, Internet access, telephone services, Web-based services, technical support, and a variety of software and hardware discounts.

SMU offers high-speed network connections throughout campus. Students can take advantage of both wired and wireless connections throughout all areas of the residence halls. Wireless coverage also extends throughout the campus in most classrooms, libraries, common areas and several outdoor locations. In addition to on-campus Internet connections, OIT provides off-campus access to resources via a virtual private network connection.

All students receive an SMU email account, which remains active after graduation. The email account may be accessed online via Office 365 ([office365.smu.edu](mailto:office365.smu.edu)). In addition, students have access to a variety of Web-based services, e.g., my.SMU, personal Web space, unlimited network storage space (OneDrive and Box) and academic applications such as the Canvas Course Management System. All academic information, including grade history, financial information, transcripts and class registration, is available through the my.SMU system.

The IT Help Desk, located in Fondren Library West, provides technical support for most computing issues Monday through Friday 8 a.m.–8 p.m., Saturday 9 a.m.–5 p.m. and Sunday noon–6 p.m. Phone or in-house support is available for on- and off-campus connectivity issues. The Help Desk also offers phone support for the Microsoft Office Suite and other common applications. In addition, the OIT website ([www.smu.edu/oit](http://www.smu.edu/oit)) provides information, step-by-step instructions and answers to many frequently asked questions.

Although most students have their own computers, there are a number of public computer labs available for use. Almost all of the labs contain both Mac and PC workstations and support a variety of programs.

Discounts on technology purchases are available throughout the year. More information can be found on the OIT website.

For additional information on services provided by IT, students should visit [www.smu.edu/oit](http://www.smu.edu/oit) or call the Help Desk (214-768-HELP or 214-768-4357). Technology news and updates are available on Twitter (@smuoit) and the IT Connect blog ([blog.smu.edu/itconnect](http://blog.smu.edu/itconnect)).

## ENGLISH AS A SECOND LANGUAGE PROGRAM

[www.smu.edu/esl](http://www.smu.edu/esl)

Students whose first language is not English may encounter special challenges as they strive to function efficiently in the unfamiliar culture of an American university setting. Dedman College offers the following ESL resources to students from all schools and departments of SMU. Students may apply on the ESL website.

More information about the ESL Program is available on the website or from the director, John E. Wheeler ([jwheeler@smu.edu](mailto:jwheeler@smu.edu)).

### The Courses (ESL)

**ESL 1001 (0). ESL COMMUNICATION SKILLS.** The goal of this course is to improve ESL students' oral and aural interactive skills in speaking, giving presentations, pronunciation, listening, and American idiomatic usage so that they may become more participatory in their classes and integrate more readily with their native English-speaking peers. It is designed to meet the needs of undergraduate and graduate students who may be fully competent in their field of study yet require specialized training to effectively communicate in an American classroom setting. The course is free of charge, noncredit bearing, and transcribed as pass or fail. *Prerequisite:* ESL Program approval required.

**ESL 1002 (0). ESL COMMUNICATION SKILLS II.** Building on skills developed in ESL 1001, students make use of their knowledge and practice to explore various aspects of American studies. In addition to speaking and presentation skills, reading and writing are also exploited as a means for students to gain a deeper understanding of American culture, customs, attitudes, and idiomatic use of the language. The course is noncredit and no-fee, and is transcribed as pass or fail. ESL 1001 is recommended as a precursor but is not a prerequisite. *Prerequisite:* ESL Program approval required.

**ESL 20XX (0). INTENSIVE ENGLISH PROGRAM.** All 2000-level ESL courses are exclusive to the Intensive English Program. This multilevel, yearlong program is designed to prepare students and professionals for academic success at the university level. The course of study consists of English for academic purposes, TOEFL-related skills, and American culture. It is open to currently enrolled and newly incoming students, as well as to those not affiliated with SMU. On-campus housing and meals are available during the 6-week summer term. This is a noncredit, nontranscribed program, and separate tuition fees are charged. *Prerequisite:* ESL Program approval required.

