January Orientation 2015
First Year and Transfer Students
When you attend AARO, you will meet your advisor face to face. Your advisor will help you learn to navigate the channels of higher education. Your skills and desires and his or her knowledge of University requirements will come together as you craft an SMU education plan as unique as your character. At the end of your advising meeting, you will register for spring classes.

In order to determine which courses you want to take and which course levels will best suit your skills, you may take academic placement tests during your time at AARO. You will also want to discover the many helpful resources on campus – tutoring, career planning, health center, clubs and interest groups, programs, and study abroad options – so you’ll be ready to take command of your opportunities when your school year begins.

For more information about orientation you can also visit the Student Transitions & Orientation website at www.smu.edu/newstudent, or by e-mailing us at orientation@smu.edu.

Congratulations on your decision to attend Southern Methodist University! We are excited to meet and welcome you to the academic environment, involvement opportunities and traditions at SMU. The orientation process is designed to introduce you and your family to the information you need prior to the start of the semester and also facilitates building relationships with other incoming students, continuing students, faculty and staff. One of the main goals for orientation is to welcome you to the Mustang family!
When You Arrive

When you arrive at SMU for AARO, please park in the Binkley Parking Center on level two or above. Enter the garage through the visitor lane from Binkley Avenue. Enter the access code 1709 on the keypad to gain entry to the garage. It will not be necessary to take a visitor’s entry ticket when using the keypad. Upon exit use the visitor lane keypad to enter the access code 1709. You do not need to use the pay station to exit. A parking pass is included with this brochure. Please display on your rearview mirror during AARO.

Check-in will take place at 9:00 AM in the Hughes-Trigg Student Center. You will receive a nametag and all AARO materials at that time.

AA RO HOUSING FOR FAMILIES

Family members are encouraged to make reservations at the host hotel for AARO. Please identify yourself as an SMU Orientation 2015 participant at the time you make the reservation.

Individual Advising Appointments will be scheduled between 1:00-5:00 PM on January 13, between 8:30 AM and 5:00 PM on January 14, and as needed on January 15. Appointments will not be scheduled from noon to 1:00 PM on January 14.
National studies indicate college students who work part-time find it beneficial in supplementing finances, acclimating to campus, and learning skills such as time management. SMU offers students a variety of resources to locate work opportunities on and off campus.

Please visit the Division of Enrollment Services Student Employment website (smu.edu/financial_aid/stemploy.asp) to receive additional information regarding campus work programs, referrals, placement, and employment while at SMU. If you have more questions after AARO regarding either financial aid awarded to work study programs or other employment on campus, contact the Student Employment Office (Laura Lee Blanton Student Services Building) at 214-768-3490 or stu_employ@smu.edu.

The Hegi Family Career Development Center is an additional resource to contact regarding on- and off-campus jobs. The Career Center’s on-line employment database, Mustang Trak, offers a wide variety of jobs for SMU students only and career counselors on staff can help you prepare your resume for these part-time positions. Please visit smu.edu/career or call 214-768-2266 for more information.

To comply with the Immigration Reform and Control Act of 1986, all students must complete the I-9 process in order to have part-time employment at SMU. This process can be completed through Human Resources, Expressway Tower Building, second floor, after a student secures a job. See the Student Employment website for necessary documents.

Travel Information

GROUND TRANSPORTATION IN DALLAS
Several methods of transportation are available from D/FW Airport or Love Field to the SMU campus and selected hotels.

Super Shuttle
Offers transportation to and from D/FW Airport for approximately $31.00 one way for the first passenger and $10.00 for each additional passenger. Super Shuttle also offers transportation to and from Love Field for approximately $20.00 one way for the first passenger and $10.00 for each additional passenger. For shuttle information and scheduling, call toll-free 1-800-258-3826. D/FW area call 817-329-2000, or supershuttle.com.

Yellow Checker Shuttle
Offers transportation to and from D/FW Airport for $21/person. Transportation to and from Love Field is also approximately $21/person. For more information, call 214-841-1900.

Taxi
The cost is approximately $60.00 one way from D/FW Airport, 45 minutes.

Car Rental
Avis Rent A Car Systems, Inc. has guaranteed the best possible car rental rates available for SMU AARO participants. Reservations can be made by calling 1-800-331-1600 (refer to Avis Worldwide Discount number A906399, or by visiting www.avis.com/meeting/tools).
Parents and Family Members: Welcome to the Hilltop!

As the parents and family members of a new Mustang, you are part of the larger SMU family—a family rich in heritage and educational opportunities. This family includes not only those who choose to study here, but the thousands of graduates over the years who remember with pride their experiences “on the Hilltop” as well as all those who work and teach at this University. We are dedicated to providing a unique educational experience for our students, one that will be valued by students and families for years to come.

