

HDCN 6395: PRACTICUM

Term: Fall 2014 (8/5/14-10/7/14)

Date/Time: Tuesdays 4:30pm-9:15pm

Instructor: Sarah Feuerbacher, Ph.D., LCSW-S

Email: sfeuerbach@smu.edu

Office: 972-473-3410

Cell: [REDACTED]

Sarah Feuerbacher, Ph.D., LCSW-S, Clinic Director of the Family Counseling Center, earned a Bachelor of Arts in Social Work, Master of Social Work, and Doctorate of Philosophy in Educational Psychology from Baylor University. Dr. Feuerbacher is a Licensed Clinical Social Worker Supervisor, Practical Parent Education Certified Parent Educator, and State of Texas Parent Mediator/Facilitator. Dr. Feuerbacher's clinical focus is in the area of using holistic approaches in working with diverse individuals who have experienced multifaceted themes of abuse in order to identify and empower strengths in intrapersonal and environmental systems that can create personal goals, positive relationships, and healthy lifestyles.

REQUIRED TEXTS/READINGS

- All readings, forms, and assignments posted to the Practicum Blackboard page.
- American Psychiatric Association (2013). *Diagnostic and statistical manual of mental disorders-TR (5th ed.)*. Washington, DC: American Psychiatric Association.
- ACA Code of Ethics <http://www.counseling.org/Resources/aca-code-of-ethics.pdf>
- Texas LMFT Code of Ethics http://aamft.org/imis15/Content/Legal_Ethics/Code_of_Ethics.aspx
- Texas LPC Code of Ethics http://www.dshs.state.tx.us/counselor/lpc_ethics.shtm

COURSE PURPOSE AND GOALS

This course is designed to build your knowledge and skills as a counselor through opportunities in an applied setting under supervision. Practicum is a beginning clinical experience, whereby you will be required to demonstrate your clinical skills and effectiveness with a very limited number of clients prior to moving onto your off-site experience. Practicum allows you to gain experience with actual clients, develop the ability to handle a variety of clinical issues and responsibilities, evaluate your practice and observe others in a constructive manner, develop a healthy embracing and mastery of ethical practice, and establish professional relationships with your co-practicum students, clients, supervisors, and other professionals in the field.

COURSE DESCRIPTION

Advanced counseling methods and techniques are used in individual, couple, family, and group counseling settings under close supervision. Throughout your clinical training, emphasis is placed on developing a flexible personal theory of counseling useful in a wide range of counseling settings, as well as demonstrating proficiency in developing and maintaining a therapeutic relationship. Prerequisites for Practicum consist of passing your required counseling core and track courses to date as well as the Mastery of Core Competency exam unless prior approval is granted by your academic advisor, the Counseling Director, and the Clinic Director. Other prerequisites entail carrying current student malpractice insurance, documented completion of the SMU Child Safety training, and receiving a background-check clearance.

Prior to the start of the first Practicum class, all students should visit the Practicum Blackboard site and watch the required videos, read the required documents including the entire Policy and Procedure Manual, and complete the Practicum exam; a passing grade of 90% or above is required to be scheduled with any phone assessments, intakes, or clients the second week or beyond of Practicum. Evaluation of Practicum will also be based upon demonstrated clinical competence as indicated by Counseling Progress Assessments and satisfactory completion of all assignments described in this syllabus.

