URL: www.infinity-project.org

Application

The Infinity Project is an award winning educational initiative designed to bring modern engineering and advanced technology education to middle school & high school students. It offers an innovative curriculum, which emphasizes both the *fundamentals* and *fun* of engineering, as well as prepares the next generation for the High Tech and Engineering age.

If you are interested in offering this curriculum at your school please complete and submit the following application by **January 15, for early admission** or **June 1, for regular admission**. Admission into the Infinity Project is competitive – applying “early” will substantially increase your chance of being admitted into the program.

Upon receipt of the application, admission directors from The Infinity Project will conduct short phone interviews with the proposed instructor and principal to evaluate the motivation and skill level of the proposed instructor.

Please **PRINT** and fill out in its entirety:

- A. Date of this application _____
- B. Name of the institution _____
- C. Complete address of institution _____

- D. Principal Name _____
- E. Principal’s Email Address _____
- F. Instructor Name(s) and title _____
- G. Office phone number (area code) (____) _____
- H. Mobile number (area code) (____) _____
- I. Home phone number (area code) (____) _____
- J. e-mail address: _____
- K. Web page URL: _____

Deadlines

Early Admission: January 15

Regular Admission: June 1

Notification of acceptance: Upon completion of phone interview

Summer Professional Development Institutes

Professional Development Institutes for instructors will occur during the summer. Locations and dates will be posted on The Infinity Project web site (www.infinity-project.org) when they become available. Institutes are conducted Monday through Friday, 8:30 am – 5:00 pm and provide 35 hours of professional development credit. *Instructors are required to complete week-long training prior to implementation of The Infinity Project curricula.*

Return or FAX one copy of this application to:
