Optional Electronic Submission for Pre Class Assignments

Course of Study School Lockers

We are offering an alternate method for the submission of pre-class assignments. The Course of Study School is using a "Locker System", Locker.SMU. This system allows COSS students to submit their pre-class assignments electronically. Please remember that we will continue to accept mailed in paper pre-class assignments. Electronic submissions and the use of Locker.SMU is optional.

A Locker will be assigned to each student for each class they are taking. For example, if you are taking Hebrew Bible I (211) and Formation Discipleship (213) you will be assigned two different Lockers. The instructor for each course will then be able to log in to the Locker System and retrieve your submitted assignments for each particular class.

When your registration is received, the Course of Study School staff will be creating your private Locker(s) and informing you via e-mail when your Locker(s) has been successfully created. In this email, you will receive specific instructions on how to access your Locker(s) and how to upload your assignments.

If you have not registered by May 15th, you will not be guaranteed a locker and you will need to submit your pre-class assignments via postal service.

The Locker System will automatically date and time stamp your submitted assignments to inform the instructor and the Course of Study School staff when the assignment was submitted.

The pre-class assignments should be submitted to the Locker System **ONLY in .doc format.**

When you are ready to submit your pre-class assignments online, but have not received an e-mail with information on how to access your private Locker(s), please contact the Course of Study School staff at COSS@smu.edu with the subject line: Locker Access. The Course of Study School staff will then reply with specific instructions on how to access your Locker(s) and how to upload your assignments.

The completed pre-class work for courses 211-514 must be submitted to the Locker System **no later than May 15th at 11:59:59 p.m.** Pre-class work submitted to the Locker System after May 15 will incur grading penalties as mentioned above on the grading guidelines. The same deadline restrictions apply whether you are submitting pre-class assignments electronically or via postal service.

Students should keep a printed copy of each assignment and bring a copy of each assignment to class regardless of how the assignment was submitted.

In addition, students should include a one-page autobiography for each instructor.

Each assignment should be typed, double-spaced, or legibly handwritten, with pagination numbers, and be accompanied by a completed cover sheet. A copy of the cover sheet can be found in the Course of Study School Catalogue and can be photocopied, it will also appear as a preloaded file when you access your locker.

Guidelines for writing pre-class assignments and information on academic dishonesty are provided in the Course of Study School catalog, available on the website. Students are expected to understand what constitutes plagiarism. Students who are found to plagiarize are subject to grading penalties, which may include dismissal from the school.
