ARRIVAL AND DEPARTURE

CHECK-IN SUNDAY, JULY 26, 2015

You will check-in at **Loyd Residential Commons** for your room assignment. You will reside in **Loyd Residential Commons**. After check-in you will move into your room.

At check-in, students will be issued a Validine Card (student identification card) and room key. Please take special care of these items while you are on campus. You will be charged a fee of \$10 if you lose a card and \$50 for a lost key. If you lose your card or key, or if it doesn't function correctly, please notify the Hall Director or your RA immediately! We can correct problems only when we know about them!

Residence Hall

Students cannot move into the residence hall until 3 P.M. If you must arrive earlier, you will need to make other arrangements. Parents should leave the campus as soon as their student is settled in. Please plan to move in on Sunday, July 26, 2015 between 3:00 and 5:00 p.m. We'll have a "student get together" at 5:00 p.m.

Limited parking is available on campus (please check the website, www.smu.edu/maps). Parking is sometimes difficult on the campus. Please be patient.

Meals

All students will dine in the university dining hall for all meals. (Portions are generous and refills unlimited.) Many vegetarian meals are available; hot entrees, fruits and salads are offered at each meal along with sandwiches and cereal. The fare is typically institutional. It is not gourmet, but there is plenty of it! If students have special dietary needs or complaints about quality, quantity, or service, please notify GTB staff immediately.

CLOSING ACTIVITIES, FRIDAY, JULY 31, 2015

SMU/GTB classes will end on Friday, July 31, at 4:30 p.m. The girls and their parents/guardians are invited to a dinner in the Mack Ballroom, Umphrey Lee at 6:00 p.m. Girls should wear a conservative sports outfit such as cropped pants or a summer dress.

Departure from SMU Campus

All students must be packed before the closing dinner. They will not be allowed to attend dinner if they are not packed. All students must vacate their rooms by 5:45 PM on closing day. The dorm will be closed and locked after this time.

MEDICAL CARE

Each individual is responsible for his/her own fees accrued at the Health Center, 214.768.2141 (www.smu.edu/healthcenter/).

SMU provides basic accident insurance for injury while students are on campus or while they are involved in program-related activities. Under this coverage, students will generally be treated without charge (for accidents, not illness) at the Student Health Center. Should your child require medical services other than for an accident, you will be notified and your child will be taken to an off-campus medical facility. You will be responsible for all charges incurred. This includes medication needs.

Important Medical Information

No student will be allowed to move into the dorm until all medical forms are complete. These forms must be filled out thoroughly and legibly in blue ink, have original signatures, and be notarized. Medical personnel will refer to this form whenever medical treatment is necessary; this form is the only guide a health care provider will have in case of emergency. It is imperative that all parts of the form be completed. Information provided on these forms will be treated with the greatest possible confidentiality. At the end of the program, medical forms will be destroyed.

Please Note Procedures for Administering Medications

Students who require prescription medications and/or injections while attending GTB must bring the medication/serum to SMU clearly labeled with the student's name, contents, and dosage information. All medication must be left with the Hall Director upon the student's arrival at the dorm on opening day. An original copy of the doctor's orders and an explanation of the purpose of the medication, on letterhead stationery, must be attached to the container. A copy of this letter must be provided to the Pre-college Office to be attached to the Medical History Form. It will be the responsibility of the student to take his/her medication. The hall director can only be responsible for monitoring the dispensing of the medicine. Legal restrictions prevent staff from reminding students to take medications. Please discuss with GTB students the importance of reporting to the Hall Director to get medication.

Any student who will require injections during the program must contact the Pre-college office at least two weeks prior to the opening of the program. These injections will be administered by a licensed health practitioner at the student health center. There is a small additional fee for this service.

WHAT SHOULD I BRING TO GTB?

Clothing

Shorts, jeans and t-shirts for class (dress is casual), robe and slippers, conservative swimsuit for swim party, nice outfit for closing ceremony, clothes hangers.

Linens

You will need to provide your own bath linens, pillow, blanket, bedspread, and mattress pad if you want one. Please plan to bring at least one warm comforter or blanket as some of the rooms may be cold.

School Supplies

Backpack or book bag, school supplies such as paper, pencils, pens, dictionary, thesaurus, spiral notebooks, etc.

Miscellaneous

You will need to supply your own personal items such as clock radio, lamp, and hair dryer. There is a phone installed in each room with an assigned phone number. GTB students will not have access to voice mail on these phones. To place long-distance calls, you must either use a telephone calling card or call collect. Cell phones are allowed but should be used responsibly and courteously. Cell phones should never be used during class. We reserve the right to confiscate cell phones if used irresponsibly.

Board games, musical instrument such as guitar (if you play an instrument)

Although meals are paid for, you still might need about \$25 for snacks other activities.

Some students bring personal computers for use with their class work. There are a few computers in the residence hall. A lab is available for students in the evening. SMU assumes no responsibility for any personal items including computers, cameras, phones, or other items. Students bring these at their own risk. If you bring your own computer, etc., you should be especially careful to lock your room. There is no internet connection available to students in their rooms.

Note: The residence hall will provide bed linens (sheets & pillowcase). Towels are not furnished.

Tobacco, alcoholic drinks and illegal substances are, of course, strictly prohibited. Students possessing these substances are subject to immediate dismissal from the GTB program.
