Late Registration
Most incoming freshmen and transfer students will have registered in the summer AAARO conferences or during the academic advising and registration activities in August. Any student who has not registered by August 29 can late register with the payment of a $30 late registration fee. Late registration will take place August 30 - 31 by appointment and September 4 - 11 on a first-come, first-served basis.

Schedule Changes
If you find that you need to make schedule changes, known as Add/Drops, keep in mind the three phases. Phase 1 has already passed. Phase 2 is August 31 - September 1. Phase 3 is September 4 - September 11. See the front of the schedule of classes for add/drop procedures, which differ for each phase. The add/drop fee is $4.

Check-In
Students returning to SMU must remember to check in before attending their first class. Check-in consists of picking up your class schedule and student information update form at the appropriate locations:
- Dedman undergrads — Room 103, student center
- Business undergrads — Room 33, Fincher Building
- Arts undergrads — outside F228, Owen Arts
- Engineering undergrads — Room 107, Caruth Hall

Pass/Fail
Students have the option of taking physical education or elective classes pass/fail, which means that there is no recorded grade for the class other than the designation “pass” or “fail.” Generally, a grade over a D constitutes a pass. These grades are not counted in your grade point average (GPA), but they do receive the credit hours. It may be best to talk with your academic adviser before selecting the pass/fail option.

Withdrawing
It is possible to withdraw passing from a course up to the 10th week of classes. You can withdraw failing through December 1. Your grade will be recorded as a W/P or W/F accordingly.

Auditing
Auditing allows you to sit in on a course but not receive course credit. This requires the permission of the dean and instructor, completion of an audit form (available in the deans’ offices and the registrar’s office) and payment of an audit fee. The form must be processed in the registrar’s office.

Attendance
Each instructor determines how attendance will affect grading in a given class, but prompt and regular attendance does facilitate satisfactory performance. A student may be dropped from a class because of poor attendance, resulting in either a W/P or W/F and a $10 administrative drop charge.

Classification
Classification is determined by the number of hours a student has completed:
- Freshman — 0-29 hours.
- Sophomore — 30-59 hours.
- Junior — 60-89 hours.
- Senior — 90 hours.

Class Load
The normal class load for a full-time undergraduate student is 15 semester hours (one hour one lecture hour or three lab hours per week). Any course load under 12 hours is considered part time. Any course load of 18 or more hours must be approved by your academic dean.
Grades and GPA

Grades in any course are determined by the student's class standing and his or her examination grade, combined in any way the instructor wishes. Class standing is determined by attendance and quality of the student's work.

Trivia and Facts

- SMU was originally named Texas Methodist University in 1916.
- A librarian named Dorothy Anderson was known as "Mustang Sally" on campus.
- SMU football players charge on Mustangs' tickets.
- The insignia used on the Ford Mustang is which because they wanted a logo similar to the left and Mustang's to the right.

SMU's fight song — "The Pride of the Mustangs"

"Fight Song — The Pride of the Mustangs"

Hail to the Red and Blue,
We're the Mustangs from SMU,
Give a cheer, show your might,
Get the victory in sight.
For our battle cry will be,
Fight, Fight, Fight!

Spirit's the best in the land
And right to the end we'll stand
For the M-U-S-T-A-N-G-S
FIGHT, FIGHT, FIGHT!

A freshman member of the eight, counting the number of months, the players get to the final game — 701 times!

Another traditional song is

Varsity
Oh, we see the Varsity, Vars
As the towers o'er the hill
And our hearts are filled with
Alma mater we'll be true, too.
Trivia and Tradition

- SMU was originally named Texas Wesleyan University in 1911, but remained such for only five years. The name was changed to Southern Methodist University in 1916.

- A librarian named Dorothy Amann won an all-school contest with the name "Mustangs" for the university mascot after she watched the SMU football players charge onto the field "like a bunch of Texas Mustangs." The insignia that we use to represent the Mustang is said to be borrowed from the Ford mustang, but that you can always tell which mustang is which because they run in the opposite directions: Ford's to the left and SMU's to the right.

- SMU's fight song — "The Pony Battle Cry" was written by our former Mustang Band Director Dr. Irving (Coach) Dreitholdt.

  "Fight Song — The Pony Battle Cry/Peruna"

  Hail to the Red and the Blue,  
  We're the Mustangs from SMU,  
  Give a cheer, show your might  
  Get the victory in sight,  
  For our battle cry will be,  
  Fight, Fight, Fight!

