The Center for the Study of Latino/a Christianity and Religions at Perkins School of Theology promotes a deeper understanding of the varieties of religious life and expression within the Latino communities in the USA and Latin America, and addresses issues related to the Latino/a religious experience within a broader ecumenical and religious context. The Latino Center supports and disseminates scholarly works on topics related to Latino theology and religions. The work of the Latino Center is supported in part by a grant from the Henry Luce Foundation.