Students typically spend their college years away from home, and although their role may change, parents continue to play a critical role in a student’s educational experience. Because these college years are often a time for uncertain change in the relationship between parents/families and their student, SMU welcomes parent/family involvement in a student’s experience when appropriate and encourages parents to continue to give the benefit of their support.

In fact, you will be receiving a copy of the Family Handbook designed to make your student’s academic transition easier. You will find the information useful as you gain an understanding of the academic challenges facing your student. Your first responsibility as the parent of a college student is not “to do it for them,” but to encourage your student to take advantage of all that SMU offers and to take responsibility for the educational experience he/she will have at SMU.

AARO is designed to help both families and students identify resources, opportunities, policies, and offices that will serve as a guide for the next few years. The support and encouragement you provide will be enhanced if you have a clear understanding of the educational and social opportunities here at SMU and your role during this important time of self-discovery for your student. Many of the activities offered during AARO are open to both families and students. However, the individual academic advising sessions are for students only. During AARO, parents/families will have an opportunity to meet and talk with other families of new SMU students.

During AARO, you will:
- LEARN about the academic requirements at SMU
- DISCOVER the academic resources available to your student
- LISTEN to an overview of campus life through “SMU Essentials”
- DISCUSS “timely” topics with campus representatives
- MEET and share questions and concerns with other family members
- BROWSE through the Resource Expo offering a myriad of opportunities

There is a fee for parents’ and family members’ participation which includes AARO materials and brunch. Please have your student check the appropriate guest options on the online reservation form. We look forward to seeing you at AARO, and invite you to share in your students’ experiences as they begin to discover all that SMU has to offer. For additional questions, please call Deanie Kepler, Director of Parent and Family Programs, 214-768-4797.

SMU Post Office, how to address mail:
SMU Student
3140 Dyer Street
SMU # ________________
Dallas, TX 75225

- Mail received without a Box # will be returned to sender.
- Packages will be ready for student pick up three hours after receipt.
- Hours of Operations: Monday – Friday, 8 am to 5 pm Saturday, 10 am to noon

Mustang Welcome

The Mustang Welcome is a great opportunity to get to know the SMU community! On Wednesday, January 14th, students will have a chance to see what life is like on campus. This program will allow you to spend time with other incoming students, get to know current SMU student leaders, and meet staff and administrators from across the SMU campus.

Details about Mustang Welcome will be available at January AARO.
According to the International Business Times, “with the globalization of businesses and populations growing increasingly cosmopolitan, the need for transactional knowledge of languages has become very important in both private and government sectors.” With this in mind, the new University Curriculum (UC) has created the language requirement, which applies to all first-time, first-year students. Please note the provisions of the language requirement below:

- Students who matriculate summer 2012 and after must demonstrate proficiency in a second language.
- Students may be exempted from this requirement through AP or IB language exams or an SMU placement exam, native proficiency in a language as determined by International Admissions or an ACTFL OPI exam, or transfer credit.
- All other students will need to complete the requirement through language classes at SMU or another accredited institution, among other options. For more detailed information, please visit smu.edu/worldlanguages and click on “Second Language Requirement.”

WORLD LANGUAGES AND LITERATURES

PLACEMENT EXAM

Students who had language instruction in high school, or who have acquired language skills in some other manner, are required to take a language placement examination if they wish to continue their language study at SMU.

Students who do not wish to abide by their placement exam results may petition the chair for an exemption (granted only in rare cases), or enroll in a language in which they have not had instruction.

Students who have scored a 4 or 5 on an AP language exam or a 5, 6, or 7 on a higher level IB exam in their language of study are exempted from the placement testing requirement. SMU does not accept any Foreign Language CLEP exams for credit or placement. Credit for AP and IB exams is given by the Office of Enrollment Services.

Transfer Students

Transfer students with credit equal to 2 semesters of SMU coursework in a single foreign language (as determined by Enrollment Services) are exempted from testing unless they wish to enroll in a language course. If a student with transfer credit in a language wishes to continue study in their respective language they are required to take a placement exam, even if they received transfer credit for coursework in that language. Should a discrepancy between their placement exam placement and their earned credit exist, the student will need to forfeit the credit already earned if they wish to continue their language study.

Transfer students wishing to continue their language study must abide by the results of the placement test. Students who do not wish to abide by their placement exam results may petition the chair for an exemption (granted only in rare cases).