COURSE REQUIREMENTS

Students enrolled in a practicum class are expected to be on-site at the Plano clinic for no fewer than six hours per week and carry a client load between one and four cases throughout the duration of the two 10-week terms of practicum, accumulating no fewer than 40 direct and 100 indirect client contact hours (modifications made during shorter Summer term). Up to 10 direct hours may be counted towards required practicum hours if they are gained from an SMU-affiliated project that is not currently being applied towards credit for another course, and that has been approved by both the on-site supervisor as well as the assigned practicum supervisor through the SMU Supervisor Verification form. Indirect hours acquired during practicum enrollment that are gained outside of the practicum clinic experience must be approved by the assigned Practicum Supervisor. A student who cannot allot more than 6 hours per week to practicum is likely to encounter difficulties in accruing required total hours; the consequence could result in additional time required for completion and additional tuition. Any student who has not reached 40 hours at the end of 2 terms but has met our minimum requirements of clinic hours may discuss with their supervisor and Clinic Director options for acquiring their remaining hours. It will be at the discretion of the supervisor/Clinic Director to approve someone who has not met the 40 direct hour mark to move onto Internship I. No student may purposefully stay longer than 2 terms; staying beyond 2 terms is to be used for the purpose of delaying students of concern from moving into Internship. All practicum students, including school counselors, must enroll in two terms of practicum and continue to see their clinic clients during their second term of practicum unless the client decides to terminate services. If the school counseling student receives direct hours off-site (at a school as a school counselor), he/she will need to attend the supervision portion of internship class, but not the curriculum portion.

LEARNING OBJECTIVES & OUTCOMES

Learning Objectives	Method of Achievement	Measurable Outcomes
Participation in lecture and micro-skill training. (CACREP II.K.3.b.,d.,e.; CACREP II.K.7.a.,b.,c., e., f., g.)	Classroom instruction via lecture, article reviews, and session DVDs will be utilized.	Students will attend weekly live and triadic supervision in which training occurs. Attendance is recorded. Students will demonstrate micro-skills mastery as noted by the supervisor on the Counseling Performance Assessment.
Carrying an ongoing client load that will satisfy a minimum of 40 direct contact hours. (CACREP III.K.1.b.c.f.g.h.)	Students will be provided with a caseload as assigned by the clinic staff.	Students will meet regularly as scheduled with their assigned clients and will attend to all matters of case management, including record-keeping, payment collection, and scheduling. Casework will be monitored by the Practicum supervisor through live, individual, & group supervision, discussion (case review), and records review.
Participation in supervision sessions (CACREP III.K.1.b.c.f.g.h.).	Live and Group Supervision will be provided on a weekly basis to Practicum students.	Students will attend weekly live & group supervision meetings, and will attend additional supervision as deemed necessary by the supervisor. Attendance is mandatory and recorded.
Observe fellow students counseling and provide feedback of observations. (CACREP II.K.3.b.,d.,e.; CACREP II.K.7.a.,b.,c., e., f., g.)	Opportunity to observe peers is provided at the SMU Center for Family Counseling.	Students will observe 10 full sessions (though opportunity to observe more) and complete 10 Feedback Forms to be shared with the observed counselor and the supervisor. Students will observe and provide feedback to peers in individual/triadic and group supervision and through case presentations, which are monitored by the supervisor.
Discuss ethical and legal issues related to the assessment of the clients. (CACREP II.K.7.i.)	Utilization and review of relevant Ethical Codes based on the ACA Code and AAMFT Code of Ethics will be provided and reviewed. Legal codes and HIPAA mandates will also be reviewed.	Student competency will be determined through supervisor observation of live & recorded sessions, individual & group supervision discussions, and the supervisor-completed Counseling Progress Assessments (mid-eval at 10 weeks & ending eval at 20 weeks).
Students will expand their clinical skills and knowledge.	Reading assignments, role-playing, didactic instruction, supervision, peer feedback, and formal evaluations provide students with needed clinical information.	Students will locate and read credible sources of information on a variety of clinical topics. Students will engage in peer and supervisory feedback. Students will identify of areas for growth through self and supervisor evaluations.
Students will demonstrate a working familiarity with policies and procedures of the Family Counseling Center at SMU.	Policies & procedures will be introduced and reviewed through lecture, role plays exercises, individual/triadic and group supervision.	Students will demonstrate knowledge and understanding on a Policies & Procedures Quiz.
Students will demonstrate proficiency in case conceptualization, diagnosing, and treatment planning abilities.	Students are provided opportunities to practice case conceptualization, diagnosis, and treatment planning in their regular casework.	Demonstration of skills will be evident in ongoing casework, supervision, and case presentations.
Students will become familiar with common professional standards and practices with regard to clients, peers, supervisors, collaborating professionals, and office staff.	Students are provided with training in professional conduct in individual/triadic & group supervision meetings, and have opportunities to practice through their regular clinical work.	The supervisor will observe, evaluate, and offer feedback to students regarding appropriate professional conduct. Students will conduct themselves so as to lose no more than 20% off their final course grade due to identified incidents of unprofessional conduct.
Students will apply clinical knowledge and skills to an array of diverse populations and presentations.	Students will have the opportunity to encounter diversity in clinical application through client contact, role-plays, class discussions, and supervision.	In role plays, class discussions, case presentations, supervision, and in actual clinical work, students will demonstrate awareness of and sensitivity to issues such as SES, ethnicity, sexual orientation, spirituality, religion, age, and culture. Monitoring and feedback will be conducted in these activities by the Practicum supervisor.

