Personal Safety Tips

If you are sexually assaulted:

- Call the police and seek medical attention immediately. Time is critical in such cases. Call 911 or the SMU Police at 214-768-3333.
- Have a Sexual Assault Exam performed at Presbyterian Hospital. SMU Police are available to take you to the hospital, but you can go without the police.
- A representative from SMU Psychological Services for Women will be available to accompany you (call 214-768-4795).
- Don’t bathe or shower. A medical doctor will need to gather forensic evidence from you.
- Save your clothing, bed sheets, pillow covers, etc. Do not wash them. Police will need these items, too.
- Seek counseling from SMU Psychological Services for Women at 214-768-2277.

Other safety tips:

- When you are first getting to know someone, be cautious of your surroundings and make sure others know where you are.
- Never drink from an open container that has been out of your possession for any length of time.
• If you think you may have been drugged, seek medical attention immediately and contact the police.

• Exercise caution when you are with people you do not know.

• Be responsible with alcohol. If you are intoxicated, you are less alert and become an easy target for an attacker.