**ESL 3001 (0). ADVANCED GRAMMAR FOR WRITERS.** This course helps students develop their grammar and writing skills within the context of academic readings. Problem areas of English grammar and style are explored through periodic assignments, research documentation methods, and a final research project. The course is free of charge, noncredit bearing, and transcribed as pass or fail. *Prerequisite:* ESL Program approval required.

**ESL 3002 (0). ADVANCED ACADEMIC WRITING.** Building on principles of grammar and style covered in ESL 3001, this course helps students further improve the writing skills needed for their particular academic careers, using academic texts as a basis for out-of-class writing assignments and a final research project. The course is free of charge, noncredit bearing, and transcribed as pass or fail. *Prerequisite:* ESL Program approval required.

**ESL 4001 (0). ESL PRONUNCIATION SKILLS.** Students improve their pronunciation by focusing on sentence stress, rhythm, intonation, and body language while learning to mimic American speech patterns. With the instructor's assistance and extensive individual feedback, students develop personal strategies and exercises to become more aware of their own weak-

nesses. The course is free of charge, noncredit bearing, and transcribed as pass or fail. *Prerequisite:* ESL Program approval required.

**ESL 6001, 6002. SEMINAR FOR INTERNATIONAL TEACHING ASSISTANTS.** Graduate students who speak English as a second language prepare for their teaching responsibilities with undergraduate students taking University Curriculum courses. The main components include language skills needed as international teaching assistants, ITA-related teaching methodology, cross-cultural communication within the American classroom, and presentation skills. Also, examination of case studies, microteaching demonstrations, and periodic out-of-class individual consultations on the student's language and pedagogical skills. The course is free of charge, noncredit bearing, and transcribed as pass or fail. *Prerequisite:* ESL Program approval required.

### **Conversation Buddy Program**

At the beginning of each term, all students are notified via campus email of the opportunity to practice their language skills in an informal, one-on-one setting outside the classroom for one to two hours a week.

### **ESL Self-Study Lab**

A collection of materials is available for self-study use at the Fondren Library Information Commons. Students will find materials to help them improve their pronunciation, listening, vocabulary and grammar skills.

### **SMU-IN-PLANO**

[www.smu.edu/plano](http://www.smu.edu/plano)

SMU's campus in Plano's Legacy Business Park extends SMU's resources to meet the educational needs of residents in Collin County and beyond, and makes enrollment in graduate-level programs more convenient for working professionals in North Texas. The campus collaborates with area businesses by offering programs to serve the training needs of their employees and by providing corporate meeting space.

Conveniently located about 1 mile south of the intersection of state Highway 121 and the Dallas North Toll Road, SMU-in-Plano features 16 landscaped acres and four buildings with nearly 200,000 square feet of classroom space.

SMU-in-Plano serves more than 800 adult students each year through several full-time, evening and weekend programs leading to master's degrees and/or professional certificates in counseling, dispute resolution and video game technology (SMU Guildhall). In addition, numerous noncredit certificates and professional development programs are offered in Plano, including paralegal studies, certified financial planner, social media and digital communications, best practices in supervision, and project management.

During the summer, more than 2,000 children participate in a variety of programs designed to enhance their academic skills. The campus also provides important outreach services to the surrounding Collin County communities; these services include the Mediation and Arbitration Center and the Center for Family Counseling.

More information is available online or through the SMU-in-Plano office: 5236 Tennyson Parkway, Building 4, Plano, TX 75024, 972-473-3400.

## CONTINUING AND PROFESSIONAL EDUCATION

---

The Office of Continuing and Professional Education provides noncredit courses that address different cultural, scholarly, personal and professional topics for the community, a practice that has been part of the SMU tradition since 1957. CAPE offers a selection of courses for open enrollment each fall, spring and summer term. Additional information is available at [www.smu.edu/cape](http://www.smu.edu/cape).

**Personal Enrichment.** CAPE classes – historically, *Informal Courses for Adults* – are generally short sessions on topics for enjoyment and reflection. Courses offered for personal enrichment include several major areas of exploration: personal finance and life planning, communication and workplace skills, history, literature and film, culture and travel, and the fine arts (e.g., studio art, music, architecture, photography and art history). CAPE also offers noncredit language conversation courses, including Spanish, French, Italian, Mandarin Chinese and American Sign Language.

