To the SMU Student Body:

On behalf of our trustees, faculty, administration and staff, welcome to Southern Methodist University. As a member of our student body, you are part of a dynamic academic community, dedicated to excellence as an institution of higher education.

The success of the university depends very much on your success as a student. While our principal focus is the intellectual development of our students, we are concerned, also, for other dimensions of personal growth.

The Peruna Express, our student handbook, is a key to the many resources of the university and to student life on this campus. I encourage you to become familiar with its contents and, especially, the SMU Student Code included in it.

SMU is pleased to have you as a student. I know your success this year will add a new measure of pride to our university.

With best regards,

L. Donald Shields
President

Dear Fellow Students,

Welcome to campus! I hope that each of you is entering this year with a spirit of enthusiasm and a commitment to excellence both in the classroom and in your contribution to student life at Southern Methodist University.

The 1985-86 school year promises to be exciting. With the construction of a new Student Center, the development of student activities, and the wealth of opportunities on this campus for diverse experiences, there is a vitality and a fervor of challenge and exhilaration. This is a spirit we all share, and in which I hope everyone will participate.

Look around you! The opportunities are everywhere. Whether it is your leadership in one of over 130 student organizations, in academic programs, in Greek life, campus events, or just in the way you walk about the campus, be aware and take part in all the wonderful opportunities which await you.

Your student body officers and the Student Senate are here to serve you. We have published the Peruna Express as a service and a reference for you which should last throughout the year. At any time, please feel free to contact us. Our offices are located in the Student Activities Center in the lower level of the Umphrey Lee Student Center.

It is with great pride and anticipation that I welcome you for what promises to be a banner year for SMU students. Let's all make 1985-86 a great year for students and the University community.

Yours very truly,

Bill Koch
President of the Student Body

The function of the senate is to govern the student body and represent the student body in all university decisions. The university has given the Student Senate the initial responsibility to allocate the student activity fee, adopt and enforce the student code and affiliate all student organizations. The University Judicial System

INTRODUCTION

Responsibility for student discipline is vested in the President by the Board of Trustees. To exercise this responsibility, the President established the University Judicial Council. Upon the recommendation of the University Judicial Council the President has accepted the following document delineating the judicial system for students at SMU.

SECTION ONE

PHILOSOPHY AND PURPOSE

A university is a complex institution. It is distinctive from anything else in society and therefore, the focus of its norms is distinctive. Further, a private university is an elite institution. Admittance and attendance is a privilege granted on the assumption that the applicant shares the university’s values and goals and is committed to its purpose. If the student’s values and goals are not consistent with those of the university, the privilege of attendance can be terminated.

The judiciary at SMU is a community judicial system established to ensure due process to provide protection to the accused individuals, and to help induce maturity and learning by ensuring students while enforcing the behavior requirements deemed necessary to an academic institution. It also exists to protect the balance between the rights of the accused and those of the University community as a whole.

Because of the nature of SMU, the emphasis is on learning and behavioral change. For the same reasons, the judiciary is not an adversarial system of litigants striving to best one another. It is more in the nature of a community seeking to learn if error has occurred and if so, deciding how best to act so in the future there will be less error. Its watchwords are serious in purpose, considerate in process, appropriate in response.

JUDICIAL CODE

Members of the University Judiciary pledge themselves to the following code.

To ensure that the policies of the university are maintained by conducting a fair hearing of violations of rules and policies of the university.

To provide an appropriate response and, as needed, penalize persons found guilty of violation of university regulations and policies.

Members of hearing boards shall maintain an impartiality about the matter and/or person under consideration. When unable to do so, they should readily withdraw from the consideration of that matter.

The Hearing Board shall not act as an advocate for the students not for the university.

Members shall maintain confidentiality of all details pertinent to a matter and all actions related to a hearing. Similarly, they shall refrain from comment on actions or persons involved in a judicial hearing.

Members who may have been approached by other persons in an attempt to influence a judicial decision shall report such activity to the chair of the Judicial Council and the Dean of Student Life.