Credit Awarded

Second Language waivers granted through credit for AP and IB exams or transfer credit are awarded by the Office of Enrollment Services.

Retroactive Credit

By taking a placement exam students have the opportunity to receive retroactive credit for beginning and intermediate courses in their language of study. Once students have completed the course into which they were placed with a grade of C or higher they may request any retroactive credit earned (up to a maximum of 16 credits depending on the language of study). Requests for retroactive credit are handled in the Office of World Languages and Literatures in 309 Clements Hall. Retroactive credits do not count toward fulfilling the second language requirement. For example, if a student’s placement exam score indicated s/he should enroll in 1402, the student would need to take 1402 and 2401 to fulfill the language requirement, despite the fact that retroactive credit for 1401 may be awarded after completion of 1402.

Language Exams Offered

Placement exams are offered in all languages taught at SMU (Arabic, Chinese, French, German, Italian, Japanese, Latin, Spanish, and Russian). Exams are accessible through Blackboard, and all first-year students should have the WLL PL Exam appear when logged into
Testing for Placement cont’d

Blackboard. Exams may be taken in more than one language, but each individual language exam may be taken only once.

Payment
The fee for all placement exam testing is covered by SMU fees and tuition.

Timing of Exam
Incoming students should take language placement exam(s) prior to attending AARO. **Students may be unable to register themselves for ANY languages classes if a placement exam has not been taken.**

A placement exam may be taken online via Blackboard at any time and from any location. The exam results expire after one year, and it is suggested that students register for language classes within a reasonable time after taking the placement exam so that the testing results reflect the student’s current knowledge of the language.

There is no time limit on the exam. The exam generally takes less than one hour. Please contact Disability Accommodations and Success Strategies at 214-768-1470 if you have questions regarding services for students with disabilities. Students who have any questions about World Languages and Literatures placement exams or requirements may contact the language Program Director, Donna Binkowski, at dbinkowski@smu.edu.

Additional Information
Although some students review for the exam, it is to a student’s advantage to have the exam reflect his/her current knowledge of the language. **Students should remember to PRINT their score report or save to .pdf before exiting the exam.** Documentation of placement is needed for registration through an advisor, and test results also need to be given to language professors on the first day of class.

Questions
Additional information can be found at the World Languages and Literatures website: www.smu.edu/worldlanguages as well as the individual language websites.

Any non-technical questions about the placement exam should be directed to:

- Chinese: yxia@smu.edu
- French: oscherw@smu.edu
- German: gbirrell@smu.edu
- Italian: tbrenteg@smu.edu
- Japanese: keikof@smu.edu
- Latin: prawlins@smu.edu
- Russian: tzimakov@smu.edu
- Spanish: apastor@smu.edu

Please contact Disability Accommodations and Success Strategies at 214-768-1470 if you have any questions regarding services for students with disabilities.

Technical problems should be addressed to eapflum@smu.edu.

MATH
Six tests are offered during AARO:
- Math 1303 & 1304 pre-calculus: for placement only, no credit
- Math 1307, 1309, 1337 & 1338: for credit

Fee: $20; exact cash or check only.
Review sample tests online: www.smu.edu/math/placement/

Which test should I take? See below; also see www.smu.edu/math/placement. The mathematics department encourages students that have taken a strong precalculus course to take the placement exam so they do not have to repeat precalculus. Students that have taken calculus in high school can go directly into calculus without taking a placement exam, or they can receive credit for calculus by passing the appropriate credit exam. All mathematics credit exams must be taken before the first day of classes.

No calculators are allowed except for Math 1307, for which a calculator is required. Students who will need extra time on the placement/credit exam may request that at the door upon entering the exam. Students who need other accommodations for a disability must first contact the Office of Disability Accommodations & Success Strategies at 214-768-1470 to verify disability and establish eligibility for accommodation.

COMPUTER SCIENCE
One credit exam for CSE 1341: Introduction to Computer Concepts is available during AARO. This exam is for students with Java programming experience who did not earn credit through an AP exam. This is NOT the Information Technology Exam. Fee: $20, exact cash only.

If you would like to take this exam, please contact Beth Minton at beth@lyle.smu.edu at least 24 hours before your AARO session.
SMU Email Account

As part of your admission to SMU, you are given an SMU email account for your use. All official SMU communication is directed through the SMU email account. It is very important that you check this account regularly for important information regarding registration, University events and emergency notification. To access your email, go to webmail.smu.edu.

Login using your SMU ID number and the same password used for logging in to Access.SMU. For additional information about SMU email or other technology services, visit smu.edu/oit.

If you need assistance, please contact the IT Help Desk at 214-768-4357.