**Test Preparation.** Study courses for the SAT, ACT, GRE, GMAT and LSAT are offered throughout the year. Information is available at [www.smu.edu/testprep](http://www.smu.edu/testprep).

**Professional Development.** For those who are seeking professional achievement or a new career direction but who are not interested in a traditional undergraduate or graduate degree-granting program, CAPE offers noncredit courses to enhance workplace skills and noncredit **certificate programs**, including special certificates offered in partnership with Meadows School of the Arts, the National Criminal Justice Training Center and the Center for Nonprofit Management.

Students complete certificates by taking a series of classes over weeks or months, depending on the specialization and the student's schedule. Cohort and independent options are available, with some classes being offered online. Upon completion of the series, students receive a noncredit transcript documenting completion from Continuing and Professional Education at SMU.

Additional information and a full listing of current opportunities are available at [www.smu.edu/cape/professionaldevelopment](http://www.smu.edu/cape/professionaldevelopment).

**SMU's Summer Youth Program** offers one-week, special-interest enrichment workshops throughout the summer for those entering grades K–12. More information is available at [www.smu.edu/SummerYouth](http://www.smu.edu/SummerYouth).

**Online Learning.** CAPE partners with national leaders in online teaching and learning to offer self-paced, practical, career-enhancing courses. Additional information is available at [www.smu.edu/capeonline](http://www.smu.edu/capeonline).

## STUDENT AFFAIRS

---

The mission of the Division of Student Affairs ([www.smu.edu/studentaffairs](http://www.smu.edu/studentaffairs)) is to develop, with others in the University, opportunities for students to become productive citizens through the creation of challenging environments that contribute to students' intellectual, spiritual, physical, social, cultural, moral and emotional growth, and, in so doing, engage them with the widest range of persons within the University and beyond. The vice president for student affairs oversees programs, services and activities that complement students' academic pursuits and promote their development, success and cocurricular learning.

Concern for and realization of the full development of each student in and out of the classroom constitutes one of the major goals of the University. Consequently, the division's programs are designed to support and supplement SMU's formal academic work. Many departments exist to provide services for the benefit and convenience of SMU students. The Division of Student Affairs encompasses a broad range of programs and services dealing with housing and residential matters, physical and mental wellness, personal and career counseling and testing, recreational sports and intramurals, religious affairs, multicultural student programs, as well as student conduct and community standard matters, new student orientation, leadership programs, volunteer opportunities and women's programs.

### **ACADEMIC INTEGRITY AND CODE OF CONDUCT**

#### **The Honor Code of Southern Methodist University**

Intellectual integrity and academic honesty are fundamental to the processes of learning and of evaluating academic performance, and maintaining them is the responsibility of all members of an educational institution. The inculcation of personal standards of honesty and integrity is a goal of education in all the disciplines of the University.

The faculty has the responsibility of encouraging and maintaining an atmosphere of academic honesty by being certain that students are aware of the value of it, understand the regulations defining it and know the penalties for departing from it. The faculty should, as far as is reasonably possible, assist students in avoiding the temptation to cheat. Faculty members must be aware that permitting dishonesty is not open to personal choice. A professor or instructor who is unwilling to act upon offenses is an accessory with the student offender in deteriorating the integrity of the University.

Students must share the responsibility for creating and maintaining an atmosphere of honesty and integrity. Students should be aware that personal experience in completing assigned work is essential to learning. Permitting others to prepare their work, using published or unpublished summaries as a substitute for studying required material, or giving or receiving unauthorized assistance in the preparation of work to be submitted are directly contrary to the honest process of learning. Students who are aware that others in a course are cheating or otherwise acting dishonestly have the responsibility to inform the professor and/or bring an accusation to the Honor Council.

Students and faculty members must share the knowledge that any dishonest practices permitted will make it more difficult for the honest students to be evaluated and graded fairly and will damage the integrity of the whole University. Students

should recognize that their own interests and their integrity as individuals would suffer if they condone dishonesty in others.

### **Code of Conduct**

The following are University procedures and standards with which every student must become familiar. The University considers matriculation at SMU an implicit covenant and a declaration of acceptance on the part of the student of all University regulations. The Student Conduct & Community Standards Office, website [www.smu.edu/studentconduct](http://www.smu.edu/studentconduct), promotes community, scholarship and civility by holding students accountable to the Student Code of Conduct and the Honor Code.