  Spirit's the best in the land  
  And right to the end we'll stand,  
  For the M-U-S-T-A-N-G-S  
  FIGHT, FIGHT, FIGHT!

- A freshman member of the Mustang Band is placed in charge of counting the number of times the band plays "Peruna." Tradition dictates they play the fight song on every drive and in all fight situations the players get into. The band set a new record at the 1980 Tulane game—701 times!

- Another traditional song is "Varsity," our alma mater:

  Varsity
  Oh, we see the Varsity, Varsity, Varsity  
  As she towers o'er the hill over there;  
  And our hearts are filled with joy, SMU—SMU,  
  Alma mater we'll be true, forever.

- "Varsity" was composed by Rev. Lewis W. Stackey, who was inspired by a view of Dallas Hall in the skyline while driving down Preston Road on a cold, clear day. It is sung before the beginning of every game and at other special events.

  "Virtus liberabit vos — "The truth will set you free" — is SMU's motto. The phrase was selected by the university's first president — Robert Hyer.

- SMU's mascot is "Peruna" the original Peruna was killed in an accident in 1934 — the "Spirit of the Mustang" at SMU was erect in his memory — but SMU will celebrate Peruna's 53rd birthday in the spring of 1985.

- SMU colors are Harvard Red and Yale Blue.

Loyalty

High on the Hilltop,  
Hall SMU  
Hearts full of loyalty, to the red and blue, forever!  
Come all Alumni, stand together old and new  
Sing out for Alma Mater, Mustangs from SMU!

- SMU beat Texas 10-6 for the first time in football history in 1924.

- The wearing of the "freshman beanie" is an old tradition which has been modified over the years. In the beginning, upperclassmen sold green beanie to freshmen as "traditional freshman wear." If the freshman passed a coed he had to push the button atop his beanie. With the banning of hazing on campus, the beanie disappeared only to return as a tradition carried on by the Mustang Band. All freshman band members wear the red and blue beanie until the Homecoming game provided SMU wins.

- SMU being a Methodist school, no dances were allowed until 1940.

- In the early years of SMU, women had a very strict social life. Week nights dates were allowed only as late as 7 p.m., with freshman women allowed none. They were allowed to date only on Saturday nights if accompanied by a junior or senior woman and her date and only as late as 10 p.m.
Like all schools, SMU has a series of annual events to help mark the passage of each school year. Often, these events are planned to involve as many members of the SMU community as possible, and students generally take a major role — if not a total one — in the planning:

AAARO — extends for three weeks during the summer when prospective freshmen come in to get acquainted with SMU and to register for fall classes.

Freshman Orientation — takes place in the week before classes begin. This is a chance for students to get an academic orientation to college, as well as a social one.

Greek Week — a fall event in which the Greek organizations plan different things to show Greek spirit at SMU. Often there are events that all students can participate in.

Parent's Weekend — a Student Foundation event which includes a barbecue, style show and a talent show, as well as the football game. It's also a great excuse to see your parents again after getting adjusted to SMU.

Freshmen Elections — when the freshmen have the chance to choose their Student Senate representatives for the year. Elections are either a good way to get involved or a good way to exercise your right to vote — and good practice for the 1984 presidential election.

Homecoming — is always an event. SMU's includes a parade, game at Texas Stadium, queen selection, crowning and the Piskuin revue featuring the Mustang Band. It's also a time for SMU alumni to return to campus and see old friends. Generally there is a dance planned. This event is also sponsored by Student Foundation.

Sustentation — is the annual SMU telethon, which brings students and alumni together as they call across the nation to raise money for their school.

The Literary Festival — SMU is fortunate in having one of the best literary festivals in the nation. Every year, nine or ten authors and poets come to meet with students, give readings and be feted. It is a subtle blend of education and entertainment.

Thanksgiving break

Celebration of Lights — is the way SMU welcomes the advent of the holidays. The main quad is filled with lights, carols and the sound of SMU President L. Donald Sterling's reading the Christmas story. Inevitably, there is a tree in the quad, and some of Santa's elves drop by with candy canes.

Christmas break

Black Emphasis Month — the entire month of February is devoted to recognizing the contributions of black people, in many contexts including historical, religious, artistic, political and social.