COURSE SCHEDULE

**Class schedule is subject to change if deemed necessary by the Practicum Instructor.*

CLASS	TOPIC and ACTIVITIES
1	<p><i>*No Clients Seen</i></p> <p>4:30-9:00 Didactic Topic: Tonda, Syllabus, PPM Review, T2T, Professional Disclosures, Phone Assessments, Intakes; PPM Exam</p> <p>9:00-9:15 Close Clinic</p>
2	<p><i>*Must have passed Practicum Exam to see clients, complete phone assessments, or do intakes</i></p> <p>4:30-7:30 Live Observation</p> <p>7:30-8:30 Observation Feedback/Group Supervision</p> <p>8:30-9:00 Class/Didactic Topic: Progress Notes; Treatment Plans</p> <p>9:00-9:15 Close Clinic</p>

1. Counseling Progress Assessment (CPA; 2 @ 35 points possible each)

The CPA is conducted by your Practicum supervisor at mid-term and the end of the Practicum term. The CPA, along with other graded activities, will be used to determine students' competency to continue their clinical activities and to develop remediation plans where needed. Each CPA will be based on observation of one or more counseling sessions (live and/or recorded), performance in individual/triadic and group supervision, and observation of professional and case management activities, etc. The grade on the CPA will follow the standard grading scale included in this syllabus (i.e., 93-100 = A; 90-92 = A-, and so on). A score of 80 (B-) on either the mid-term or end-term CPA may result in remediation to ensure skill proficiency and client care. Your Practicum supervisor will review your mid- and end-of-term CPAs with you in individual supervision and/or in a separately scheduled meeting. Areas addressed on the CPA include the following topics:

a) Record Keeping

- You will be tracking your hours electronically through Time2Track, which the SMU Counseling Program has an account for your clinical track sequence (i.e., Practicum and Internships). Instructions for log-in and recording hours will be conducted on the first night of Practicum.
- Hours **MUST** be entered every week, with a printout summary to be turned in at the beginning of each supervision time. Summary of total practicum hours should be provided to SMU internship supervisor at start of internship class.
- Live/Video Supervision will count as 1 hour of individual supervision for the counselor being observed. It will count as 1 hour of group supervision for students observing from behind the mirror (or via CCTV), if they are accompanied by the practicum supervisor. Students who are observing sessions without the supervisor present may count the time as indirect client contact (observation).
- Students must also turn in a brief clinical update on each client (except for role-play situations/ Lifespan students) in each supervision session. This brief paragraph should contain **NO** personal identifying information (i.e., be in compliance of the HIPAA mandates) and should contain relevant clinical updates on a weekly basis. Your Practicum supervisor will tell you how to format your clinical updates.
- Review PPM regarding what counts as direct & indirect contact. Don't forget to count something and "short" yourself!
- Trainings over 6 hours must be approved by Practicum professor prior to accruing.
- Write all case notes, phone records, and other clinical records before the end of the day on which the events occurred. Make sure your handwriting is legible. Your notes will be reviewed for neatness, completeness, and punctuation/grammatical accuracy. Notes that are not acceptable will be flagged to be re-written.