Standards of conduct are established through faculty, student and administrative efforts and are under continuous evaluation by the entire University community in order to assure reasonable and fair limits. At SMU, the student is assumed to have a high degree of loyalty and responsibility to the University and its well-being, as well as to himself or herself in personal, social and intellectual pursuits; the student's behavior both on and off campus is evidence of this.

Students at SMU will discover that they are encouraged to exercise a great amount of personal freedom as well as accompanying responsibilities. Through their personal capacities for intelligent thought and action, mature students understand that there are situations in which certain behavior must be modified for the benefit of others. The University stands firm in its commitments to the rights and freedoms of students, expecting in return the same respect and concern.

Due respect for the entire University community, faculty, staff and one's fellow students is always expected. The University expects all students to be responsible citizens and to abide by all federal, state and local laws. The University Code of Conduct applies to students both on and off campus. It is the University's expectation that students will avoid behaviors such as, but not limited to, the misuse of drugs and alcohol, dishonesty, gambling, hazing, or behavior that endangers or threatens to endanger the health and safety of any person.

Students are required to identify themselves when asked by a properly identified faculty or staff member, or by another student serving as a University staff member. Persons who are not members of the University community and without business on campus may be asked to leave.

### **Conduct Review Process**

Clear disciplinary procedures are an important part of the mission of SMU as an educational institution. The intent of the system of due process at SMU is to be educational and not merely punitive for students. The goal continues to be to produce quality citizens. The purpose of the conduct review process is to encourage personal responsibility.

Depending on the degree of misconduct, a student may be subject to sanctions ranging from an informal warning to expulsion from the University. In addition, a student may be assigned educational sanctions designed to promote personal growth and development. Should a student be asked to leave the University, he or she should do so in an expeditious and peaceful manner. The student should remain off campus until he or she receives written permission from the Office of Student Conduct & Community Standards to return to campus. In the event of such separation, a student is still responsible for University financial obligations.

To ensure fairness and due process for all students in the conduct process, the student is granted an impartial hearing and the right to appeal to the University Conduct Council. A student who is appealing a sanction may remain in school until the decision and penalty are reviewed, unless otherwise determined by the Dean of Student Life, the Vice President for Student Affairs, or their designee. All actions related to the conduct review process are subject to presidential review.

Having voluntarily enrolled as students at Southern Methodist University and assumed a place in the University community, all students are presumed to be knowledgeable of, and have agreed to abide by, the rules and regulations set forth in the Student Code of Conduct, as outlined in the *SMU Student Handbook*, which is available online at [www.smu.edu/StudentAffairs/StudentLife/StudentHandbook](http://www.smu.edu/StudentAffairs/StudentLife/StudentHandbook).

## HOUSING

The Department of Residence Life and Student Housing supports the goals of the University by creating residential communities that empower residents to value learning, citizenship and leadership in comfortable, well-maintained facilities. The department is responsible for the campus residential community, including all residence halls, SMU-owned apartments and SMU-owned Greek chapter houses.

## HEGI FAMILY CAREER DEVELOPMENT CENTER

[www.smu.edu/career](http://www.smu.edu/career)

The Hegi Family Career Development Center at SMU is dedicated to serving the needs of SMU students and alumni and assisting employers in reaching qualified candidates from SMU. The Career Development Center staff guides and encourages students and alumni in the development of skills necessary for lifelong career management and offers opportunities for employers to recruit students through campus events and online resources. At Hegi, the staff cares about helping students develop into well-rounded individuals, and is dedicated to values of consistency, authenticity and commitment to excellence.

**Career Express Drop-in Hours.** The Career Center offers 15-minute sessions to drop-ins on a first-come, first-served, basis. In these sessions, students can discuss career options or get help editing a resume. Additional information is available on our website at [www.smu.edu/career](http://www.smu.edu/career).

**Counseling Appointments.** The Career Center also provides opportunities for counseling appointments with a staff member. These longer sessions can help students navigate the more complex issues of career development including, self-understanding, goal creation and career strategies.

