This plan could vary depending on the major you choose. Consult your advisor and check the individual degree plans for suggested sequencing of courses. Subjects in *italics* will appear as content on the DAT.

**1st Year Fall**
- **CHEM** 1303 (General Chem)
- **CHEM** 1113 (Chem Lab)
- **Biol** 1301 (Intro Biology)
- **Biol** 1101 (Biology Lab)
- **Disc** 1312 (Discernment)
- **Math** 1304/1337

**1st Year Spring**
- **Chem** 1304 (General Chem)
- **Chem** 1114 (Chem Lab)
- **Biol** 1302 (Intro Biology)
- **Biol** 1102 (Biology Lab)
- **Disc** 1313 (Discernment)
- **Math** 1337 (Calculus)

**2nd Year Fall**
- **Biol** 3304 (Genetics)
- **Chem** 3371 (Organic Chem)
- **Chem** 3117 (Organic Lab)
- **Stat** 2331

**2nd Year Spring**
- **Biol** 3350 (Cell Biology)
- **Chem** 3372 (Organic Chem)
- **Chem** 3318 (Organic Lab)

**3rd Year Fall**
- **Phys** 1307 (Lecture)
- **Phys** 1105 (Lab)
- **Biol** 5310 (Biochemistry)
- **Biol** 3403 (Microbiology)

**3rd Year Spring**
- **Phys** 1308 (Lecture)
- **Phys** 1106 (Lab)

**Notes:**
Students may complete Phys 1303/1105 & Phys 1304/1106 instead of Phys 1307/1105 & Phys 1308/1106. Note: Math 1338 is a prerequisite (or concurrent enrollment) for Phys 1304.

Students majoring in Chemistry, Biochemistry, or Physics should plan to take Organic Chemistry, Genetics and Physics in the sophomore year.

Although three hours of Biochemistry are recommended (and by some schools, required), it is strongly recommended that you also enroll in BIOL 5311 for additional preparation.

Additional recommended courses include: Physiology, Anatomy, Histology, Immunology, Biochemistry II, and Molecular Biology. While students have the option of choosing any major, most students accepted to dental school have taken more than the minimum number of biology courses.

Pre-dental students should plan to take the DAT no later than June of the year they intend to submit their application (usually April/May of the junior year). The DAT is offered multiple times during the year. See the Pre-Health Director for more information and visit the ADA web site [http://www.ada.org/dat.aspx](http://www.ada.org/dat.aspx).

Pre-dents may incorporate study abroad in their college plan, usually before the spring of junior year or during the summer. Talk with your advisor and plan ahead!
