

SMU^{IN}TAOS

January 2018

(Jan 5-18, 2018)

Complete 3 – 4 credits during January Term. All students are required to take a 3-credit course and have the option to add on a 1-credit course. 3-credit courses will meet Mon – Fri, 6 hours per day. 1-credit courses will meet on weekends and nights. Students enrolling in 1-credit courses must arrive on Jan 6 and pay additional room/board charges, tuition and course fees.

SMU^{IN}TAOS

Head to Taos for Adventurous Study!

"I started going to Taos my first summer. I go back every chance I get."

– Grace G. '17 Religious Studies & Education

Meet the Mountains: SMU-in-Taos is a unique academic experience that lets you discover the culture, history and natural beauty of Northern New Mexico. Engaging courses and great company ensure an unforgettable experience. Plus, you'll enjoy cool weather while surrounded by mountain views on our sprawling campus.

Choose Your Course: Focus on just one or two classes at a time in focused terms during the winter and summer breaks. A wide variety of courses in January, May, June and August allow you to fulfill major, minor and/or UC requirements. Small class sizes, hands-on learning, and readily accessible faculty let you get the most out of your studies.

Term	Credit Hours	Duration
January	3-4 credits	<2 weeks
May, June & August	3-5 credits	2.5 weeks
June Field School	3-9 credits	4 weeks

1-Credit Courses: Need your PRW 2 or Ways of Knowing credit? Add one or both of our 1-credit courses! In PRW 2135 Mountain Sports you will try fun outdoor activities like hiking, rock climbing, white water rafting, fly-fishing, and horseback riding. In KNW 2199 The Taos Experience, you will explore the Taos area through inter-disciplinary readings, field trips and class discussions.

"I made a lot of good friends I wouldn't have known otherwise. I was able to complete a required class for one of my majors, allowing me to graduate on time."

– Grace K. '18 Finance & Psychology

Don't Break The Bank: SMU-in-Taos is more affordable than you might think with reduced tuition and reasonable room and board rates. Financial Aid and Scholarship apply toward Taos just as they would toward courses on the main campus. Talk to your Financial Aid Advisor to get an estimate of your summer aid. Plus, you can apply for an additional SMU-in-Taos scholarship and/or RA position.

"SMU-in-Taos has hands down been one of the best parts of my time at SMU. Classes are small and more experiential than in Dallas and it is a refreshing change, not to mention you will make some amazing friends and memories that will surely be a highlight of your time at SMU!"

– Emily O. '17 Biological Sciences & Health and Society