**Peer Mentors.** Peer Mentors are highly trained student leaders who help fellow students navigate the career development process, including assisting with drop-ins, editing cover letters and resumes, and representing Hegi at campus events.

**Career Development Ambassadors.** CDA is a student organization designed to provide career development opportunities on the SMU Campus. CDAs organize events for the SMU community, which inspire engagement in the career development process, develop students' career tools, and provide networking opportunities.

**Experiential Learning.** Want to learn more about an industry, company or specific job? Experiential learning is the best way to do so. Below are some easy ways to get connected:

- **Coffee Chats:** Meet an employer in an informal setting to learn about their career journey.

- **Mentors:** Connect and develop a relationship with an SMU alum who is in a career you are interested in.
- **Externship:** Shadow an SMU alum for the day and learn about their career path and what they do on a daily basis. The SMU Connection program is a partnership with Alumni Relations, which provides students exposure to today's competitive and ever-changing job market.
- **Informational Interview:** Have a conversation with an alum and/or employer for an hour to learn out their education and career path.

**Employer Events.** Our Office cultivates meaningful relationships with organizations and employers who are invested in networking with dynamic, talented and skilled students across SMU's liberal and communication arts communities. Throughout the year, the Career Center hosts 2-4 Career and Internship Fairs, along with a host of Employer Industry Panels, Company Information Sessions and Industry Training and Development Workshops. These events offer students an opportunity to work with employers and alumni and to learn the skills necessary to be successful in the workplace.

## STUDENT LIFE

The Office of the Dean of Student Life ([www.smu.edu/studentlife](http://www.smu.edu/studentlife)) educates students and the SMU community by providing purposeful opportunities for learning, growing, clarifying values, and developing decision-making and other skills that promote responsible citizenship and well-being. Located in the Hughes-Trigg Student Center, the office is a resource for students to consult when they need general information and assistance. The dean serves as a primary liaison for students and parents who have concerns about any aspect of their SMU experience.

### Student Activities

[www.smu.edu/orgs](http://www.smu.edu/orgs)

The mission of the Department of Student Activities is to advise and support student organizations and to encourage student development through involvement. Involvement outside the classroom is a tradition at SMU. Research shows that students who get involved outside the classroom tend to be more successful during their college experience. The department supports more than 200 extracurricular opportunities for SMU students through academic and professional associations, campus programming councils, community service coalitions, fraternities and sororities, governing boards, nine honor societies, multicultural organizations, political clubs, club sports, religious organizations, and special-interest groups. Higher-education professionals advise and support specific areas of involvement, including diversity, programming and governance, and are available to answer student's day-to-day questions about getting involved.

The Student Activities Office is located on the third floor of the Hughes-Trigg Student Center, Suite 315. Additionally, Suite 300 is the hub of activity for several SMU student organizations. Many out-of-class programs planned and implemented by students are considered co-curricular in that they are designed to complement a student's educational experience. These student groups and their committees provide many opportunities for students to become involved as leaders or participants.

Additional information is available online, including organization interests or type, membership requirements, contact information and event calendars. The department can also assist students in forming a new organization.

**Eligibility Requirements.** Campus activities and organizations are an integral part of the developmental experience for SMU students. Leadership skills and interpersonal, social and cultural enhancement are some of the benefits associated with out-of-class participation. Students who hold office in a student organization or represent the University as a member of a sponsored campus group (Mustang Band, University Choir, etc.) must be matriculated in a University degree-granting program and may not be on academic probation.

### **Student Government**

Through SMU's system of representative governance, students participate with faculty and administration in the University's decision-making process. The primary voice of students in this process is the student-elected Student Senate. The Student Code of Conduct in the *SMU Student Handbook* is reviewed and updated annually in conjunction with the Student Senate and contains the student code of rights and responsibilities.

### **Student Center**

[www.smu.edu/htrigg](http://www.smu.edu/htrigg)

The Hughes-Trigg Student Center supports the University's mission by serving as the hub of student life and student activities. The Student Center serves as the "living room" of the university and provides services, conveniences, amenities and programming designed to enhance the student experience on campus. The Student Center staff strives to provide a safe and communal environment to meet the diverse needs of all individuals. Our building includes a 6400 square foot ballroom, a tiered, amphitheater-style forum classroom, a 500-person capacity auditorium, two dining areas, a post office, an art gallery, office and meeting space for student organizations, several lounging and quiet areas, in which to study, and six meeting rooms.