Board members who find they are unable to meet the requirements of the judicial system shall inform the judicial officer and submit a letter of resignation to the Judicial Council.

SECTION TWO

OUTLINE OF THE JUDICIAL SYSTEM

These outlines provide a basic overview of the judicial system and a quick guide to the responsibility of the various parts. For an accurate understanding of any part of the system, one must review the pertinent detailed text in the rest of this section.
RESPONSIBILITIES OF THE JUDICIAL SYSTEM

University Level I Boards: three students
- Initial hearing originating within its jurisdiction as assigned by the Office of Student Life.
- Office of Housing and Residence Life: incidents occurring within the residence halls.
- IFC/Panhellenic: incident solely concerning fraternity/sorority members and not a major breach of university policy.
- Traffic Appeals Board (Level I): four faculty, four students, one administrator. Solely affirms rulings of traffic incidents. There is no appeal of fact beyond this board.

University Level II Boards: three students, one faculty, one administrator.
- Cases of broader concern may initially be heard.
- Appellate hearings from Level I board.

Honor Council (Level III): twenty-two students
- Jurisdiction limited to academic dishonesty. Appeal goes to Level III via the Office of Student Life.

- Administrative body of the judicial system.
- Special investigative powers (in conjunction with the Vice President of Student Affairs).
- Constitutional questions of student government.
- Board of Final Appeal (Level III) for cases originating at lower levels.

THE ORGANIZATION OF THE JUDICIARY

Selection of Hearing Board Members

The selection of members and the procedures to be used are the responsibility of the Judicial Council who shall assure an equal opportunity to all candidates and establish and maintain criteria appropriate to the positions and boards for which persons are being considered.

Level I Hearing Boards

There are five places in which a Level I Hearing or its equivalent may occur.

1. The University Hearing Boards
   - The University Judicial Council shall appoint, each year, undergraduate students to serve as student judiciary members. Two of these students shall be designated as permanent chairpersons for the Level I boards.
   - These students shall be listed alphabetically by surname on two lists, one for the two chairpersons, the other for the remaining students. The first two on the latter list, along with the first person on the other list, will constitute the hearing board for the first case assigned. The next case assigned to Level I will receive a board composed of the next two students on the students’ list, and the second chairperson listed, and so on in rotation as each new case is assigned.

2. Office of Housing and Residence Life Administrative Hearings
   - With the approval of the Vice President for Student Affairs, the respective area coordinator may hear alleged violations via an Administrative Hearing. The accused student has the option of having an Administrative Hearing.

or a University Level I Judicial Board Hearing. Appeals from an Administrative Hearing go to the University Level I Judicial Board.

3. The Intrarademy Council Judiciary
   - The Intrarademy Council Judiciary Board shall be comprised of faculty, who shall act as a non-voting chair, three presidents from the 14 different fraternities, one faculty member, and one administrator. This board shall hear cases involving fraternities and other incidents involving fraternities as may be assigned. Appeals from the IFC Board are forwarded to the Level II University Judicial Board.

4. Panhellenic Judicial Board
   - The Panhellenic Judicial Board shall be comprised of the following members: the President of Panhellenic (ex-officio) as the non-voting chair, three sorority presidents, one faculty member, and one administrator. Appeals from Panhellenic are forwarded to the Level II University Judicial Board.

5. The Traffic Appeal Board
   - The President will name the chairperson and the University Judicial Council will appoint, in consultation with the chairperson, four faculty members, four students, and one administrator to serve each year. The hearing can be held by three of the members if both faculty and students are represented. This board will hear cases involving appeal of fines from the traffic and safety office. This is the board for final appeal of traffic citations.

University Level II Hearing Boards

The University Judicial Council shall appoint 15 undergraduate students, five faculty members, and five representatives from the administration to serve on the board. They shall be listed alphabetically by surname on two lists, one for the five chairpersons, the other for the ten remaining students. The faculty shall also be listed alphabetically, and the administrator shall be listed in the same manner. In alphabetical order, the five chairpersons listed, the first two students, the first chairperson and the first administrator shall constitute a hearing board of five members, unless the first case is assigned.