Textbooks

We urge you to take advantage of the SMU Bookstore’s Textbook Reservation Program on our website at http://smu.bncollege.com immediately after registration at AARO. The greatest amount of discounted used books is available through the reservation program. We recommend you select your reservation be picked up in the store when you return to campus to begin classes, but you may also have your books shipped to your home for a nominal fee. You may also purchase your textbooks at AARO, but we will be in the process of receiving many of our spring textbooks, and may not have all of your books in stock. If you do choose this option, you will need to take your books with you; there is no on-campus storage for purchases.

Another option is to rent textbooks saving 50% off of new book prices. The SMU Bookstore is located in the Park Cities Plaza, 3060 Mockingbird Lane (next to La Madeleine).

Monday – Thursday 8:30 am–7:00 pm
Friday 8:30 am–6:00 pm
Saturday 10:00 am–5:00 pm
Sunday 12:00 pm–5:00 pm

MY.SMU

MY.SMU is the self-service system in which students enroll/drop classes, view the schedule of classes, view grades, view and request transcripts and degree progress reports, view financial aid and student account information, and update/verify personal information – addresses, phone/cell numbers, emergency contact and demographic summary.

Students have the final responsibility for the accuracy of their enrollment, the applicability of their courses towards their degree requirements and their academic performance. Please be sure to check your SMU email account regularly. The University uses the student’s SMU email account as the official means of communication for notification of deadlines and other important announcements. Please review the Registrar’s Home Page (smu.edu/registrar/) for more detailed information.

Reserve Your PO Box

If you live on campus during the academic year, you are required to have a post office box at the SMU Post Office. Your PO Box address and mailing information will be sent to your SMU email address. Your mail can be picked up at Copy and Mail Central located on the main floor of the Hughes-Trigg Student Center. This PO Box number will be entered into your records at the time of registration and will be your official campus mailing address. The non-refundable $45 mailbox fee is charged to the student account along with the Spring term residence hall rent charge. Non-resident (commuter) students may rent a mailbox at the SMU Mail and Copy Center for a $45 fee. Payment will be accepted in the form of SMU Expres$$ Cash, Visa/MasterCard/American Express, or a personal check payable to Ricoh. For additional information contact Mail and Copy Central by Ricoh at 214-768-4450.

Education Records Release & FERPA

To facilitate the sharing of information, SMU offers an easy method for students to grant permission to others (including parents) and, for those granted permission, the ability to access education records through the Release of Education Records feature in the self-service component of Access.SMU. For information and instructions visit http://www.smu.edu/ferpa/students. For more information on FERPA and SMU’s FERPA policy visit the University Registrar’s FERPA website at http://smu.edu/ferpa.
Disability Accommodations and Success Strategies

The mission of the Disability Accommodations and Success Strategies (DASS) team of the Altshuler Learning Enhancement Center (LEC) is to assist in creating an accessible university community, where students with documented disabilities have an opportunity to participate as fully as practicable in all aspects of the educational environment.

DASS is the primary contact for all SMU students with disabilities, such as learning and attention disorders, physical, sensory and medical disorders, psychiatric disorders, and others. DASS has three main functions: determining accommodation eligibility, collaborating with faculty and staff to ensure that accommodations are provided for those deemed eligible, and providing academic coaching for students with learning and attention disorders.

To be made eligible for accommodations a student must:
1) Request services themselves by submitting an online form (request for Accommodation Eligibility) or request an interview, and
2) appropriate, current documentation in keeping with the guidelines also posted on the website. Both steps must occur before documentation is reviewed. The review process may take up to two to three weeks, after which time a member of the DASS team will contact the student directly with an answer regarding eligibility.

Once a student is made eligible for accommodations, the student will meet with a DASS staff member to discuss the accommodations and the implementation of these accommodations. The student will be given letters for the student to distribute to each professor during an individual meeting with that professor. At the beginning of each subsequent semester, the student is responsible for requesting new letters for that semester via the DASS website.

Academic coaching is available at no charge for any SMU undergraduate student with a diagnosed learning or attention disorder. Coaching focuses on the student’s individual needs in the academic environment, such as time management, executive functioning issues, study skills, note taking skills, test preparation, and test taking strategies. Academic coaches are available by appointment.

More information is readily available at the DASS website (www.smu.edu/alec/dass), including frequently asked questions geared toward students, faculty and parents. You may also contact DASS with any questions or concerns at 214-768-1470.

Health Center Requirements

Requirements For All Students Prior to AARO
Texas law requires all new students under the age of 22 provide documentation to the Health Center demonstrating they have been vaccinated against Bacterial Meningitis within the past 5 years from the first day of class. Enrollment holds will be placed for all new students until this requirement is fulfilled. Submit required documentation and health form at least 2 weeks prior to registration of classes/AARO sessions.