Women's Symposium — Another SMU specialty, a two-day conference on women and men and the issues that face both in the coming years. This spring event which has been at SMU for almost 20 years, is one of the few of its kind and keeps getting better and better.

Brother/Sister Roundup — an opportunity for SMU students to show their school to their college-age siblings.

Spring Break

General elections — for all senate seats (except freshmen) and student body officers.

Peruna's Birthday — SMU's way of celebrating both spring and our mascot "birthday." This Saturday event is similar to a carnival with booths, bands, food and, hopefully, lots of sun.

Graduation — perhaps the most long-awaited event, graduation at SMU is a long weekend, with Baccalaureate, the president's farewell, the conferring of degrees, the presentation of diplomas and the dance. Summer vacation or summer school session(s)

HOMECOMING

Homecoming is probably SMU's most well-known tradition. It begins with the Homecoming Queen election. Candidates are nominated by various campus organizations and voted on by the student body.

As late as 1945, classes were dismissed early on Friday in order for everyone to go to the Homecoming parade — led today by a celebrity marshal — and the traditional all-school dance was free for everyone.

The first Piskuin Revue was produced in 1933. The Mustang Band-sponsored Piskuin Revue is like a variety show, with acts from around the campus. The SMU Loyalty Song was added to the SMU traditional song repertoire when SMU won its first Homecoming game since 1958 in a 31-13 upset over Texas in 1965.

Student Government

The SMU student body is represented within the university and to the outside community by the Student Senate and its officers. The senate's powers and authority are established in the student body constitution.

The function of the senate is to govern the student body and represent the student body in all university decisions. The university has given the Student Senate the initial responsibility to allocate the student activity fee, adopt and enforce the student code and recognize all student organizations. The Student Senate also has the responsibility of funding and coordinating the programming and activities of all student groups on campus. The student government membership consists of approximately 300 students. The opportunities are varied and substantial.

Student Senate and student officers

The student body officers consist of a president, vice president, secretary, and treasurer. The president, vice president and secretary are elected by a majority vote of the student body. The treasurer is appointed by the president. The Student Senate consists of 36 senators elected from each school of the university or at large, and the student body officers.

Senators from each school (Arts, Business, Dedman College, Engineering, Law and Theology) are elected on a formula of one senator for every 300 students enrolled in the school. In September, the freshman class elects four freshman representatives. In addition there are seven at-large senators representing the advisory board to the provost, black students, Mexican-American students, international students and women students. These representatives ensure all students access to student government.

Senate Committees

All students are encouraged to apply for one of the fourteen senate committees. The committees are composed of students and student senators who have the responsibility for various areas that affect student life. Any student may apply for committee positions in the student government office during September. All applicants will be interviewed by the Student Senate Screening Committee, and recommendations will be made to the student body president for appointments. The Student Senate has several standing and ad hoc committees including:

- Appropriations Committee: allocates more than $250,000 of the student activity fee to student organizations with senate approval. Chairs — Richard Bryan.

- Class Council Committee: coordinates the efforts of all four class councils and provides interaction for the development of ideas and strategies for each council.

Communications Committee: charged with keeping the student body aware of the senate and its actions. Chair — Millie Ajayi.

Election Committee: coordinates and revises elections whenever required. Chair — Millie Ajayi.

Finance Committee: coordinates with the university financial records of the senate and is in charge of the senate and recognized student organization Stratman and Kevin O'Meara.

Internal Affairs Committee: charged with internal control and operations of the senate. Chair — Holly Stroud.

Issues and Grievances Committee: of for student complaints and concerns. Grievance Committee: Chair — John B. Morgan.

Mustang Committee: coordinates special spirit for the SMU student body especially for activities. Chair — Andy Smith.

Polling Committee: offices SMU students press their views on particular Student Senate projects. Chair — Ted Brahams.

Scholarship Committee: responsible for writing and awarding scholarships for Student Senate. They work in conjunction with the SMU Endowment Foundation to provide student scholarships. Chair — Carol Foster.

Screening Committee: recommends to the senate qualified individuals for the senate committee.

Student Code Committee: revises the code of student conduct.

Student Handbook Committee: coed of The Peruna Express, the student handbook.

Student Organizations Committee: the recommendations of student organization matters and standard of operation. Chair — Trace.

Students can also serve on Faculty Senate
Committee: charged with making the student and its actions. Chair — Julie Bingham.

