

ANTH
2301-801

Tue-Thu

9:30—10:50am

Hyer Hall 100

Lab Enrollment Req'd

This class will explore the basic concepts, theories, and methods of cultural anthropology. It will explore variations in cultural values, social practices, religion, rules of law, and worldview in different cultures around the world. It will focus on understanding the forces that shape cultures and societies, and how they adapt to a rapidly changing world.

Intro Cultural Anthropology