Students must also submit to the Health Center immunization records that provide proof of immunization against measles, mumps and rubella. Some students may be required to have the TB skin test. Required Health Forms and specific directions are available on the Health Center Website: www.smu.edu/healthcenter.

Students may view the receipt and completion of their Health Form and Immunization Records in Access.SMU by going to:
Student Self-Services > Student Center > Medical Health History.

Please make a back-up copy of the documentation for your own records. Do not submit more than one form.

You may email questions to: healthcenter@smu.edu or call 214-768-2141, press option 1.

Health insurance
SMU requires all domestic students, both undergraduate and graduate, taking nine or more credit hours to have adequate health insurance through either an individual/family plan or the University offered plan. All international students taking one or more credit hours must enroll in the University offered plan unless they have a special waiver personally granted by the Health Center staff.

SMU’s mandatory policy requires those students with the enrollment status mentioned above to either document current insurance coverage (waive) or to enroll in the Student Health Insurance Plan (SHIP) in Access.SMU by the deadline each semester. The deadline for Spring 2015 is January 23, 2015. Students who wish to waive SHIP must do so prior to the deadline each semester in order to avoid automatic enrollment into SHIP and the semi-annual premium of $1,12.00 applied to their university account.

No reversal of premiums or changes to insurance status can be made after the deadline EACH semester.

For more information and instructions on how to WAIVE or ELECT coverage please visit www.smu.edu/healthinsurance.
Final Preparations for AARO

Academic Honesty Tutorial

Southern Methodist University (SMU) has a deep commitment to maintaining high standards of academic integrity among the student body. All entering students are required to read an online tutorial on academic honesty and then take an online quiz. This is accessed through Blackboard, the University’s Course Management System. All entering students must complete Campus Clarity prior to January 15. We will send each of you log-in information and instructions for Campus Clarity, and you may complete the course on any computer with internet access. Thank you in advance for taking the time to complete this important course, and welcome to SMU!

Tuition and Fees

When you complete your course registration at AARO, the Division of Enrollment Services will send a billing notification to the student’s SMU email address and to the designated Authorized Payer(s) email address when the bill is available for online viewing through SMUpay. The charges will represent the cost of the hours in which you have enrolled, room and board, and selected Essential Services. Your payment is due upon receipt of your invoice. Students whose accounts are not cleared by the deadline are charged a late payment fee of $50 for balances between $250 and $999.99, and $150 for balances between $1,000 and $5,000. Balances over $5,000 are charged 3% of the outstanding balance not to exceed $750. Also, after the monthly payment due date has passed, a 1.5% past due will be assessed on the unpaid student and/or miscellaneous account balances each month until the balance is paid. Please contact the Division of Enrollment Services at 214-768-3417 or enrol_serv@smu.edu if you have questions regarding loans or other financial aid.

Spring 2015 Summary of Charges

A condensed summary of charges is given below for Spring 2015. The total may vary according to the individual academic program, which may include lab fees or other charges.

UNDERGRADUATE CHARGES

<table>
<thead>
<tr>
<th>Description</th>
<th>Per Term</th>
</tr>
</thead>
<tbody>
<tr>
<td>Tuition (12-18 term credit hours)</td>
<td>$20,385</td>
</tr>
<tr>
<td>General Student Fee</td>
<td>$ 2,585</td>
</tr>
<tr>
<td>Parking (optional)</td>
<td>$  150</td>
</tr>
<tr>
<td>Health Center</td>
<td>$   100</td>
</tr>
</tbody>
</table>

Note: Room and board charges depend on the residence hall but can be viewed at the following link: www.smu.edu/bursar.

STUDENT ID

We ask that all entering students to submit a picture ahead of time so that we can print your SMU ID Card in advance and have it ready when you arrive for orientation.

Log in with your SMU ID and password at IDcard.smu.edu and send us your photo.
Things To Bring With You to AARO

- Health form (if not yet submitted to the SMU Health Center)
- SMU ID number
- Comfortable shoes
- Sweater (for air-conditioned rooms)
- No. 2 pencil for placement/credit exams
- Cash or check for testing, souvenirs, textbooks, and post office box rental if not living in a residence hall
- AARO Parking Pass
- AARO Information Brochure
- Copies of AP and IB testing scores
- College transcripts for any dual credit courses, if not previously submitted
- Disability documentation if seeking accommodations
- License plate number and make/model of car if registering vehicle for the Spring
