CONFINED SPACE HAZARD ASSESSMENT

Owner: Risk Management
Revision No: 01

Document number: SF-004-8
Date last revised: 07-13-2018

Confined Space Hazard Assessment Form

Number:

Description and Configuration of the Spaces:

Details of Work to be Done:

Frequency of Entry:

Number of Entry Points:

External Connections to the Space:

Relative Risk: Below please give a subjective review on the relative risk by checking a box low/moderate/high and leaving a brief note if necessary.

Risk Assessment	Low	Moderate	High	None	Comments
Atmospheric Hazards					
Air Quality					
Fire or Explosion					
Other Chemicals/Solids					
Vehicle/Equipment Exhaust					
Chemical Hazards					
Process Liquids					
Skin Contact					
Ingestion					
Physical Hazards					
Heat Stress					
Cold Stress					
Biological Hazards					
Bacteria					
Fungi					
Insects					

Please contact ORM EHS for any required changes to this Program

Uncontrolled when printed

CONFINED SPACE HAZARD ASSESSMENT

Owner: Risk Management
Revision No: 01

Document number: SF-004-8
Date last revised: 07-13-2018

Risk Assessment	Low	Moderate	High	None	Comments
Mechanical Hazards					
Mechanical Equipment					
Hydraulic Equipment					
Pneumatic Equipment					
Electrical Hazards					
Safety Hazards					
Entrapment					
Engulfment					
Immersion (water)					
Electrical					
Slip/Trip/Fall					
Visibility					
Pressure Differentials					
Hot or Cold Surfaces					
Hazardous processes. (ie. Welding)					
Overall Risk Rating (Low, Moderate, High)					
Date of Survey:					Permit Required: (Y/N)