### **Student Media**

The student media experience at SMU is one that offers aspiring media professionals the opportunity to work and learn in a fully converged news operation that combines print, online and broadcast platforms. Editors, writers and photographers of the *SMU Campus Weekly*, SMU's independent newspaper, work together with directors and videographers of SMU-TV, the student-run broadcast journalism program, to share content and produce timely and compelling packages for a shared news website at [www.smudailycampus.com](http://www.smudailycampus.com). SMU student media opportunities also include the student yearbook, *Rotunda* ([www.smurotunda.com](http://www.smurotunda.com)), which has chronicled the life and times on The Hilltop since 1915.

### **Veterans Services**

The Division of Student Affairs provides a coordinator of veteran support and services through the Office of the Dean of Student Life and Well-Being. The coordinator helps veterans navigate the campus community and connect with available resources on campus and in the greater Dallas community. A chartered student organization, U.S. Military Veterans of SMU (SMU MilVets), meets regularly to provide support to fellow veterans and to participate in fundraisers, care package drives, tailgating on the Boulevard during football games and other activities during the school year. The Veterans Center, in Hughes-Trigg Student Center, Suite 323, provides coffee, a refrigerator and microwave, printing, meeting and study space, and a relaxed setting for interacting with fellow veterans. The University Registrar's Office certifies

veterans each term for their benefits under federal programs and the Office of Financial Aid works to provide individual aid packages. More information regarding services and benefits for veterans is available at [www.smu.edu/veterans](http://www.smu.edu/veterans).

## **Women & LGBT Center**

[www.smu.edu/womenandlgbtcenter](http://www.smu.edu/womenandlgbtcenter)

The Women & LGBT Center empowers students within the university to increase awareness and understanding of gender equity issues by eliminating barriers, diminishing prejudices and creating a supportive climate and space for all. Through advocacy, information, referral services and leadership experiences, the center provides a safe haven for students struggling with issues of injustice and oppression. Student organizations advised here include the Women's Interest Network; Campus YWCA; Women in Science and Engineering; and Spectrum, the lesbian, gay, bisexual, transgender and ally organization. Also housed in the center is the SMU Women's Symposium ([www.smu.edu/womsym](http://www.smu.edu/womsym)), which is part of the Education of Women for Social and Political Leadership series, established in 1966. The center provides an informal, homelike atmosphere where members of the SMU community can meet.

## **Health Services**

[www.smu.edu/healthcenter](http://www.smu.edu/healthcenter)

The Dr. Bob Smith Health Center, the University's health facility, is located at 6211 Bishop Boulevard. The clinic offers a full range of services, including primary care, pharmacy, radiology, laboratory and counseling. The Health Center has achieved accreditation by the Accreditation Association for Ambulatory Health Care.

**Outpatient Medical Services.** SMU provides a convenient, cost effective, state of the art medical clinic for diagnosis and treatment of illness and injury, as well as for immunizations and continuation of treatment such as allergy injections. The clinic is staffed by physicians, registered nurses, and medical assistants. Physicians are available by appointment 8:30 a.m.–4:30 p.m., Monday through Friday. For appointments and health information, students may call 214-768-2141 or go online [www.smu.edu/healthcenter](http://www.smu.edu/healthcenter).

**Acute/After Hours Care.** For emergency care after clinic hours, it is recommended that students call 911 or go to a hospital emergency room. Students should refer to the Health Center website ([www.smu.edu/healthcenter](http://www.smu.edu/healthcenter)) for information about urgent care facilities and local hospitals.

**Costs.** Undergraduate and graduate students pay a health center fee each term that covers routine medical care and counseling services at the Health Center. Laboratory tests, x-ray procedures, immunizations, pharmacy prescriptions, medical supplies, and specialty care are available to the student for an additional charge.

**Mandatory Health Insurance Policy.** SMU requires all domestic students, both undergraduate and graduate, taking nine or more credit hours, to have health insurance through either an individual/family plan or the University-offered plan. All international students taking one or more credit hours must enroll in the University-offered plan unless they have a special waiver personally granted by the Health Center staff.

