*According to the office of Federal Student Aid, the Expected Family Contribution (EFC) is not the amount of money your family will have to pay for college or the amount of federal student aid you will receive. It is a number used by your school to calculate the amount of federal student aid you are eligible to receive. †Units refer to the number of successfully completed high school courses in the core areas of English, math, social sciences, science and foreign language.

3 WE WORK HARD TO MEET YOUR NEEDS

We offer a variety of options to meet your needs. These include SMU-funded opportunity awards as well as state and federal sources of financial assistance, depending on financial need and residency. Only U.S. citizens and permanent residents are eligible for financial aid.

How to apply

Submit two forms by your chosen application deadline: November 1 for Early Decision I and Early Action or January 15 for Early Decision II and Regular Decision. These are the priority deadlines. Both forms will be available October 1, 2022. The FAFSA is required to determine your eligibility for federal and state need-based aid. The CSS PROFILE™ is required to qualify for SMU-funded opportunity awards. However, SMU requires neither for awarding academic scholarships.

1. Free Application for Federal Student Aid (FAFSA) for federal and state aid

U.S. and dual citizens and permanent residents seeking eligibility for federal and state sources of aid must submit the FAFSA each year. fafsa.ed.gov. SMU school code 003613.

- Visit studentaid.gov to submit the Free Application for Federal Student Aid (FAFSA). Use SMU school code 003613.
- Take advantage of the IRS Data Retrieval Tool for an easier way to provide accurate tax information on your FAFSA.
- Visit studentaid.gov/fsa-id/create-account if you do not have a Federal Student Aid ID and would like to create one. Your FSA ID will be your electronic signature.

To learn more about federal student aid programs, visit studentaid.gov.

2. The CSS PROFILE™ for institutional aid

For SMU-funded opportunity awards, shown in the sample aid packages, you must submit a CSS PROFILE™ financial aid application each year. This will give our financial aid advisors more information to further assess your financial need.

File your CSS PROFILE™ at cssprofile.org. Use SMU school code 6660.

FAQs

WHAT KIND OF FINANCIAL AID IS AVAILABLE?

SMU offers academic scholarships, grants, loans and work-study awards, many of which can be combined and applied toward tuition and fees as well as housing. SMU first-year students and sophomores are required to stay on campus. Each student is assigned to one of our 11 Residential Commons, where academic, residential and social experiences are integrated to create a supportive community of scholars.

WHO IS ELIGIBLE FOR ACADEMIC SCHOLARSHIPS AND NEED-BASED AID? HOW DO I APPLY?

All applicants are considered for academic scholarships. U.S. and dual citizens and permanent residents who submit the Free Application for Federal Student Aid (FAFSA) and CSS PROFILE™ are considered for need-based financial aid. For academic scholarships and/or financial aid, you must apply by your chosen application deadline – November 1 for Early Decision I and Early Action or January 15 for Early Decision II and Regular Decision. If you applied by November 1, you will be notified in early January. If you applied by January 15, you will be notified by mid-March.

HOW DOES SMU DETERMINE THE AMOUNT OF FINANCIAL ASSISTANCE?

FAFSA and CSS PROFILE™ information is sent to SMU, which compares the cost of attending SMU with the Expected Family Contribution (EFC)* for the student's college education.

WILL I HAVE A FINANCIAL AID ADVISOR AT SMU?

SMU assigns a financial aid advisor to each student. Your financial aid advisor will work with you to explore a combination of federal, state and SMU-funded awards, including grants, loans and work-study options.

For more information about the academic award and financial aid process, call us at 214-768-2058 or 1-800-323-0672 or visit us at smu.edu/value.

“Our three daughters chose SMU, beginning with our eldest, Karna, who graduated in 2020 with a Bachelor of Arts degree in public relations and strategic communication, with minors in advertising and English. Like their older sister, our twin daughters, Lauren and Kelley, have taken full advantage of SMU’s academic opportunities, pursuing multiple majors in different disciplines. As parents, we experienced ‘wow’ moments when our daughters connected with what it means to be a Mustang, and when they recognized the benefits of attending college in Dallas – home to 20+ Fortune 500 companies and a global gateway to internship and job opportunities.”
