Dr. Robin Pinkley

Professor
Janet and Craig Duchossois Endowed Professorship in Management and Organizations
Program Director, Master of Science in Management

PhD, Psychology, University of North Carolina
MA, Psychology, College of William and Mary
BS, Psychology, Elizabethtown College
What is the Gain - Gain Approach and the current research behind it?

Although it’s commonly understood that effective negotiators know how to manage emotion and separate the people from the problem, ignoring the people can become a problem. Understanding this dichotomy and the necessity of keeping your eye on your side of the table and your ear on theirs will improve the way people react to you.