The 1984 season looks bright for the Mustangs even though they will lose the services of Lance McHenny, the all-time winningest quarterback (34-5-1) in SWC history. Don King will very likely be Coach Bobby Collins' number one quarterback. Joining King in the backfield will be tailbacks Reggie Dupard and Jeff Atkins, who combined for 2,186 yards and 16 touchdowns while alternating each possession.

Other key players are Anthony Beverly at outside linebacker, Ron Morris at wide receiver and Andrew Campbell and Chris Jackson on the offensive line.

Over the past three years, SMU has been the winningest team in major college football with a winning percentage of 92.6. In the past four years, SMU has played in three bowl games, won two SWC conferences and finished in the top 20 four times.

Big time basketball has returned to the Hilltop. The 1983-84 team completed a 24-8 record and finished a strong third in the SWC. Highlights of the season included wins in the Rainbow Classic and the Dallas Morning News Classic. SMU also gained national attention for its great performance in NCAA tournaments. The team won its first game and then lost a heart-wrenching one-point game to eventual champion, Georgetown.

All five starters return for the 1984-85 season. SMU will be lead by Ron Morris, who won a highly competitive spot on the 1984 Olympic team. Coach Dave Bliss had an excellent recruiting class landing five blue-chippers. The Student Code of Conduct

The University Judicial System

The Honor Code
Student Code of Conduct

Southern Methodist University’s student code exists to identify and explain to the student body those university policies that most directly affect student life. The student code is established by the Student Senate, which is the legislative body representing student interests, and is the foundation for the student body’s relationship to the rest of the university. All students are expected to be knowledgeable of, and abide by the rules set forth in this student code.

“Based on the action of the Board of Trustees, the president of the university is authorized, at his discretion, to review all decisions of the Student Senate and all other student organizations, and all decisions of the university judiciary, including the University Judicial Council and all other university judicial bodies. Such review shall include the power to take any action deemed appropriate, including reversing, amending or remanding with instructions such decisions. The president’s power of review as stated herein is not limited in any way, and the president is authorized to act at his sole discretion in conducting such review and in deciding what action is appropriate.”

Student Rights and Freedoms

In recognition of Southern Methodist University’s long history of dedication to the best principles of higher education in a democratic society, the student body here asserts for itself the following essential rights and freedoms:

1. As citizens of the community and as members of the university, all students are guaranteed freedom of expression, inquiry, and assembly. Students have the right to organize groups or to join associations in support of any cause or common interest as long as that support is voiced in an orderly manner which does not disrupt the regular operation of the university.

2. The student press is to be free of censorship.

3. Students have the same rights of privacy as any other citizen and surrender none of those rights by becoming members of the academic community. The privacy and confidentiality of all student records shall be preserved. Further, the right of all students to be secure in their persons, living quarters, papers and effects against unreasonable searches and seizures is guaranteed.

4. The role of student government and its responsibilities shall be made explicit, and clearly defined means shall be provided to insure student expression in the formulation and application of all institutional policies affecting academic and student affairs.

5. The authority to allocate institutional funds derived from student fees for use by campus organizations shall be delegated to a body in which student participation in the decision-making process is assured.

6. A student, group or organization may distribute written material on campus with prior approval providing such distribution does not impede the regular operation of the university.

7. No student will be denied admission to the university on the basis of race, religion, ethnic origin or on the basis of sex.

8. Students accused of violating institutional regulations shall retain the following rights:
   a. Upon seizure or arrest by university officials a student is informed of his rights in accordance with all federal, state and local laws.
   b. No form of harassment will be used by arresting officers. Statements or information about the conduct of persons.
   c. No searches or seizures of student living quarters and property shall be ordered unless such an order is issued by a judge.
   d. Every student shall be granted a fair hearing by a duly constituted body of his peers, or an administrative official, including confrontation of witnesses against the accused, appearance of the witness in his favor, and the assistance of counsel in a Level III hearing, or a friend or family member.
   e. The preceding enumeration of rights and freedoms is construed to deny or disparage others retained by capacity as members of the university or as citizens of large.

Student Responsibilities

The responsibilities and rights of students contained in this code are established by students for students. The policy of the university is concerned with the mental and physical health of the members of the university community, and the university encourages development of each individual’s sense of responsibility.

