Hegi Family Career Development Center

Website

How do you connect your values to your career? Where can you find internships that will help you land your dream job? How do you network with industry professionals? We'll work with you to navigate these questions and more!

Our counselors work with students at all stages of their career development process – from choosing a major to evaluating a job offer. From facilitating exploration activities and focusing career goals to developing effective resumes and cover letters, graduate school research, and job search strategies.