Level II hearing boards shall act as an appeal board for cases from Level I and as a hearing board for new cases assigned to them.

Graduate Hearing Boards

The University Judicial Council shall appoint graduate students as permanent chairpersons for the Level II boards.

The rosters of the persons appointed to these boards shall be sent to the University Judicial Council during the first month of the academic year.

As with all other hearing boards, the results of a graduate hearing board may be appealed to the Judicial Council.

THE UNIVERSITY JUDICIAL COUNCIL

The Judicial Council, as the basic unit responsible for judicial action in response to student disciplinary problems, is accountable to the President of the University. This council shall be composed of three administration.

University. The President will appoint.

Council and the Office of Student Life will initiate contact with the Vice
President for Student Affairs. The Vice President will nominate three candi-
dates to be interviewed. The Council will send its recommendations, in-
cluding the nominations from the Vice President for Student Affairs, to the
President of the University. The President will appoint.

In the event of the filling of vacancies, the President may fill such vacancies
by the appointment of persons having the qualifications possessed by
the members of the Judicial Council.

The JUDICIAL COUNCIL HAS FOUR BASIC RESPONSIBILITIES:

1. Administrative Body of the Judiciary: As such, it is responsible for the
enforcement and maintenance of the judicial hearing boards and the
procedures of the judicial system. These decisions are made by a
majority of the members present.

2. Level II Hearing Board: The members of such a hearing board
are drawn from the University Judicial Council. All members (11) may serve
if any hearing, but an official quorum must consist of at least seven mem-

3. Level III Hearing Board: The board convenes solely as an appeal to hear cases referred
from Level II hearing boards, the Traffic Appeals Board, or the Honor Council.

The JUDICIAL COUNCIL HAS FOUR BASIC RESPONSIBILITIES:

1. Administrative Body of the Judiciary: As such, it is responsible for the
enforcement and maintenance of the judicial hearing boards and the
procedures of the judicial system. These decisions are made by a
majority of the members present.

2. Level II Hearing Board: The members of such a hearing board
are drawn from the University Judicial Council. All members (11) may serve
if any hearing, but an official quorum must consist of at least seven mem-
bers which include at least one student, one faculty member, and one
administrator.

3. Level III Hearing Board: The board convenes solely as an appeal to hear cases referred
from Level II hearing boards, the Traffic Appeals Board, or the Honor Council.

4. Special Investigative Committee: The University Judicial Council has
the power to create a Special Investigative Committee in cases in which an
alleged offense involves a highly volatile context, such as group tensions,
sex discrimination, or an inter-racial situation. The powers of the Special
Investigative Committee shall be defined at the time of its appointment by the
University Judicial Council. Both the students who bring a charge and those
accused shall submit to the Vice President for Student Affairs two names of
persons within the SMU community, who are not involved in the incident, to
serve on the Special Investigative Committee. The office of the Vice Presi-
dent for Student Affairs shall appoint a third member to the Committee and
shall select one of the five as chairperson. The Special Investigative
Committee will act in an advisory capacity to the appropriate judicial hearing
board to which the case is assigned. Any of the parties involved may
petition the University Judicial Council for the establishment of a Special
Investigative Committee and the Council shall determine its necessity.

SECTION THREE

BASIC PROCEDURES

Delegation of Authority: The Vice President for Student Affairs may dele-
gate any part or all of his authority from time to time, to any person or
several persons, wherever in these procedures the Vice President for
Student Affairs is designated by the University Judicial Council.

Assignment of Case: If the Vice President for Student Affairs, or his
designate determines that a rule or regulation has been violated, he shall
assign cases to one of the several hearing boards described in section two.
As a general policy, cases assigned to Level I boards fit one or more of the
following criteria: (1) the alleged offense is of narrow impact and/or first
offense, (2) the alleged offense relates to rules established by residence
halls or student organizations, or (3) the alleged offense, although major,
is appropriate for one of the Level I hearing boards. As a general policy, cases
assigned to one of the Level II hearing boards fit one or more of the
following criteria: (1) the alleged offense is major, (2) the alleged offense
interferes with the proceedings of the University, (3) the offenses are unacceptably repeated, or (4) the alleged offense caused an unacceptable infringement upon the personal or property
interests of others.

