Fall 2015 Houston/Galveston Schedule

A compressed schedule during the months of August/September and October/November will allow us to offer two courses each month, two courses during the months of *August/September* and two in *October/November*. Consistent with former schedules, there will be a total of 36 contact hours. Students will select one of the two courses from each period. During August/September students will select *NT 6301 Interpretation of the New Testament* with Dr. Abe Smith or *TC 8308 Contemporary Issues in Philosophy and Religion: Prolegomena* with Dr. Billy Abraham. During October/November students will select *WX 7350 Pentecostalisms in Global Perspectives* with Dr. Carlos Cardoza-Orlandi or *EV 7307 Theory and Practice of Evangelism* with Dr. Robert Hunt. All Galveston classes will be at Moody Memorial UMC. The Houston classes will be in the Medical Center, location TBD.