b) Clinical Work

- Your questions about clinical issues can nearly always be answered by reading the PPM. Please do not ask a supervisor questions that are answered in the manual, or rely on answers from other students (including previous students), who may not know the correct answer.
- In any crisis, urgent, or emergency clinical situation, **ALWAYS** consult the supervisor on-call immediately. Examples include suicidal or homicidal intent, bizarre client behavior, threats, the need to report to CPS, and so on. Review crisis procedures in the PPM *frequently*.
- The PPM quiz is based on the SMU Center for Family Counseling Policy and Procedure Manual (PPM) and all procedures used in the clinic. The quiz will consist of true-false, multiple choice, and brief-answer questions. The quiz will be given during the large group meeting in Week Two. Incorrect answers on four or more of the questions indicates insufficient familiarity with the PPM and will require that the student meet with the Practicum Instructor for additional clinic training before seeing clients. Students will need to retake and demonstrate mastery of the content. Should a student need to retake the exam more than twice, this may necessitate the repeating of Advanced Methods prior to re-taking Practicum.
- If you receive a transfer case, review the client's file thoroughly and let the client know you have done so. This assures clients that you are familiar with their history and progress, so they don't have to "start over."
- Do not dub your DVDs while the therapy room is in use—or about to be in use. It prevents the counselor in the room from being able to record. Wait until after 8pm or other hours when you are certain the room is not being used. Sessions are erased from the hard drive every Monday morning. Please be sure to check that your session has dubbed properly.
- **ONLY** call clients from the clinic phone! Do not use your cell phone unless you have the express permission of the Clinic Director, and in such instances you must block your number. Never correspond with clients by email or other means. Any contact with clients is to **ONLY** occur within the confines of this clinic.
- No DVDs will be allowed to leave the clinic at any time.
- Please do not interrupt others' sessions or live supervision process except in the event of a clinical emergency.
- You will have the opportunity to provide mock counseling with a LifeSpan student which is to be used as a personal growth opportunity and provide practicum students with the ability to practice new interventions and further develop novice clinical skills. A verification form must be filled out at the end of the process showing that the LifeSpan client completed all five mock counseling sessions.

c) Attendance

All students are expected to be in the clinic classroom at the beginning of their scheduled class time. A 24-hour notice of any absence should be given whenever possible. Furthermore, if a student must miss one class, it is the student's responsibility to contact a classmate to get all the material and assignments covered during their absence. It is also the student's responsibility to coordinate with the clinical staff and/or clients (only through the clinic) any rescheduling needs.

Absences will result in reduction of the class participation grade based on 2 criteria: **advance notification**, and **approved circumstances**. Advance notification may take the form of phone calls/voice mails or emails sent to the instructor prior to the start of class. Approved circumstances include unavoidable events such as student or family member illness, death of a close family member, car accidents, University-recognized religious holidays, injuries requiring medical attention, etc. Circumstances that will not be approved include vacations, attendance at weddings, family gatherings, conference travel, rest days, activities for other classes and so on. Approval of the circumstances of any absence is a matter of the instructor's discretion. Clearly, emergencies cannot be foreseen in advance. In such instances, please notify the instructor as soon as possible. ***Also notify Tonda Crenshaw if you need assistance cancelling and/or re-scheduling clients.*** Participation grade reductions are provided in the Appendix of this syllabus. Bear in mind that, beyond the penalty for absences, the class participation grade may also be affected by absences that cause students to miss in-class activities. In addition, absences can affect student's preparedness for exams or cause them to miss instructions or clarifications of assignments. Points may also be deducted for showing up to class late, returning from breaks late, absences, or missing client sessions (see "case management," below). If you arrive to class late or leave class early without the prior consent of the instructor, it will count as an absence. In addition, if a meeting with the Clinic Director is needed to address an issue with timeliness, professionalism, or attitude, points will be deducted from your final grade, as well as other possible consequences such as removal from Practicum. Should a student miss more than two classes, his/her final grade will be affected. A student missing more than two classes may, at the instructor's discretion:

- receive a grade of Incomplete if the requirements to do so have been met (see the policy on Grades of Incomplete contained in this syllabus)
- receive a failing grade for the course
- drop or withdraw from the course. (This option may have a **financial** and/or **financial aid** impact. Student should refer to the Add/Drop Policy and the Withdrawal Policy for the Counseling program which can be found at <http://www.smu.edu/Simmons/AreasOfStudy/DRC/C/Counseling/AcademicCalendar14-15> then consult with the Program Specialist if they believe this option is a possibility.)

