

## Retiring From SMU - 2019

You are considered an SMU retiree and will be eligible for the retiree benefits explained below if you leave SMU at age 60 or older with at least 10 years of SMU employment, and you were enrolled in the SMU Medical Plan during the 5-year period immediately preceding your retirement date.

### **Retiree Medical - Retirement Prior to Age 65**

As a retiree, you **and** your spouse, if eligible, may continue BCBSTX Medical and Rx coverage until you reach Medicare eligibility at age 65.

- If **you** were enrolled in an SMU medical plan for the five year period immediately preceding your retirement, SMU provides a Premium Subsidy equal to 55% of the Medical/Rx premium for you **and** an **eligible** spouse. ***Your spouse must have been married to you for at least five full years immediately preceding your retirement date.***
- At age 65, your Medical/Rx coverage will transition to the Emeriti Health Plan for Medicare-eligible retirees (described below). This requires an election on your part. Please contact the Benefits Office (214-768-3311) six months prior to your 65<sup>th</sup> birthday.
- If your spouse is less than age 65 he/she remains in BCBSTX until age 65.
- If your spouse reaches age 65 before you do, you will both remain in BCBSTX coverage until **you** become Medicare-eligible at age 65.
- If you predecease your spouse, he/she will continue to be eligible for continued coverage and the SMU premium subsidy. He/she will transition to the Emeriti Health Plan at age 65, with the applicable SMU premium subsidy, as explained below.

### **Retiree Medical - Retirement At Age 65 or Older**

If you retire at age 65 or older (i.e., Medicare eligible) with 10+ years of service, you may enroll in the Emeriti Health Plan (administered by Aetna), as long as you are enrolled in Medicare Parts A & B on your retirement date.

- If you retire at age 65 or older and your eligible spouse is less than age 65, he/she will continue with BCBSTX medical/Rx coverage until age 65.
- If you predecease your spouse he/she will continue to be eligible for continued coverage and the age-based SMU premium subsidy.

**SMU Premium Subsidy:** SMU will pay a portion of your Medical and Rx premiums if:

- you were hired prior to January 1, 2008 and you were age 40 or older on January 1, 2008.
- you meet the age 60 and 10 years of SMU employment criteria when you retire, and
- you were enrolled in an SMU Medical Plan for the 5-year period immediately preceding retirement.

***The premium subsidy will also be paid on behalf of your spouse if you have been for at least five full years immediately preceding your retirement date.***

The **2019** SMU monthly premium subsidy for an eligible retiree and **eligible** spouse partner is:

- **Age 65-69:** \$128
- **Age 70-74:** \$154
- **Age 75+:** \$184

### **Emeriti Health Account**

Your Emeriti Health Account will be used to pay your portion of Medical and Prescription Drug premiums until the funds in your account are depleted. Once the funds have been depleted, you will pay your portion of the premiums via secure ACH withdrawal from your personal bank account.

### **Medicare**

When you retire, Medicare will become the primary payor ***when you reach age 65*** so it is important to apply for Medicare ***at least three months prior to your retirement date.***

- **Medicare Part A (Hospitalization):** Contact Social Security Administration three months before you reach age 65 to enroll in Part A, even if you are still working. You may enroll online for Medicare A only by going to [www.medicare.gov](http://www.medicare.gov).
- **Medicare Part B (Physician and Out-Patient Services):** Contact Social Security Administration three months before you plan to retire to enroll in Part B.
- **Medicare Part D (Prescriptions):** When you retire, Aetna will administer your Part D enrollment; you don't have to do anything.

There is a Social Security Office on Central Expressway (information attached). It is probably best to schedule an appointment in advance by calling 1-800-772-1213. Be prepared to spend up to two hours at the Social Security Office!

## **Dental Coverage**

If you are enrolled in the Dental Plan at retirement, you and your enrolled dependents may continue dental coverage for 18 months through COBRA or enroll in the Emeriti Dental Plan. Because the cost of the Emeriti Dental Plan is considerably higher, you should consider continuing your current SMU dental coverage through COBRA.

- You will receive a COBRA enrollment package from Healthcare Services, SMU's COBRA Administrator, shortly after you retire.
- Prior to the end of the 18 month COBRA period you may transition to the Emeriti Dental Plan administered by Aetna - during the next open enrollment, normally in November to be effective the 1<sup>st</sup> of the following year.

## **Flexible Spending Accounts**

If you are enrolled in the Health Care Flexible Spending Account (FSA), your FSA will terminate as of the date you retire from SMU. Eligible medical expenses incurred prior to your retirement date will still be eligible for reimbursement, but expenses incurred after your retirement date will not be eligible unless you elect to continue Health Care FSA coverage under COBRA.

- As noted above, you will receive a COBRA enrollment package from Healthcare Services, SMU's COBRA Administrator, shortly after you retire.

If you are enrolled in the Dependent Care FSA, your balance will continue to be available for reimbursement of eligible expenses incurred at any time within the current calendar year.

## **403(b) Retirement Account – Required Minimum Distributions**

Your Required Minimum Distribution (RMD) is the minimum amount you must withdraw from your 403(b) account each year. You generally have to begin taking RMDs when you reach age 70½. ***If you don't withdraw a RMD, fail to withdraw the full amount of the RMD, or fail to withdraw the RMD by the applicable deadline, the amount not withdrawn is taxed at 50%.***

You will begin receive notifications from Transamerica prior to your first RMD. Please contact Todd Hutson, SMU's Retirement Planning Consultant, prior to leaving SMU to discuss distribution requirements and your rollover options. Todd can be reached at 214-768-7504.

**Important:** If all or a portion of your SMU 403(b) account remained with TIAA CREF when SMU transitioned to Transamerica on January 1, 2012, call 800-842-2252 to discuss distribution requirements and your rollover options.

- Payment for unused vacation days, up to the maximum allowed, will be paid (direct deposit) during the pay period following the pay period your final paycheck is processed – ***if*** time off (including NLT – No Leave Taken) for ***all*** months preceding your retirement has been reported ***and*** approved. ***To avoid a vacation payout delay, be sure to review all prior monthly time reporting to be certain each month has been reported and approved.***
