A RESOLUTION ON OUTDOOR LIGHTING AND BLUE LIGHTS

WHEREAS

Southern Methodist University constantly strives to create a safe environment for students, faculty, staff, and visitors, when they are on campus at any time of the day, and

NOTING

that some of the light posts and other outdoor lights are out of order, such as the light posts numbered “2-39” and “2-40,” as well as all of the lighting in the parking lot between Westcott Field and Mac’s Place, and

AWARE

that some of the “blue lights” are not lit up, such as the one west of Cockrell-McIntosh and south of McElvaney Commons.

BE IT THEREFORE RESOLVED

That the Student Senate insists that Facility Services fix the aforementioned lighting fixtures and all other out of order outdoor lighting by October 7th 2014, and, at a minimum, commit to conducting monthly checks of all outdoor lighting on campus to ensure the safety of the entire SMU community and all visitors to the university.