d) Participation

Participation in class includes actively volunteering for activities, such as role-play, contributing to class discussions, contributing to individual & group supervision experiences and class presentations. Additional assignments may be made throughout the term to address specific needs of the class as a whole or individual student needs. Each student enrolled in this course should be committed to full participation in his or her clinic experience. Students are not allowed to work on administrative functions during lecture/large group supervision. This will be considered a lack of participation on the student's behalf and points will be deducted per occurrence at the Supervisor and/or Clinic Director's discretion.

e) Case Management

Students are expected to manage all aspects of their clinical activity, including client sessions, care of the clinic facilities, clinical records, scheduling, client phone calls, termination and/or transfer, referrals, coordinating with other care professionals, and so on as described in the syllabus and in the Policies and Procedures Manual. Points will be deducted from a student's final grade for any of the following incidents: missed client appointment; late to client appointment; tardy record keeping (records absent or not finished by 48 hours after counseling session). In addition, failing to be available for client contact during indicated times of availability (except in cases of illness or emergencies) will be cause for point deduction. More than 2 occurrences of any of these incidents or any persistent or recurrent pattern of poor case management will result in a conference with the Practicum supervisor and the Clinic Director, with the possibility of additional penalties, such as the cessation of client sessions or a removal from Practicum. (**Missed client appointments refers to a counselor not showing up for a client appointment, without prior notification of the client and/or following proper re-scheduling procedures. If a counselor is sufficiently late for a session such that the session must be re-scheduled, it will be counted as a missed session. Clients are not expected to wait more than 10 minutes past the scheduled meeting time, and it is assumed that if the counselor is 10 or more minutes late, the session will not be held and will have to be re-scheduled.*)

f) Professionalism

Professionalism refers to interactions with faculty, staff, and peers, as well as to personal conduct and presentation. Graded activities associated with professionalism include attendance and punctuality at individual supervision sessions, as well as demonstrating respect, courtesy, and appropriate boundaries with peers, supervisors, and staff. Point deductions will be made at the discretion of the supervisor and/or the Clinic Director for any unprofessional conduct. More than two occurrences of any of these incidents or any persistent or recurrent pattern of unprofessional conduct will result in a conference with the Practicum supervisor and the Clinic Director, with the possibility of additional penalties. Other incidents of unprofessional

conduct not listed here may also result in a deduction of points if a student is warned verbally by any supervisor or staff member and a repeat incident occurs.

Supervision: Missing supervision appointments, arriving late for supervision appointments, or failing to arrive prepared for supervision per supervisor's instructions (making sure files are in order, identifying DVD clips to view, identifying cases or questions to discuss, etc.), as well as misusing supervision and chains of command will be taken into consideration in evaluating your performance in this course. More than two occurrences of any of these incidents or any persistent or recurrent pattern of poor supervision participation will result in a conference with the Practicum supervisor and the Clinic Director, with the possibility of additional penalties, such as the cessation of client sessions or a removal from Practicum.

Department & Attitude: Demeanor, attitude, and overall disposition toward peers, staff, faculty, and clients will be taken into consideration *strongly* in evaluating your performance in this course. In addition, it is the responsibility of each class member to treat classmates with respect and integrity, thus providing emotional safety for each other during class activities. All students in the Counseling Department will demonstrate behavior that is consistent with the Ethical Standards forwarded by the APA and ACA in their code of ethics. Failure to do so can result in termination from the Department.

Appearance & Dress: Students are to dress in office-appropriate attire whenever they are working in the clinic. Office-appropriate attire excludes ragged, baggy, torn, or dirty clothing; athletic clothes or shoes (e.g., sweats, sneakers, casual t-shirts); blue jeans; tight or revealing clothing; or flip-flops, casual sandals, or any risqué shoes (e.g., spike heels, heavy or over-the-knee boots, etc.).

