ELIGIBILITY

The professional nature of the Doctor of Ministry requires that students have leadership responsibilities in their ministry setting. Applicants must have all application material completed no later than two months before admission to the program. Applicants wishing to enter the Doctor of Ministry program must have:

1. An ATS-approved M.Div. degree or equivalent with a cumulative grade point average in the master's level program of at least 3.0 on a 4.0 scale (B or 80). In cases of demonstrated extraordinary ability in the practice of ministry, applicants with a lower grade average may be considered for conditional admission with the requirement to complete the first term with a grade of B or better in order to be granted full admission and continuation in the program.
2. Significant experience and demonstrated competence in ministry, as attested by four references. A minimum of three years of full-time experience following completion of the M.Div. degree (or its equivalent) normally is required.
3. The ability to reflect theologically and communicate effectively as reflected in a short essay addressing the proposed area for study. The essay should include: (a) a statement of objectives in pursuing the D.Min. degree; (b) a statement of the proposed area of study for the professional practicum and project thesis; and (c) the anticipated contribution of the professional practicum and project thesis to the applicant's ministry.

International applicants who hold an R-1 (Religious Worker) Visa may be considered for admission. Because the Doctor of Ministry is a degree given in the context of ministry, generally no transfer credit is accepted.