Students are required to provide documentation of current insurance coverage or to enroll in the Student Health Insurance Plan by the add/drop date each term. A domestic student with private health insurance coverage must waive SHIP coverage to avoid automatic enrollment into the plan and thereby have the semiannual pre-

mium charge applied to his or her bursar account. Information and instructions are available online at [www.smu.edu/healthinsurance](http://www.smu.edu/healthinsurance). Students who elect SHIP for the fall term are automatically re-enrolled for the spring term unless they expressly waive coverage. **Note:** Health insurance is separate from the student Health Center fee and is paid separately.

**Pharmacy.** A full service pharmacy is conveniently located in the Health Center and is open to all currently enrolled students from 8:30 a.m. to 5 p.m., Monday through Friday. Prescriptions from the Health Center, as well as outside providers, are accepted. The Pharmacy accepts most insurance plans.

**Immunizations.** All students (undergraduate, graduate, part-time and full-time, to include international and IEP/ESL students) are required to have an SMU medical history form on file in the SMU Health Center before registration. To comply with SMU policy, all students must also submit to the Health Center immunization records that provide proof of immunization against measles, mumps and rubella. These MMR immunizations must be documented by a physician, public health record, military health record or school health record. Students will not be allowed to register without immunization compliance.

Texas state law requires all new students under the age of 22 to provide proof of immunization for bacterial meningitis. The meningitis vaccine or booster dose must have been received during the five years prior to enrollment and at least 10 days before the start of classes. Students seeking exemption from this requirement due to health risk or conscience, including religious belief, should see the second page of the SMU medical history health form. More information is found under Final Matriculation to the University in the Admission to the University section of this catalog.

Students are encouraged to check their my.SMU account for immunization status. Immunizations are available at the Health Center. Health history forms are available on the Health Center's website ([www.smu.edu/healthcenter](http://www.smu.edu/healthcenter)).

**Class Absence Due to Illness.** The Health Center does not issue excuses from classes for illness. Please refer to the Class Excuse Policy at the Health Center website ([www.smu.edu/healthcenter](http://www.smu.edu/healthcenter)) for more information.

**Notification of Parents.** The Health Center staff may not speak to parents without the student's permission. Parents or guardians are notified in cases of life-threatening illnesses.

**Health Service Records.** All student-patient health information is confidential. A copy of medical records may be released to a physician only with a written release by the student. Records are not made available to parents, SMU administrators, faculty or staff without the student's written consent.

**Office of Health Education and Promotion.** This office serves as a resource for health information on campus. It promotes programs and activities that focus attention on health-related issues affecting college students. Students can get involved with health education on campus through the Peer Advising Network. More information is available from the Health Center (telephone: 214-768-2393; website: [www.smu.edu/studentaffairs/healthcenter/healtheducation](http://www.smu.edu/studentaffairs/healthcenter/healtheducation)).

**Counseling Services.** CS provides psychiatric evaluation, crisis intervention and group/individual/couples psychotherapy for students. All interviews are conducted on a voluntary and confidential basis. There is no charge to students who have paid the University health fee. Students can seek confidential help for concerns such as anxiety, depression, relationship issues, career/life planning, sexual identity, eat-

ing/body image concerns and sexual assault/sexual harassment matters. Alcohol and drug prevention is a free and confidential source of help and information to the SMU community, covering issues related to substance abuse and addiction. Any laboratory tests or pharmaceuticals ordered will be charged to the student. For more information regarding scheduling appointments, students should call 214-768-2277 between 8:30 a.m. and 5 p.m., Monday through Friday, or visit [www.smu.edu/counseling](http://www.smu.edu/counseling).

**Testing Services.** Testing Services offers fee-based testing to the Dallas-area community. These services include on-campus administration of national testing programs such as the LSAT, MPRE, GRE and others. Other testing offered includes credit by exam (CLEP), and correspondence examinations for local distance learners enrolled in other universities. For additional information, students should visit [www.smu.edu/studentaffairs/healthcenter/academicprofessionaltesting](http://www.smu.edu/studentaffairs/healthcenter/academicprofessionaltesting) or call the center at 214-768-2269.