2. Practicum Activity Log (PAL) (2 @ 10 points possible each): This will involve completing a form that has various activities to complete while in the clinic. This will be given in class the first night of class for you to begin working on and will be collected the last night of class on week 10. Should this not be turned in on week 10 (or before), this may result in repeating Practicum weeks 1-10. Points are given in its entirety, meaning if you've completed all tasks, a yield total of 20 points will be given. Any missed activity will result in no points rendered.

3. Peer Observations (10 points possible – 10 observations @ 1 point each)

Each student must complete 10 observations of other counselors within the first 10 weeks of Practicum.

- Five of these ten observations will entail viewing your clinic partner in working with the same client. In rare cases, with Instructor approval, you may view some DVDs in the clinic should scheduling become a concern in watching your partner.
- The other five peer observations can entail viewing current or continuing counseling Practicum students in the SMU Center for Family Counseling— no viewing of DVDs is allowed for these five observations without the express permission of your supervisor.
- Supervision groups or the Group Counseling course groups *may not be observed under any circumstance* and can result in automatic failure of Practicum.
- A Peer Observation Feedback Form must be completed and turned in (see Policy & Procedure Manual). ***Students must request counselor permission prior to observation and provide a copy of their Observation Feedback Form to the counselor, and another copy to the instructor.*** NO CLIENT NAMES or other identifying information should be included on these observation forms. Written feedback must be delivered appropriately, noting both strengths and weaknesses in the counselor's work in a respectful and constructive manner. Observations that reflect superficial comments, minimal and/or unclear remarks, or unprofessional language (e.g., rude comments, non-constructive criticism, profanity, etc.) will not be accepted.
- The five peer observations where you are watching other counselors (not the five where you are viewing your Practicum partner) must vary (i.e., **you may not watch the same counselor more than twice for credit to be rendered**). Peer observations will be graded based on completion and adherence to the required format as specified above (e.g., ascertained permission, post-session feedback to observed counselor, appropriateness and delivery of content on the Observation forms, etc.). All observation forms are due by week 10, though you may turn them in on a weekly basis as desired.

ADDITIONAL POLICIES

Grade of Incomplete

A student may receive a grade of I (Incomplete) if at least 50 percent of the course requirements have been completed with passing grades, but for some justifiable reason, acceptable to the instructor, the student has been unable to complete the full requirements of the course. At the time a grade of I is given, the instructor must stipulate in writing to the student and to the University registrar the requirements and completion date that are to be met and the grade that will be given if the requirements are not met by the completion date. The maximum period of time allowed to clear the Incomplete grade normally is 12 months. If the Incomplete grade is not cleared by the date set by the instructor or by the end of the 12-month Policies and Procedures deadline, the grade of I will be changed to the grade provided by the instructor at the time the Incomplete grade was assigned or to a grade of F if no alternate grade was provided. The grade of I is not given in lieu of a

grade of F or W, or other grade, each of which is prescribed for other specific circumstances. If the student's work is incomplete, poor quality and not acceptable, a grade of F will be given. The grade of I does not authorize a student to attend the course during a later term. Graduation candidates must clear all Incomplete grades prior to the deadline in the Official University Calendar, which may allow less time than 12 months. Failure to do so can result in removal from the degree candidacy list and/or conversion of the grade of I to the grade indicated by the instructor at the time the grade of I was given. For graduate students, a maximum of two (six hours) concurrently held grades of Incomplete in courses other than thesis is allowed. If this maximum is reached, the student will be allowed to take only one three-hour course per term until the Incomplete total is reduced. Students who accumulate a total of three grades of Incomplete in courses other than thesis will be put on probation and not allowed to enroll further until the total is reduced.

Academic Integrity: Students must adhere to the SMU Honor Code as described in the Student Handbook. Students in counselor training are dually responsible for abiding by all applicable ethical standards, as mandated by University policy and professional codes of ethics. Please review the University policies on the responsibilities, policies, and penalties regarding academic honesty found at http://www.smu.edu/studentlife/PCL_05_HC.asp. Ignorance of academic and/or professional ethical standards does not excuse ethical infractions. Unethical practices are determined by behavior, not by students' intentions. Any incidents of academic or clinical ethics infractions will be reported for investigation. Unless otherwise specified in the syllabus, all course assignments and exams must be the student's original work, produced by the individual to whom the work is assigned. Working with partners or groups to complete any coursework is not allowed unless the coursework is specifically designated as group work.

