

Aid Year Activation

Step	Action
1.	Just as a student must be term activated for a specific term in order to enroll for that term, a student must also be activated for a Financial Aid Year before any processing can be done. Click the Financial Aid link. 
2.	Click the Aid Year Activation link. 
3.	Click the Manage Financial Aid Years link. 
4.	Enter the desired information into the ID field.
5.	Click the Search button. 
6.	All of the Financial Aid Years that have been activated for the student will be displayed.
7.	End of Procedure.