These criteria serve as guidelines and the judgement of the Vice Presi-
dent for Student Affairs is the final determinant as to the University's
response to any student behavior. Normally, the following types of offenses
will be handled by the criminal court system and will not go through the
University judiciary structure: (1) homicides; (2) aggravated robbery and/or

53
abuse of firearms law; (3) rape cases; (4) aggravated assault; (5) DWI resulting in injury to other persons or property; (6) felony theft with extenuating circumstances; and (7) major or habitual offenders of the state and/or federal laws pertaining to the use and possession of narcotics, dangerous drugs, and marijuana. In the preceding instances, the University reserves the right to consider these cases at its discretion as well as referring them to off-campus authorities. Cases of academic dishonesty and traffic citations are assigned to their respective boards of jurisdiction.

It should be noted that the University reserves the right to evaluate the off-campus conduct of its community members and to respond to it appropriately. Such a response may include judicial action. This action does not conflict with prevailing laws concerning double jeopardy.

Notice of Violation: The Vice President for Student Affairs or his designee shall give notice in writing to the student of the complaint against him. Such notice shall contain the particulars with respect to the facts constituting the offense, the time and place of hearing, and the particular hearing board to which the case is assigned. This delay may be waived by the mutual agreement of the accused and the Vice President for Student Affairs or his designee.

Guilty Plea: A student may choose to plead guilty to the offense with which he has been charged. In this case, the student may agree on an appropriate punishment with the Vice President for Student Affairs or his designee. All such agreements reached will be reviewed at the end of each semester by the Judicial Council.

Vacation Periods and Emergencies: The Vice President for Student Affairs or his designee may choose to hear a disciplinary problem in an "Administrative Hearing" during vacation periods or in emergency situations which may arise during the school year. The term "emergency" implies an inability to convene a judicial hearing board within feasible time. Appeal may be taken by the student to Level III of any administrative hearing decision.

Action Pending a Judicial Hearing: If a behavior or activity endangers the safety of the student, a group, or others, the Vice President for Student Affairs or his designee may impose such sanctions as he may deem appropriate pending a judicial hearing.

If the original board members are unavailable, or unable to serve, replacement members will be assigned.

CONDUCT OF THE HEARING

Commencement:

No hearing shall begin until at least three working days have elapsed exclusive of the day or service of notice on the accused. This period may be waived at the mutual agreement of the accused and the Vice President for Student Affairs or his designate.

Extension Time:

The chair of the hearing board to which a matter is assigned may in his/her discretion grant extensions of time as may be reasonably necessary to permit the accused sufficient time to prepare his/her defense. The chair may also in his/her discretion grant an extension to the complainant as that additional evidence may be made available to the hearing board.

If after the hearing has commenced the hearing board discovers the need for more preparation, the chairperson shall recess the hearing to a later time. The hearing board may then direct any further investigation necessary for its proper disposition of the case.

Inability to obtain witnesses shall not be justification for undue delay in commencing a hearing.

Change in Allegations:

Any change in the allegation against a student shall be regarded as a new complaint subject to the process for handling complaints in the first instance.

Quorum-Level One and Two:

All members of the hearing board shall be present throughout the hearing. If less than the required number are present at the beginning of the hearing, the hearing shall be postponed until a full board can be convened. Should a vacancy occur during the hearing, the hearing shall recess until all members can be present. These requirements may be waived upon agreement of all parties. All members may vote, and all determinations shall be by majority vote. A failure to vote shall be registered as a not guilty vote.

Quorum-Level III Judiciary Board:

At least seven members, including at least one student, one faculty member, and one administrator, shall be present throughout the hearing. Only members who have been present throughout the hearing may vote and all determinations shall be by majority vote. A failure to vote shall be treated as a not guilty vote. On the question of guilt or innocence, a tie vote shall be treated as vote acquittal.