Disability Accommodations: Students needing academic accommodations for a disability must first be registered with Disability Accommodations & Success Strategies (DASS) to verify the disability and to establish eligibility for accommodations. Students may call 214-768-1470 or visit <http://www.smu.edu/alec/dass.asp> to begin the process. Once registered, students should then schedule an appointment with the professor to make appropriate arrangements. (See University Policy No. 2.4)

Religious Observance: Religiously observant students wishing to be absent on holidays that require missing class should notify their professors in writing at the beginning of the semester, and should discuss with them, in advance, acceptable ways of making up any work missed because of the absence. (See University Policy No. 1.9.)

Excused Absences for University Extracurricular Activities: Students participating in an officially sanctioned, scheduled University extracurricular activity should be given the opportunity to make up class assignments or other graded assignments missed as a result of their participation. It is the responsibility of the student to make arrangements with the instructor prior to any missed scheduled examination or other missed assignment for making up the work. (University Graduate Catalogue)

Plagiarism Policy: Plagiarism is not tolerated and will result in an "F" grade for the class. Plagiarism is defined: "To represent ideas or interpretations taken from another source as one's own is plagiarism. Plagiarism is a serious offense. The academic work of students must be their own. Students must give the author(s) credit for any source material used. To lift content directly from a source without giving credit is a flagrant act. To present a borrowed passage after having changed a few words, even if the source is cited, is also plagiarism." Misrepresentation or falsification of logs, notes, treatment plans, or other material is not tolerated and will result in an "F" grade for the class. Please reference the SMU honor code.

Statement on Confidentiality and Emotional Safety: In order to provide a safe learning environment for students in the class and to protect the confidentiality of clients and class members, students will discuss case material and others' personal information, reactions, etc. only while in class or privately with other current class members. In addition, should a student recognize or know clients being observed in or out of class, it is the student's responsibility to excuse him/herself from the observation. If this occurs while in class, promptly inform the instructor so that appropriate arrangements can be made.

Emergency Preparedness: In the event of a major campus emergency at SMU, course requirements, deadlines, and grading percentages are subject to changes that may be necessitated by a revised semester calendar or other circumstances beyond the instructor's control.

Statement of Class Decorum: Please utilize silence or vibrate prompts on all cell phones or pagers during class to avoid disruption of others. Please do not engage in outside reading material (e.g., newspapers, books for other classes, etc.) or utilize laptops for non-class related purposes during active classroom instruction. If a circumstance in your life necessitates last arrival or early dismissal, please attempt to make arrangements with the instructor prior to the onset of class. Professional respect and courtesy for your fellow students is expected at all times.

Statement on APA Publication Manual Guidelines: Students are expected to have a high degree of familiarity with the APA manual and its requirements. Plagiarism is plagiarism, whether intentional or unintentional. To avoid plagiarism, follow guidelines in the current edition of the *APA Publication Manual*.

Guidelines for Requesting a Letter of Recommendation from SMU Faculty: All letters will need to be requested at the minimum for two weeks prior to the time they are needed. If you need more than one letter to a different facility, then a three-week minimum is needed. You will need to email me the contact information, a resume, and a headshot photo in order for the letter to be completed. If you need a letter regarding your clinical abilities, please know that I must have had you for either Practicum or another class that entailed at the very least, a few micro-practicum experiences. If you need a letter to discuss your academic abilities, you must have had me for a course (not just for an Advisor). If you received a low grade in the class or your attitude/participation in the course was lacking, please be aware that could possibly affect the letter of recommendation. By emailing me your request for a recommendation, you are giving me consent to write the recommendation. If you want me to complete an on-line recommendation, please send me a reminder once the link has been sent. If you need my contact information for a reference check, please use the information contained in this syllabus.
