

ANTH/CF 3334

FANTASTIC ARCHAEOLOGY AND PSEUDOSCIENCE:
LOST TRIBES, SUNKEN CONTINENTS, ANCIENT ASTRONAUTS, AND
OTHER STRANGE IDEAS ABOUT THE PAST.

VERSUS

Did ancient astronauts visit Earth? Are there secrets about the Mayan calendar that archaeologists are not revealing? Is creation theory a scientific alternative to the theory of human evolution? This course investigates these and other claims about the past, and how archaeologists respond to them.
