Update Academic Programs

1. **Click the** Records and Enrollment link.
2. **Click the** Career and Program Information link.
3. **Click the** Student Program/Plan link.
4. Enter the desired information into the ID field.
5. **Click the** Include History option.
6. **Click the** Search button.
7. **Click the** Add a new row button.
8. **Note:** At no time should rows ever be deleted. This is critical as deleting a row would compromise the integrity of a Student's Academic record.
9. The Effective Date will default to the current date. Change the date as needed (future admit term, etc.) If/when an admin makes an update to the student's program or plan during a term, and the change is applicable for that term, the admin needs to change the Effective Date to the Term Begin date for that specific term.
10. **Click the** Look up Program Action button.
11. **Click the** Look Up button.
12. **Click the** Program Change link.
13. **Click the** Academic Program Look up button.
14. **Click the** Look Up button.
15. **Click the desired** Academic Program link.
16. The **Admit Term** is the term the student will begin this new Academic Program.
   **Click the** Look up Admit Term button.
17. The **Admit Term** is the term the student will begin this new Academic Program.
   **Click the** Look up Admit Term button.
18. **Click the** Look Up button.
19. Click the desired Admit Term.