1. Students shall at all times respect the rights of others.
2. Students shall render assistance to the teaching and learning environment, and uphold the dignity of the university.
3. All local, state and federal laws shall be upheld.
4. Students bound by the student code and all policies of the university shall accept responsibility to uphold and support the student code.
5. If behavior is deemed in violation of the student code, university policy, or any law upheld by the legal system of the state, civil action shall be taken.
Grievances

1. Unless otherwise specified in the student code, changes or exceptions to the student code are made by the Student Senate. Requests for changes or exceptions should be submitted to the student body president.

2. The issues and grievances committee is established by the Student Senate to deal with individual’s concerns, questions or problems. The committee can be contacted through the committee chairperson.

I. General Policies

A. Alcohol

Southern Methodist University discourages the consumption of alcoholic beverages. It is realized that individuals 19 or more years of age have the right to make their own decisions concerning alcohol so long as they comply with state and local law, and university policy. Responsible drinking behavior is demanded at all times. It must be understood that intoxication is alcohol abuse and will be subject to judicial proceedings.

1. It is unlawful for any person under 19 years of age to possess, purchase, or consume alcoholic beverages except when accompanied by a parent or adult spouse. A minor who misrepresents his age as 19 or older to a person selling alcohol is subject to a fine up to $200.

2. It is unlawful for any person to sell, furnish, give or cause to be sold, furnished or given away alcoholic beverages to any person under 19 years of age, except by a parent or an adult spouse. A person who purchases for or gives an alcoholic beverage to a minor is subject to a fine up to $500. A person who sells alcohol to a minor is punishable by a fine up to $500 and/or one year in jail.

3. It is unlawful for anyone to buy or sell alcoholic beverages in the city of University Park as it is designated a dry area. In a dry area, transportation and/or possession of more than 24-twelve ounce bottles of beer, or more than one quart of hard liquor is prima facie evidence of intent to sell.

a. Prima facie is defined as the presumption of guilt of an offense unless proved by evidence to the contrary.

b. Transportation or possession in a dry area must be for personal consumption only.

4. The charging for any admission fee or sale of advance tickets to any campus activity or event is prohibited if alcohol is being served.

The Office of Alcohol Education or the associate director of student activities for the procedure can be contacted for the specifics regarding the procedure. The University Alcohol Policy has been approved by, and shall be interpreted and implemented by the president of the university.

"On-campus functions and parties sponsored by groups of faculty, staff or administrators at which alcoholic beverages are to be served must be held at the Faculty Club or the Alumni Center. Such functions are not to include SMU student participants.

Under certain special circumstances, at occasions planned primarily for off-campus guests, the policy may require interpretation as to what constitutes "public places." Written requests for such interpretation will be considered by the president or the designee.

In addition to the above-mentioned criteria, and in all cases of possible exception, consideration will be given to the time and place of the event, its appropriateness and the type of alcoholic beverage to be served.

a. It is the policy of SMU that the university prohibits the consumption of alcoholic beverages in public places on campus. Public is defined as all parts of the campus except within the confines of a student’s home or Greek house.

b. Intoxication does not excuse violations of university policy. Rather than being considered a mitigating factor, such drinking will be considered further proof of irresponsible and inappropriate conduct. Violations are heard by judiciary, University Park Police and/or the Dallas Police Department. Cases may also be dealt with by the Alcohol Abuse Prevention Program.

c. Violations heard by judiciary are subject to the judicial code.

O. Smoking Restrictions on Campus
II. Policies Pertaining to Residence Hall Students

The university community establishes and maintains residence halls with the intent of enhancing student life and fostering a learning environment. In order to provide an optimum environment while housing large numbers of students, it is necessary to provide some guidelines which establish minimum expectations of the behavior of residents.

A. Alcohol

1. Alcohol policy for housing: The university prohibits the use of alcoholic beverages in all public places on campus. In residence halls, all dining areas, stairways, hallways, entrance lobbies are considered public areas. All students under 19 years of age are prohibited to transport, possess, store, or consume alcoholic beverages in any public areas on campus. Students 19 years of age or older may possess or consume alcoholic beverages only in the privacy of their personal rooms.

Severe or blatant offenses may be referred to the Level II judiciary on the first offense. Repeated offenses may be referred to Level II at any time.

2. No kegs are allowed in traditional residence halls.

B. Bicycles and Motorcycles

Students may not keep bicycles, mopeds, or motorcycles in their rooms or in the entrance areas of buildings.