**Mustang Band.** Founded in 1917, the Mustang Band was named the "Best College Marching Band" in Texas in Kirk Dooley's *Book of Texas Bests*. Long known as "the hub of SMU spirit," the band represents the University at football and basketball games, produces the *Pigskin Revue* during Homecoming and performs at special University- and community-related events. Membership is open to all SMU students by audition, regardless of major, and scholarships based on need and ability are available.

## VALUES AND COMMUNITY

### Office of the Chaplain and Religious Life

[www.smu.edu/chaplain](http://www.smu.edu/chaplain)

The Office of the Chaplain and Religious Life offers resources of pastoral care and theological reflection that nurture spiritual and vocational development as well as the moral and ethical vision and character of students, faculty and staff. Dr. Stephen W. Rankin is the chaplain and minister to the University community. Chaplain Rankin leads and preaches at Underground, an ecumenically Christian, all-University service of worship, in Hughes-Trigg Theater each Wednesday during the term. Students, faculty and staff are invited to participate in this service through music, scripture readings or other expressions of worship. Other services, including the University Service of Memory, Ash Wednesday Service and memorial services as needed, are also planned and implemented by the Office of the Chaplain.

Presently, there are more than 30 religious life organizations. Alongside the Christian groups aligned with denominations, local Dallas-area congregations or national parachurch ministries, SMU also has an active Hillel chapter for Jewish students, a bustling Muslim Student Association and other faith groups of various traditions. A large number of undergraduate, graduate and professional students, as well as many of SMU's faculty, staff and administrators, participate in these dynamic religious communities.

In cooperation with the Department of Residence Life and Student Housing, the Office of the Chaplain places in each residential commons a residential community chaplain who provides a pastoral presence and help for students navigating the sometimes confusing concerns of life.

Additionally, the Office of the Chaplain partners with faculty members across campus to direct the Faith and Learning Scholars, an initiative involving a cohort of students who want the experience of integrating their faith with their academic pursuits. Similarly, the Civil Rights Pilgrimage, founded in 2004, is an eight-day spring break journey through the South whereby students encounter shrines of freedom and meet heroes of the civil rights movement. This collaboration with Dedman College offers students a transformative opportunity while earning academic credit.

Chaplains are available for personal counseling and spiritual direction with students, faculty and staff during office hours. The Office of the Chaplain is located in the Hughes-Trigg Student Center, Suite 316. Adjacent to this office is the Quiet Place, a setting for meditation, prayer and reflection for all faiths. The Quiet Place is open daily and available with no prior reservation needed.

### **Community Engagement and Leadership**

[www.smu.edu/cel](http://www.smu.edu/cel)

The Community Engagement and Leadership Center, a department in the Division of Student Affairs, develops student leaders through educational and transformational experiences that equip them to have a positive impact on social change. CEL advises and supports two student-run service-based organizations, Alternative Breaks and Mustang Heroes, which provide students the opportunity to participate in service trips in Dallas and throughout the United States. CEL also hosts the annual Stampede of Service and MLK Day of Service.

The leadership programs available to students include the Emerging Leaders First-Year Leadership Development Program, the Crain Leadership Summit, the Mustang Intersections Leadership Retreat for Diversity and Social Change, and the Lonestar LeaderShape Institute. CEL also supports student leadership development through the Caswell Leadership Program, a grant opportunity for a group of selected students to develop projects focused on sustainability leadership, faith-based leadership, community-based leadership, educational leadership, or culturally competent leadership.

## **Multicultural Student Affairs**

The Office of Multicultural Student Affairs works collaboratively with the campus community to provide support for students of color and to create an environment that fosters inclusivity and a deeper understanding of diversity. The office focuses on holistic development, advocacy and comprehensive student success. In addition, the office sponsors diversity and social justice education programs such as Inter-SECTIONS and Real Talk to provide opportunities for the exchange of ideas and experiences that enhance student perspectives, and offers various leadership opportunities through culturally based student organizations, peer dialogue leader positions and the CONNECT Mentoring and Retention Program. For more information, visit our website at [www.smu.edu/StudentAffairs/Multicultural](http://www.smu.edu/StudentAffairs/Multicultural).
