Certificate of eligibility for J-1 Exchange Visitor status, prepared by the sponsoring agency, which shows program of study, dates of eligibility, financial information, etc.

DS-2019 is controlled by the U.S. Department of State.

PASSPORT

A formal document issued by an authorized official of a country to one of its citizens that:

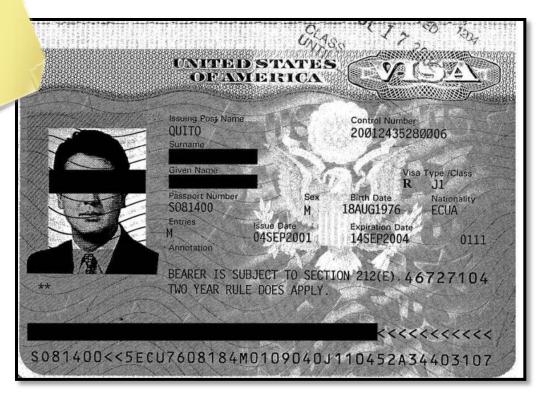

- is usually necessary for exit from and reentry into the country
- allows the citizen to travel to a foreign country in accordance with visa requirements
- Requests protection for the citizen while abroad

A passport is only valid through the expiration date posted unless extended.

A student must ALWAYS have a valid passport while studying in the U.S. It is recommended that students apply for renewal of a passport at least 6 months prior to its expiration.

VISA

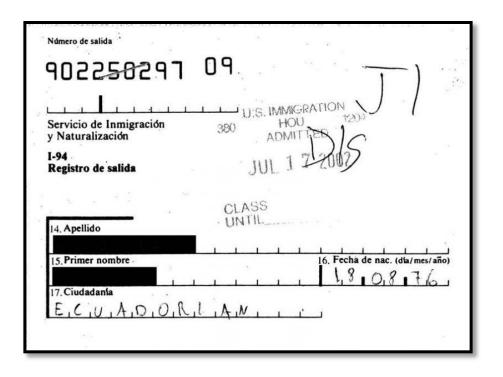

A visa does not define the student's current status!

An endorsement made on a passport by the proper authorities denoting that it has been examined and that the bearer may proceed. F and J students cannot obtain a visa without an I-20 or DS-2019 document issued by our school. A visa will have an expiration date and as long as the student or exchange visitor is in the U.S., he or she remains in status with an expired visa. As soon as the student or exchange visitor leaves the U.S., he or she must renew the visa prior to reentry to the U.S.

I-94

A small green or white card given to all non-immigrants when they enter the United States. The I-94 card serves as evidence that a non-immigrant has entered the country legally. It is stamped with a date indicating how long the non-immigrant may stay for that particular trip. It is this date — and not the expiration of the visa — that controls how long a non-immigrant can remain in the United States. A new I-94 card with a new date is issued each time the non-immigrant legally enters the United States. Canadian visitors are not normally issued I-94 cards.

DEPARTMENT OF HOMELAND SECURITY (DHS)

The DHS writes regulations and develops policies to implement the F-1 statute that establishes the parameters, procedures, conditions, benefits, duties, and restrictions of the F-1 category.

The DHS adjudicates I-17 petitions filed by schools that want to enroll F-2 students and designates those schools whose petitions it approves.

The DHS inspects F-1 students when they apply for admission at a U.S. port of entry, and admits them into the United States in F-1 status if they are found admissible.

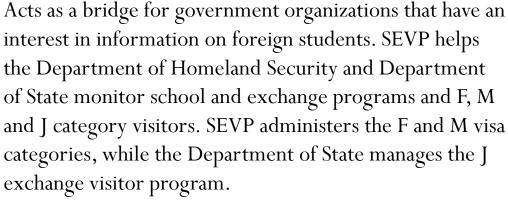

The DHS adjudicates applications for certain benefits under the F-1 regulations.

The DHS manages the Student Exchange Visitor Information System (<u>SEVIS</u>).
