SMU

FACTS SMU

WELCOME to SMU

In its second century of achievement, SMU is recognized as a university of increasing national prominence and impact.

The University has a strong foundation in the humanities and sciences, as well as undergraduate and graduate degree programs through seven schools. Students benefit from small classes and opportunities for research, leadership development and unique learning experiences on campus and around the world.

SMU is dedicated to shaping world changers. It prepares students to make an impact through their chosen professions and service to society.

SMU was founded by what is now The United Methodist Church in partnership with civic leaders. The University is nonsectarian in its teaching and committed to academic freedom and open inquiry.
