

The William P. Clements Center for Southwest Studies is pleased to announce the publication of

*Evolution of the Texas - Louisiana Boundary:
In Search of the Elusive Corner*

By Jim Tiller and John P. Evans, Jr.

Tiller and Evans provide a fascinating compendium of historical sources illuminating the surveying and mapping of the Texas-Louisiana-Arkansas boundary from the early nineteenth century to the present. This volume offers a treasure of riches for readers interested in locality and the technological, scientific, and hands-on business of geographic demarcation in a region of uncertain and often contested boundaries.

455 pp., 8.5 x 11.5, maps, figures, photographs, appendixes., endnotes, bibliography, index