Disqualification:

Any member of a hearing board, upon considering any challenges from the accused concerning his/her impartiality, may withdraw voluntarily. In such cases, the accused may waive the quorum and the hearing proceed. If the accused chooses not to waive the quorum, the next person in rotation shall serve on that board and the hearing will be rescheduled.

Joiner and Severance:

Several students accused of participating in a common offense may be tried together. If a student wishes to be tried separately, he/she should request severance of his/her case during the initial meeting about hearing arrangements with the Office of Student Life. If denied by the Dean, he/she may appeal this decision to the chair of the University Judicial Council for a decision.
OPEN HEARINGS

In the interest of the University community and the assurance of a fair hearing for the accused, all hearings ordinarily shall be open but restricted to current members of the community. Other persons may be present only at the request of the accused or the Office of Student Life (chair shall decide).

Either the accused or the Office of Student Life may request a closed hearing (i.e., limited to participants only) or speak to such a request. After hearing such a request, and the possible comments of the other party, the board of-clause or omission shall decide. The hearing will remain open only if in the board's judgment, the community's need-to-know is greater than the accused's desire for privacy.

REPORTING OF PROCEEDINGS

Any publication from within the University (including The Daily Campus and other publications by students) related to a judicial hearing must abide by the following guidelines:
1. No publication of any individual report or summary of activity will carry personal names or other personally identifying details.
2. Nothing will be published about any judicial hearing until the final official disposition or appeal is resolved.
3. Should the accused and/or guilty party (parties) "go public" regarding a hearing, this action will free the University to comment on any such statements and/or the matter being discussed.
4. Summaries of the results of judicial hearings shall be provided periodically by the Office of Student Life.

Right of the Accused to Have Companions-Level I and II

The accused may, at his option, have with him at the hearing two members of his immediate family and a friend. The friend, if selected, must be a student, faculty member or administrator from within the University community. Persons from outside the University may be permitted only with the mutual agreement of the University.

Representation by an Attorney

The accused may not be represented by an attorney at any hearing.

At a Level III hearing, an attorney may be present for advice under the following conditions:
1. The Office of Student Life is to be notified of such intent as soon as the student is informed that an appeal has been granted and the name of the attorney must be filed with the Dean as soon as an attorney has been selected.
2. The attorney must contact the Office of Student Life at least 72 hours prior to the hearing for a review of the procedures and policies of the SMU Judicial System.
3. The Office of Student Life has the option of an attorney present.

Rules of Evidence

Rules of evidence shall be informal, and hearing board shall have discretion with respect to admissibility of testimony and documents. The standard of proof is that a conclusion of guilt shall be sustained by clear and convincing evidence, which is more than a mere preponderance of evidence but less than the strict-criminal-law standard of proof beyond a reasonable doubt.

Order of Testimony and Documents

The parties shall present to the chair a list of witnesses and documents prior to the hearing. Ordinarily, the complainant shall proceed first with his/her case followed by the presentation of the accused.

Presence at the Hearing-Confrontation of Witnesses

The accused shall have the right to be present during the entire hearing and shall have the right to question any witnesses as he/she may choose.

Decorum

The chair shall maintain order for the proper conduct of the hearing. When necessary, the chair may expel disruptive individuals or adjourn the hearing to a later time to assure the full development of the facts in a calm, deliberate setting.

Findings

The hearing board shall conduct its discussions in executive session when appropriate but shall announce its findings in open hearing. The findings shall be announced as either guilty or not guilty of the alleged offenses, and if guilty, the penalty assessed.

SECTION FOUR

RECORDS

The following policies concerning records and the release of information are in compliance with the Family Education Rights and Privacy Act of 1974 (the Buckley Amendment). The records of hearings shall be prepared by the chair of the hearing board and filed by him/her in the office of the Vice President for Student Affairs. These records shall be available to members of the various hearing boards which constitute the University judicial system and may be made available to beneficial members of the University community upon request.

Records of the Office of Student Life shall contain all information, data, correspondence, findings and records of official action concerning student discipline.