Bicycle storage areas will be designated for recess periods when residence halls are to be closed during the school year.

Gasoline powered vehicles are not permitted in residence halls at any time, and must be parked at least 15 feet from the exterior of any university building.

C. Guests

Guests of the same sex may stay in the residence rooms on weekends only, with permission of the hall director. There will be no charge if the guest stays in the unoccupied bed of a resident; however, permission must also be obtained from the absent resident. Guests may not stay in any public area of the residence halls.

D. Pets

No pets are allowed in the residence halls, except fish. Fish are allowed with the use of suitable equipment if permission is granted by the hall manager. The university will not be held responsible for damage to equipment or fish.

E. Quiet Hours

The hours from 7 p.m. to 7 a.m. are the official minimum daily quiet hours for students living in residence halls. The atmosphere at this time should be conducive to study or sleep. This is to be observed by all students and their guests.

F. Security and Fire Regulations

SMU vigorously enforces its fire and security procedures as they pertain not only to university property, but also to students, guests, and employees. Deliberate breaches of these policies and procedures may be investigated and judicial procedures instigated for violations.

1. The Department of Public Safety officers patrol all residence areas from 11 p.m. to 7 a.m.

2. Residence hall entrance doors are locked after certain designated hours to ensure that the halls are reasonably secure.

3. A copy of fire prevention and security policies will be given to each student when checking into the residence hall.

4. All resident students are responsible for knowing and understanding these policies.

5. The professional staff is constantly available to answer questions and provide assistance in any emergency situation.

G. Visitation

1. Visitation is defined as the privilege of entertaining guests of the opposite sex in one’s living quarters on campus. All university residence halls have visitation which varies according to the types of residences.

2. Visitation shall be determined by a two-thirds vote by secret ballot at the residents of each residence hall floor, Greek house, or individual apartment complex.
3. In freshmen residence halls, it is necessary for a person of the opposite sex to be escorted by his/her host/hostess. In the upperclass residence halls, the escort policy will be put into effect by a three-fourths majority vote of the floor residents. On leaving the room, the guest must be escorted to the lobby. The host or hostess is responsible for the actions of their guests. All participants in visitation must abide by the guest policy.

4. All university housing units must fall within the following limitations implementing the visitation policy:
   a. Freshmen residence halls (Boaz, Cockrell-McIntosh, Morrison-McGinnis, McElvany and Lottersen non-residents).
      (1) Until the end of the first week of classes, hours of visitation are subject to the Office of Residence Life.
      (2) After the first two weeks of classes:
         Friday—Saturday 12 noon—2 a.m.
         Sunday—Thursday 12 noon—12 midnight
   b. Traditional upperclass residence halls (other than limited visitation floors) and Greek housing.
      (1) Each floor in upperclass residence halls and each Greek house will determine the hours of visitation by a two-thirds secret ballot of the residents. Should an upperclass floor elect a 24-hour visitation plan, this implies that restrictions upon visitations of members of the opposite sex are left up to the roommates themselves, and are to be limited by their rights or needs. Cohabitation is not permitted in university residence halls, nor is it implied by a 24-hour visitation plan.
      (2) Residents in the upperclass quad may elect to have an escort policy on their individual floors by a two-thirds majority vote.

H. Residence Hall Regulations

If a student fails to respond appropriately, these guidelines will be enforced via administrative action and/or judicial action. (For further reference, see section on Judiciary.) The Offices of Student Life & Residence Life have the right to decide which track would be most productive.

Note: Offenses involving multiple simultaneous violations (as well as repeated offenses) are considered as more severe infractions and usually result in a stronger response (e.g. Level II). Consult your Residence Staff if you have any questions.

The University Judicial System

Introduction
Responsibility for student discipline is vested in the President by the Board of Trustees. To exercise this responsibility, the President has established the University Judicial Council. Upon the recommendation of the University Judicial Council, the President has accepted the following document delineating the judicial system for students at SMU.

Section One: Philosophy and Purpose
A university is a complex institution. It is distinctive from anything else in society and therefore, the focus of its norms is distinctive. Further, a private university is an elite institution. Admission and attendance is a privilege granted on the assumption that the applicant shares the University’s values and goals and is committed to its purpose. If the student’s values and goals are not consistent with those of the university, the privilege of attendance can be terminated.

