

KNOW WHAT TO DO

Emergency situations and actions you should take:

EVACUATE

A danger inside or near the building.

- **LEAVE** the building, don't use elevators
 - **ASSIST** the disabled
 - **TAKE** valuables and cell phone with you
 - **PROCEED** to assembly area outside
-

LOCKDOWN

Active shooter or other violence on campus.

- **HIDE** under furniture, turn out lights, close blinds and barricade or lock doors
 - **SPREAD OUT** on the floor, stay away from windows
 - **WARN** others: Call 911
 - **WAIT** for "all clear" by police
-

SHELTER IN PLACE

A danger outside or a warning siren has been sounded.

- **SEEK** refuge inside a building and remain there
- **TURN OFF** ventilation systems
- **KEEP TUNED** to media, if possible
- **WAIT** for "all clear" from campus officials