1. A judiciary case will remain on record until erased approximately three years after graduation.
2. If a case originates at Level I and involves a Level II offense, the information will stay within the University community.
3. If a case originates at Level II and involves a Level III offense, the case will remain a part of the student's record until destroyed three years after graduation. This information is used to answer recommendation forms where questions related to disciplinary action are asked.

APEALS

Level I Hearings

All cases heard by Level I hearing boards may be appealed by the accused to Level II where the matter shall be heard de novo in the same manner as those cases heard in the first instance by the Level I hearing boards. A request for appeal to a Level II hearing board must be submitted in writing via a "Reason(s) for Appeal" form available at the Office of Student Life. This appeal form must be completed and submitted to the Office of Student Life within 72 hours of the original hearing. Summary statements will be included in the findings of the original hearing board as a matter of
appeal process. Therefore, students wishing to exercise the right should use discretion in their decisions.

**Board**

Appeals board will hear cases involving appeal of citations and/or events. Appeals must be made to the Chair of the Traffic and Safety Office, within 15 days after issuance.

Appeals made by Level II hearing boards may be appealed by the student to the University Judicial Council where, if the appeal is filed within a 30-day period, the decision of the Level II packet shall be overturned.

An appeal to a Level III hearing board must be submitted in writing to the Dean of Student Life, who shall rule on the appeal forms available in the Office of the Dean of Student Life. The decision of the hearing board shall be final.

**Hearings**

Hearings are to be held in writing with the Dean of Student Life who will rule on the appeal. An appeal is granted, it will be heard by a Level III Hearing Board.

**Finality of Decision**

For a Level III hearing, the decision of the Hearing Board shall be final. If the appeal is granted, a Level III Appellate Board will hear the case de novo. This board will review the decision of the Hearing Board and render a final decision on appeal.

The accused may bring an attorney for the hearing. However, the hearing will still be held in writing with the Dean of Student Life. This hearing will be at the same level as the original hearing, and the accused shall be entitled to the same rights of defense as at the original hearing.

If a legal request for a rehearing is made, the accused may request a rehearing. If a student has been found not guilty, the individual may not be retried for the same offense at any future date.
The Honor Code of SMU

Intellectual integrity and academic honesty are fundamental to the processes of learning and of evaluating academic performance, and maintaining them is the responsibility of all members of the educational institution.

As well as being fundamental to the processes of education, the institution of personal standards of honesty and integrity is a goal of education in the disciplines of the University.

The faculty has the responsibility of encouraging and maintaining an atmosphere of academic honesty by being certain that students are aware of the value of it, that they understand the regulations defining it, and that they know the penalties for departing from it.

The faculty should not only actively encourage student honesty, but should also scrupulously discourage dishonesty, and insist as reasonably possible, students in avoiding the temptation to dishonest actions. Such steps as carefully defining the limits set on cooperative assignments are among the ways in which the faculty can help.

Students too, must share the responsibility for creating and maintaining an atmosphere of honesty and integrity. Students should be aware that personal experience in completing assigned work is essential to learning. Permitting others to prepare their work; using published or unpublished summaries as a substitute for studying required materials, or giving unauthorized assistance in the preparation of work to be submitted are directly contrary to the honest process of learning.

Students who are aware that others in a course are cheating or otherwise performing dishonestly have the responsibility either to warn the accused student or to bring an accusation directly to the Honor Council. Further, students must inform the instructor, not necessarily in such terms as to accuse the dishonest, but in order that the instructor may know that he or she has sufficient evidence that he is sufficiently not that an environment of academic honesty and can correct the situation.

Students and faculty must mutually share the knowledge that any dishonest practices permitted will make it more difficult for the honest student to be evaluated and graded fairly, and will damage the integrity of the whole University. Students should recognize that both their own interests, and their integrity as individuals, suffer if they condone dishonesty in others.

The faculty must be aware that permitting dishonesty is not open to personal choice. An instructor who is unwilling to act upon offenses is an accessory with the student offender in deteriorating the integrity of the University.