The judiciary at SMU is a community judicial system established to insure a system of due process to provide protection to the accused individual, and to help induce maturity and learning by erring students while enforcing the behavior requirements deemed necessary to an academic institution. It also exists to protect the balance between the rights of the accused and those of the University community as a whole.

Because of the nature of SMU, the emphasis is on learning and behavioral change. For the same reasons, the judiciary is not an adversary system of antagonists striving to best one another. It is more in the nature of a community seeking to learn if error has occurred and if so, deciding how best to act so in the future there will be less error. Its watchwords are: serious in purpose, considerate in process, appropriate in response.

Judicial Code
Members of the University Judicial council pledge themselves to the following code:

To insure that the policies of the university are maintained by conducting a fair hearing of violations of rules and policies of the university.

Basic Procedures

*Delegation of Authority: The Vice President for Student Affairs may delegate any part or all of his authority from time to time, to any person or several persons, wherever in these procedures the Vice President for Student Affairs is designated by the University Judicial Council.

*Assignment of Cases: If, the Vice President for Student Affairs, or his designate determines that a rule or regulation has been violated, he shall assign cases to one of the several hearing boards described in section two. As a general policy cases assigned to Level I Boards fit one or more of the following criteria: (1) the alleged offense is of narrow impact and/or first offense, (2) the alleged offense relates to rules established by residence halls or student organizations, or (3) the alleged offense, although major, is appropriate for one of the Level I hearing boards. As a general policy, cases assigned to one of the Level II hearing boards fit one or more of the following criteria: (1) the alleged offense is major, (2) the alleged offense has resulted in a substantial interference with the proceedings of the University, (3) the offenses are unacceptably repeated, or (4) the alleged offense caused an unacceptable infringement upon the personal or property rights of others.

These criteria serve as guidelines and the judgement of the Vice President for Student Affairs is the final determinant as to the University's response to any student behavior. Normally, the following types of offenses will be handled by the criminal court system and will not go through the University's Judicial structure: (1) homicides; (2) aggravated robbery and/or abuse of firearms law; (3) rape cases; (4) aggravated assault; (5) DWI resulting in injury to other persons or property; (6) felony thefts with exculpatory circumstances; and (7) major or habitual offenders of the state and/or federal laws pertaining to the use and possession of narcotics, dangerous drugs, and marijuana. In the preceding instances, the University reserves the right to consider these cases as its judiciary as well as referring them to off-campus authorities. Cases of academic dishonesty and traffic violations are assigned to their respective boards of jurisdiction.

It should be noted that the University reserves the right to evaluate the off-campus conduct of its community members and to respond to it appropriately. Such a response can include judicial action. This action does not conflict with prevailing laws concerning double jeopardy.

*Notice of Violation: The Vice President for Student Affairs or his designate shall give notice in writing to the student of the complaint against him. Such notice shall contain the particulars with respect to the facts constituting the offense, the time and place of hearing, and the particular hearing board to which the case is assigned. This delay may be waived by the mutual agreement of the accused and the Vice President for Student Affairs or his designate.

*Guilty Pleas: A student may choose to plead guilty to the offense with which he has been charged; in this case, the student may agree on an appropriate punishment with the Vice President for Student Affairs or his designate. All such agreements reached will be reviewed at the end of each semester by the Judicial Council.

*Vacation Periods and Emergencies: The Vice President for Student Affairs or his designate may choose to hear a disciplinary problem in an
"Administrative Hearing" during vacation periods, or in emergency situations which may arise during the school year. The term "emergency" implies an inability to convene a judicial hearing board within feasible time. Appeal may be taken by the student to Level III of any administrative hearing decision.

*Action Pending a Judicial Hearing: If a behavior or activity endangers the safety of the student, a group, or others, the Vice President for Student Affairs or his designee may impose such sanctions as he may deem appropriate pending a judicial hearing.

waived at the mutual agreement of the accused and the Vice-President for 
Student Affairs or his designate.

his/her discretion, grant extensions of time as may be reasonably necessary 
to permit the accused student sufficient time to prepare his/her defense. The 
chair may also in his/her discretion grant an extension to the complainant 
such that additional evidence may be made available to the hearing 
board.

If after the hearing has commenced the hearing board discovers the 
need for more preparation, the chairperson shall recess the hearing to a 
later time. The hearing board may then direct any further investigation 
necessary for its proper disposition of the case.

member, and one administrator, shall be present throughout the hearing.

vote and all determinations shall be by majority vote. A failure to vote shall 
be treated as a not guilty vote. On the question of guilt or innocence, a tie vote

may appeal this decision to the chair of the University Judicial Council for a 
decision.

hearing for the accused, all hearings ordinarily shall be open but restricted 
to current members of the community. Other persons may be present only 
at the request of the accused or the Office of Student Life (chair shall 
decide).

Either the accused or the Office of Student Life may request a closed 
hearing (i.e., limited to participants only) or speak to such a request. After 
hearing such a request, and the possible comments of the other party, the 
board in closed session shall decide. The hearing will remain open only if in 
the board's judgment, the community's need-to-know is greater than the 
accused's desire for privacy.

and other publications by students) related to a judicial hearing must abide 
by the following guidelines:

1. No publication of any individual report or summary of activity will 
carry personal names or other personally identifying details.

2. Nothing will be published about any judicial hearing until the final 
oficial disposition or appeal is resolved.

a hearing, this action will free the University to comment on any such

4. Summaries of the results of judicial hearings shall be provided 
periodically by the Office of Student Life.

discretion with respect to admissibility of testimony and documents. The 
standard of proof is that a conclusion of guilt shall be sustained by clear and 
convincing evidence, which is more than a mere preponderance of evi-
dence but less than the strict criminal law standard of proof beyond a
reasonable doubt.

prior to the hearing. Ordinarily, the complainants shall proceed first with
their case followed by the presentation of the accused.

and shall have the right to question any witnesses as he/she may choose.

shall announce its findings in open hearing. The findings shall be
announced as either guilty or not guilty of the alleged offense, and, if guilty,
the penalty assessed.

accused to Level II where the matter shall be heard de novo in the same
manner as those cases heard in the first instance by the Level II hearing
boards. A request for an appeal to a Level II hearing board must be
submitted in writing via a "Reason(s) for Appeal" form available in the
Office of Student Life. This appeal form must be completed and submitted

appeal alternative should use discretion in their decisions.

decide, if an appeal is granted, it will be heard by a Level III Hearing Board.
Level III Hearings- Finality of Decision
All appeals for a Level III hearing are reviewed by an appointed group of
Judicial Council members. If the appeal is granted, a Level III Appellate
Board (see item 2, Judicial Council) will hear the case de novo. This board
may assess its own penalty and it serves as the board of final appeal.
At a Level III appellate hearing, the accused may bring an attorney for

The Honor Code of Southern Methodist University

Intellectual integrity and academic honesty are fundamental to the processes of learning and of evaluating academic performance, and maintaining them is the responsibility of all members of an educational institution. As well as being fundamental to the processes of education, the inculcation of personal standards of honesty and integrity is a goal of education in all the disciplines of the university.

The faculty has the responsibility of encouraging and maintaining an atmosphere of academic honesty by being certain that students are aware of the value of it, that they understand the regulations defining it, and that they know the penalties for departing from it.

The faculty should not only actively encourage student honesty, but should also scrupulously discourage dishonesty, and insist as is reasonably possible, should assist students in avoiding the temptation to dishonest actions. Such steps as carefully defining the limits set on cooperative assignments are among the ways in which the faculty can help.

Students too, must share the responsibility for creating and maintaining an atmosphere of honesty and integrity. Students should be aware that personal excellence in completing assigned work is essential to learning. Permitting others to prepare work, using published or unpublished summaries as a substitute for studying required materials, or giving unauthorized assistance in the preparation of work to be submitted are directly contrary to the honest process of learning.

Students who are aware that others in a course are cheating or otherwise performing dishonestly have the responsibility either to warn the accused student or to bring an accusation directly to the Honor Council. Further, students must inform the instructor, not necessarily in such terms as to accuse the dishonest, but in order that the instructor may know that he or she has not sufficiently assured an environment of academic honesty and can correct the situation.

Students and faculty must mutually share the knowledge that any dishonest practices permitted will make it more difficult for the honest students to be evaluated and graded fairly, and will damage the integrity of the whole University. Students should recognize that both their own interests and their integrity as individuals, suffer if they condone dishonesty in others.

The faculty must be aware that permitting dishonesty is not open to personal choice. An instructor who is unwilling to act upon offenses is an accessory with the student offender in deteriorating the integrity of the University.
